Phil's Forecast:

It can't get worse than losing to an FCS tm to ensure your 1st losing ssn s/'79 and having your 22 yr bowl streak snapped can it? I'm afraid it can get worse for UF. It appears the players have already quit and now they have the team that has looked the most dominant in the nation staring back at them. While the Gators have struggled, FSU is coming off a gm in which it put up 80 pts and their avg margin of victory is 44 pts! The most pts scored in this rivalry was 53, by the Gators in '83. The question isn't whether the Noles will win, but if they will score the most pts in series history as they will finish the regular ssn with a perfect record for the 1st time s/'99.
