Phil's Forecast:

Texas has won all 10 as conf foes. LY Texas was fortunate to escape with the win. They needed a 1 yd td pass with :12 left to go up 21-17. It was played in 41°, the first time s/'08 UT has st'd a gm below 50°. This is Texas' HC and first home game in 6 wks and what a diff 6 wks makes. The Longhorns have now won 4 str gms after LW's 30-7 win over TCU despite a 3-hr weather delay. The diff between now and their poor 1-2 start is two-fold. First, the UT ground gm is running on all cylinders and the OL has not all'd a sk in each of the L/2 gms. On the other side, the D is getting better each wk and now has 16 sks the L/4 wks after only having 2 the 1st 3. That's not good news for a KS tm that has all'd 200+ rush yds each of the L/3 wks and has all'd 14 sks the L/4 gms. Look for UT to continue their improbable march towards dare I say B12 champ aspirations.
