Phil's Forecast:

Texas traveled here in 2015 and got shutout 24-0. LY Texas got revenge at home 27-6, but ISU led 6-3 in the 3Q. ISU was shutout in the 2H, but 3 of its 5 drives ended in UT territory. Both teams are fresh off a bye and Tom Herman knows how dangerous Ames can be as he was the OC here from 2009-'11. They were 12-7 at home those years (11-24 since) including their upset of #2 Okla St which kept the Cowboys from getting to the national title game. Texas has rebounded nicely from their embarrassing home loss to Maryland and even took a powerful USC team to OT on the road. Sam Ehlinger is hitting just 54%, but the rush D has allowed just 1.8 ypc the last 2 games. Jacob Park is hitting 67% with a 8-2 ratio, but their D is allowing opponents 87 ypg more than their season average and Texas's D is holding them to 23 below. The best stat in Texas's favor is they have held all 3 opp's to a season low in yards and gained a season high in yards vs each one's defense. Texas has faced my #24 sked and Iowa St just #94.

Texas 35 Iowa St 28

Phil Steele	Miami, Fl by 7

Phil's Forecast:

Miami is 11-1 in this series. LTH Duke (-12') appeared to have the gm won, but UM used an 8-lateral KR to win the gm 30-27. LY UM won the reg ssn finale at home 40-21 in a game they led 40-14 (Duke TD 2:41 left). Miami has a big game vs Florida St on deck. Duke appears to have a large defensive edge allowing just 262 ypg while Miami is allowing 390. Miami still has better athletes and while not as dominant in their 2 games as I expected they did hold Toledo to 176 yards below their season average. Duke is perfect vs the Vegas number and beat down Northwestern here 41-17. They have the experienced QB edge as well with Daniel Jones (904, 62%, 5-2) vs Malik Rosier (550, 69%, 6-1). My computer likes Duke 31-26, but I will side with Miami in this one as they had an unscheduled two weeks off and should improve weekly.

Miami, FL 30 Duke 23

Phil's Forecast:

Illinois is fresh off a bye and catch Nebraska playing a 5th straight week on a short week with huge games vs Wisconsin and Ohio St on deck. Nebraska had not lost to Illinois since 1924, but the LTH they were upset 14-13 with Bill Cubits Illini squad getting a 1 yard td run with :10 left for the win. LY Terrell Newby got a 63 yd td run with 1:58 left to win 31-16 at home. The Huskers defense is much improved as they allowed 591 ypg, and 52 ppg in the first 6Q of the season, but just 233 ypg and 8.4 ppg the last 10 quarters and taking away 3 Tanner Lee pick sixes. Nebraska could easily have covered vs Rutgers settling for a couple of short FG's late. Illinois is down to Jeff George Jr at QB and hitting just 52% with a 2-5 ratio passing the ball.

Nebraska 27 Illinois 13

Phil's Forecast:

BYU is 25-3. LTH BYU trailed 21-10, but in the L/2:42 before HT tossed a 72 yd td pass & got a 37 yd FR td. BYU led 38-21 into the 4Q and after USU cut it to 10 BYU scored L/13 holding Aggies to 25/19pl. USU has won 7 str hosting non-conf foes (L/loss in `13 vs BYU 31-14). LY the Aggies led 3-0 into 2Q & only trailed 14-10 at HT. USU was shutout in the 2H running just 17pl (46 ttl yds on 4 poss) losing 28-10. These schools are 125 miles apart. BYU has played 3 top teams in LSU, Utah and Wisconsin but are -183 ypg and their offense is generating just 222 ypg and 10 points. They went to Beau Hoge in the last game with Tanner Mangum banged up, but he hit just 11-20-111. Both teams lost to Wisconsin but USU was actually 10-10 at half on the road and BYU trailed by 18 at half at home. My average game grades have USU playing at a 82.5 level and BYU at a 75.6 level and USU is a home dog.

Phil's Forecast:

USC is 7-3 vs Pac-12 foes in weekday mtgs. Trojans have won 5 str trips to Pullman by 33 ppg. LTH ('14) USC won 44-17 (also was L/mtg). USC is 13-5 on the Pac-12 road incl 4 straight wins by 20 ppg. USC has my #5 rated DB's to stand up to Luke Falk and are allowing just 49% completions this year. USC has taken on my #4 toughest schedule so far facing Western Michigan, Stanford, Texas and California. They are +122 yards per game. Wash St comes in at 4-0 and plus 242 yards per game, but have taken on Montana St, Boise St, Oregon St and Nevada. Wash St has taken on an FCS foe, my #48, #122 and #113 pass D's and now take on by #4 pass D. USC has 11 sacks while WSt has allowed 14. While Wash St is averaging 44 ppg they only had 21 offensive points in regulation vs Boise. USC has won their last 5 trips here by 33 ppg and the projected temp is 76 degrees so the Trojans will enjoy this trip.

