Phil's Forecast:

Weather: Dome. The Cowboys were dominated in nearly every facet of the game last week as a road favorite against the Broncos in a 42-17 defeat (outgained 380-268). They're now back on the road for a second consecutive week to take on a Cardinals squad that has been equally unimpressive in their matchups against Detroit and Indianapolis. While my computer is forecast a tied game in the desert, I'll go ahead and give the Cowboys the 1 pt edge as they're still a better team on paper.
