Phil's Forecast:

These two have met just twice but one of those meetings came in LY's Capital One Bowl where UGA rallied from a 31-23 2H deficit to win 45-31. The Bulldogs are making their 17th str bowl appearance, 13th str under Richt (8-4). Pelini and the Huskers are making their 6th str bowl appearance (3-3 incl interim in '03 but has dropped 3 str). UGA did end the ssn going 4-1 in Nov but 3 of those wins were vs a FCS and tms w/a a combined 7-17 mark. Against the bowl squads they all'd 531 ypg TY. Neb lost to Iowa its L/gm, but did win 2 big road gms in Nov. Both are playing without their starting QB's, but UGA has also lost a couple ply'rs to suspension while Neb's OL is at their healthiest in wks. I'll side with a Huskers squad that really has nothing to lose as one of my best bets.

BEST BET NEBRASKA (+) 30 GEORGIA 33

Phil's Forecast:

These two schools have met 4 times with UNLV taking all 4. Both of these tms are breaking long bowl droughts as UNLV is playing in their 1st bowl s/'00 while NT is making their 1st s/'04. Both are playing in their 1st on NYD, although not your traditional NYD bowl. Rebels HC Hauck will be making his bowl debut but Mean Green HC McCarney was 2-3 at Iowa St. Both tms feature stud RB's but NT is better at stopping the rush allowing 125 (3.8) with UNLV at 223 (5.2). NT's campus is just 40 miles away and they will have the crowd edge. They also hold significant edge's on D/ST's and McCarney has a lot more bowl exp.

Phil's Forecast:

These two programs have never met despite being regulars in the SEC/B10 bowl scene. The Badgers make their 12th consec bowl (4-7), but this will be their 1st under Anderson who was 1-1 in bowls at Utah St. The Gamecocks are making their 8th bowl under Spurier who is 3-4 here (9-10 all-time). SC just played in this bowl in '11 while UW last played here in '06. SC did end the ssn winning 5 str incl beating rival Clem and all'd 158 rush ypg (4.3) vs FBS tms. UW is off an embarrassing ssn finale but have all'd just 17 pts or less in 8 of 12. The Gamecocks have not seen a power rush tm anywhere near what the Badgers will run at them and UW comes in with my better off/def.

Phil's Forecast:

These 2 have met just once but it was a memorable one as Iowa hit a 56-yd Hail Mary on the final play to pull out a 30-25 win in the '04 Capital One Bowl. The Hawkeyes are making their 11th bowl appearance under Ferentz, winning 6 despite being a dog in 9 of the games. Iowa is 2-1 in the Outback under Ferentz ('08 last played). The Tigers are making their 14th str bowl and 9th str under Miles (5-3 but B2B losses). LSU has never played in the Outback. Iowa did end the ssn winning 3 str while LSU ended with B2B SEC wins. Unfortunately for LSU they will be without QB Mettenberger and that completely changes things. Iowa outside of its RB/WR are just as talented as LSU and Ferentz knows how to win when they are not supposed to. Look for this to go down to the wire.

LSU 23 IOWA 20

Phil's Forecast:

These 2 tms have met just 5 times with the Spartans holding a 3-2 edge. Their only gm in the L50Y was the '96 Sun Bowl where Stanford won 38-0. MSU is making its 1st Rose Bowl appearance in 26 yrs. Under Dantonio they are 2-4 in bowls. The Cardinal on the other side is making its 2nd str Rose Bowl beating Wisc 20-14 LY. While both tms are nearly identical in style of play, SU is making its 4th consec BCS bowl appearance and is used to the big stage while MSU hasn't played in this big of a bowl in quite some time. It also must be noted that while MSU comes in with the nation's best defense (248 ypg), in 2 of their L/4 gms they have all'd 370+. They are also going to be playing without its AA LB Bullough and the Big Ten is just 1-9 in Rose Bowls s/'00.

Phil's Forecast:

These two teams have never met and both are making their 1st BCS bowl appearance. The Knights are bowling for the 6th time in school history and all have come under HC O'Leary (3-2). O'Leary is 5-4 all-time in bowls (GT HC). After not making a bowl for 15 str ssns the Bears are making their 4th str appearance under Briles who is 2-1 but did go 0-4 in bowls while at Houston. Both schools come in w/a 11-1 rec. Taking a look at UCF's sked the best offenses they faced (SC and Louisville) both put up 28+ pts and 440+ yds on them and those two are nowhere near Baylor's attack. While UCF should play with nothing to lose here, Baylor has a very underrated D (#18) and look for the Bears to pull away late.