USC 34 Washington St 24

Phil Steele	FIU by 14

Phil's Forecast:

LY the Panthers trailed 26-13, but got a 15 yd td pass w/4:21 left to cut the deficit to 6. After forcing a punt FIU drove 45/2pl (gm deciding 9 yd td pass w/1:05). UC missed a 49 yd fg w/:05 (short). While LY's game was close FIU is #4 on my Exp Chart and Charlotte is #93. FIU has just 3 td's in 3 games so tough to lay double digits. FIU has a edge on defense (#106 vs #121) and is at home. Charlotte is -130 ypg and their offense and defense combined for 209 ypg below what their opponents average. Charlotte just lost at home to Georgia St by 28 and face a stronger FIU on the road.

FIU 27 Charlotte 13

Phil's Forecast:

Last met in 1951. Pitt just faced the option of Georgia Tech last week and is probably still recovering from the cut blocks and they have Dino Babers pass happy offense on deck. Rice traveled to Australia and had a week off and now are in their 3rd road game in 4 weeks. Rice did lose their road games by 22 ppg last year and this year by 24 ppg. Rice is averaging just 243 ypg vs teams not names UTEP and run into Pat Narduzzi's Pitt defense that has just allowed 580 ypg the last 2 games so they will be angry and the same defense held Penn St to just 312 total yards 3 weeks ago. Walk On Ben DiNucci took over at QB for Pitt since PS#1 Max Browne was struggling. Pitt has taken on the #3 toughest schedule and needs a feel good win.

Pittsburgh 34 Rice 10

Phil's Forecast:

Bulls are 6-1. LY the Pirates rallied from a 24-6 deficit to get within 24-22 w/6:58 left. EC elected to go for two, but the EZ pass was incomplete. Three plays later USF tacked on a 62 yd td run, forced an int & went 17/2pl for another td w/3:04. USF is playing a 6th straight week while ECar just played on Sunday and is on a short week. USF has gotten stronger by the week and had 326 yards vs Illinois and a 408-85 yard edge at Temple last Thursday, so they have extra time to prep. I like the Bulls here, but my main concern is that East Carolina has back door potential.

Phil's Forecast:

SU is just 11-33 in conf away games (1-10 run in ACC AG's, avg loss by 21 ppg). NC State is 9-1 all-time. LY NC State held the Orange to 28 rush yds (1.0 ypc). After a blk'd punt set up a SU fg, NCSt led just 21-20 w/10:29 3Q, but limited SU to just 26/20pl its L/4 drives and won 35-20 on the road. Last year Syracuse caught Virginia Tech which was off their big win over North Carolina and a large favorite in the Dome and pulled the upset. Here NCSt is off a bigger win having upset Florida State last week and they have a huge home game vs Louisville in just 5 days (next Thursday). Wolfpack QB Ryan Finley is hitting 74% with a 8-0 ratio, but a surprise to me is that the Wolfpack D is allowing opponents 40 yards above their season average and only has 9 sacks. NCSt has taken on the #53 schedule while SU just #115. Syracuse did only trail LSU by 2 with 2:00 to go last week and LSU was even off a loss.

NC State 38 Syracuse 24

Phil's Forecast:

First meeting and EMichigan is 0-9 all-time vs the SEC, avg score 50-14 and last year in a bowl year they lost to 4-8 Missouri 61-21 on the road. The way Kentucky gets to bowl is they take care of business vs the foes they are expected to beat and pull a few upsets. While they are in a Florida/Missouri sandwich this is a foe they are expected to beat. UK led Florida 27-14 in the 4Q, but missed a long GW FG at the end. EM is off an OT loss to Ohio U at home. I like Kentucky by 17, but their biggest win this year is by 11.

Phil Steele	W Michigan by 12

Phil's Forecast:

LTH was the largest ever MOV in series. WM led 40-0 w/6:20 3Q as Ball St's F/9 drives ttl'd 73/36pl w/only 1 ending in WM territory (missed fg). LY WMich led 52-13 at home until allowing a garbage td with :45 left. Ball State led WKU 21-20 with 2:00 to go last week, but lost by 12 with an interception return for a TD. WM does have a step down at QB as Zach Terrell hit 70% with a 33-4 ratio last year, while Jon Wassink is hitting 54% with a 1-2 ratio and they average 114 ypg less per game. Both QB Riley Neal and RB James Gilbert are questionable for Ball St so I will lean with the home team.

Phil's Forecast:

Last met in '09. Last week BC was tied 7-7 in the 4Q vs mighty Clemson so it was much closer than the 34-7 score would indicate. BC struggles with top notch Power 5 teams loaded with speed, but are a good bully vs non Power 5 teams and at 1-3 are desperate for a win to keep their bowl hopes alive. CM did go on the road and beat Kansas, but failed to cover their other 3 games by 21.5 ppg. BC has faced defenses that combined to average out to my #28 rated D last 3 weeks and are +13 ypg and here they take on my #90 D which is allowing foes 65 ypg above their season average. Despite avg just 15 ppg my computer is calling for 32 points here and they have large edges on defense and special teams. BC has taken on my #2 schedule and CMich my #109 slate.

