Phil's Forecast:

The Huskies are 25-2 vs the MAC recently with BOTH losses to CM. CM has won their last 3 in Mt Pleasant winning by 25, 14 and 7. Chips in tough spot off 3 straight away but should be confident after LW's shocking upset of OU 26-23. Despite playing w/o WR Davis, RB Lavallii has been a revelation w/Tipton OFY in the opener and he has tallied 335 (6.6) in the L/2 wins alone. The Huskies are living dangerously TY but they continue to find ways to win as they won their 23rd consec HG (longest in nation) LW 27-20 over Akron. Unlike most of the yr, it was the D that bailed out an offense that was struggling. It was their 27th overall win in 29 gms. Look for them to get another win here but it could be closer than the experts and my computer thinks.
