Phil's Forecast:

Weather: Low 60's, partly cloudy, winds 3-8 mph - London (9:30am EST) - The Lions head across the pond with some clear issues on the offensive side of the ball as they parted ways with their OC and a few other offensive coaches prior to departure. The Chiefs have been snakebitten by injuries and poor finishes this season although they are riding some momentum following their win over the Steelers last week in Arrowhead. While we do expect the DET offense to look a little different with more focus in the passing game, the Chiefs have righted the ship and appear ready to make a move up the AFC standings.
