Phil's Forecast:

The home team is 3-0 in their meetings. Last year USF after a 84/3pl td drive led 23-20 w/5:21 3Q. USF allowed the next 17, but cut the deficit to 7 w/8:42 left. USF got the ball back, but QB Flowers was injured & fr Kean tossed an int w/3:23 left (TU ended up at the USF3 up 46-30). Temple has not been impressive being outgained in all 3 games and their once proud defense has allowed 489 yards and opponents have gained 115 yards more than they average vs them. USF is allowing just 323 ypg on D, but is giving up 89 yards above what their opponents average. USF played their best game last week with a 47-23 romp over Illinois. I think Temple keeps this closer than expected and my computer agrees.

USF 38 Temple 22

Phil's Forecast:

UVA is 3-13 in road openers, Last won at Indiana in '11 (last bowl ssn). In the only prior mtg ('15) the Broncos hammered the Cavaliers 56-14 w/447-273 yd & 19-10 FD edges. Into '17, BSU is 12-4 s/'08 vs Power 5 conference schools. Virginia's D is holding foes to 62 yards below their season average and QB Benkert just threw for a school record 455 yards vs UConn. Boise had been giving backup QB Cozart plenty of action and he started for an injured Rypien last week, but they had just 264 yards and 12 FD's in their 14 point win over New Mexico. The Broncos D is holding foes to 182 ypg below their season average.

Phil Steele	Utah by 6

Phil's Forecast:

The last time here, Utah trailed 20-10 early and lost in 2 OT's, their 4th straight loss to Arizona. Last year Utah was at home and trailed 14-12 at half, but broke their losing streak with a 36-23 win. Arizona knows it can play with the Utes and is much more experienced with 14 ret starters (#42 Exp Chart) while Utah has just 9 ret starters and is #122 on the Exp Chart. Utah has completely changed their offense going to the pass happy spread after winning on defense and special teams all these years. Tyler Huntley is hitting 72% for 294 ypg and is the leading rusher. Arizona QB Brandon Dawkins had 6 total TD's last week and is hitting 67% and also leads the team in rushing. I rate the offenses close, but Utah has my #18 defense (allow 245 ypg) and Arizona is #80 (388 ypg). I will take the stronger team here and disagree with my computer.

Utah 30 Arizona 24

Phil Steele	Wake Forest by 11

Phil's Forecast:

While the schools are just 92 miles apart and have met 22 times, this is the first matchup since 2001. Wake went 4-1 non conf last year and made a bowl, so this might mean more to them than next weeks matchup with Florida St. Wake is just the 2nd Power 5 team to travel to Boone and App St lost to Miami Florida 45-10 last year. I have been very impressed with Wake this year as they played better than my expectations in all 3 games and their average game grade is 92.7 (#34). App St has played below my expectations in all 3 games and last week Texas St out-gained them 385-283 and ended the game at the App St 1 yard line down 7. I expect a good amount of Wake fans on hand and Wake grabs the road win.

Best Bet: *Wake Forest 28 Appalachian St 17

Phil's Forecast:

Instate rivalry is played for the Victory Bell s/'48. LTH Duke all'd 486 1H yds (10 of their other 12 opp's DN top that for the gm). The 66 pts also marked most all'd s/'95 (#1 FSU scored 70). Duke trailed 38-10 at HT. LY Duke got the gm deciding TD w/2:10 3Q (no 4Q scoring). Down one, NC's L/2 drives ended on a punt & int at NC44. NC had been 14-1 in the series, but Duke is 3-2 the last 5 and there have been 4 outright upsets in that span. Duke has a huge edge on defense holding foes to 243 ypg below their season average and just 223 ypg overall. NC is yielding 90 ypg above their opp's average and 497 ypg overall. Daniel Jones is the more exp'd QB and Shaun Wilson and Brittain Brown have combined to average 176 ypg rush and 6.4 ypg.

Phil Steele	Michigan by 4

Phil's Forecast:

These two last met in 2012. Michigan pounded Florida in the opener, but the Gators were missing 10 suspended players. They led both Cincy and Air Force by just 3 each in the 3Q. Purdue was outgained by Louisville by 180 yards in the opener, but led in the 3Q and have dominated their last two foes Ohio U and Missouri. Jeff Brohm is a coach on the rise and Tario Fuller has 261 yards rush (6.1) with David Blough now taking over the QB job and hitting 76% of his passes. Wilton Speight is hitting just 54.5% and the Michigan offense has scored just 5 TD's with the defense scoring 3.

