Phil's Forecast:

While windy Jack Trice Stadium can be a dangerous spot, Texas has won their last 3 trips here by 32 ppg. LY Darrell Royal, the HOF coach had passed away during the week and Mack Brown honored him by running the wishbone on the first play of the game (albeit it was a pass from the 1-yd line. UT dominated with 609-227 yd edge and 31-15 FD edges. Texas is off a bye after their most impressive gm of the ssn (win over KSt), while Iowa St is also off their most impressive gm of the ssn in their win at Tulsa last Thursday. UT is pretty banged up as QB Ash is still ? for the gm, however, I expect them to ride RB Gray (141 vs KSt) again while the D continues to improve.

TEXAS 34 IOWA ST 23

Phil's Forecast:

LY for the first time in SBC history, the game featured a matchup between 2 teams both getting votes in the Coaches Poll. WKU at home led 28-7 in the 2Q, however, it was tied at 28 when WKU got a td w/2:29 left and ULM went 90/6 for a td with :31 left to force OT and ULM won it in 2OT's by going for 2 (43-42). ULM is off a disastrous 31-14 loss to Tulane LW as not only did they get upset at home but they also lost their star QB Browning for the year. Sophomore Brayle Brown will make his first career start here against a WKU D that played well LW in the win over Navy. They did benefit from Navy's QB getting hurt in the 1H. Clearly, the Warhawks won't be the same w/o Browning, however I do think they give a fight here.

WKU 28 ULM 24

Phil's Forecast:

The home team has won the L/4. LY Utah only lost 21-14. However, they benefited from a fumbled PR td and also scored w/just 3:16 left making many Utah backers happy. Both teams are off a bye. Utah QB Wilson is not to be outdone by Hundley, is avg 280 ypg (64%) w/a 9-3 ratio and also has 251 rush (7.8). Hundley is avg 283 ypg (66%) w/a 8-3 ratio while RB James has 424 rush (6.8). Both have powerful offenses as the Bruins are avg 53 ppg and 602 ypg while Utah avg 42 ppg and 505 ypg. However, I think the Bruins have the defensive edge in this one as they are all'g just 18 ppg and 339 ypg and already this yr went into to Lincoln and got an impressive road win.

UCLA 34 UTAH 28

Phil's Forecast:

The Aggies have lost 12 of 13 but the last 3 gms have featured a win and a pair of 3 pt losses. LY there were more punts than points with USt trying to sweep Utah and BYU for the first time s/'94. Taysom Hill st'd for BYU and hit 24-36-235 (was also inj'd and OFY) but BYU only won 6-3 and USt missed a 38 yd tying FG with 7:47 left. BYU did miss 2 FG's and an xp and had a 380-243 yd edge. Both tms played L/Fri as BYU won 37-10 despite having 5 TO's while USt beat San Jose St 40-12. Their outstanding QB Keeton is avg 272 ypg (71%) w/a 17-3 ratio while BYU Hill is avg 185 but just 40.6% w/a 1-4 ratio. He does have 562 rush (8.5). This is actually the first time Utah St has been favored in this series in at least 40 years and I think this game is closer than the experts think.

Phil's Forecast:

LY UN trailed for only 4:17 the entire game. UN had a 325-107 yd edge mid-3Q with a 17-6 lead. However they all'd a 63/7pl drive and a FG on the last play. In OT, SDSt went for 2 and got it. Aztec starting QB Katz went down in the 1Q & Dingwell threw for 177 yds (3-0). Both tms come in off come-from-behind wins LW as Nev rallied from 12 pts down in the 4Q to beat AF 45-42 while SDSt rallied from a 16 pt 2Q deficit to beat NMSt 26-16 notching their first win on the ssn. This is the Aztecs 1st Friday night HG since 1998. Nevada does have the offensive edge in this one thanks to the return of QB Fajardo who had 5 total td's LW while SDSt has the D edge and home field edges.

Phil's Forecast:

7 upsets have occurred in this series in the last 10 years and 3 of the last 4 have gone to OT. LY down 21-13, Navy went 75/6pl w/6:35 left for a td (2pt) to force OT. Navy got a td & held AF on 4pl for the win. LW the Mids came in 2-0 and were up 7-3 over WKU when QB Reynolds was KO'd in the 2Q. They went scoreless the rest of the way managing just 162 yds in the 19-7 loss. Reynolds should be back for this one. AF, down to their 3rd string QB due to inj and susp, found themselves up 42-30 in the 4Q at Nev but all'd 15 pts in the L/6:00 in the loss. QB Roberts did manage 161 rush (7.0) and 2 td's. While Navy has the better tm, the series says go with the visitor and the underdog and I will disagree with my computer here.

Phil's Forecast:

LY Iowa trailed 13-6 in a def struggle but went on an improbable 68/9pl drive getting a 5 yd td run w/:55 left to force OT and won it there. The Spartans look very similar to LY's tm as the D continues to carry the off and the D has scored 4 of MSU's 7 td's vs FBS opp. In their L/gm several ? PI pen set up both of ND's td's. Dantonio will continue to go to QB Cook here who does have a 5-0 ratio in his 2 starts. Thru 5 gms, Iowa looks like they are back to playing Hawkeye FB under Ferentz as they are big, strong and physical on both sides of the LOS. LW they punched Minny in the mouth w/a 246-30 rush yd edge in the 23-7 win. This will be a throwback gm epitomizing the "3 yards and a cloud of dust" B10 mantra of the 60's and 70's. With 9 of the last 10 being decided by a td or less, I expect the same here.