Phil's Forecast:

UA last won at BG in '05, since have dropped 4 straight trips by 27 ppg. The Falcons have won 8 straight. LY BG limped in at 1-8 (7 str losses). It was 28-28, but BG scored 10 pts in a :11 sec span. After a 27 yd fg UA failed to catch a short KO & BG rec'd adding a 22 yd td run w/2:12 left. Akron did go 3-1 on the MAC road in their only bowl year under Bowden and I expect them to contend in one this year. BG's home crowd does not figure to be intimidating and Akron led a much tougher Troy team on the road last week 17-16 late 4Q. Ohio St transfer Warren Ball takes on a BG rush defense that is allowing 244 ypg rush and 5.3 ypc and BG is allowing 194 ypg above what their opponents normally average. BG did switch QB's last week going from James Morgan (43%) to Jarret Doege (62%), but still only put up 284 yards.

Phil's Forecast:

UMass has dropped both prior mtgs incl 51-23 in the L/gm ('13). It was the ssn finale as UMass came in 1-10 (2nd str road gm). From 2012-'15 UMass was a FB MAC member (7-25 in conf pl). The offenses are close, but Ohio has large edges on defense (#66 vs #105) and ST, but are playing a rare MAC sandwich game after facing 8 straight MAC foes most years. UMass let me down week 2 vs Coastal Carolina, but while 0-5 and playing Tennessee they are just -10 ypg and losing by just 7 points per game with no loss bigger than 10. Ohio has been energized with Canadian Nathan Rourke at QB. UMass has a double bye on deck and this will be their A+ game while Ohio is in a MAC sandwich. UMass QB Andrew Ford (64% 7-1) is questionable.

Ohio 27 UMass 21

Phil's Forecast:

The home tm has lost 7 straight in this series. LY thanks to a 67 yd td run & 15 yd FR td, Kent St led 27-6 into the 4Q. UB cut it to 14 twice, but the Golden Flashes sealed it w/a 43 yd td run w/6:25. Buffalo is 3-0-1 vs the Vegas number this year, but did lose QB Tyree Jackson last week to injury and Drew Anderson hit 7-9-109 in his place. Kent comes in 0-4 and is being outgained by 277 ypg, but did play on the road vs Clemson, Marshall and Louisville.

Buffalo 27 Kent St 14

Phil's Forecast:

Temple has dropped all 5 mtgs incl the last, 2015's AAC Title gm 24-13. UH jumped out to a 17-0 lead w/5:32 2Q, it was 24-3 after a 71/7pl td drive w/6:40 3Q. Both teams have first year HC's, but Applewhite has the edges of being with the team last year and having the more exp'd team (#41 Exp Chart vs #111). Temple is 15-2 at home the last 2 years. Houston benched QB Kyle Allen in their loss to Texas Tech and while he is hitting 77% it is with just a 4-4 ratio. Temple's biggest drop off has been on defense as last year they held foes to 283 ypg and 117 ypg below their opponents averages. This year they are allowing 469 ypg and 58 above what their opponents usually average. Last week they generated just 85 yards offense at USF. While Houston is giving up 378 ypg they are holding foes to 109 ypg below their season average.

Houston 27 Temple 13

Phil Steele	Marshall by 1

Phil's Forecast:

These two last met in 2008. Both teams had long bowl streaks broken last year and made my Most Improved Lists so I think both will get to a bowl. Cincy is off a tough 3 game road trip and playing a 5th straight week with a bye on deck. Marshall is fresh off a bye. These teams are close on offense, but Marshall has the defense (#54 vs #89) and ST edge (#17 vs #91). They are only 149 miles apart and Cincy has a first time head coach while Marshall HC Holliday is 38-18 the last 5 years. Marshall did put up 451 yards on a tough NCSt defense and WR Tyre Brady is avg 19.8 per catch.

Best Bet: ★ Marshall 24 (+) Cincinnati 23

Phil's Forecast:

LTH with a True Fr QB Baylor never trailed & led 31-10 w/12:20 left in a 31-24 win. Last year Baylor had a first time starting QB going vs Bill Snyder's D and was at home. RB Alex Barnes had 4 rush TDs (most ever in gm by a K-St Fr). K-St trailed 14-7 at HT, but outscored Baylor 21-0 in the 3Q (186-38 yd edge). Kan St had a bye to prep for Baylor last year and is fresh off a bye again. Baylor's offense has been different since Zach Smith took over at QB and last week they led Oklahoma late 3Q in an 8 point loss as he hit 33-50 for 463 yards. Crafty Bill Snyder is 11-0 ATS off a bye and 15-6 ATS off a loss and KSt is +97 ypg rush and +2.4 ypc in this years games, while Baylor is -110 ypg rush and -1.3 ypc.

Phil's Forecast:

Last year they met for just the 2nd time with the other being the Hall of Fame Classic in 1977. Both teams had backup QB's and after a scoreless 1Q UM took a 17-0 lead into the 4Q. In the 4Q Minn got a 70 yd Rodney Smith td run & 82 IR td w/1:08 left to win 31-10 on the road. Maryland QB Kasim Hill went out early vs UCF and so did the Terp offense with Max Bortenschlager at QB as he is more of a pocket passer and has a 1-2 ratio. Both Tyrrell Pigrome and Hill (top 2 QB's both injured) provided the mobility the offense needs at QB. Minnesota's defense is allowing just 239 ypg and holding foes to 157 ypg below their season average. The Terps allowed 250 (6.4) rush last week and Minny is off a bye so their RB corps should be at full health.