Best Bet: *Purdue 20 (+) Michigan 24

Phil Steele	Georgia Tech by 10

Phil's Forecast:

Georgia Tech won their first 2 ACC meetings, but each of the last two years K Chris Blewitt has kicked the game winner (off upright LY) for Pitt at the end in a pair of 3 point wins. GT outplayed Tennessee in the opener and should have won and QB Marshall has 274 yards rush in just 2 games. Pitt replaced QB Max Browne in the 2Q last week and is struggling on offense, but have taken on a Youngstown St team that was in the FCS Finals last year, Penn St and Oklahoma St. Pitt HC Narduzzi did better vs the option in his 2nd go round last year as they allowed GT 118 ypg above their season average in 2015, but held them to 18 ypg below that last year.

Georgia Tech 34 Pittsburgh 24

Phil's Forecast:

PSU won LTH ('12) 38-14, PSU led 38-0 w/14:25 left as Iowa's only TD's came on a 92 yd KR & 37 yd drive after a fmbl. LY Iowa was coming off a loss vs #10 Wisconsin & had #2 Michigan on deck. PSU led 21-0 mid 2Q and after a TD drive w/9:28 left led 41-7 (35% of Iowa's yds came on their L/drive; gbg time). Iowa did upset Michigan at home last year and beat Nebraska 40-10 and is a solid home dog. Iowa has not been as good as their final scores. They only outgained Wyoming by 30 yards were down 2 scores in the 4Q to Iowa St and fortunate to get to OT and LW trailed NTexas 14-10 late 3Q. Penn St was outgained by Pitt by 30 yards, but were up big most of that game. Penn St has a slight edge on defense and a large edge on offense and both of Iowa's top RB's are banged up and questionable.

Penn St 31 Iowa 16

Phil Steele	Clemson by 34

Phil's Forecast:

Clemson has won the last 6 in this series by 18.8 ppg. Last year CU was off a big win over #3 L'ville & trailed 3-0 3:52 into the gm. 4pl later CU got a 59 yd td run that sparked 35 unanswered and they rolled 56-10. BC lost to the 4 best teams they played last year by an avg of 44.5 ppg. This game screams flat spot for Clemson as they are off 2 straight A+ efforts and have a road trip to Blacksburg on deck. BC did only trail ND 14-13 late 3Q last week and were only -4 in yards vs WF, but lost by 24 due to -4 in TO's. BC is struggling at QB, but is avg'g 58 ypg above what their opp's allow. The situation says BC keeps this closer than expected, but BC has my #84 offense and Clemson my #2 defense and the spread is under 5 TD's.

Clemson 40 Boston College 6

Phil's Forecast:

When Chuck Amato (ex Flor St DC) was the HC of NCSt they went on a 4-2 run vs the Seminols, but since he left Florida St is 8-2 with their only two losses in Raleigh. NCSt is 12-3-1 vs the Vegas number the last 16 meetings including last year. NCSt has the solid edge of this being their 4th game while Florida St is playing just their second. FSU is also giving true frosh James Blackmon his first start and NCSt has a super Dline but they do only have 5 sacks after 3 games. NCSt had a 504-256 yard edge in their loss to South Carolina and the offense is avg'g 493 ypg with QB Finley hitting 76% and a 6-0 ratio. Florida St has a nasty defense as well that held Alabama to just 250 yards and will be anxious to hit someone after not playing for 21 days.

Florida St 27 NC State 14

Phil's Forecast:

The last time MSU won in Athens was 1956 dropping 9 straight trips including a 24-10 loss in '11 (LTH). HT is 3-0 s/'06. Miss St just faced LSU while Georgia is off a FCS foe, but does have Tennessee on deck. Miss St has been very impressive and has an average game grade of 108.8 the fifth best in the country after their 465-270 yard edge vs LSU. They are outgaining foes by 287 ypg this year. Georgia played at a high level their first two games including a 326-265 yard edge at Notre Dame. My computer is calling for Miss St to win this outright, but they did just play an A+ game last week and it is tough to do that in B2B weeks especially on the road. Miss St has a great shot at the upset here and they are 9-3 as an away dog the last 5 years. You have to like the QB edge with Nick Fitzgerald vs the true frosh Jake Fromm.

