Phil's Forecast:

UL has now won 3 in a row in this series. LY RU was at home in a game for the BE Title. QB Teddy Bridgewater gave a remarkable performance. He had a broken wrist and a sore ankle but he came in the gm in the 2Q with the team down 7-0 and hit 20-28-263 in the 20-17 win. UL is off a bye and a 30-7 win over lowly Temple. However, they did lose leading WR Parker to a strained shld'r and he is doubtful here. Bridgewater avg 312 ypg (72%) w/a 16-1 ratio. Rutgers meanwhile is off a trip to SMU where they nearly blew a 21 pt 4Q lead in their thrilling 55-52 win in 3OT. They are now traveling again on a short week. UL does not have many primetime opportunities to impress but I think they take adv of that here.

Phil's Forecast:

LY the Aztecs were outgained 393-268 but forced 4 TO's leading to 21 pts in their 28-9 win. AF was inside the SDS29 6x incl at the 4 and 15 and came away with just 3 pts. The Aztecs are traveling off a Fri Night 51-44 OT win over Nev while AF is back home after a 28-10 loss to Navy, the largest defeat in the series in more than 30 years and have now lost 5 str gms as they are down to a 3rd string QB. Rocky Long knows how to defend the option and the Aztec run gm is starting to take hold w/B2B 200+ yd efforts incl LW with Muema and Pumphrey each topping 100 yds. Look for them to continue their winning ways.

Phil's Forecast:

USC is 8-2 in this series but there have been 3 outright upsets the L4Y incl LY. LY Marqise Lee set a P12 rec w/345 yds receiving. The Trojans had a 395-285 yd edge at the half and led 21-13 and opened it up to 28-13, but Ariz got a td w/10:46 left to take the lead 32-28 and held on for a 39-36 win. Naturally everyone will be fixated on how the Trojans will look in the 1st-gm of the post-Kiffin era as Orgeron takes over. WR Lee is still ? here after getting inj'd in the ASU gm 2 wks ago. AZ is off a loss to UW and the pass gm has struggled as Denker is completing just 50% of his passes. That's not good news facing a USC D, that even after the poor performance vs ASU is still all'g 126 ypg less than what opp are avg. I look for the Trojans to be charged up and play their best gm of the ssn.

USC 26 ARIZONA 17

Phil's Forecast:

UC is 3-0 in the series. LY UC gave Brendon Kay his first start at QB and he hit 13-21-244. Kay directed UC on scoring drives of 74, 75, 80, 94 and 71 yds. UC led 24-3 at the half and won 34-10 with a 472-267 yd edge. Both tms come in off losses as 0-5 TU lost to UL 30-7 and UC couldn't overcome 4 TO's and a blk'd FG ret'd for a td in a 26-20 loss to USF. The Bearcats spent a difficult bye week grieving, attending red-shirt freshman Ben Flick's funeral and making hospital visits in addition to practicing. However, I expect a bounce-back effort here while Temple is going to give frosh QB Walker his 1st career start in what always seems to be a hostile Nippert stadium on weekday nights.

Phil's Forecast:

OU won 5 in a row from '00-'04 then Texas won 4 of the next 5. OU, however has retaken control of the series winning the last 3 by 30 ppg. LY OU had a 407-65 yd edge at the half and took its starters out midway thru the 4Q in the 63-21 final. OU comes in 5-0 after LW's 20-17 win over TCU as the OU D continues to impress not all'g a FD until the 8:34 mark of the 3Q. However, they did lose one of their best ply'rs in LB Nelson for the yr. UT, on the other hand, has struggled to a 3-2 start but is still 2-0 in B12 play after LW's 31-30 escape at ISt where they got a 1-yd td run w/:51 left after 2 near fmbls. QB McCoy will start again here. While OU is the big favorite, I do expect UT to play with a lot of pride here and this will be closer than what the experts think.

Phil's Forecast:

Michigan St is 8-1 vs the Hoosiers. Since Indy upset MSU here in '01, the Spartans have won their 4 series home game's by 28, 31, 28 and 52. LY MSU trailed 17-0 then 27-14 at the half and didn't get their first lead of the game until 6:35 was left. Indy had a 280-166 yd edge at the half but only managed 31 yds in the 2H. Both tms come in off huge B10 wins as MSU beat Iowa 26-14 on the road thanks to a stifling MSU D that limited a powerful Iowa rush attack (came in avg 244 ypg) to just 23 yds (1.4). Indy got its 1st ever win over Penn St (was 0-16) in impressive fashion as they outscored the Lions 31 10 down the stretch. In matchups of great D's vs great O's, I usually lean with the more physical tm that has the D edge and MSU gets my call as one of my best bets of the week.

