Weather: Dome - While the Giants were able to deliver a 7 point win over the injury-plagued Cowboys last week at home, the win was anything but easy as they saw QB Cassel throw 3 int's in his 1st start w/DAL while the Cowboys special teams also struggled allowing a 100 yd KR TD in the 4Q along with a late muffed punt. The biggest thing that I took from LW's game was a Giants rush defense that was gashed for 233 (5.7). This doesn't bode well for them this week against a Saints team that has won 3 of their L/4 and got a big effort a week ago against IND by RB Ingram (143 rush yds). Holding onto late leads hasn't been the Giants strong suit thus far in '15 so I'll go against my computer ratings again in this one and call for a 6 pt Saints win!
