Phil's Forecast:

This newly created series is tied at 1 apiece as the home team has won each meeting. Both of these tms, despite their losing records, have continued to play most of their opponents tough. This is GSt's finale, and while they remain winless, 4 of their losses have been by a td or less incl LW when they outplayed Ark St but failed on a gm-tying 2 pt conv late. USA meanwhile, didn't let their blowout loss to Navy hinder the rest of their ssn as they played their best gm against ULM LW and will look to carry that momentum here as well as next week against UL as they still have a chance to become bowl elig. Both of these tms are used to playing in tight contests so why wouldn't this one be different?