Best Bet

MICHIGAN ST 37 INDIANA 20

Phil's Forecast:

While this is their first ACC meeting, they have a history in the BE and LY played for the first time in 10Y. The L/4 in the series have all been upset wins by the Panthers incl LY when they won 35-17 as they finished with a 27-14 FD and 537-324 yd edge. VT is playing for a 7th str wk but does have a bye on deck while Pitt should be fresh coming in off a bye. The Hokies have now won 5 str gms after their opening wk loss to Bama and LW beat NC 27-17. QB Thomas was 13-20-230-3-0 in the 1H as they raced out to a 21-7 lead. Pitt has won 3 str gms and has done it in 3 diff ways: a blowout over NM, a shootout over Duke and a slug fest over UVA. QB Savage was KO'd vs UVA but will play here. I feel VT no doubt will play w/revenge on their minds similar to LW and get a comfortable 6th str win.

VIRGINIA TECH 27 PITT 13

Phil's Forecast:

LY was the first ever meeting and was also UMass' 1st ever MAC gm. The Minutemen had a 245-225 yd edge at the half but Miami led 14-3 at half and 27-10. UMass went 80/12pl getting a td with 3:21 left. Similar to LW's FIU/SM gm, someone's "0" has gotta go. Despite their 0-5 start, the Minutemen are "only" getting outscored by 25 pgg and outgained by 222 ypg. Miami, on the other hand, is getting outgained by 308 ypg and outscored by 27 ppg and fired HC Treadwell after LW's loss to CMU. Mike Bath gets the call here as interim HC. On the bright side, the offense has put up ssn highs in each of the L/2 wks. I'll take the home tm here who has the more stability at HC while also being more competitive this year.

UMASS 24 MIAMI, OH 17

Phil's Forecast:

The Tigers have won 4 of the L/5. LY CU was w/o Sammy Watkins but Tajh Boyd hit 28-38-367. CU led 45-28 when BC got a 39 yd fg with 9:18 left and CU ended the game taking a knee on 1&gl at the 1. Both tms are off blowout wins as BC beat Army 48-27 thanks to RB Williams career-day w/263 rush (8.8) and 5 td's. LW CU gave the Cuse a rude ACC welcome as they won 49-14. QB Boyd had 455 yds and 5 td's in 3Q's of action but the D did give up an alarming 323 rush (6.7). BC has a bye on deck while CU has the all-important gm vs FSU on deck. CU has won 13 str gms by double digits vs unranked tms w/only Alabama (21) having a longer streak and you can make it 14 here.

Phil's Forecast:

LY UB got its 1st win in 6 tries over WM. UB had a 453-376 yd edge and the D had 4 int. UB settled for 3 FG's and did score last (td w/10:53) while holding WM to 3 pts in the L/27:30. These tms look to be going in opposite directions as the Bulls are riding high off 2 blowout wins and are positioning themselves for a bowl while WM is 0-6 under 1st yr HC Fleck. TO's continue to be an issue for the Broncos and LW they were -4 in a 47-20 loss to UT. The run D also continues to be a sieve as they are all'g 272 ypg (5.8). They clearly will be tested by a UB ground gm that is starting to get hot w/a healthy RB Oliver who had 150 (6.0) and 2 td's in the 42-14 win over EM. It was the 1st time UB has broken the 40-pt mark in B2B gms s/1981. These tms continue their current streaks.

Phil's Forecast:

CM had won 4 straight in this series (incl a couple of MAC Champ gms) prior to losing the last mtg ('11). CMU is 2-4 playing a 7th str wk (3rd str road gm) after LW's 21-9 win over Miami. RB Lavallii ran for 151 yds (6.0) and 2 td's but QB Rush continues to struggle w/a 3-8 ratio in his 4 starts. The healthy and rested Bobcats, off a bye LW, crushed Akron 43-3 holding the Zips 198 yds below their ssn avg on offense. Since the loss to top 10 L'ville in the opener, they have reeled off 4 str wins and only have lowly EM and Miami on deck. The Chips, outside of the win over MU LW have really struggled on the road and I look for the Bobcats to continue their winning ways here.

Phil's Forecast:

These two meet for the 5th time in 6Y. Army is 3-1 but LY EM was in their 3rd str HG and RB Hill rushed for 185 on 26 carries. Army got a td with 2:15 left to pull within 10 and rec'd the onside kick but was SOD and lost 48-38. LW the Eagles dropped their 4th str gm as they lost 42-14 at UB. While they were -3 in TO's, it should be noted that one of their td's was a 75-yd run w/1:29 left. Army is off a 48-27 loss to BC as they all'd BC to score the gm's final 17 pts. Key matchup to look at will be Army's ground attack which is avg 330 ypg (5.2) vs an EM D all'g 213 ypg (5.7) and I look for the Knights to take full advantage.

