Phil's Forecast:

It's not been a good conf series for the Green Wave as they've dropped all 8 with none closer than 24 points (31 ppg). While the defending CUSA champs came into the ssn as the favorites, they haven't played like it until the L/6Q's forcing OT vs Rice after being down 14 and then beat UTEP 34-20 on the road. On the other side, I have ridden the Wave for several upset winners TY incl a 36-33 upset winner over EC in their L/gm. While they haven't been overly impressive statistically (-69 ypg), they are +9 in TO's, are all'g just 41 rush ypg (1.6) in their L/3 gms and have the best K in the country in Santos who has 2 str GW FG's. They are playing w/so much confidence and have already pulled 4 upsets TY, so this is an easy decision to make them my upset pick of the week.