BAYLOR 49 UCF 28

Phil's Forecast:

5th all-time meeting, with the only win by Bama coming in the 1st meeting in 1963. This is the Sooners' 15th str bowl gm under HC Stoops (7-7) while this is the 7th str bowl gm for the Crimson Tide under HC Saban (5-1). It was a bit of a surprise that OU got to a BCS bowl after sitting at 7-2 with major ?'s at the QB position. While Bama is disappointed that they will not be playing for their 3rd str Nat'l Title, don't anticipate a repeat of the '08 Sugar Bowl when they lost to non-traditional power Utah. The last time Bama lost the Iron Bowl they won their bowl game by 42 points and while I don't anticipate that kind of blowout here, this still could end up being the most lopsided of this years BCS bowl games.

Phil's Forecast:

52nd all-time meeting between these former conference rivals that has seen Ok St win the L/3 meetings. This is the 8th str bowl for the Pokes while Missouri returns to a bowl game after their 7 yr run ended LY. Both tms were just 1 win away from BCS bowl games. The Tigers were one of the surprise teams in all of CFB, making it to the SEC Champ gm in just their 2nd yr, while the Pokes lost to rival OU in their finale. It suprises me to see that Missouri is the fav in this game as while the offenses are even, Oklahoma St has the better defense and ST units. While the Pokes saw their 6 yr streak of 1,000 yd rushers end TY, they still have a solid ground game that avg'd 208 ypg their L/6 gms, while the Tigers all'd an incredible 545 rush yds in the SEC Champ gm. Look for the Pokes to win their 4th str gm over their former long-time conf rival.

OKLAHOMA ST 31 MISSOURI 28

Phil's Forecast:

The last time these two teams met was the '78 Gator Bowl in which legendary Ohio St HC Woody Hayes punched Clemson's Charlie Bauman after an interception & was fired a day later. The Buckeyes return to a bowl game after NCAA sanctions prohibited them LY and they were 1 win away from playing for the Nat'l Champ. Clemson entered the ssn with championship aspirations of their own but those were put to rest after they were destroyed by 37 pts at home to FSU. This gm features 2 of the best offenses in the country led by 2 of the bests QB's in the country. OSU RB Hyde became the 1st RB to rush for 1,000 yds under Meyer & the Buckeyes have my #1 rushing offense in the nation against a Clemson rush D that all'd an avg of 190 ypg their L/3. The Bucks win in what will be a shootout as this gets my call as the high scoring game of the bowls.

HIGH SCORING POW OSU 42 CU 38

Phil's Forecast:

1st meeting & also the 1st appearance in this bowl for both teams. Vandy is making schl history as for the 1st time in their history they are bowling for a 3rd str year. Houston returns to post-ssn play after missing out LY, but they're accustomed to what bowl ssn is all about as this is their 7th bowl gm in the L/9 yrs. The Commodores under Franklin have been extremely fortunate & this year was no different. The Cougars come in with the edge on offense, ST's, & an aggressive D that helped them finish the ssn +25 in TO margin. 'Dores QB's are turnover prone & you can bet the Cougars DB's will be licking their chops as they had 23 int's while allowing just 13 td's on the ssn. I think Houston is the better team and I can see them pulling the outright upset.

HOUSTON 27 VANDERBILT 24

Phil's Forecast:

1st meeting. Ball St is bowling in B2B years while this will be the 3rd bowl game in a row for Arkansas St and ironically not only is this their 3rd str appearance in this same bowl, but also will be their 3rd str with an interim HC. The good news for the Red Wolves is that John Thompson will serve as the interim, as he did LY in their win. The Cardinals bring a high octane offense to the table and Arkansas St counters with just my #95 ranked D in the country. While the Wolves all'd a whopping 521 ypg vs their 1st 4 FBS foes, they improved to allowing 381 ypg over their L/4 gms. Ball St is clearly the more talented team in this matchup, but you can't overlook the fact that Arkansas St will have the crowd edge and is familiar in this setting and I look for them to keep it closer than what the "experts" think.

BALL ST 37 ARKANSAS ST 31

Phil's Forecast:

The final BCS Champ gm features 2 programs making their 1st appearances at the Rose Bowl. However, both are familiar w/BCS Champ gms as the Tigers go for their 2nd title in 4Y while FSU returns to the Champ scene after appearing in each of the 1st 3 BCS Champ gms. In one of the greatest turnarounds in CFB history, Auburn shockingly comes in w/a chance to continue the SEC's streak of 7 straight Champ. They rely on a relentless ground gm that is one of the best in CFB history avg 336 ypg (6.5). It's scary to think just how talented the Noles were LY as after sending 11 ply'rs to the NFL draft, they still managed a dominating ssn winning all 13 of their gms by 14 pts or more incl 13 by 27 or more! They are led, of course, by QB Winston who became the 2nd str rFr to win the Heisman. While Auburn has been destiny's darlings, I do think FSU from start to finish has been the best team and will prove it next Monday night.