Phil's Forecast:

UVA is 4-2 in this series but the visitor is 6-1 and the Cavs are 3-0 in their last 3 trips here. LY UVA had 386-235 yd and 20-10 FD edges but MD spoiled their homecoming with Fr Diggs getting a 100-yd KR td to open in their 27-20 win. LW the Terps were on the big stage for the 1st time s/'06 in a matchup of top 25 tms and were thoroughly embarrassed by FSU as the 63 pt margin of defeat tied for the worst loss by a top 25 tm all-time. While they were already down 14-0, st'g QB Brown was KO'd (conc) in the 2Q. UVA is also off a disappointing performance LW as they lost to Ball St 48-27. The gm was a bit misleading as the Cavs were -4 in TO's and also had 13 pen compared to BSt's 1. Both tms need a bounceback win but I think MD is the one who gets one here.

Phil's Forecast:

As you would expect with the two teams having very diverse climates, the home team is 8-1. LY USF was trying to stop a 6-gm losing streak.USF got a 50 yd fg with 4:26 left to lead by 7 and UC was int'd at the USF23 with :50 left. 0-4 Conn comes into this gm off a bye with not only an interim HC in TJ Weist (1st-yr OC) but also a new QB as they are taking the RS off frosh QB Tim Boyle. LW USF got a much-needed 26-20 win over Cincy for embattled 1st-yr HC Taggart. However, it should be noted that they benefited from 4 Cincy TO's, scored on a 75-yd blk'd FG ret'd for a td and also had a 10-yd FR td. They lost QB Bench and RB Shaw to leg inj in the 1H and they are ? here. Lots of uncertainty here w/UC's changes and USF's injury report so I'll just go with the home team by a td.

CONNECTICUT 24 USF 17

Phil's Forecast:

In the L/gm Duke led 24-0 at HT and 34-15 mid-4Q before Navy scored the final 16 pts. Navy LW took a big step in retaining the CIC trophy (AF/Navy winner has won it 16 str yrs) w/a 28-10 win. It wasn't easy as they were outplayed in the 1H trailing 10-7. QB Reynolds showed some rust after sitting out the 2H in LW's loss to WKU, but a 75/8pl opening 3Q drive for a td swung momentum. Duke does come in off a bye w/extra time to prep for option and they already faced GT earlier TY, although they all'd 344 rush (5.7). At 3-2 they need to take care of business if they want it to make their 2nd str bowl. I like their situational edge here and will call for them to win by more than what the experts and my computer projects.

Phil's Forecast:

This is the Panthers first ever Sun Belt game and first meeting between the 2. LW Troy led USA by 17 in the 3Q but then saw the Jags take a shocking 33-27 lead w/only :48 left. Troy QB Robinson then calmly led them on a 66/5pl drive getting a 20-yd td pass w/:07 left for the win. The D did allow 630 yds, their 4th str gm all'g 500 or more. While it came against a tm w/a vanilla gm plan a strong argument could be made that LW's 42-pt loss to Alabama was the Panthers' best performance of the ssn as they were "only" outgained 477-175. The fact remains though that they are still 1-15 their L/16 gms w/all but 3 of those losses coming against FCS tms. Unlike the last game, I will agree with my computer here.

Phil's Forecast:

LY was their only recent meeting and it was a game Ole Miss could easily have won. Ole Miss led 27-17 and Manziel appeared sk'd for a safety but he was ruled down at the 1 yd line. A&M would then go 99 yds incl a 3&19, 32 yd pass to start its comeback. UM went for it on 4&1 at their own 39 knowing a FD would likely end it but were SOD and A&M went 39/4pl for a td with 1:49 left. A&M comes in off a bye. The Aggies have rebounded from the Bama loss to win B2B gms and they are doing it w/an off avg 225 ypg more than what their opp are all'g while the D remains a concern all'g 111 ypg more than what their opp avg. While they have dropped their L/2 gms, the Rebs should be fired up for this one and I think it comes down to the wire for a 2nd yr in a row.

TEXAS A&M 41 OLE MISS 38

Phil's Forecast:

LY Kent St led 42-29 before BS rallied to take the lead with 5:31 left. However, KS got a 25 yd FG with :04 left after an 80/15pl drive to pull out the win. LW off a big MAC win over UT, the Cards did not show any signs of a letdown as they beat UVA 48-27. While the Cards offense put up 506 yds vs a D that was all'g just 299 ypg coming in, they did benefit from 4 UVA TO's and 13 pen. That doesn't equate to good news for a Kent St D that all'd 698 yds LW in the 38-24 loss to NI. The Flashes actually led 24-21 early 3Q before all'g the gm's final 17 pts. LW BSt played a great D and scored 48 on them, now they play a D that all'd 698. Also this gm was high scoring LY. With a Vegas Total of 61.5, this gets my call as the best bet high scoring gm of week.

Phil's Forecast:

First meeting. BG traveled to the SEC LY and played a solid game at Florida in the opener. Mullen was the QB cch at BG in '01 & '02. MSU is off a huge misleading HG vs LSU as they allowed the gm's final 31 pts incl 28 in the 4Q to lose 59-26. QB Russell got the start but Prescott again impressed throwing for 106 and running for 103 more. BG is off 3 easy wins and does have a bye on deck while HC Clawson has said that they have achieved their goal of getting to 3-0 in MAC play. Miss St also has a bye on deck and Mullen traditionally puts these non-conf opp away. Off a loss, look for them to take care of business here.