Georgia 24 Mississippi St 23

Phil's Forecast:

This is the only non SEC game in a 6 week span for South Carolina. LT has played 6 of their last 7 SEC foes closer than the Vegas line, but are off a big road game at WKU and traveling again. S Carolina is in Muschamp's 2nd year and #26 on my Exp Chart while LT is just #120. Last week CMich was off an upset road win and traveling while Syracuse was off an upset home loss and at home. Syracuse was -9' and won 41-17. I bring that up because LT is off a huge CUSA road win over WKU with QB J'Mar Smith throwing for 306 yards (he is hitting just 52% this year). South Carolina is off home upset loss to Kentucky, but were +5 yards in that. SC had been outgained by NCSt and Missouri in their first two by 161 ypg and did lose WR Deebo Samuel their most explosive playmaker. I like the value on SC here.

Best Bet: *South Carolina 37 Louisiana Tech 20

Phil Steele	Tennessee by 21

Phil's Forecast:

UMass played 3 SEC foes last year and only lost to Florida by 17, Miss St by 12 and South Carolina by 6 despite being a dog of 3 TD's plus in each. Tennessee is in a huge Florida/Georgia sandwich. This is the first meeting. Tennessee was lucky to beat GT in the opener as they were outgained 655-369. Last week they outgained a Florida team, (9 suspended players) but lost on a Hail Mary. Andrew Ford has been solid for UMass hitting 64% with a 6-1 ratio and UT's defense is allowing opponents 261 ypg above their season average. Jones is 1-4 as a 2 TD favorite vs non conf teams failing to cover by 13 ppg. UMass is 0-4 but is -3 ypg and all 4 losses have been by 10 or less. UMass has allowed 22 sacks this year, but UT has only got 3 sacks by their D. I like the dog.

Tennessee 38 UMass 17

Phil's Forecast:

The home team is 5-1, but last time here WV led 42-0 at half (377-57 yd) and won 49-0. Last year WV led 31-0 at half (371-135), but only won 48-21. After going 1-4 on the Big 12 road in '15 WV went 3-1 last year with wins at TTech, Texas and Iowa St by 22 ppg. WV is +170 ypg this year and even put up 592 yards on Bud Foster's VT defense in a loss. They are +157 ypg above what their opponenets allow and Kansas is allowing 96 ypg more than their opponents average. Will Grier is hitting 66% with an 11-2 ratio and Kansas has my #126 pass defense. Kansas scored two late TD's at Ohio including one with no time left on the clock to only lose by 12. WV is off Delaware St with a bye on deck.

Phil's Forecast:

UF's 30 gm series win streak is now the longest active in the FBS. The Wildcats have been outscored 125-13 in the 1Q the L/8 meetings vs the Gators. LY UK trailed 45-0 until a gbg td drive w/4:27 left. UK had almost beaten Florida the 2 years prior. The Gators are off a big home game vs Tennessee. LTH Florida led by 5 and UK was int'd at the UF 23 with :33 left. Kentucky is just 3-11-2 as a HD, Feleipe Franks gained a lot of confidence last week and showed off his powerful arm with that 65 yard toss hitting his WR in stride for the winning TD. UF has faced Michigan and Tennessee and are taking a step down in level of competition while Kentucky is playing their toughest foe year to date.

Florida 27 Kentucky 20

Phil Steele	Maryland by 9

Phil's Forecast:

Both coaches are in their 2nd year after getting their teams to an unexpected bowl last year. Last year Maryland needed 2 OT's to win this on the road. Maryland is the Big Ten team at home off a bye and UCF is making their first road trip and has had their last two games postponed so they have not played in 21 days. Maryland's opening win over Texas looks even better after last week and Kasim Hill could be the real deal at QB for them.

Best Bet: *Maryland 44 UCF 35

Phil's Forecast:

Kent St has lost 20 straight road games vs the Power 5 being shut out 6 times. Louisville is off two huge games vs NC and Clemson, but are off an embarrassing loss and only has Murray St on deck. This is Kent's 3rd road game in 4 weeks and they have a huge (for them) MAC opener on deck. Louisville has faced the second toughest schedule in the country so far and take a big step down. The schedule maker did not do any favors for Kent this year. That early season struggle at Purdue does not look so bad right now for the Cards.

Louisville 51 Kent St 10

Phil's Forecast:

Ohio won their last trip here 56-28, but this is a different E Mich team. Last year EM went on the road and upset Ohio 27-20 as a TD dog. EM is just 1-10 in MAC home games, but is fresh off a bye while Ohio just played a pair of Power 5 teams. Nathan Rourke is hitting 67% with a 3-0 ratio since being inserted at QB for the Bobcats. Ohio is playing with legitimate revenge after a tough home loss last year. OU has faced the tougher schedule and Frank Solich bags another road win.

