Phil's Forecast:

Despite having an NCAA-sanction cloud over them the Canes' program has steadily grown each year under Golden as they went from 6 wins to 7 and now TY have a chance, w/a win here, to get to their 1st DD-win total in a ssn s/'03. The offense is lec by QB Morris and a deep and talented WR corps led by Hurns and Coley and they should also see the return of Dorsett here who has missed the L/5 gms. Anything short of an unbeaten regular season and a BCS bowl trip was going to be categorized as a disappointing ssn for the Cardinals but TY's tm is still superior to LY's as they are +23 ppg and +195 ypg after being only +7 ppg and +78 ypg LY. QB Bridgewater was probably unfairly scrutinized TY as he still finished w/a higher comp % and a better td int ratio than LY. I actually think the Canes are the better tm and will be playing with a chip on their shoulder being an underdog and will call for the upset as the Canes are a best bet.

BEST BET MIAMI 31 LOUISVILLE 28