MISS ST 31 BOWLING GREEN 17

Phil's Forecast:

In Akron's MAC Champ year, they upset NI twice incl the MAC Title game. In the other 5 games of this series since '00, NI is 5-0 winning by 26 ppg. The last 3 they've outgained Akron by 231 ypg. Akron is playing a 7th str gm and likely 5th str gm against a tm that will be playing in a bowl. LW they started to show signs of being worn out as they were destroyed by OU 43-3. NI, meanwhile outgained Kent 698-392 in a 38-24 win as they have finally found a RB in Stingily (266 rush yds) to go along w/QB Lynch. The 398 yds all'd was actually by far their best performance of the ssn as they were all'g 501 ypg coming in. This is only NI's 2nd HG in the 1st 8 wks (other was FCS tm) and it is also HC. Look for them to easily get their NCAA-leading 23rd consec home win.

Phil's Forecast:

ISU won 52-38 in '10 and then in '11 caught TT off their upset win of Okla and destroyed them 41-7. LY TT got its revenge going on the road to ISU where they had 395-189 yd and 20-13 FD edges in the 24-13 win. TT comes in a perfect 5-0 under 1st yr HC Kingsbury and LW after falling behind 10-0 early exploded for a 54-16 win over Kansas. The Raiders finished w/31-15 FD and 518-273 yd edges but did lose QB Mayfield to inj (leg) in the 3Q. He will not play here but keep in mind Webb has gotten plenty of snaps TY and Aug st'g QB Brewer finally was activated LW. ISU is off a heartbreaking 31-30 loss to Texas L/Thur as they all'd a Hail Mary td pass before HT and UT also benefitted from a generous call on a possible fmbl late in the 4Q down 6. Look for the Red Raiders to move to 6-0 here.

Phil's Forecast:

LY the Owls held a special ceremony prior to the gm honoring their 100th yr of football and they also wore special 1957 throwback uniforms. Rice had a 483-239 yd edge in the 34-14 win. The Owls come in the favorites to win CUSA West after beating LY's CUSA Champs, Tulsa, 30-27 in OT. The Owls were actually up 24-10 at HT before getting shutout in the 2H. UTSA is probably starting to feel the effects of a brutal sked playing their 7th str gm vs FBS competition after only playing a total of 8 FBS tms their 1st 2Y of FB. LW they fell behind 24-0 early and lost 34-10 at Marsh. They do have a bye on deck and despite their 2-4 record are only getting outgained by 1 ypg while 3-2 Rice is getting outgained by 14 ypg. Look for this to go down to the wire.

Phil's Forecast:

In LY's game NM allowed an 81/1pl td pass and a 91/2pl drive with a 64 yd td pass and wound up losing 28-23. The #1 rush tm in the NCAA is no longer located in Eugene, OR as NM piled up an amazing 541 yds (9.7) in their 66-17 demolition of rival NMSt LW. They are now avg 368 yds (6.9) on the yr. You have to love the Cowboys situation here as first they already destroyed option-based AF this yr 56-23, and had a bye LW to help prepare. Christensen knows how to defend the option as well always doing better than the experts think in those games. The Cowboys have also had 2 wks to stew about a 42-21 upset loss to TXSt. QB Smith (65%, 14-4 ratio) is fully capable of taking adv of a NM D all'g 488 ypg. I expect the Pokes to get a comfortable win and will agree with my computer here.

Phil's Forecast:

Utah is 2-3 overall vs Stanford. The L/gm took place in '96 and the Utes won 17-10. Stan is playing for a 6th str week after LW's 31-28 escape over UW. WR Montgomery saved the day piling up 290 all-purp yds on an evening where the Cardinal were outFD'd 30-14 and outgained 489-284 but never led by less than 3. Utah is off a bye and Thur night HG vs UCLA as they lost 34-27. It was amazing that the gm was that close considering QB Wilson threw 6 int as they blew several scoring opportunities. Since joining the P12 in 2011, the Utes have yet to play P12 heavyweights Oreg/Stan and I feel Stanford will want to show them who reigns supreme in the conference.

STANFORD 31 UTAH 20

Phil's Forecast:

LY HC Mendenhall showed he knows how to defend the option as they held GT to a season low 157 yds (117 rush) and the D did not allow a td with GT getting a 22 yd IR td and 97 yd KR td. BYU won 41-17. GT is off B2B losses in ACC play and LW despite jumping out to a 17-7 1Q lead, managed only 6 more pts in the next 44 min before scoring a td w/:10 lefi in the 45-30 loss to Miami. LW BYU was a rare underdog to Utah St for the 1st time since the Merlin Olsen days. LB Van Noy set the tone early w/a 17-yd IR td on the 1st play and they won 31-14 while also benefiting from an inj to USt QB Keeton. QB Hill did have his best passing gm on the ssn going 17-31-278-3-1. You have to love the Cougars situation here as GT is playing its first in altitude in an ACC sandwich and BYU is 40-6 at home.

