Phil's Forecast:

Its next man up for the UT backfield after losing Gray for the ssn in LW's thrilling win over WV, but lucky for them, that is their deepest unit. Both these tms have had similar ssn's where they struggled early, but have turned their ssn's around and both are still in the running for a B12 champ. Although OSU got a blowout win over KU LW, they were held to just 359 yds as their offense remains inconsistent. Meanwhile the UT D continues to impress. I used the Horns as a best bet LW and they won for me. I like their D vs the Pokes offense and the fact that UT has to feel disrespected about being an underdog in Austin. I look for them to pull out the outright upset win and I'll take them as a best bet again this wk.