Phil's Forecast:

LY CM trailed 20-17 at HT, but had a 249-199 yd edge. In the 2H (just 4 poss) the Chippewas were handcuffed gaining a total of 51/16pl running just 4 plays in RedHawks territory and lost 37-17. CM is on a 9-5 run in MAC HG's. Miami is #2 on my Exp Chart and last year beat EMich on the road (3-1 MAC road). Gus Ragland who was the key to Miami winning their last 6 games last year by hitting 64% with a 17-1 ratio is hitting just 51% with two pick 6's. CM lost their starter, but replaced him with Michigan transfer Shane Morris who has thrown for 972 yards with an 8-3 ratio. CM is down a couple of injured WR's, but Jonathan Ward had 239 rush (6.0) and they are at home.

Central Michigan 27 Miami Oh 24

Phil's Forecast:

First mtg. These schools are both located in VA, but 315 miles apart. ODU has not faced a ranked FBS team since restarting their program in 2009. The Monarchs are 0-6 when traveling to a Power 5 conference foe w/every gm decided by 11+ pts. VT does have a huge revenge home game vs Clemson who they lost to in the ACC title game. ODU trailed North Carolina 39-7 and went to true frosh QB Steven Williams who will start here. Justin Fuente is a QB whisperer and new QB Josh Jackson is hitting 65% with an 8-0 ratio this year. I was leaning with ODU, but they are 0-9 ATS as a double digit dog so I will pass on this one.

Virginia Tech 41 Old Dominion 14

Phil Steele	Charlotte by 3

Phil's Forecast:

First trip to Charlotte with the Panthers dropping the only prior mtg 23-20 to open `15. The 49ers led 13-0 into the 2Q & 23-6 into the 4Q. GSt got 24 & 53 yd 4Q TD passes (last w/:30 left, UC rec'd onside).Charlotte has 12 ret starters and Georgia St has 15. Charlotte is 0-10 at home vs FBS foes. Georgia St was winless on the road in `13, `14 & `16, but did win 4 on the road in `15 (bowl year). Both teams have lost to an FCS foe and Hasaan Klugh is hitting just 43% of his passes. I will side with the home team by a FG.

Charlotte 26 Georgia 23

Phil Steele	Indiana by 31

Phil's Forecast:

Tom Allen did face the option when he was DC at South Florida and they did allow 444 yards (428, 6.2 rush), but only 28 points. GA Southern is actually off a bye with a bye on deck so they will be focused on this game while Indy has Penn St on deck. Tom Allen probably appreciated the bye last week to work on the option. They also just scheduled an FCS foe last week and face the option again in two weeks. Indiana is the much stronger team and won't take anyone lightly this year.

Indiana 41 Georgia Southern 10

Phil Steele	FAU by 1

Phil's Forecast:

The Bulls beat the Owls 33-15 ('15) in the schools only prior mtg. FAU led 9-0 1:29 into the 2Q. UB's first score was a 60 yd FR TD which sparked 26 str into the 4Q (UB also had a 39 yd IR TD in that span). Buffalo has played better than Las Vegas expected in each of the first 3 games, but QB Tyree Jackson is the leading rusher and is hitting just 54%. FAU dropped their first two, but they were to the option of Navy and to powerful Wisconsin, a game they only lost by 17. I think FAU is the stronger team and the weather will be plenty warm for them in this trip up North.

FAU 25 Buffalo 24

Phil's Forecast:

These two met in both `14 & `15 with the Huskers jumping out to 21-0 and 35-10 leads winning by 18 & 17. Rutgers has dropped their last 2 road openers by 30 ppg. Rutgers defensive strength is their secondary which matches up well vs the Husker pass attack. Rutgers has had 12 Big Ten road games and lost 9 of them by 18 or more. Last week the Huskers had a 2 to 1 yardage edge in the 1H, but trailed 14-0 with a pair of interception return TD's and lost to a solid MAC team in Northern Illinois. Rutgers beat Morgan St 65-0, but Morgan St had been shut out in each of their first two games as well vs FCS foes. WR Janarion Grant, QB Kyle Bolin and RB Gus Edwards are all upgrades on their offense, but they are averaging just 13.5 ppg vs FBS foes while Nebraska is averaging 32 ppg and is off a loss. Bob Diaco's defense did make big strides holding Northern to just 213 yards (NU 384-213 yard edge). I like the angry Huskers to win big. Rutgers average road game last year was a 44-12 loss.