BYU 27 GEORGIA TECH 17

Phil's Forecast:

Second all-time meeting; NU was shutout 28-0 in 1958. The Huskers should be well rested off an FCS team, bye and Ill w/a bye on deck. LW they were playing w/o QB Martinez for the 2nd str gm and it didn't matter in a dominating 39-19 win over Ill. RB Abdullah had a career-high 225 (11.3) while QB Armstrong was an efficient 8-13-135-2-0. The much-maligned D also had its best performance on the ssn holding Ill 107 ypg under their ssn avg. 1-4 PU comes in off a bye after B2B blowout losses. In their last gm vs NI, PU took the RS off highly-touted QB Etling. The 31 pt loss was misleading as they had a 524-402 yd edge but 5 TO's sealed their fate. NU QB Martinez should be back for this gm and you have to think w/this being the 1st trip here s/'58, that Husker Red will be prominent in the stands.

Phil's Forecast:

LY's gm was much closer than the final would indicate as MU lost at home 41-20. MU led in the 3Q, 17-9 and UGA took its first lead of the game with :51 left in the 3Q. LW UGA was playing w/o 5 st'rs who either sat out or got inj'd in the gm and trailed UT 31-24 late 4Q. QB Murray, for the 2nd wk in a row, guided a late 4Q td drive capped off by a td pass w/:05 left. UGA, then benefited from a fmbl in OT when the UT runner lost it while crossing the GL. LW the Tigers jumped out to early 20-0 and 30-7 leads and rolled over VU 51-28. Not many could've predicted that at this pt in the ssn the Tigers would be the only other SEC tm outside of Bama to be undefeated but here they are at 5-0. However, despite UGA's injuries, I'll predict that after this wk, Bama stands as the only unbeaten SEC tm remaining.

Phil's Forecast:

KSU is playing with revenge. LY KSU came in #1 in the country (BCS), but Baylor became the first team with a losing record at the time of the game to beat a #1 team. BU had a 580-362 yd edge in the 52-24 thrashing. Since that win the Bears have not looked back as they have won 7 str gms incl LW's 73-42 pounding of WV. BU racked up a B12 rec 864 yds and are now avg a ridiculous 780 ypg! KSt led Okla St LW on the road 29-23 late in the 4Q but gave up the gm's final 10 pts. QB Sams, who had attempted only 4 passes coming in, was 15-21-181-2-3 and also added 118 rush (4.4). While everyone is jumping aboard the BU bandwagon, keep in mind this is their 1st road trip and there is a HOF HC on the opposite sidelines. I expect this one to be closer than the experts think.

Phil's Forecast:

These teams are 5-5 the L/10. LY at the half LSU had an 81-47 yd edge but in the 2H, UF had a 190-119 yd edge. Both teams have been ranked in each of the last 9 meetings. LTH the Tigers took on a Gators squad minus their top 2 QB's. The Gators come in off 3 str wins and the off has been energized by QB Murphy who was efficient in his 1st home start LW in the 30-10 win over Ark. The #1 D all'd 275 yds, which was their worst performance on the ssn as they are all'g 238 ypg less than what their opp are avg on the yr. They will be tested greatly here vs an LSU off that is avg 46 ppg and 489 ypg TY and is coming off a 4Q explosion LW vs MSU tallying 28 of their 59 pts in the final stanza. I think this stage might be a little too bright for Murphy at this pt.

Phil's Forecast:

This one could be classified as series domination. ASU is 4-0 with their avg win by a score of 38-12 (+213.5 ypg). LY ASU got a 100 yd KR to open the 3Q (was only 20-17 at HT) which gave them momentum in the 51-17 rout. CU after a 2-0 start, has lost their L/2 gms by 36 ppg albeit it came against 2 good tms in Oreg/Oreg St. This is a flat spot for ASU off a grueling 4 gm stretch of Wisc, Stan, USC and ND with Wash on deck. The Devils off their huge win over USC, weren't quite ready for the primetime LW in Dallas as ND upset them 37-34 as the Irish sk'd QB Kelly 6x while dominating the LOS. However, HC Graham routinely beats the tms he should by large margins and I'll call for more of the same here.

Phil's Forecast:

Oregon is an amazing 9-0 vs UW winning those matchups by an avg of 43.4-17.5 (closest win 17 pts). LY Wash entered the game ranked #23, 1 wk after knocking off #8 Stanford. UO led 52-14 early in the 4Q. UW went 55/9pl and got a garbage td with :32 left in the 31 pt loss. UO has won 17 str conf AG's! Need more amazing numbers for the Ducks? How about them outgaining their foes by 299 ypg and outscoring them by 47 ypg. UW has also been very impressive TY and even in a 31-28 defeat to Stanford LW, they still outgained the Cardinal 489-284 (30-14 FD). Newly renovated Husky Stadium will be rocking here but look for Oreg get their 10th str win in the series.