Phil's Forecast:

Ohio St had dominated their 3 Big 10 meetings winning 58-17, leading 49-0 with RU getting a TD with :13 left and last year 56-0 with QB JT Barrett pulled mid 3Q and OSU having a 669-116 yard edge. RU HC Ash was a co-DC at Ohio St in 2015, but that did not help him at all last year. RU top CB Blessuan Austin is OFY. Meyer may be interested in putting up a big number here as Washington only won by 16 earlier in the year and common opponents can be a factor in the playoff chase. Ohio State went to their backups on the last drive of the first half last week, but have less players on the travel squad so they will play their top two units longer. Ohio State's defense is holding foes to 133 ypg below their season average and Rutgers is averaging just 327 ypg!

Ohio St 42 Rutgers 10

Phil's Forecast:

L/mtg was the '15 Big Ten Championship, MSU won 16-13. While Mich St is in a Notre Dame/Michigan sandwich they are off a 3-9 season and a loss, so will show no look ahead. Iowa is actually 17-4 away from home the last 5 years but needed OT to get past Iowa St this year. Last week Michigan State got pummelled by Notre Dame losing by 20 while Penn State needed a TD on the last play to get past Iowa. Upon closer inspection Michigan St actually had a 496-355 yard edge but was –3 in turnovers. Iowa was out gained 579-273 and out FD's 29-11, but only lost by two. Iowa is 3-1, but being outgained by 29 yards per game and Mich St is 2-1, but plus 219 yards per game. Look at my computers projected yards on this game it is 452-229!

Michigan St 24 Iowa 17

Phil's Forecast:

WF has been shutout 2 of the L7Y (no td's 4 of L/5). LY was a defensive game as WF only trailed 10-6 early 2H. WF's L/2 drives ended on a 40 yd missed fg & EZ pass from the FSU23. LTH only won by 8 (prior 3Y avg win by 49 ppg). FSU was w/out 3 str's incl RB Dalvin Cook. Florida State has fallen out of the AP rankings. Wake Forest defense is allowing just 11.5 ppg. Florida St has taken on my #1 toughest schedule facing Alabama and NC State while Wake has faced my #107 schedule. Last week Wake was outgained by App St by 150 yards, but managed to win by 1 with App St missing a FG at the end. Florida State's defense is holding foes to 206 ypg below their season average. FSU's Oline has struggled, but even though I rate the Wake DLine #25 in the country they have just 5 sacks in 4 games so James Blackman should have more time to throw. Normally FSU would look past Wake, but at 0-2 they are desperate and with Wake at 4-0 they will be up for this one.

Florida St 24 Wake Forest 10

Phil Steele	Wisconsin by 10

Phil's Forecast:

The home team had won 8 in a row in the series, but the visitor has won the last 2. Both teams are off a bye and in their Big Ten opener. LY UW won at Ryan Field for the 1st time s/'99. A key play happened early 4Q with Wisconsin up 6, they got a sack and FR and went 45/9pl getting the gm deciding td & 2pt w/8:57 left (NU never threatened again), 21-7. Both were ranked the LTH and NW was a 10 point dog, but won outright 13-7 on a snowy day. This is one of those games where the numbers clearly spell out Wisconsin, but Northwestern just plays better when an underdog and they are 8-1 as an AD with SEVEN outright upsets their last 9 tries and the one they did not win outright was at Ohio St as a 4 TD dog and they only lost by 4.

Wisconsin 27 Northwestern 17

Phil's Forecast:

LY PSU trailed 24-14 late 3Q & after all’g a 40 yd td pass w/11:06 left were down 31-28. The Nittany Lions went on to score the L/17 pts incl a fg on a 0/4pl “drive” & 9 yd FR td w/:38 left, which was very important to some in their 45-31 win. Indiana played both Ohio St and Michigan tough on the road last year. Indy true frosh RB Morgan Ellison had 186 yards last week. Penn State is off a last play TD win at Iowa, but did have a 29-11 FD edge and 579-279 yard edge.

Penn St 40 Indiana 21

Phil's Forecast:

Last year Navy was a home dog in a battle for the AAC West. With less than 2 mins left & Navy facing a 4th&1 (2pt lead at N49) Tulsa appeared to have stopped Navy (stripped ball), but Navy was awarded FD & thus won. Tulsa had 207 yds rush and 369 yards passing. Tulsa has the nice edge of just facing the option last week with New Mexico. Navy is a solid road team going 11-5 the last 4 years while, Tulsa is 7-1 at home the last 2 years winning by 17 ppg. Navy is averaging 491 ypg on offense while, Tulsa is allowing 295 ypg rush and 6.9 ypc. They did hold New Mexico to 16 points last week and have the option again next week so will fare better than expected. Navy has rival Air Force on deck.

Best Bet: ★ Tulsa 37 (+) Navy 38

Phil's Forecast:

Connecticut has dropped all 3 mtgs vs SMU incl a 38-21 loss LTH ('13). UC is 3-13 on the AAC road and have drastically switched schemes going from slow paced offense to the hurry up no huddle spread and SMU has been in that offense for years. UConn just played on Sunday and came up a missed FG short losing to East Carolina at home. SMU has a potent offense that is averaging 174 ypg above what their opponents usually allow and that includes putting up 36 on TCU which just held Oklahoma St to 31. UConn's defense is allowing foes 239 ypg above their season average. Combine those stats and you come up with SMU having 735 yards and 60 points in this one.

