Not only has it been a nightmarish season for North Texas, but after getting absolutely embarrassed 66-7 by an FCS team on homecoming weekend, they fired their popular coach, Dan McCarney. The Mean Green will have a familiar face on the sideline however, as OC Mike Canales will serve as the interim, a job he also did in 2010 when NT fired their previous coach mid-season. The Mean Green were 1-6 that yr when he took over and while they were 'dogs in each remaining game, they went 2-3 incl 4-1 against the Vegas number! There is no question that WKU will win this game, but they'll more than likely be looking ahead to their game at LSU next week which has thinking that NT will keep it closer than what my computer has.