Nebraska 34 Rutgers 13

Phil's Forecast:

Last met in 1987. Hurricanes have won 14 straight non-conf home gms by 33 ppg (L/loss in '11 vs Kansas St). The last time Toledo ply'd at a P5 conf school was in '15, beat #18 Arkansas 16-12 then Iowa 30-23 (2OT) B2B wks. Miami does have Duke on a Friday on deck while Toledo has a bye. Toledo has also got 3 games under their belt while Miami has had a couple of postponed games and have not played in 21 days. Toledo was fortunate to get past Tulsa at home last week.

Miami FL 39 Toledo 25

Phil's Forecast:

LY these schools met in the PAC-12 Title gm and Wash rolled to a 41-10 win. UW has 13 ret starters and is #13 on my Exp Chart and Colo is #88 on that chart, but does have the altitude edge not leaving Colorado the last 2 months. Washington won their Pac 12 road games by 26 ppg last year and look even stronger with Jake Browning back. Colorado allowed Colorado St 309 yards passing and it would have been closer to 450 had 3 offensive pass interference calls (all very questionable) wipe out big pass plays and a hold wiped out another. This is the Huskies most important game over the first two months of the season and they play like it.

Washington 37 Colorado 20

Phil's Forecast:

UTEP is going for 9th straight I-10 rivalry win. LTH UTEP trailed 44-30 w/4:07 left, but went 75/3pl for a TD, forced a punt & tied the gm w/:42 (8 yd TD run). HT is 14-6. LY NMSt dug themselves a 24-3 HT deficit & in the 2H never got closer than 14 pts (NMSt's L/TD came after a 50 yd FR). While NMSt is 1-2 they led New Mexico 30-5 and took both Arizona St and Troy to the wire and are +44 ypg. UTEP has just not been competitive and are last in the NCAA in total offense at just 205 ypg. They are -333 ypg and playing at an average game grade of 56.4. NMSt is playing at an 83.8 level and is at home so NMSt should win by 30.4. UTEP may be without QB Metz again this week and struggle without him.

New Mexico St 41 UTEP 17

Phil Steele	Navy by 10

Phil's Forecast:

Last met in 1956, but UC is on their 3rd straight road game and Navy is fresh off a bye. Navy had 5 FBS home games last year and only once won by more than a TD and that continued this year, beating Tulane by 2. Cincy is averaging just 270 ypg on offense with Hayden Moore hitting 50% with a 5-4 ratio. Navy is playing to an average game grade of 93.7 in two games while Cincy is at just 75.8. I like the Bearcats chances of keeping this closer than expected, but the numbers and my computer lean with Navy.

Navy 30 Cincinnati 20

Phil's Forecast:

1st meeting. UNLV has dropped 7 str AG's vs non-conf P5 tms by 35 ppg.The Buckeyes only had Army last week and Rutgers next week. UNLV is off a bye, but only has 2 returning starters and after playing in the smallish Kibbie Dome goes in front of 100,000 plus and a huge step of talent wise from their first two opponents. Last year Ohio St had home wins by 67, 45, 58, 59 and 59 among their 7 wins. UNLV may get a few scores as head coach Sanchez is very confident in his offense. Ohio St will get a lot more scores and UNLV has my #128 rated defense while Army was #93 last week. UNLV is averaging 351 ypg rush and 7.1 ypc, but Ohio St is allowing just 3.1.

High Scoring POW: (Over 64.5) Ohio St 59 UNLV 17

Phil's Forecast:

Both schools LY came in ranked in the Top 12, but finished a comb 7-17. Last year Mich St went into South Bend as a dog and led 36-7 in the 3Q. ND is my #1 Most Improved team in the country this year while Mich St is just #129 on my Exp Chart. The situation sets up nice for Mich St as they are off a bye while Notre Dame is playing their 4th straight week and 2nd in a row on the road. While Mich St is +258 ypg it is interesting to note that their offense is averaging 69 ypg less than their opponents normally allow. ND just rushed for 515 yards and 10.1 ypc vs a solid Boston College defense. My computer calls for the Irish to win by 7, but the yards are even so I will call it right around where Las Vegas has this.