Phil's Forecast:

Home tm has won both prior mtgs. The Cowboys dropped the L/mtg ('13) 42-21. Up 14-7 WY all'd a TXSt td (26 yd pass) just :29 sec before HT that sparked 28 unanswered until WY cut it to 14 w/11:12 left. LTH ('11, the Bobcats in their transitional ssn from FCS to FBS) TXST lost 45-10. Wyoming is in their 4th straight home game amplifying their altitude edge and have a bye next week. Wyoming was 8-1 at home in the regular season the last two years beating teams like Boise, SDSt and Air Force. Texas St is 1-13 on the road the last 3 years with their avg loss by 28 ppg and allowing 47 ppg.

Phil Steele	UCLA by 10

Phil's Forecast:

UCLA had its 5 gm series win streak snapped LY. It was tied 10-10 into the 4Q. CU added a 37 yd fg w/13:40 left & put the gm away w/a 68 yd PR td w/5:27 (UCLA missed fg on L/drive) and that was without Josh Rosen at QB. UCLA may get back Jaelen Phillips on the DL and that would be huge. Colorado could have given up 400+ yards passing to Colo St earlier this year, but 3 questionable offensive pass interference penalties took over 120 yards off the board. This is the toughest pass offense their young secondary has faced this year. UCLA is averaging 572 yards per game with Josh Rosen and average 179 ypg above what their opponents usually allow. They should also have a healthier Dline this week.

UCLA 40 Colorado 30

Phil's Forecast:

LY UO trailed 21-0 2Q and 34-14 and lost in OT. Cal has lost 7 in a row to the Ducks by 26 ppg until LY. Cal has upset North Carolina and Ole Miss and outgained USC last week 416-356. Oregon is +208 ypg while Cal is -17 ypg this year. Justin Herbert is hitting 67% with an 8-2 ratio and Royce Freeman has 541 rush (5.8). Cal QB Ross Bowers is hitting just 55% with a 6-8 ratio. While Cal is allowing 446 ypg they are holding foes to 97 ypg below their season average. The Ducks D is allowing just 350 ypg, but thats's just 21 below opp's averages. Oregon's D does have 14 sacks.

Phil's Forecast:

LY the Beavers trailed 31-0 at HT being outgained 333-84 (just 2.9 ypp) with UW letting up in the 2H and only winning 41-17. UW has won 5 str by 28 ppg after dropping 7 of the previous 8 mtg's. UW is on a 2nd straight road game while OSU is fresh off a bye. Ore St was 3-2 at home vs the Pac 12 last year with their two losses by 5 & 4 points. UW's offense is not as potent as their 45 ppg would show as their defense and special teams have accounted for 6 TD's this year. The offense itself has scored 34 ppg.

Phil's Forecast:

This is CCU's first ever Sun Belt game and the first meeting for these two. Last year ULM had a new HC and went just 4-8, but were 3-5 in the Sun Belt and are much more experienced this year going from #115 to #23 and Matt Viator is now in his 2nd year. ULM is off a big OT win vs their rival Louisiana on the road. CC just lost to FCS Western Illinois at home 52-10. ULM is playing to an average game grade of 78.6 and CC is at a 64.6 level. When you factor in the home edge, ULM should be a 17 point favorite and I agree with those numbers. QB Caleb Evans has 280 ypg pass hitting 64% with a 2-0 ratio. CC QB's are hitting 46.9% with a 1-6 ratio and 106 ypg pass.

Phil Steele	Texas A&M by 14

Phil's Forecast:

LY A&M trailed 7-0 just :13 in after a SC 75 yd td run (only time they trailed) and won 24-13 as nearly a 3 td favorite with A&M in an Arkansas/Tenn sandwich. This year the Aggies have Bama on deck. Texas A&M led UCLA 44-10, but blew that lead. Had they held on they would be 4-0 right now and ranked. Despite UCLA having a 274 yard edge in their comeback 2H vs the Aggies, A&M is still +47 ypg while South Carolina is also 3-1, but is -60 yards per game. South Carolina lost their top playmaker Deebo Samuel to injury vs Kentucky and have managed just 13 & 17 points the last two games.

Texas A&M 31 South Carolina 17

Computer Yards	LSU 464-272
Computer Points	LSU 31-11
Phil Steele	LSU by 20

Phil's Forecast:

These two last met in 2008 and Troy led 31-3 w/11:13 3Q. LSU went up for good 33-31 w/4:50 left completing the comeback w/37 unanswered (held Trojans to 46 ttl yds L/7 poss). Troy has dropped both prior mtgs by just 4 & 9 pts (LSU ranked in both). LSU does have Florida on deck. Both teams have been underwhelming this year combining to win 1 game by more than the Las Vegas number.

LSU 31 Troy 11

Phil's Forecast:

Doug Martin likes to keep his players healthy for winnable games, so it would not surprise me if RB Larry Rose played very little. Bret Bielema is a good bully and his big Oline should open some holes here and Arkansas could use a feel good game in this SEC sandwich, especially off a loss to Texas A&M. At the start of the year however, I said New Mexico St was an underrated, play ON team and they are now 4-0 vs the Vegas number.