Phil's Forecast:

LY there were a couple of games that made you scratch your head and one of them was Cal at 2-9 in their other games, knocking off the P12 North Champ UCLA and did so in dominating fashion, 43-17. A possible answer to the upset is that the home team is now 12-1 in this series and the Bears have won 4 of the L/5. The Bruins do have a couple extra days to prep off a Thur night win over Utah 34-27 and this is only their 5th gm of the ssn already having 2 byes. Cal is off a 44-22 loss to Wazzu as they continue to pile up yds on off (avg 516) but their D is giving up 524 ypg. UCLA does have the 2 toughest B2B road gms of any team in the country TY on deck (Stan, Oreg) but Cal has lost 9 str gms to FBS opp, the longest of any tm in a BCS conf.

UCLA 45 CALIFORNIA 21

Phil's Forecast:

UW did win the L/meeting by a 70-23 margin. Huge situational edge to UW who is off a bye while NW is off their huge HG vs OSU. The two tms each played OSU in their L/gms and each came up short in the 4Q. LW NW played valiantly in a 40-30 loss. They led 23-13 late in the 3Q but late in the gm succumbed to OSU's rush attack as they were outgained 248-94 on the ground. After such a tough loss, you have to question what the Wildcats mindset will be here traveling to take on an angry Badgers tm who has 2 close losses already TY and can't afford another if they want their BCS hopes to remain alive. Their vaunted run gm w/a healthy RB Gordon off a bye will wear down the Wildcats late just like what OSU did.

Phil's Forecast:

TU has dropped 5 in a row to EC but 3 of those were decided by 11 total points. LY the Green Wave got to the EC6, EC20 and EC8 but were held to FG's all 3 times in the 5 pt loss. The Pirates are playing at the Superdome for third time in 2Y (bowl LY). LW, despite 33-20 FD and 511-334 yd edges, they had to fight and claw for a 24-17 win over MT. EC is on a 3rd str AG while Tulane is on a 2nd str HG w/a bye on deck. LW Tulane had a 24-21 upset win over NT as they notched the program's 500th all-time victory. The D continues to impress as they have all'd just 30 rush ypg (1.4) in the L/2 gms. This Tulane tm has already pulled 3 upsets TY and I have used them twice as my UPSET pick of the week and won. You can make it 4 upsets for a Tulane tm closing in on its 1st bowl s/'02.

UPSET PLAY OF THE WEEK

TULANE 27 E CAROLINA 26

Phil's Forecast:

The home team is 5-1 in this series incl LY's home win for SC (38-20). While they were outFD'd 22-20 in the game, SC forced 3 TO's incl a 69 yd IR td. 3rd game of the toughest 4 gm stretch in CFB TY as Ark is off A&M and Florida and has Bama on deck while playing for a 7th str week. They did manage 275 yds vs UF LW, which was actually the most all'd by the Gators all ssn. SC is off a bye, UCF and UK, but starts a tricky 3 gm road stretch. LW I expected them to handle UK w/ease but after leading 21-0 in the 2Q, UK actually outplayed SC for the rest of the gm. Naturally, all week long they will be dealing w/the distractions of AA DE Clowney deciding not to play LW. This is probably the most winnable of the 4 gm stretch for Ark and w/series history here, I'll call for this to go down to the wire.

Phil's Forecast:

The Tide have won 4 straight in the series with the last meeting in 2009. In '08 & '09 Bama was ranked #2 and #3 in their games and UK lost by only 3 and 18 but that was a UK program at the time that was a perennial bowl tm. UK is off losses to UF and SC (rallied LW to only lose by 7) and you have to wonder how much they have left in the tank as this is the 4th top 20 tm they have faced already this yr. They have only lost to the other 3 top 20 tms by an avg of 9 ppg. However, the Crimson Tide are a different animal and they are coming off a HG vs Georgia St (won 45-3, vanilla gm plan, played bkps) and with Ark on deck, Bama should have enough focus. Roll Tide.

Phil's Forecast:

LY David Fales had 325 yds passing by the end of the 3Q and SJSt finished with a 568-386 yd edge. SJSt only led 27-20 but got a 51 yd td pass with 7:56 left. SJSt is on B2B road trips off Hawaii and dealing with colder climate. LW they rallied from a 14-3 deficit to score 31 str pts in a 37-27 win. Fales had another uneven performance (16-35-318-3-2) and shockingly is only comp 56% w/a 9-7 ratio TY. CSt is off a bye and should be playing w/some confidence after 3 str solid performances incl 2 wins and a solid effort vs #1 Bama. The altitude should heighten their home edge and this is 3rd road gm in 4 wks for Spartans.

