Category		Team & Margin		Phil's Forecast:	
Las Vegas Line	New Mexico By 5.5	This is homecoming weekend for NM. The Lobo's have won 5 str in this series between MW rivals, but the last meeting was in 2012. I won my Upset POW on these pages LW going against Haw and they lost outright by 2 td's, getting outg'd by 151 yds despite being a favorite in the desert. Now the Rainbow Warriors are traveling for the 3rd time in 4 wks and are a 'dog by less than a td despite being shutout 121-0 in their 3 prior road gms this ssn! NM is just -23 ypg on the ssn while Haw is -168 ypg. The Lobos and their triple option attack are avg 268 (5.5) rush ypg and Haw is all g 232 (4.4) rush ypg and have my #103 ranked rush D. What more do I need to write here to let you know that i'm going against the Rainbow Warriors again this week as one of my "Best Bets."
