Phil's Forecast:

The defending Nat'l Champion Buckeyes have looked extremely vulnerable this ssn, surviving close gms against NIU & Ind while not looking sharp against Hawai'i, WM, & MD. The offense has struggled with Cardale Jones as the QB and LW HC Meyer started utilizing AA QB JT Barrett in the redzone, which was a welcome site for Ohio State fans. The Buckeyes have won 5 of the L/6 meetings between these B10 rivals. Coming into the ssn many believed this would be a matchup between undefeated teams, but PSU was upset in the opener, but have won 5 str since incl their most impressive looking victory LW. This will be the Nittany Lions 1st road trip outside the state of PA and their 1st overall road gm since that opening loss. PSU has struggled mightily on offense but their defense has been strong, holding their opponents to 130 yds less than their avg. For all the talk about the Buckeyes offensive struggles, they are still avg 460 ypg incl 230 (5.8) rush, 2 figures most teams would love to have. I'll call for the Buckeyes to make it 6 of 7 in this series with a 17 pt win.
