Phil's Forecast:

This is homecoming weekend for CU and they've won 6 of the L/7 meetings in this series incl 4 in a row. Both teams are tremendous on the defensive side of the ball as they've both held each of their FBS opponents to ssn lows in ttl yds! The Tigers are #5 in the nation holding their opponents to 159 ypg less then their ssn avg while BC is actually #1 in the nation, holding their foes to 269 ypg below their ssn avg! CU though, is also highly efficient on offense as they avg 432 ypg and offense is the problem area with the Eagles as they avg just 274 ypg vs FBS foes. BC has my #4 ranked rush D along with by #13 ranked pass eff D and I'm looking forward to the chess battle between the Tigers offense and the Eagles D. I'll call for CU to win with ease because of the huge advantage they have on D against a struggling BC offense.