Phil Steele	Wyoming by 3

Phil's Forecast:

Last met in 2014 with Hawaii winning that 38-28. Wyoming's first loss to Hawaii since 1992. Wyoming is in their 3rd straight home game magnifying their altitude edge and they only have Texas St and a bye on deck. Hawaii is fresh off a bye and last year did win at Air Force (also altitude). Both benefited from bowl practices last year and are equal experience wise. UH RB Diocemy St Juste has 434 yards rush (5.8) and Dru Brown is hitting 61% with a 7-4 ratio. WR John Ursua had 351 (16.0). NFL prospect Josh Allen is hitting just 56% with a 2-3 ratio and their top RB has 86 yards in 3 games. Wyoming does have an edge on defense allowing just 339 ypg and UH is giving up 467. Hawaii has a large edge on offense at 490 ypg vs 269. I was originally thinking Wyoming by a TD, but with my computer calling for Hawaii to have a 100 yard edge and win by 4, I will side with the underdog here.

Wyoming 30 Hawaii 27

Phil Steele	Tulsa by 14

Phil's Forecast:

Tulsa has won 3 straight over New Mexico by 32 ppg incl a 40-21 win in the L/mtg (`15). Tulsa gets to face the option two straight weeks with Navy on deck, so they definitely snuck in some work on it in August. New Mexico is in a Boise/Air Force MW sandwich. Tulsa games are pure offense as they average 196 ypg more than their opponents allow, but yield 166 ypg more than their opponents normally average. They have taken on 3 potent offenses in Okla St, Toledo and Louisiana and this New Mexico offense is possibly down to its backup QB's. Tulsa has taken on my #21 schedule and New Mexico #103.

Tulsa 48 New Mexico 34

Phil Steele	LSU by 20

Phil's Forecast:

LSU is 2-1 winning the L/mtg (`15) 34-24. LSU only led 24-17 w/12:06 left, but went 73/6pl for a TD, int'd SU at the SU26 & tacked on FG 6pl later w/5:11. The Orange are 1-14 vs ranked foes, avg loss by 24 ppg (beat #17 VT LY). LSU is off an embarrassing loss to Miss St and only has Troy on deck and has a solid secondary vs the Syracuse pass offense. Syracuse has a solid rush D this year allowing just 84 ypg (2.6), but have not taken on a RB like Darius Guice. LSU has taken on my #37 schedule and Syracuse #128.

LSU 33 Syracuse 13

Phil's Forecast:

First mtg. Two years ago in their bowl season Akron went into SBC country and beat Louisiana 35-14. Troy's offense has not been as explosive as expected as they are avg 49 ypg less than their opp's usually allow and QB Brandon Silvers is hitting 65%, but with just a 1-2 ratio. Akron got blown out by a pair of Power 5 teams and blew out an FCS team so what do we really know about them. RB Warren Ball the Ohio St transfer might find the sledding tough vs a Troy rush defense allowing just 94 ypg (3.0).

Troy 30 Akron 20

Phil's Forecast:

LY was the inaugural mtg. MT scored 3 TD's in a 1:56 span from the end of the 1H to the start of the 2H to erase a 21-14 deficit. MT shutout BG in the 2H, but they never punted (3 SOD & 2 ints on 5 poss) in a 41-21 win. BG is on their 3rd road game in 4 weeks with their MAC opener on deck. MT just faced 3 Power 5 teams and is in need of a win. MT has the more proven QB/WR combo with Stockstill and James, but both got injured last week and are questionable. The MT offense is much less potent if they cannot play. BG's Babers got a win streak at the end of last year running the ball and decided to try and run more. While they did face the tough defenses of Mich St and NW they have just 108 ypg rush (3.6) and QB Morgan is hitting just 43% and true frosh Jarret Doege took over LW and hit 12-18 for 90 yards. MT has a huge edge on defense holding foes to 103 ypg below their season avg and BG is allowing 168 ypg above. If Stockstill & James were both 100% I would like MT by close to 3 TD's, but I cant bank on that.

Phil's Forecast:

This is the Tigers first trip to Columbia & just the 2nd overall SEC matchup. AU won the '13 SEC Title gm 59-42, 1211 comb ttl yds & 52 FD's (both ranked in Top 5). AU is 9-15 L6Y in SEC road gms. The Tigers are 10-8 hosting SEC foes (avg win by 13 ppg & avg loss by 14 ppg). Auburn is off an FCS foe and has large edges on defense and special teams. Last week I chronicled how Missouri avg's 60 points per game vs non Power 5 teams the last 2 years and just 20.5 vs Power 5 teams. That margin got a little larger as Missouri had just 3 points and 203 yards vs Purdue. Despite playing Clemson on the road, Auburn leads the nation allowing just 3.2 yards per play. They had a hangover from Clmeson last week and only had 24 points vs Mercer, but did have 510 yards. They need to get their offense going and Missouri's D is allowing 443 ypg and 70% completions so Jarrrett Stidham can gain some confidence. Purdue led LW 35-3 in the 3Q. Drew Lock has a 19-1 ratio vs non Power 5 teams and 51% with a 12-14 ratio vs Power 5.