Phil's Forecast:

These two have split their last 8 meetings as they were former SBC member ('98-'04). ASt new HC Bryan Harsin played QB at Boise and was 10-0 vs Idaho when he was a coach there. Idaho is finding Indep life tough as they come into this gm 1-5 after a 61-14 beatdown at the hands of Fresno LW. It could have been much worse as Fresno led 47-0 at HT and yanked many of the st'rs after 2.5-3Q's of action. The Vandals now are traveling across the country to the heat and humidity of the South playing for a 7th str week while Ark St is off a bye and this is HC. The Red Wolves need a feel-good win after B2B blowout losses and get one here.

ARKANSAS ST 41 IDAHO 17

Phil's Forecast:

Penn St is 3-0 vs Michigan ('08-'10) but that did all come against Rich Rod. LW UM found a way to help QB Gardner cut down on his mistakes as he didn't throw the ball until mid-2Q and had his 1st TO free gm as a st'g QB in UM's 42-13 win over Minny. Despite their 1st series loss ever (were 16-0 prior) to Indy LW 44-24, QB Hackenberg played well in the defeat going 30-55-340-3-0 and the Lions did lead 21-17 late 3Q. This will be the 1st underdog role at home for HC O'Brien and they are expecting a sellout here (uncommon L2Y). I also like the fact that their defense should be playing with a chip on their shoulder and remember UM is just 7-14 in Big Ten away games. The Lions are a best bet!

Phil's Forecast:

The Wolfpack are a perfect 6-0 vs the Orange incl a 38-17 win in the L/gm ('98)! The ACC didn't throw out a welcome mat LW for them as Clem rolled 49-14. The Cuse did manage 323 rush yds but QB Hunt was only 8-24-52-0-3 and they gave up 624 yds with Clem QB Boyd and many st'rs only playing 3Q's. NC State is a much better team at home vs ACC competition compared to the road and last week they were upset at Wake Forest 28-13. Now they are back at home where they are 13-6 and I will call for them to get a bounce back win.

NC STATE 34 SYRACUSE 21

Phil's Forecast:

Houston has won 3 straight but just the 3rd meeting in 7Y. The L/2 meetings ('09 & '10) are eerily similar as the Tigers scored 14 and 17 pts while they all'd 55 and 56 pts and Houston scored td's in 8 of their F/9 drives in both games. The Cougars come into this game off a bye while Mem is off UCF. The Tigers thought they had a big upset LW but they squandered a 17-10 lead in the final 2 min and couldn't overcome a -4 TO deficit. They did have 25-16 FD and 397-270 yd edges against a very good UCF tm. The Cougs are a perfect 4-0. It should be noted that this gm will be played in the Houston Dynamo's stadium (Pro Soccer) as UH plays HG's in 3 diff venues TY. I think Mem will have a hangover from LW's gm while the Cougs are fresh and ready to match LY's win total already.

Phil's Forecast:

First meeting. This is HC for FIU and are off a bye and SMiss w/a bye on deck while UAB also has a bye on deck, but is playing 4th str gm. After being arguably the worst CFB tm in the country thru the 1st 4 wks, FIU pulled a shocker LW beating SMiss 24-23. The 24 pts scored were 1 more than what they had scored in the 1st 4 gms comb. QB Hilliard came off the bench to hit 8-13-93-1-0 and RB Spearman had 136 (4.7) to key the win. UAB is off a 37-23 loss to FAU and were thoroughly outplayed getting outFD'd 25-16 and outgained 579-307 but the gm was tied at 23 late 3Q. I think FIU will be caught celebrating LW's win a little too much and UAB is going to play with a chip on their shoulder after they demoted their DC LW.

UAB 34 FIU 24

Phil's Forecast:

The Herd make their first trip here to face an Owls squad that has to be playing with some confidence. Pelini in his second season has transformed his squad into a respectable bunch allowing 18 FD/gm and UNDER 51% completions. The offense under the direction of QB Johnson has also ignited in each of his L/2 starts as they have topped 500 yds in both LW, in the upset over UAB he was 23-36-299-2-0 and added 105 rush (5.5). The Sked edge has to go to Marshall here as they are off a bye and UTSA with a bye on deck while FAU is playing just their 2nd HG and playing a 7th str week. The Herd continue to impress beating UTSA 34-10 LW as they are outgaining foes by 191 ypg. FAU did struggle mightily against the other CUSA elite tm TY (ECU) and I expect the same here.

MARSHALL 34 FAU 20

Phil's Forecast:

TCU HC Patterson grew up rooting for KU despite playing at KSt as a walk-on LB in '83 as his uncle was a 3 sport star there in the '50's. LY KU only trailed 7-6 when TCU got a 37 yd FG w/:04 in the half. KU, down, 20-6 was SOD at the TCU36, then fmbl'd into the EZ for a tb with 1:16 left. Sandwich gm for TCU off rival SMU, at OU, w/OSt and Texas on deck while KU is off a 54-16 demolition at the hands of TT LW after leading 10-0. On one side you have a team that went 38-3 at home over a 7Y period and LY went 0-4 vs their new conference foes. On the flip side you have a visitor that has lost 20 straight games on the road with 3 different HC's. One streak will stop and naturally I'll go with the Horned Frogs who are already 0-2 in B12 play TY and need a feel-good win.