Arkansas 38 New Mexico St 21

Phil's Forecast:

SJSt has won 7 in a row in the series by 14 ppg. UNLV was a 45 point favorite over lowly Howard in the opener and lost outright. All people know about UNLV is that they lost to Howard so they must be a poor team. Naturally the benefit is that you get great line value on them until people actually catch on. You know the old adage, BUY Low, SELL High. Since that loss they were a 8 point dog at Idaho and won 44-16 and a 41 point dog to Ohio St last week and only lost by 33. San Jose is in a rebuilding mode and are losing by 29 ppg and are being outgained by FBS foes by 319 ypg including a 589-162 yard deficit vs Utah St last week.

Best Bet: ★ UNLV 48 San Jose St 27

Phil's Forecast:

LY was the schools first mtg. Army played with a lot of emotion as a player died in a car accident the week prior. They dominated UTEP leading 38-0 just 2:33 into the 2H and their 66 points were the most they put up since 1958. Kugler's UTEP tms have seen the option 3x's (NM in '13 & '14 and LY vs Army) all'g 395 rush yds (6.9), 410 (7.9) & 426 (5.8) LY vs Army. Army is off a loss and only has Rice on deck. Speaking of Rice they have been a poor team this year, but still beat UTEP by 17 and UTEP is -309 ypg this season! Army is laying a big number and their offense is avg 50 ypg below their opponents season average. Also Army has just 15 ppg vs FBS teams this year, but should get that corrected against the Miner defense.

Army 38 UTEP 10

Phil Steele	Florida by 15

Phil's Forecast:

Last year Florida never trailed and on 2nd and goal from the Vandy 1 fumbled the snap with 2:56 left and only won by 7 with a good portion of the crowd made up of Gator fans. UF had won 22 straight in this series, but were upset in 2013 and have now won the last 3, but the last two by 2 and 7 pts. The defenses are close, but UF has the edges on offense and special teams (#33 vs #100). With their top RB and WR still suspended, Florida is getting contributions from true frosh RB Malik Davis (7.5 ypc) and WR Kadarius Toney (PS#50QB). I look for the Gators to have their best game of the year vs a shell shocked Vandy squad that was just outgained by 599 yards at home vs Alabama.

Florida 28 Vanderbilt 13

Phil's Forecast:

Georgia has jumped out to 17-0 2Q lead in each of the last two meetings, but Tennessee won here 38-31 and last year there was an exchange of Hail Mary's at the end and UT escaped 34-31 between the hedges. Each of the last 4 gms have been decided by a td or less. Tenn has a bye on deck and will enjoy everyone picking the Bulldogs for this one. Georgia does have a large edge on defense as they are holding foes to 218 ypg below their season average and Tennessee's D is giving foes 70 ypg above their season average. My computer says Georgia by 11, but I look for an A+ effort from Tennessee and Georgia just put up a big effort at home and must travel.

Georgia 23 Tennessee 17

Phil's Forecast:

LY SMiss was without QB Nick Mullen's and NT led 20-0 2Q. SM then came all the way back & led 23-20 w/9:39 left. NT got the gm deciding td w/7:34. Golden Eagles L/3 drives ended on a int at NT25, SAF & int at midfield (all down less than a td). LTH Mean Green trailed 35-0 into the 4Q, but did miss a 46 yd fg (opening drive), were int'd at SM3 & SOD at the SM38 & SM16. North Texas is 1-11 on CUSA road games the L3Y (only win at Rice in 2OT). SMiss is off a bye and NTexas is on their 3rd road game in 5 weeks. SMiss's defense is holding foes to 177 ypg below their season average and NT's D is allowing teams 25 ypg above. JUCO Kwadra Griggs has a 7-1 ratio and Ito Smith has 333 (5.6) in just 3 games.

Phil's Forecast:

USA does well in non conf away games with wins over Tulane, Kent St, SDSt and Miss St the last 4 years. LT is off big efforts beating WKU on the road and nearly upsetting SCarolina and has a CUSA game on deck. USA has a bye on deck. LT is 15-3 at home the last 4 years with their avg win by 30 ppg. USA blew a late lead and lost in OT to Idaho, it was a 7 hour game due to weather delays. This non conference game is probably more important to USA and they should keep this closer than expected.

Phil's Forecast:

Only 170 miles separate these universities, but these two last met in 1909. When Brian Kelly was HC at C Mich and Cincy (Miami's rival) he went 4-0 vs Miami. Notre Dame is in a Mich St/ North Carolina sandwich, but this will be their only home game in a 5 week span. Coming off a losing season and on the hot seat Brian Kelly has 3 wins and they have been by 28 ppg despite only being favored by 11 ppg. The Irish average 294 ypg rush (4.6) and 138 ypg more than what their opponents normally allow. Mike Elko's defense is allowing 26 ypg more than what opponents normally gain. Miami QB Gus Ragland hit 64% last year, but just 52% this year. ND is playing to an average game grade of 100.3 and Miami is at 81.1 and I lean with the Irish here. Miami HC Chuck Martin was a Brian Kelly assistant for 4 years. My computer likes the Irish by 28 and ND has taken on my #10 schedule and Miami #102.

