I'm torn on this game. While Auburn has won 16 of the L/17 meetings, they have struggled this ssn, especially at the QB position. When looking at my game by game grades on the team pages at philsteele.com, the Tigers have an avg grade of 76.5, while Kentucky's is 78.2. The Wildcats also have home field advantage. Auburn is 0-2 in SEC play and the L/11X they've started that way, they've gone 6-62-1 in conf action & 1954 was the lone yr they won more than 2! The Tigers are avg 218 (4.4) rush ypg their L/2 gms and the Wildcats have my #88 ranked rush D & are all 'g 171 (4.2) rush ypg on the ssn. I'll call for Auburn to win another in this series, but by just a point.

Auburn 24 Kentucky 23
