Phil's Forecast:

This is just the 3rd all-time meeting between these new AAC rivals with UCF winning both prior games. UCF HC O'Leary has removed himself from the interim AD duties as his team has surprisingly struggled and is still searching for their 1st win of the ssn. Temple on the other hand, enters the game undefeated. An unusual stat shows the Owls as only outgaining their opponents by 20 ypg, but is outscoring them by a sizeable 20 ppg. My computer forecast says Temple will not only win by a large margin, but will also do so with a 308-146 yd edge. The Owls also have a large ST advantage with my #18 ranked unit against a Knight ST unit that is ranked all the way down at #72. I'll call for Temple to get their 3rd str blowout victory.
