Phil's Forecast:

This is just the 3rd meeting between these MW rivals s/2000 and the 1st s/'12. Wyoming HC Bohl is finding winning much more difficult in the FBS ranks after winning not one, not two, but three FCS championships. The Pokes are winless on the ssn, but are only being outg'd by 21 ypg. When forecasting this matchup I noticed that both had played NM and Wyoming trailed 35-14 at home against them while the Wolf Pack won 35-17 at home. My computer is calling for 14 pt Nevada win and I'll agree with that.

Nevada 31 Wyoming 17
