Phil's Forecast:

Weather: Low 70's, mostly sunny, winds 5-10 mph - HOU ran into a buzzsaw LW in MIA against a Dolphins squad that is in the process of scorching the earth under their interim HC. They now take on a TEN team that has had troubles of their own as they're currently in the midst of a 5-game losing streak following LW's 3 point home defeat by ATL. The Texans have dominated the Titans at home the past 3 seasons by 15 ppg. While I'll go ahead and give them a chance in moving that streak to 4 straight now that Hoyer won't have to look over his shoulder for the potential hook, HOU hasn't proven to be a team that can deliver a substantial MOV thus far in '15.
