Phil's Forecast:

Weather: Low 60's, clear, winds 5-10 mph - Without question the premier game of Week 8 as a pair of undefeated squads square off in this one. While recent history is clearly in favor of the Packers with 3 consecutive wins by a 33-13 average margin, keep in mind that the DEN defense is tied for 2nd in ppg all'd in '15 at 17.0 (GB #1 at 16.8). While the Broncos have been a home underdog just one other time under Manning and my computer is calling for the Packers to escape with a 1 point win, I'll go ahead and give the Packers the FD edge in this one as Denver's offense clearly isn't what it used to be with an aging Manning still trying to adjust to the new scheme implemented by Kubiak.