MICHIGAN ST 17 IOWA 16

Phil's Forecast:

LY UL led 45-17 after 3Q's and Bridgewater sat the 4Q and UL had a 508-309 yd edge. UL is off a bye after their 72-0 demolition of FIU sitting at 4-0. While Bridgewater and the offense get most of the attention, the D is allowing just 7 ppg (#1 in FBS) and their 221 ypg all'd is 161 ypg less than what their opp are avg. LW winless Temple was actually a favorite on the road in the Kibbie Dome but ID won 26 24 dropping the Owls to 0-4 on the yr. While UL has a big gm vs Rutgers on Thurs, they are coming in off a bye, have played well on the road under Strong and can name the score here.

Phil's Forecast:

LY WM gave Tyler Van Tubbergen the start as Carder was inj'd and while he hit 26-46-246 he, to no surprise, had 3 int. It was 17-0 before WM even had a FD LY in an embarrassing 37-17 home loss. LTH these 2 combined to set 4 MAC records incl most yds (1439), plays (183), td's (18) & points (129). The game was tied at 14, 21, 28, 35 and 49 but Toledo won 66-63. This yr WM is now 0-5 after their 32-14 loss to Kent LW. QB TVT is very erratic comp just 45% of his passes w/a 3-9 ratio. UT is off a huge gm in MAC West play, a 31-24 loss to Ball St where it was tied twice in the 4Q. RB Fluellen did have 129 yds (4.8) and should have a field day here vs a WM D all'g 254 rush ypg (5.2). Look for UT to get their 4th str overall win in the series.

Phil's Forecast:

Buffalo is at home for the 3rd straight gm with a bye 2 weeks ago but are off the all-important HG vs Conn. The Bulls crushed the Huskies 41-12 giving them their 1st win over a BCS schl s/'02 as QB Licata passed for a career-high 3 td passes. In EMU's L/gm vs Ball St, despite a 51-20 defeat, the gm was a bit misleading as EM had 416 yds but were -3 TO's. Despite HC English taking over the D TY, they are still struggling vs the run all'g 209 ypg (6.0) and that isn't good news going up against one of the MAC's best RB in Oliver who had 110 total yds LW. With lowly WMich and UMass on deck, it's time for the Bulls to string together some wins as they look to make good on my preseason prediction (MIP team list).

Phil's Forecast:

Previous Bama HC Bill Curry started the Georgia St program but retired this past season. These two met late in '10 and it was 7-7 early but Bama rolled to a 63-7 win. After a 1-10 ssn, the Panthers are 0-4 TY despite playing 3 FCS tms. LW, I was shocked that the nat'l media and public were anti-Bama. I boldly went against that sentiment and on the Bill King Show (listen every Fri 8-9 am ET Sirius/XM Ch 91) predicted that the Tide would win by 3 scores and they dominated. Their D shutdown Bo Wallace and the rest of the country as they certainly haven't forgotten how to play D in Tuscaloosa. Expect to see the backups here early and often as I will call for the 2nd straight shutout.

Phil's Forecast:

LY Army pulled the upset 34-31. Army posted ssn highs (595 ttl yds & 516 rush, 6.5). BC's Addazio beat Army twice at Temple incl 42-14 in '11 and 63-32 LY. Both tms are off impressive performances as Army playing 3 hrs away from Ft. Hood (largest US military base) beat La Tech 35-16 rolling up 414 rush yds and a 39:57-20:03 TOP edge. The gm was delayed twice for lightning. BC opened up a shocking 17-3 lead LW over FSU but a 55-yd Hail Mary td pass before the half gave FSU the lead as they went on a 35-3 run. The Eagles did manage 397 yds and QB Rettig threw 4 td passes. While both tms should be playing with confidence, I like the fact that Addazio has prepped for the Knights each of the L/2 yrs w/great success and the Eagles get my call as one of this wks best bets.

Phil's Forecast:

LY it was a bowl elimination as both came in with 6 losses and while MU had a 434-386 yd edge, they had a couple of blown opportunities and lost by 14 on the road. The RedHawks are now 0-4 after LW's 50-14 loss to Ill. While they did give up 600+ yds for the 3rd time TY, their anemic off did have 14 FD's and 250 yds, (best performance on ssn). CM found themselves down 38-0 after 3Q's to NC State before the off got 102 of their 259 yds and all of their pts in the 4Q. The Resistible force vs the Movable Object here but at least the Chips have shown some signs of life getting outgained by "only" 101 ypg while MU is getting outgained by 393.5!

Phil's Forecast:

These 2 HC's met in '08 and '09 as Lembo's Elon team lost to London's Richmond team both times incl the playoffs. LW the Cards picked up a big MAC West win over UT 31-24, which should set up a huge showdown vs NIU in Nov. After missing 2 gms, RB Edwards has scored 6 td's the L/2 wks. TD's are a rarity for the Cavs offense as excluding the gm vs a woeful VMI, they have scored just 3 in their 3 gms vs FBS tms. LW 2 crucial TO's set up short fields for Pitt as the 2 tms comb for 17 punts and 5 TO's in Pitt's 14-3 win. UVA did botch a pair of 4th Dns in Pitt territory in the 1H passing up chances for FG's. While Ball St's Wenning is avg 330 ypg (64%) w/a 9-3 ratio, he will be taking on a pass D all'g just 153 yds and 38% and UVA needs a win.