Phil Steele	Houston by 3

Phil's Forecast:

Last met in 2010. While they are both in the State of Texas the schools are 520 miles apart. Houston has to get fired up for any Power 5 team they play and are a perfect 6-0 in such games the last 3 years upsetting Florida St, Louisville and Oklahoma. TT DC David Gibbs was the UH DC `14-15, but very few players remain from his squads. Nick Shimonek is hitting 79% with a 9-0 ratio and Kyle Allen is hitting 86% with a 3-2 ratio. UH does great as a dog, but is just 3-10-1 as a HF and TT is 7-2 as an AD. UH is holding foes to 137 ypg below their season average, but I like the dog here.

Phil's Forecast:

Last met in 2007. Last year Ark St went 0-4 in non conf play and still made a bowl, but with a bye on deck should be focused for this one. SMU just played in the Iron Skillet game and has 2 conference games on deck. SMU was just 5-7 last year, but is #9 on my Exp Chart and Ark St is only #97. SMU is at home with the edge on offense and Ark St had the edge on defense and special teams. SMU QB Ben Hicks has piloted an offense that averages 474 ypg, but is hitting just 48% with an 8-3 ratio. Ark St did only lose at Nebraska by 7, but got a late TD for that. They save their best for Sun Belt play and are 1-6 in non conf games. SMU just put up 36 points on a solid TCU defense and is averaging 220 ypg more than their opponents normally allow.

Phil's Forecast:

This is the SEC opener for the Tide and they have won 7 of the last 8 on the SEC road by more than they were favored. They are actually on a 11-1 ATS run in the regular season when not at home. The fact that Vandy upset Kansas St last week will have them very focused and they are off a couple of less than steallar efforts. Vandy is on a 9-1 run as a home dog with 4 straight outright upsets. Vandy is averaging just 103 ypg rush (3.0) and allowed Kansas St to rush for 201 (5.7). Alabama is avg 239 ypg rush (6.0) and allowing just 81 (2.7). Alabama brings their A game.

Alabama 27 Vanderbilt 3

Phil's Forecast:

Tulane is off Oklahoma and Army just faced Ohio St and now play a team more on thier own level and both run the triple option. Tulane did just face Navy two weeks ago and held them to 194 rush (3.7) and has a bye on deck. Tulane QB Banks missed last week, but should return here. As always when two option teams get together, I like the under. Both teams practice vs the option daily and with the ball constantly on the ground the clock keeps moving.

Tulane 17 Army 16

Phil Steele	Oklahoma St by 3

Phil's Forecast:

Oklahoma St has beaten the Frogs by 20 & 24 the last 2 years and both teams are among the top 25 most experienced. OSU is 50-12 at home the last 10 years, but TCU is 34-10 on the road the last 9 years. Oklahoma St has been one of the most impressive teams in the country led by QB Mason Rudolph and WR James Washington. They are averaging 607 yards per game and 54 points per game and have beaten their 3 foes by an average of 54-17. TCU has beaten their foes by a 49-14 margin this year including a big win at Arkansas. I had these teams very close at the start of the year and think this could be decided on the last possession so I am taking the double digits with the Frogs.

Best Bet: *TCU 35 (+) Oklahoma St 38

Phil Steele	WKU by 3

Phil's Forecast:

These two have not met since 2008. Ball was just 4-8 last year and this is the first of 3 straight road games. Last year then new HC Mike Niu was 3-4 on the road with an avg score of 25-26. This year they went on the road and had a 375-216 yard edge at Illinois, but just came up short 24-21. WKU is off their big home game vs Louisiana Tech but have a bye on deck. WKU also played Illinois on the road this year and as a favorite lost 20-7 being outgained 300-244. WKU won their home games by 27 ppg last year, but also averaged 46 ppg last year and 108 ypg above their opp's avg and this year it is just 20 ppg and 165 ypg below their opp's season average allowed.

Phil Steele	N Texas by 9

Phil's Forecast:

Overall UAB is 2-0, L/mtg won 56-21 in `14. NT was just 5-8 LY, but had the benefit of bowl practices while UAB is playing just their 4th game since 2014. UAB has opened 2-1 and performed above expecations. North Texas comes in off losses to SMU and Iowa, but did lead Iowa in the 3Q. North Texas is the stronger team and should grab the home win, but Bill Clarks squad will keep it interesting.

