Phil's Forecast:

SD HC Mike McCoy was a long time asst under John Fox at CAR & was the DEN OC the L/2Y so he has good knowledge of the Broncos. Jack Del Rio who faced McCoy on the Broncos practice fields LY is now the interim HC for the Broncos. Of course, Manning is like a coach on the field and already has a 29-6 ratio. Philip Rivers has a 17-7 ratio TY and is looking more like the Rivers of 2010 than the one that took the field the last 2 years. SD already beat IND and DAL at home by 9 and 10 pts but with the exception of their slip up at IND, DEN has been a machine winning by an avg of 43-27. Peyton Manning is a perfect 7-0 off a bye and gets a pass def with a 100.3 Def QBR. DEN does have Von Miller back on defense and they just held WAS to 162 ypg below their season avg (266). SD faced that same offense last week and gave up 500 yds (106 above ssn avg). SD could easily be 7-1 as they had losses on the final play to HOU and WAS and gave up a td pass to TEN with :15 left. I'll call for the best team in the NFL off a bye to come back with a win and go right with my computer's forecast of 41-28.

BEST BET: Denver 41 San Diego 28