Phil's Forecast:

FSU has beat MD 6 in a row. LY FSU dominated even more than the 41-14 score indicates. They had a 226-27 yd edge in the 1H. The Terps are one of the MIP tms in the country TY, off to a 4-0 start after a 37-0 win over WV 2 wks ago. QB Brown is avg 262 pass ypg (66%) w/a 7-3 ratio and has 283 rush (6.3) and they are outscoring their foes by 30 ppg while outgaining them by 233 ypg. FSU found themselves down 17-3 at BC LW before exploding for a 35-3 run in their 48-34 win. The key play was a 55-yd Hail Mary td pass before HT as Winston continues to impress avg 262 ypg (74%) w/a 12-2 ratio. While Terps could be a legit Top 25 team, I think LW's 1H performance for the Noles will have them clearly focused here and I will agree with my computer.

Phil's Forecast:

UM has won 4 in a row in the series incl 42-36 LY in OT. It was a strange game. UM jumped out to a 19-0 lead after 1Q, then GT outscored UM 36-0 in the 2Q and 3Q and appeared in full control leading 36-19. UM, which finished with 609-419 yd and 30-18 FD edges, went 91/7pl and got a td with :27 left to force OT. The Canes come in 4-0 for the 1st time s/'04 after LW's 49-21 win over USF. QB Morris, for the 2nd str wk left w/an ankle inj (will play here). GT is off a Thurs Night 17-10 loss to VT where their option offense was stuffed to the tune of just 129 rush yds (3.1). QB Lee was a miserable 7-24-144-0-2. Ever since all'g 472 rush (8.4) in a 41-23 loss to GT in '08, the Canes are 4-0 in the series winning by 16 ppg and I expect the Canes to make it 5 for 5.

Phil's Forecast:

Clemson is in between WF/BC, which sets them up nicely, but Syracuse is off a bye and this is their first ever ACC game and their HC. Cuse started the ssn 0-2 and were struggling on off but new QB Hunt (7-0 ratio) has brought them new life in the L/2 gms albeit the one gm was vs weak FCS Wagner and the other outburst vs Tulane was aided by numerous Green Wave ST blunders. The Tigers are off a 56-7 beatdown of WF as they racked up a 573-222 yd edge. OC Morris thought QB Boyd had been playing tight recently and Boyd responded w/a 17-24-311-3-0 performance while adding 69 rush. I expect Boyd to build off that performance and the speed of Clemson should be on full display here.

CLEMSON 42 SYRACUSE 24

Phil's Forecast:

The home team has won 6 straight covering by 6 ppg. LY NCSt dominated with a 26-9 FD edge and 428-185 yd edge and clinched bowl eligibility. These tms look to be heading in opposite directions as Wake has struggled to a 2-3 start after LW's 56-7 loss to Clem. NC State, the wk prior (albeit at home) nearly pulled an outright upset over the same Tigers tm (83-yd TD called back on early whistle being key play) and LW pounded CM 48-14. They are now 3-1 but while the off is avg 462 ypg, QB Thomas still only has a 1-5 ratio. It also must be noted that NC State has been upset in 10 of their last 12 games while they have been favored on the ACC road! While they get the win, look for it to be closer than the experts think.

NC STATE 24 WAKE FOREST 20

Phil's Forecast:

This is Illinois 1st road game and LY they were outscored by an avg of 45-13. However, this is a much different Illini tm TY off to a 3-1 start after LW's 50-14 win over Miami, Oh where they had 36-14 FD and 601-250 yd edges. QB Scheelhaase is a completely diff player as well TY now healthy and thriving in new OC Cubit's system avg 291 ypg (67%) w/a 12-3 ratio. Unless Neb made some major changes on def during the bye, Scheelhaase could have his way vs a Husker D (#76) all'g 464 ypg and showed no improvement vs SDSt prior to the bye all'g 465 yds. For the 1st time in 32 gms, QB Martinez DNS vs SDSt and despite being off a bye week, is still ? to play here. I will call for him to play and the Huskers to get a big win.

Phil's Forecast:

First meeting. Don't be fooled by the Herd's 2-2 record as they are avg 40 ppg and are outgaining their foes by 201 ypg. Their offense made quite an impression in their L/gm vs a Top 10 VT D managing 361 yds in terrible field conditions, which was 149 more yds than what Bama got. LW UTSA lost to Houston 59-28 but they did have a 5 0 TO deficit and UH scored 2 DEF/ST TD's incl a blocked FG and a 96-yd IR td as UTSA actually outgained UH 493-491. You have to wonder what their psyche will be here on their 3rd away game in 4 weeks making a unique road trip. The Herd thunder to a DD win.

Phil's Forecast:

This is a much different Tulane tm compared to recent history and they further cemented that LW in their 31-14 win over ULM. RB Darkwa had his best gm s/'11 w/118 yds while the D is all'g 12 ppg and 121 ypg less than LY. NT comes in off a bye after their 45-21 loss to UGA. That gm was misleading as while it was tied at 21 in the 3Q, NT had a 100-yd KR td and a blk'd P td and were outgained 641-245. While the off is avg 410 ypg, the D has all'd 488 ypg. This will be only the 2nd time s/'07 that the Mean Green will be an away favorite. Tulane is playing w/alot of confidence and I will continue to back them and use them as my upset of the week for the 2nd time in 4 wks (upset LT in wk 3).

