Phil's Forecast:

Nebraska has dominated this series, winning 15 in a row, incl 5 shutouts, but most of those games were before many of the current players were even born. Nebraska comes into this game well rested as they are taking the field for just the 3rd time in 5 weeks, plus they are expected to get the return of QB Martinez, who has missed the L/3 gms. Minn did get a huge win LW against NW, but they benefited from a +3 TO margin and the fact that the Wildcats were without 2 of their most important players in QB Colter & RB Mark. Despite this game being in Minn, I'm estimating that there will be 10,000 or more Husker fans in TCF Bank Stadium and with the 'BlackShirts' responding from early ssn critsisim (16 sks the L/4 gms) I forecast another easy win here for NU.
