Phil's Forecast:

Weather: High 50's, mostly cloudy, winds 6-11 mph - The Bengals head to Pittsburgh this weekend well rested following their bye week. They are still undefeated and a surprising underdog in this one against the Steelers who have QB Roethlisberger back for the first time in more than a month. PIT struggled LW at KC with QB Jones making his 1st career start as he was able to throw for 209 yds but with 3 costly TO's. With 3 games already of 4+ sacks on the season, expect the Cincinnati defense to challenge the PIT OL early and often in this one as they look to move to a perfect 7-0 on the year.