Phil's Forecast:

LY was your typical UO game as they jumped out to a 56-0 lead at half but with USC dead ahead, let up in the 2H and "only" won 70-14. The Ducks are off a 55-16 win over Cal. The gm was played in weather only a Duck would love as the 2 tms comb for 8 fmbl (4 lost) in the 1H alone but UO did lead 41-3 as HC Helfrich sat Mariota and the st'rs for most of the 2H. The Ducks amazingly only had a 381-325 yd edge but had short fields most of the gm. Col, off a double bye due to the PPD Fresno gm, lost to Oreg St 44-17 LW getting outFD'd 29-14 and outgained 540-300. WR Richardson, who came into the gm leading the country w/209 rec ypg was held to 70 (14.0). While the Ducks do have a big road trip to Wash on deck, there is only one way to go w/Ducks' gms as they continue to win by more than the experts think.

Phil's Forecast:

LY UGA had a 560-478 yd edge but UT had a 26-20 FD edge. It was the highest scoring game ever in this series. UGA led 27-10 early in the 2Q. UT used a couple of TO's late in the half to take a 30-27 lead. UT trailing 51-44, had a pass tipped and int with :07 left at the UGA48. Tenn is off S Alabama (won 31-24) with a bye on deck compared to UGA being off the huge win over LSU 44-41. QB Murray has finally gotten the monkey off his back and now has two wins over Top 10 tms while playing well (20-34-298-4-1 LW). UT led USA 31-7 LW (could have been 45-7) but let off the gas pedal in the win. Just 2 wks ago, UT went into The Swamp w/a frosh QB and only lost by 14 and here at home, I think they can keep it closer than what many think.

Phil's Forecast:

In their last meeting ('09) the Gators came in #1 but they trailed 20-13 in the 4Q. After a tying td UF went 69/14pl & got a 27 yd GW fg w/:09 left. The Hogs are off a 45-33 loss to A&M as they welcomed back QB Allen (17 36-282-3-2) but couldn't keep pace w/A&M's high-flying off. RB Collins continues his run at SEC Frosh of Yr as he has 597 (6.0). He will find it tough sledding vs my #1 D as the Gators are off a 24-7 win over KY. In his 1st career start QB Murphy comp his 1st 11 passes (1st QB to do so s/Bridgewater LY) and finished 15-18-156-1-1 while adding another td rush. The Gators rode their RB Jones to 176 yds while the D held the Wildcats to just 173 yds. Look for the Gators to move to 4-1 before their big trip to LSU next wk.

Phil's Forecast:

This series has long been dominated by LSU as they are 20-1 (last MSU win '99). LY MSU was only outFD'd 22-21 and outgained 392-351 despite playing w/o their leading rusher Perkins. It was 30-17 and MSU drove 86/13pl. On 2nd & gl from the 9, they were not only int'd but it was ret'd 100 yds for a td with 1:13 left. Great situation here for Miss St. LSU is off a 44-41 loss to Georgia w/a huge gm vs Florida on deck while Miss St is off Troy, a bye and with only BG on deck. While Mullen will go back to QB Russell here, you have to think Prescott will get plenty of action after impressing in his L/2 starts. I have been impressed w/Miss St's D, which is all'g 128 ypg less than what their opp are avg TY and I will agree with my computer here.

LSU 30 MISSISSIPPI ST 27

Phil's Forecast:

TU has dominated going 9-1 in the series. LY TU was at home but the big story was that QB Cody Green was a late scratch. TU was also w/o RB/KR Trey Watts. Things looked bleak for TU trailing 28-21 when Ja'Terian Douglas took off on a 75 yd tkl breaking td run with 1:31 left to pull out the win. Tulsa is a disappointing 1-3 after LW's 38-21 loss to Iowa St. TO's and inefficiency from the QB spot continue to be the issue as Green was pulled and then reinserted. Rice also has QB issues as McHargue was only 7-25-69-0-1 and the Owls benefited from +3 TO's in an 18-14 win over FAU. The winner here takes command in the CUSA West and keep in mind TU is off a bye & Thurs night while Rice is off rival HOU and expended a lot of effort in LW's win.

Phil's Forecast:

LY Bernard rushed for a career high 262 yds and NC finished with a 533-394 yd edge. NC led 45-26 after 3Q's and won 48-34. TY's NC tm is a a shell of itself as they have no run gm w/o Bernard and LW they were dominated at the LOS vs EC (227-67 rush yd deficit) in a 55-31 loss. That was the same Pirate tm that VT's #3 D held to 204 total yds and 10 pts. LW VT held GT's vaunted option to a meager 129 (3.1) while QB Thomas had his best gm on the ssn going 19-25-221-1 0 in the 17-10 win. You have to think DC Foster is angry after his D's performance vs Fedora's hot shot off LY and look for the Hokies to get revenge here.