Phil's Forecast:

These previous SBC members square off as CUSA foes. NT had won 5 in a row in this series from '01-'05 then MT won 4 in a row from '06'-'09. NT won by 6 pts on the road and then by 52 at home in '11. LY MT wore black helmets for the first time ever and talked about revenging their loss. MT had a 4-0 TO advantage and a 305-97 yd edge at half with a 24-0 lead and won 38-21. MT is playing their 7 str gm while NT is playing only their 2nd str gm and are a respectable 9-4 at home in Apogee. NT has pushed the tempo this year avg 86 ply/gm at home and QB Derek Thompson has benefitted as he's hitting 73% with a 3-0 ratio compared to 52% at home LY. After an upset loss last week, look for the Mean Green to get back on track here as a best bet.

Phil's Forecast:

TXSt is 2-7 vs ULM with the last mtg in '00 (won 27-7). Both were FCS Southland conf members prior to '93. ULM has a couple extra days to prep off a huge SBC HG vs WKU on Thur and have a bye on deck (are playing 7th str wk). This is the Bobcats first Sun Belt home game and they are quietly building a solid homefield edge. Prior to LW's loss to UL, the Texas St D has led the way as disruptive Col St trans Orapko (6.5 tfl, 3.5 sk, 3 FF) has pressured opposing qb's into a 4-6 ratio. Now ULM's Brayle Brown makes his first ever road start and he struggled LW with the Warhawks watered down offense, which was without 3 of their top 4 returning rec's and for the 5th str game they finished on the negative side of the TO margin.

TEXAS ST 27 ULM 20

Phil's Forecast:

Third diff conf they will compete together in (Big West & WAC). Boise has won 10 str incl 50-14 in the L/gm in 2010. The Broncos come in off a bye while UTSt is playing a 7th str week and 4th str tough opp. LW they were in the unique role of being a fav over BYU. BYU LB Van Noy int'd Keeton on the 1st play of the gm and ret'd it for a td and while the Aggies lost 31-14, the bigger loss was losing QB Keeton for the rest of the yr (ACL). At 3-2 Boise is kind of flying under the radar but a win here will put them in the driver seat to get to the MW Champ gm. Prior to LW, USt probably would have been favored in this gm but now Boise gets the call.

Phil's Forecast:

OSU is now 7-2 in the series. LY OSU had a schl rec 46,579 on hand and WSU QB Connor Halliday hit just 9-20-81 with 3 int. OSU did have a 320-227 yd edge, 21-14 FD edge. OSU needed a td with 4:27 left for some breathing room at 19-6 and took a knee at the WSU23 at the end. Wash St is 7-33 hosting conf foes but this isn't your same Wazzu tm of the L/5 yrs as they are now 4-2 after LW's 44-22 win over Cal taking adv of 5 Bear TO's. Oreg St is off a bye winners of 4 str gms thanks to QB Mannion who is avg 404 ypg (67%) w/a 21-2 ratio while his fav target Cooks has 807 (15.5) and 9 td's already. Wash St is playing a 7th straight week and with that in mind, I'll pick the fresher OSU squad.

OREGON ST 31 WASH ST 30

Phil's Forecast:

The disappointments continue for Tulsa off a home OT loss to Rice, a conf foe they had beaten 6 straight times. Now they take to the road having lost B2B home games for the first time S/'09. Utep dropped their 3rd straight as the their rush D was run over for 353 yds and 7.1 ypc vs LT who came into the meeting avg just 150 ypg. Still the Miners have made some strides offensively behind new HC Kuglar (was NFL OL cch) and they have the ability to shorten the game with a rush attack. However, I did come away impressed with Tulsa in the 2H of LW's gm vs Rice as they dominated and I think they finally get a feel-good win here.

Phil's Forecast:

UNLV has averaged 42 ppg and 24 FD's their L/3 games in their first 3-gm win streak s/'03. QB Herring has led the spark even breaking some of Randall Cunningham's schl records for comp %. Hawaii on the flip side is winless but their offense has improved in EVERY game despite playing a pair of upper tier P-12 teams and 3 MW's teams that totaled 26 wins LY. The main issue with the Warriors is an OL that has allowed 23 sacks but they'll be able to hold off a Rebel's DL that has totaled only 8. The unit has also struggled running the ball 73 ypg (2.3) but here again they have a favorable matchup vs a D allowing 285 ypg and 6.0 ypc. While I think UNLV gets the win, keep in mind UH beat the Rebels LY 48-10 and this is a rivalry gm.
