Phil's Forecast:

In the 1st B12 mtg LY, WV was a ssn best +373 yds in a 59-10 win. LW if you watched WV's 47-40 loss in OT to Texas, you would have seen the Mountaineers put forth maximum effort and now they must travel on the road where they are getting outscored by 20 ppg (-159 ypg). KU is struggling at 2-7 but has had their moments early in gms TY before being worn down by bigger, stronger and faster tms. The Mountaineers need to take care of business against the weaker B12 tms down the stretch if they want to get back to a bowl and I think Kansas with Cozart at QB will give them plenty of fits as this one goes down to the wire.
