Phil's Forecast:

First meeting. Prior to the season I listed Tulane as my #2 Favorite team in the country this year (Bama #1 since I picked them to win the Title) as I picked the Green Wave much higher than anyone else. All Tulane has done this yr is become bowl elig for the 1st time s/'02 before the month of November even has st'd. LW they finally broke their long losing streak to Tulsa getting a 14-7 upset win as they won as my upset pick of the week for the 4th time this year! Now they continue to get no respect as despite being 6-2 this year they are an underdog to a tm that is 2-6 and is off a 45-10 loss to Auburn and reeling. I have been riding the Wave all year long and have enjoyed many upset winners....make it another here.
