This will be RU's 1st ever trip to Bloomington after meeting for the 1st time LY. It is still not known who will be the QB for IU as they could be down to 3rd string Danny Cameron but the Hoosiers unfortunately don't have the depth of one of their B10 brethren when it comes to QB talent. The Scarlet Knights will get their return of their HC on the sidelines after a 3 gm suspension and also ret'd their star WR Carroo after a 2 gm suspension LW. That being said, IU and their high potent offense should still be able to find success against an RU defense that is all'g 480 ypg in conf play. My computer is calling for the Hoosiers to win by just under a td and I'll call for IU to win by just over a td.
