These CUSA rivals were also SBC rivals and have met each of the L10Y. MT will be in revenge mode after LY's loss, which was one of the reasons the Blue Raiders didn't go bowling. MT enters this game having lost 3 in a row including getting blown out LW, while FIU's win last week snapped a B2B losing skid. Blue Raider QB Stockstill is the HC's son and he's had a highly productive ssn avg 358 pass ypg while completing 67% of his passes with an outstanding 16-3 ratio. The Golden Panthers are all'g over 60% completions with an 8-5 ratio and have my #62 ranked pass eff D. My computer is calling for MT to win by just under 2 td's and I'll agree with that.