Phil's Forecast:

LY OU was playing for its share of the B12 Title and did finish with a 22-11 FD edge but just a 421-350 yd edge. OU missed a 42 yd FG with 2:40 left that kept TCU in the game. The Frogs drove down to the OU15 but on 4&13 were SOD. They had a td called back on a hold 2pl prior. OU is off ND and has Texas on deck! LW the Sooners jumped out to a quick 14-0 lead (thanks to 2 TO's) and got revenge over ND 35-21. QB Bell in his 1st road start was an efficient 22-30-232-2-0 and most importantly no TO's. TCU is off a very misleading gm vs SMU as they trailed 10-7 at HT. They benefited from 5 SMU TO's and their L/2 scores were a 45-yd onside KR tc and a 66-yd IR td. My computer calls for the Sooners by 2 td's and I will agree.

OKLAHOMA 30 TCU 16

Phil's Forecast:

Both teams off Miami but HUGE edge to Cincy as they are off Miami, Oh & a bye while USF off ranked Miami, Fl last week. UC is now 6-1 in this series. LY USF was down to 3rd string Matt Floyd due to inj's and he hit 21 39-175 and it was 38° at game time and got colder as the night went on giving UC a large edge. Bearcats are 3-1 outgaining their foes by 226 ypg while USF is 0-4 getting outgained by 93 ypg. LW's 49-21 loss to Miami was misleading as the Bulls got a 96-yd td drive in the final 3:00, while UM earlier fmbl'd inside the Bulls 5 twice and missed a chip-shot FG. The Bearcats will be playing with heavy hearts in this one as frosh OL Ben Flick tragically died over a wk ago and I think they come away with the win.

Phil's Forecast:

LY OSU's only lead of the gm was 7-0. Twice the Cowboys cut the deficit to 7 but the entire 2H never got within single digits despite the Wildcats losing QB Klein to injury. The L/3 gms in Stillwater, OSU has won by just 4, 2 & 7 pts. KSt is off a bye and while OSU was at WV they had a bye prior and have another after this gm. The Pokes should come in mad after getting upset LW 30-21 as they were outplayed from start to finish. Snyder is dangerous off a loss vs a conf foe as they dropped their L/gm to TX 31-21 and it will be interesting to see how he handles the QB rotation going forward. Look for OSU to get a bounce back win.

Phil's Forecast:

LY MO was w/o WR Green-Beckham, MLB Ebner and lost their top RB Murphy early on. The key injury was to QB Franklin. MO opened with a pair of 61/9pl drives but settled for a 31 & 28 yd FG's. Bkp QB Berkstresser hit just 9-30 and VU won 19-15. The Tigers are not only healthier but are also much improved from LY as they come in 4-0 after LW's 41-19 win over Ark St. After a slow start, they exploded for 21 4Q pts. Vandy is 3-2 after LW's 52-24 win over UAB. However, I feel their best gm might have actually come in the opening loss to Ole Miss as they walked thru the motions vs Austin Peay, were down 28-0 early vs SC and were up 10-7 in 2H vs feeble UMass. Both tms have played similar sked and while Mizzou is +153 ypg, Vandy is +53 ypg. Look for the Tigers to get revenge from LY.

Phil's Forecast:

Mich is 21-1 in the series with their only loss coming at the Big House in '05. LY Denard Robinson was inj and Devin Gardner got his first start and Minn dominated the 1Q getting 8 of their first 10 poss past midfield and they led 7 0 but the key play of the game was a Gardner 3&17 pass where he rolled out of the pocket and hit a 45 yd td w/7:42 left to tie it (UM won 35-10). LW Nelson was back in the line-up but the prev undefeated Gophers showed that they are a paper tiger as Iowa dominated them from start to finish incl a 246 30 rush yd edge. Mich is fresh off a bye with the Gophers playing a 6th str week. If the Wolves can clean up the TO issues that have plagued them in their L/2 unimpressive wins vs Akron/Conn, then they should easily retain the Little Brown Jug.

MICHIGAN 37 MINNESOTA 17

Phil's Forecast:

UCF won all 8 as CUSA members. LY UCF was on the road but only won 35-17 and Memphis finished with a 361-351 yd edge. UCF just hosted South Carolina LW in what was one of the biggest HG's in schl hist. UCF jumped out to a 10-0 HT lead but SC rode their RB to 28 unanswered pts. The Knights did rally to within 3 but it was too late. Mem comes in off a bye and this is Tigers first AAC game. While the situation clearly favors the Tigers, I feel UCF is a legit Top 25 team and remember a lesser Duke tm came in here already and beat the Tigers 28-14.

UCF 28 MEMPHIS 13

Phil's Forecast:

First meeting and this will be their only conf meeting as RU moves to the B1C next ssn. SMU is clearly battle tested as they've already faced 3 BCS Texas tms incl B2B away. While SMU lost all 3 of those gms, all of them were misleading finals as they are just -53 ypg but -5 TO's. LW was no exception as they led TCU 10-7 at HT but had a 2H meltdown as the Horned Frogs benefited from 5 SMU TO's and got a 45-yd onside KR td and a 66-yd IR td. Rutgers meanwhile is off a bye but this is a unique road trip for them (1344 miles) and they have the all-important gm vs L'Ville on Thurs. They also will be playing w/out RB James who has 573 (7.3) and 6 td's. SMU IS due to catch some breaks as I'll call for them to get the outright upset win.