Phil's Forecast:

FAU has lost 9 straight by 12 ppg. LY FAU forced a 3&out and went 85/8pl to lead 7-0 3:18 in. After that MT got td's on 11 of their next 14 drives. FAU only trailed 49-42 w/12:13 left, but had no answer on defense. QB Brent Stockstill was OFY and MT went with the Wildcat and ran for 495 yards and 8.7 ypc. QB Stockstill and WR Richie James have missed the last two games for MT and are questionable here. I liked FAU to beat Buffalo last week, but they let me down and switched QB's from Daniel Parr to Jason Driskel last week. MT has the defensive edge allowing just 326 ypg and holding foes to 55 ypg below their season average. FAU is allowing 416 ypg and 79 yards above what their opponents normally average.

Middle Tennessee 28 FAU 27

Phil's Forecast:

LY Auburn led 35-0 at HT capping the 1H scoring on a 13 yd FR td w/1:45 (14 pts in a :09 span). AU had a 335-91 yd & 17-5 FD edge. In the 2H they coasted w/just 4 offensive poss. Auburn is at home and only between Missouri and Ole Miss so will be focused. Miss St is on their 3rd road game in 4 weeks and just faced LSU and Georgia. While Miss St is allowing just 256 ypg on defense this year they can be beat on the ground. If you add back in the 87 yards lost by LT on one play, Miss St is allowing 4.8 ypc on the ground the same as they did last year. Auburn is at its best when it can run and now has the backfield fully loaded with Kamryn Pettway and Kerryon Johnson both healthy and Kam Martin (PS#19) is averaging 9.1 ypc. Jarrett Stidham has already faced the best defense in the country in Death Valley and while he threw for just 79 yards in that game he is throwing for 291 ypg, 70% since. Auburn's D is also at the top holding foes to 240 ypg below their season average and just 3.6 yards per play.

Best Bet: ★ Auburn 31 Mississippi St 13

Phil's Forecast:

LY the Yellow Jackets never led, but trailed just 27-20 w/8:46 3Q. NC scored the gms final 21 pts incl 78 & 87 yd td drives. GT's L/3 drives ended on fmbl at GT44, fmbl at NC13 & SOD at NC18 and NC won at home 48-20. LTH GT led 21-0, but NC got 2 td's before HT. Trailing by 11 in the 3Q, NC scored the next 21 pts before GT cut it to 7 w/2:46 left. GT was int'd on the gms L/play (at NC4, from GT44). In 5 meetings vs Fedora, GT has rushed for 340 ypg and 5.6 ypc, but NC has won the last 3 meetings. Georgia Tech has been impressive in all 3 games and should have beaten Tennessee in the opener. NC has been disappointing in all 3 games vs Power 5 teams.

Georgia Tech 34 North Carolina 24

Phil's Forecast:

LY in the ACC Title gm VT trailed 35-14 late 3Q, but scored td's on 3 str poss cutting the deficit to 42-35 w/5:43 left. VT forced a punt, but at the CU23 (4D) tossed an int at the CU14. CU ran out L/1:11. Virginia Tech is putting up 40 ppg and 507 ypg on offense, but have taken on 4 defenses that combine to rank #117 overall or right at the bottom. They now take on one of the BEST defenses in the country and one that is holding foes to 202 ypg below their season average. Clemson is battle tested and has taken on my #8 schedule. Last week was a flat spot for Clemson allowing them to get fully charged for this and should win this one by double digits.

Best Bet: ★ Clemson 27 Virginia Tech 13

Phil Steele	New Mexico by 4

Phil's Forecast:

Both teams run the option and Bob Davie has had the upper hand going 3-2, but beating the Las Vegas number in all 5 with Troy Calhoun talking about New Mexico having the speed edge each year. Despite both teams running the option, New Mexico has rushed for an amazing 395 ypg and 6.9 ypg in their 5 recent meetings. LTH ('15, LY's gm at neutral site) AF never led. NM led 34-14 w/5:55 3Q, but after AF went 75/2pl (56 yd td pass) they only led by 5 w/3:08. NM rec'd the onside & sealed the gm w/a td :11 sec later. The Lobos defense is holding foes to 115 yards below their season average. AF has been impressive in its last two games, but with their annual struggle vs the faster Lobos, I like the home team here.

Phil's Forecast:

Ole Miss had upset Bama two straight years and last year appeared on their way to a 3rd leading 24-3 with 2:47 left in the 2Q. Alabama got an 85 yd PR, 3 yd FR & 75 yd FR, and led 48-30 w/5:28 left, but only won 48-43 (-10). Ole Miss is fresh off a bye and better than you would think. Still Alabama after 2 losses and a close call will want to show there is some distance between the programs. Ole Miss is averaging just 70 ypg rush and 2.8 ypc and that will put a lot of pressure on Shea Patterson at QB. Bama does have just 4 sacks this year and mobile QB's have given them problems.

