Phil's Forecast:

Rutgers got off to a respectable 4-1 start w/the lone loss at Fresno by 1. The inj to RB Paul James in the Ark gm (573 rush yds 1st 4) started their downfall as they lost 5 of their next 6 gms by DD's. In the finale, w/a bowl bid on the line, they beat USF 31-6 as James got his 1st 100-yd gm s/wk #3. Coming off their best ssn in 2 decades, expectations were high as always for the Irish TY but their ssn officially took a turn for the worse back in May when dynamic QB Golson was kicked out of school. After a 3-2 start, they won 5 str but inj's took their toll and they finished w/3 or more losses for incredibly the 19th time in 20 yrs. They had to turn to Rees but similar to 2011, TO's became an issue especially in the 4 losses as he had an 8-9 ratio in those while posting a 19-4 ratio in the 8 wins. ND is clearly the superior tm here and even w/o their 2 coordinators should win comfortably as Rees and his elite rec corps should take advantage of a Rutgers secondary all'g a 31-8 ratio TY, ranking #103 in my pass eff D.