Phil's Forecast:

The Bulldogs won all 7 as WAC foes. Fresno has the unusual B2B away with first at Hawaii and LY struggled on the 2nd of B2B AG but it was vs Boise. Derek Carr ply'd here in 2011 and had a 5-0 ratio as FSU won 48-24. LW the Bulldogs in a clear flat spot off the Boise win still raced out to a 42-3 lead over UH but like they did vs Cal Poly earlier TY, let their foot off the gas pedal and nearly lost outright 42-37. Carr came in w/just 1 int all yr but threw 2. LW ID pulled the outright upset over Temple leading throughout. QB Chalich had by far his best outing yet going 26-43-310-1-0 while adding 106 rush (8.2). Idaho will certainly get most opponents "C" games but unfortunately Fresno has a bye on deck and LW's near collapse will have them focused.

Phil's Forecast:

1st meeting. This is UL's ONLY game in a 25 day period. This is also only their 2nd HG as they crushed Nicholls St earlier TY 70-7. TSt meanwhile is off a huge emotional upset win over WY 42-21 as they held a Cowboys off that came in avg 556 ypg to just 356 yds. It was the 200th career win for TSt HC Franchione and the gm was delayed more than 3 hrs due to weather. Despite their 3-1 record they are getting outgained by 55 ypg while 2-2 UL is getting outgained by only 3 ypg despite playing Ark and Kansas St. UL has the situational and huge offensive edge and I think they get a comfortable win here.

Phil's Forecast:

LY it was South Alabama's first ever SBC game and this is an instate rivalry with the two 174 miles apart. The Jaguars were outgained 495-252 and outFD's 28-13 in the 31-10 loss. The teams combined for 9 TO's. Both tms are off 7 pt losses to BCS tms. However, there is a big diff as USA was down 31-7 and it could have been 45-7 as the Vols were int'd twice in the RZ. Meanwhile Troy outFD'd Duke 29-21 and it was relatively close throughout. While I respect USA's L/3 gms (two upsets and a near upset), I think Troy will show for a 2nd consecutive yr that they are the state's 3rd best tm behind Bama/Auburn.

Phil's Forecast:

LY NM snapped a 24 gm road losing streak with their last prev road win being vs NMSt in '08. NM had a 394-334 yd edge. Then NMSt HC DeWayne Walker said, "It wasn't an all-out slaughter, just a methodical beating." Both tms come in off disappointing losses as NMSt blew a 16 pt lead to SDSt while NM blew a 14 pt early lead and lost 56-42 to UNLV despite the gm being tied at 42 in the 4Q. NM is getting outgained by 94 ypg while NMSt is getting outgained by 243 ypg. They have one common opp in UTEP as NM won 42-35 on the road while NMSt lost 42-21 at home. My computer calls for nearly 1000 yds of offense and with a Vegas Line total at only 59, this gets my call as my Best Bet High Scoring Game of the Week.

High Scoring Play of the Week

Phil's Forecast:

Leach was the HC at TT from '00-'09 and Dykes was his WR cch the F/5Y & co-OC for 2Y before moving to Arizona. Cal has won 8 str vs WSt with an avg score 35-14. LY Cal never trailed and in the 2H. Both these tms come in off blowout losses to the elite tms in the P12 as Wash St lost 55-17 to Stanford while Cal lost 55-16 to Oreg. Both games were played in wet conditions. The Cougars did lose their QB Halliday in the 2H of the gm (leg) but he will play here. Both HC's are offensive oriented but I like what we see from Wazzu's D TY as they are +64 ypg despite playing Aub, USC and Stan while Cal is -15 ypg giving up 513 ypg. I picked the Cougars ahead of the Bears in my preseason magazine and I'm not going against that here.

WASH ST 31 CALIFORNIA 28

Phil's Forecast:

LY SU led 13-3 late 3Q after a 40 yd IR td. SU all'd a 61 yd td run or 4th & 1 & a GW 35 yd td pass w/4:53 left (SU was int'd at W8 on final drive down 4). Both tms have been very impressive to date (Stan L/2 wks) as UW is 4-0 and LW beating AZ 31-13 as RB Sankey had a schl-rec 40 carries (4.0) in wet conditions. They are outgaining their foes by 285 ypg. Stan is off a 55-17 beatdown of Wazzu as they racked up a ssn high 560 yds, which was 295 ypg more than what Wazzu was all'g coming in! Both tms offenses and D's rank in my Top 20 but I think the Cardinal play w/a chip on their shoulders after LY's upset loss.

Phil's Forecast:

LY in the MAC Champ gm NI trailed 10-0 but into the 4Q led 27-13. Kent went 58/11pl to score w/:44 left, then in the 2OT NI picked it off on 4&8. LW the Golden Flashes officially welcomed back the return of AA Dri Archer as he accounted for 73 rush and 48 rec and naturally while the D was keying on him, that opened up lanes for Durham who had 154 yds (5.9) and 2 td's in their 32-14 win. LW they crushed Purdue 55-24 becoming the 1st MAC schl ever to beat 2 B10 tms in the same ssn and their 31 pt MOV tied for the best ever for a MAC tm over a B10 tm. They did benefit from +4 TO's and were outgained 524-402. While both D's have struggled TY, it's tough to go against a team that is 24-2 in its L/26 gms.

