USF has won the L/3 meetings between these AAC rivals and pulled off an outright upset the last time they ply'd here, which was surprising as the home team had won 9 of the 10 meetings with the different climates obviously playing a role. UConn is coming off a ssn high 433 yds at UCF LW as QB Shirreffs threw for 256 yds while completing 73% of his passes. The Bulls have my #68th ranked pass eff D as they are all g nearly 60% completions with a 9-6 ratio. My computer is calling for this game to go down to the wire with the Huskies pulling out a 1 pt win, but I'll call for a larger MOV as the home team prevails once again in this series.