Alabama 48 Mississippi 14

Phil's Forecast:

Oklahoma St has now won 8 in a row in the series and the LTH OSU led a shootout 56 53, but got a 73 yd td pass with 3:50 left and then a 59 yd IR td with :06 left to win 70-53. LY TT never led and trailed by DD's in each half. Down 7 they went 88/13pl, 1 yd td run w/1:44, but TT's XP sailed wide right (onside failed). OSU is on their 3rd road game in 4 weeks and Texas Tech is in their Big 12 home opener. Okla St is #25 on my Exp Chart while TTech is just # 118. Texas Tech has opened up 3-0 and is improved on defense as last year they allowed foes 116 ypg above their season average and have cut it to 39 above this year. TCU has the best defense in the Big 12 and Texas Tech is in the lower end.

Oklahoma St 51 Texas Tech 37

Phil's Forecast:

ASU is 1-6 in their L/7 trips to Stanford incl a 42-28 loss the LTH ('13). ASU trailed 29 0 at HT. Arizona St has struggled recently on the Pac 12 road, 1-10 run (0-4 LY w/the avg loss by 22 ppg). Last year Stanford held opponents to 73 ypg below their season average and Arizona St allowed foes 79 ypg MORE than what they came in averaging. Stanford allowed 20 ppg and Arizona St 40. The surprising stat is that this year Stanford is allowing foes 21 yards MORE than they average and Arizona St is holding foes to 32 yards below their season average and both have played tough schedules! They both lost to San Diego St and Stanford allowed 358 yards and Arizona St just 353. Arizona St may be allowing 4.7 ypc, but Stanford is giving up 4.9! I think Arizona St keeps this closer than expected.

Best Bet: ★ Arizona St 27 (+) Stanford 37

Phil's Forecast:

Nevada did win their last win here in '15 by a 30-16 margin. LY the Bulldogs only lead of the gm was 3-0, but they overcame a 21-6 HT deficit to only trail 27-22 w/5:08 left. After a UN punt, FSU took over w/2:55, but on 4th&G from the UN4 threw inc to EZ w/:30! Both teams have new HC's. This is Nevada's 2nd straight road game and 3rd in 5 weeks while Fresno is fresh off a bye. Fresno is just 1-9 at home the last 3 years vs FBS foes. Fresno looks poor statistically, but did face both Alabama and Washington on the road in back to back weeks. Alabama transfer David Cornwell will get the start at QB for Nevada. I was leaning Nevada, but just looked at the average game grades for these two. Fresno St is playing at a 90.0 level and Nevada at a 67.2 level. Factor in a 3 point home edge and those numbers say Fresno by 25.8!

Fresno St 36 Nevada 19

Phil's Forecast:

LY was the first mtg s/'71. SDSt led 28-0 w/6:19 2Q incl a 46 yd td run & 33 yd td pass. NIU cut it to 7 w/8:02 left, but SDSt sealed it w/a 79 yd Donnrl Pumphrey td run (NIU's L/drive was SOD at NIU48). SDSt just faced the Air Force option last week and is in a MW sandwich and usually does not put a ton of effort into non conf games (3-10 vs the Vegas numbers) and Northern is fresh off a bye. A surprising stat to me is that Northern Illinois is #3 the country in yards per play allowed by their defense yielding just 3.6 which is the same as Clemson! San Diego St does have a dominant defense as they are holding foes to 195 ypg below their season average. Rocky Long always puts more into conference games. Last week Clemson was off two huge wins and took a breather vs Boston College as it was tied 7-7 in the 4Q. This is the Aztecs spot for a breather as they just upset two Pac 12 teams and won a huge rain delayed MW opener vs the Air Force option and have a potent MW offense on deck in UNLV. Northern already went into Nebraska and won 21-17 and they are fresh off a bye so this will be their A game.

San Diego St 20 Northern Illinois 16

Phil Steele	Colorado St by 10

Phil's Forecast:

UH is 1-9 s/'89 incl 6 str losses (2 shutouts). UH lost the L/mtg ('14) 49-22. Both teams got to a bowl last year and look to be improved with Colo St #22 on my Exp Chart and Hawaii #51. Colo St had a nice bye last week to prepare for the long trip. UH is just 1-7 the last 3 years in MW home games and Mike Bobo is 5-3 in MW road games even beating San Diego St 63-31 last year. Colorado St is my favorite to win their division and off a bye. Hawaii did have a 450-269 yard edge at Wyoming last week, but lost in OT. Both QB's have tossed 6 int's so far this year.

Colorado St 37 Hawaii 27

Phil Steele	Memphis by 1

Phil's Forecast:

Memphis is 0-4 in Orlando vs UCF incl a 41-0 loss the LTH ('11, both CUSA members). The Tigers are 1-11 in road openers. The Tigers are 12-20 L8Y in conf road gms, but have gone 9-3 L3Y. UCF lost the first mtg ('90), but since have won 9 str incl a 24-17 win in '13 (L/mtg). Both teams did beyond expectations for first year HC's last year, but Memphis is #5 on my Exp Chart and UCF is #53. Memphis did beat UCLA at home and then had their flat spot last week vs Southern Illinois. UCF looked great against Maryland, but were taking on a 3rd string QB who is a pocket passer and does not fit the Terp offense. This one is crazy as my computer is all over UCF, but I see some skewed stats and UCF has only played two games. I am going against the computer on this one.

Memphis 35 UCF 34