Phil's Forecast:

Ark St's '12 HC (Aub HC Malzahn) vs Ark St's '11 HC (UM HC Freeze). LY's 41 20 HC win was Freeze's 1st ever in the SEC and it snapped UM's 16 gm conf losing streak. Tigers are 3-1 in Malzhan's 1st yr and in the L/gm vs LSU, a driving rain storm limited their offense in the 1H as they were held to 0 pts and 119 yds. In the 2H after the rain let up, they exploded for 21 pts and 318 yds. Ole Miss ran into a buzz saw in Tuscaloosa as QB Wallace and Co poked the Elephant and got stomped on in their 25-0 loss to the Tide. Auburn in a great situation off a bye w/W Carolina on deck while Rebels are in a Bama/A&M sandwich. However, it should be noted that Ole Miss is a much better tm than Miss St who outplayed Aub here 3W ago.

OLE MISS 30 AUBURN 27

Phil's Forecast:

SC has taken charge of this series going 12-1. LY UK led 17-7 at the half. SC led just 21-17 when UK was int'd with 8:47 left in 4Q and the Gamecocks would take adv of several UK miscues down the stretch. SC's only home game in a 6-week span after LW's 28-25 escape at UCF. SC found themselves down 10-0 at HT and w/QB Shaw KO'd (out for this gm as well) Spurrier went to RB Davis as the workhorse w/167 yds (6.4) and 3 td's. First "true" road gm for new HC Stoops and LW they lost 24-7 to UF. It was the Gators 27th str win in the series as UK was outgained 402-173. SC will take care of business and remember QB Thompson started the L/gm vs KY here and SC won 54-3!

Phil's Forecast:

Both were bowl teams in '11 (SM 12-2, FIU 8-5) and both now have new HC's because of finishing 0-12 & 3-9 LY. While both of these tms are winless, they are major differences as FIU is 0-4 getting outscored 47-6 and outgained by 294 ypg. In their L/gm vs Louisville, the Panthers suffered their worst loss in schl hist 72-0 as they managed just 2 FD's and 30 yds. It got so bad in the 2H that a running clock was instituted, the 1st time that has happened in a FBS vs FBS gm s/'03 (OU 77-0 over A&M). LW SM traveled to the Blue Turf and was spanked 60-7. TO's continue to be the issue as they are -11 (dead last in the FBS). While SM is 0-4, they are "only" getting outgained by 91 ypg and new HC Monken needs a good win after road gms at Neb, Ark & Boise with a bye on deck.

SOUTHERN MISS 34 FIU 13

Phil's Forecast:

Only mtg was LY. It was BG's first shutout s/'04 and first on the road s/'01 in their 24-0 win. Falcons are 4-1 after LW's 31-14 win over Akron. The gm was a bit misleading as Akron missed a 19-yd FG in the 4Q and BG marched down the field and got a td. The Minutemen off a bye, are 0-4 but had one of their more impressive performances since jumping up to the FBS LY in a 24-7 loss to Vanderbilt. They still, however, haven't settled their QB issues as Doyle replaced Wegzyn in the L/2 gms and while he comp 69% of his passes, they were for just 5.4 ypa. Falcons continue to "Roll Along" as the offense is much improved this year avg 487 ypg under new QB Johnson.

Phil's Forecast:

Faced off from '08-'11 as non-conf foes with FAU winning 3 of 4. UAB has not been a HF often and in the L3Y they are 1-6 ATS vs FBS foes. FAU collapsed in the 4Q in a 18-14 loss to Rice. A week after QB Johnson put up 321 pass yds (inj'd ribs), Pelini was forced to go to frosh Hankerson to make his 1st career start and with FAU leading 14-12 late 4Q and driving, Hankerson was picked off and Rice capitalized w/a td 3pl later. Overall, FAU had a 366-273 yd edge but like the prev wk vs MT, TO's were the issue as they were -3. UAB comes in off a 52-24 loss to Vandy as QB's Brown and Perry comb for just 19-36. My computer actually likes FAU to win this gm but I will disagree and call for the Blazers to get the win.

UAB 31 FAU 27

Phil's Forecast:

TT has won 6 in a row. LY KU ran for 390 yds, the most by a KU team in the B12 era and TT escaped at home in OT with a 41-34 win. While the Jayhawks have already topped LY's win total, there is still plenty left to be desired. QB Heaps is comp just 54% w/a 3-4 ratio while the run gm has avg just 109 ypg (3.2) vs FBS competition. TT is off to a 4-0 start and while the offense gets most of the attention avg 520 ypg, the D is all'g just 13 ppg. Frosh Mayfield and Webb have struggled in the L/2 gms but earlier this wk Mayfield was named the starter. Both teams come in off byes and I think this game will be closer than the experts think.

Phil's Forecast:

First meeting. Let's compare their 2 common opp this yr. EC dominated FAU in a 31-13 win as they pulled their st'rs late while MT was lucky to win 42-35 in OT (+3 TO's). They also both played NC w/EC dominating the Tar Heels LW 55-31 (+12') w/a 603-465 yd edge while earlier TY MT was trounced 40-20 getting outgained 377-243. EC QB Carden LW threw for 3 scores and ran for 3 more td's LW while MT Kilgore has just a 5-6 ratio TY. LW MT lost by 27 to BYU despite the Cougars having 5 TO's. EC will continue to roll here and they are one of this week's best bets as I agree with my computer.

