Phil's Forecast:

Weather: Low 60's, mostly cloudy, winds 10-20 mph - The Patriots remain unbeaten following their come-from-behind victory at home against a pesky Jets defense last weekend as they were forced to take to the air on nearly every play (54 passes compared to 9 runs) as their OL is obviously depleted due to injuries. Up next is a reborn Miami squad that has flourished in the first 2 weeks under interim HC Campbell including LW's mauling of the Texans that saw them put up 399 yards on their 1st 7 drives of the game. After recording just 1 sack over the 1st 4 games, the Dolphins are getting to opposing QB's on a routine basis since their bye with 10 sacks in the L/2. While Brady is 8-0 all-time on Thursday Night with an impressive 20-2 ratio, Miami has the momentum and drive to keep this one tight in Foxboro.
