Phil's Forecast:

I can make a strong case for Buffalo here. The Bills have taken on the #2 schedule in the NFL and PIT the #25. I love playing on teams off misleading scores and last week BUF had a 470-210 yd edge vs the Chiefs, the lone undefeated team in the NFL. If not for a 100 yd IR td (14 pg swing) they would have led 17-3 instead of being tied at 10 and probably would have won the game. Barring a setback in practice the Bills will have EJ Manuel here backed by the #7 rush attack. CJ Spiller (116, 9.7) and Fred Jackson (77, 4.8) led the way for 241 yds vs a top 10 defense LW. There are 2 sides to every coin and PIT is allowing just 258 ypg at home and Dick LeBeau is 16-2 when facing a rookie starter with his Blitzburgh Defense. BUF is just 1-3 on the road being outgained in all 4 games by an avg of 61 ypg. It's do or die for PIT and a win here and a possible CIN loss would have them just 2 games back in the loss column in the division standings with a half season yet to be played.

Pittsburgh 23 Buffalo 17