Best Bet East Carolina

Phil's Forecast:

OU has won 5 straight. LY Ohio jumped out to a 20-0 lead in the 1Q. UA got to 20-14 but OU opened it back up to 34-14 after 3Q's. UA went 43/8pl for a td with 1:55 left but OU rec'd the onside kick and took a knee (34-28). Akron is 1-4 but is an improved tm TY. LW's 31 14 loss to BG was misleading as the Zips led 14-3 and then trailing 24-14 were lining up for a 19-yd FG and missed it while BG went down for a td. OU is off 3 str wins and a bye with only CM on deck, so they should be focused. This yr the Bobcats are healthy and should continue their win streak here.

OHIO 33 AKRON 24

Phil's Forecast:

Arlington, TX. These 2 HC's faced off in '11 as ND beat Pitt 15-12 and they also faced off in '10 w/Graham at Tulsa pulling the outright upset 28-27. ASU is off Wisc/Stanford and LW trailing USC 21-20 in the 3Q, they exploded for a 62-41 win. The FD's were close at 25-22 but ASU benefitted from an inj to USC WR Marqise Lee and 4 Trojan TO's. ND is off 3 B10 tms and OU. LW 2 early TO's all'd OU to jump out to a 14-0 lead. Another key int came late in the 1H w/ND driving and OU scored right before the half to make it 21-7. QB Rees now has all 5 of his int's TY vs UM and OU and continues to play well vs mediocre tms (11-0 as st'r when facing a tm that finishes w/6 or more losses) and is just 5-6 vs tms that finish w/less than 6 losses. Chalk up another loss for the Irish as they continue to struggle TY.

Phil's Forecast:

In LY's first series meeting the gm featured 133 pts, which were just 3 shy of the NCAA rec. Of the 19 scoring drives, 16 were under 3:00 and while both QB's have moved on to NFL, Bryce Petty (75%, 8-0) has filled the shoes for the Bears. The same cannot be said for the Mountaineers who have had 3 QB's start TY. However, FSU trans Clint Trickett was 24-50-309-1-2 LW in their 30-21 upset over OKSt. Baylor's pass D is allowing 46% comp with a 2-5 ratio and it would be no surprise if the Bears put up a pick-6 (3 in F/3 gms). Baylor is the first team since 1930 to top 60+ in each of its first 3 games and there is no calling off the dogs under Briles as the Bears have covered 9 straight by 23 ppg and with that in mind, they get my call as one of my best bets of the week.

Best Bet Baylor

Phil's Forecast:

La Tech is playing away from home for the 3rd straight wk and vs Army in Dallas they were beat 35-16 in a gm that featured 2 weather delays. The Bulldogs were forced work on their rush attack vs the option LW which benefits them here vs UTEP which has run the ball 60% of the time (178/300). UTEP is off a 59-42 loss at CSt as they fell behind 28-7 at HT before scoring 21 pts in the 1st 7:00 of the 3Q to tie. Eventually they wore down as the D is all'g 231 rush (6.1!). QB Showers did have a career-gm going 26-43-365-5-0. Both 1st-yr HC's need a win, and the tms are close talent wise. This one goes down to the wire.

Phil's Forecast:

OSU is 28-1 vs the Wildcats (only loss in '04 in Evanston) and they've won 4 straight winning them by 43 ppg. 4-0 NW is off a bye while OSU is off their showdown vs Wisconsin but are 28-8 on the road vs B10 and you should see plenty of Scarlet in the stands. LW they won 31-24. It was 31-14 after 3Q's and QB Miller showed no rust going 17-25-198-4-0 and added 83 rush. While the situation favors NW, the Wildcats have not faced anyone near the talent level of the Bucks this year and we like the Bucks to take care of business and show the Wildcats who reigns supreme in the Big 10.

Phil Steele	Indiana by 1	

Phil's Forecast:

Penn St is now 16-0 all-time vs Indy. B10 opener for both while both teams are also off byes. Uplifting bye week for Penn St with the scholarship ban lightened. While the bye week will allow both teams to add wrinkles to their offenses, the Lions do have "true" Christian Hackenberg making his first ever B10 start and his first ever road start (fans 50/50 vs Syr in opener). The Hoosiers are moving in the right direction as under Wilson. They had 1 home win in '11 turned in 2 LY and TY the have 2 in 4 games with losses to a perennial bowl tm in Navy and a much improved Missouri squad. QB Sudfeld is avg 287 ypg (65%) w/an 11-5 ratio but was pulled for Roberson in the L/gm after tossing 3 picks. Indy has the offensive edge and get their first ever win vs the Nittany Lions.

INDIANA 35 PENN ST 34

Phil's Forecast:

UH had won 9 of 10 but SJSt pulled the upset the L/mtg in '11 , 28-27. SJSt is reeling after a 1-3 start and B2B blowout losses. LW they were handled by Utah St for the 2nd yr in a row and you have to wonder where they are emotionally after losing their star WR Grigsby to inj 2 wks ago and LW saw their star DB Benwikere carted off the field. They still have QB Fales who is avg 299 ypg but is comp just 58% of his passes w/a 5-6 ratio after comp 72.5% LY. While the Warriors are 0-4 TY, they have played 4 bowl tms from LY. LW they fell behind 42-3 to Fresno but scored 34 pts in 13:00 under the direction of QB Schroeder who threw for 321 yds in 1.5Q's of action. His final Hail Mary pass at the end was int. I think that rally will carry over to this week and I will call for them to pull the outright upset.

HAWAII 21 SAN JOSE ST 20