North Texas 36 UAB 27

Phil's Forecast:

First visit to San Marcos (49 mile trip). The only prior mtg was in '12, UTSA won 38-31. UTSA was in a bowl last year and has 14 ret starters while Texas St was -169 ypg and -22 ppg last year and has just 13 ret staters Texas St was 1-5 at home last year and -24 ppg. UTSA beat Baylor with a 375-274 yard edge and last week blasted Southern with a 502-149 yard edge. Texas St did finish last weeks game vs App St at the one yard line and had a 100 yard edge, but that was as a huge dog and App St had an ACC foe on deck. With the schools, so close I expect a good amount of UTSA fans here and UTSA is a CUSA contender and bowl team. UTSA QB Dalton Sturm has hit 81% with a 6-0 ratio. Miss St transfer Damian Williams has a 1-3 ratio for Texas St.

Best Bet: *UTSA 28 Texas St 7

Phil Steele	San Diego St by 11

Phil's Forecast:

Rocky Long knows how to defense the option going back to his days as New Mexico head coach and has won all five matchups here at San Diego St. Air Force is off a physical game with Michigan, but are at home. Last year SDSt had their division clinched and lost at Wyoming. When playing on the MW road without their division clinched they are 7-0 with an avg win by 24.2 ppg. San Diego did not need luck and beat and beat a couple of Pac 12 foes they outgained both Ariz St and Stanford with an impressive 21-9 FD edge vs the Cardinal. Rashad Penny has rushed for 588 yards and 8.3 ypc and QB Christian Chapman is hitting 68% with a 4-1 ratio. The Aztec defense is holding foes to 183 ypg below their season average.

Phil Steele	Texas A&M by 1

Phil's Forecast:

LY UA led 17-10, but A&M got a 48 yd td run :13 before. Tied at 17 Ark was SOD at the 1 and A&M got a 92 yd TD pass to turn it around. Teams comb for 1,000+ yds in 4 of 5 gms (1,041 avg). A&M's biggest edge is on ST's (#3 vs #122). The previous two A&M wins both came by 7 in OT. A&M lost starting QB Nick Starkel in week 1 and Kellen Mond is hitting just 50%. A&M trailed Louisiana 21-14 at the half before dominating the 2H last week. Arkansas has a pair of capable RB's in Chase Hayden (PS#34) and Devwah Whaley (PS#7) and the QB edge with Austin Allen. This is a coaches on the hotseat bowl.

Phil Steele	Rice by 7

Phil's Forecast:

These two have only met once and Rice won 31-17 in '14 on the road. Rice is ply'g their home opener. Rice got blown out by Stanford and Houston, but in a game vs a team in their class they went on the road to UTEP and had a 437-229 yard edge. Rice will be without QB Sam Glassman, their top RB Samuel Stewart is doubtful and they have 3 defensive starters doubtful. I still like Rice to get the win here as they are the stronger team at home and not going through the growing pains that a first year head coach does.

Rice 28 FIU 21

Phil Steele	S Alabama by 11

Phil's Forecast:

The home team and USA are both 2-1 in the series. LY SAla had a 483-407 yard edge, but lost on the road 38-31. They did hold Matt Linehan to 50% with 3 ints and that was in the Kibbie Dome. South Alabama has faced Ole Miss and Oklahoma St the #44 schedule while Idaho has only faced the #118 schedule. South Alabama has edges on defense (#97 vs #123) and special teams (#90 vs #117) and is at home.

South Alabama 31 Idaho 20

Phil's Forecast:

Warhawks are 1-8 including a 30-24 loss LTH (3 of 4 decided by a TD or less). ULM led 24-9 at HT, but had just 96 yds/0 pts in the 2H (5 punts, missed FG & fmbl on 7 poss). "Battle on the Bayou". 53rd mtg, played every ssn s/'97. LY LA never trailed, led 30-3 after 3Q's (no 4Q pts). Two of LA's TD's came on 73 & 29 yd FR's 5:18 apart in 2Q. Louisiana is 17-7 hosting Sun Belt foes. The visitor is an amazing 17-2-1 ATS in this series. Louisiana is the stronger team and at home.

Louisiana 37 ULM 31

Phil's Forecast:

Oklahoma just faced the Tulane option offense and now has to switch gears, but Baylor is running the ball and using a TE more this year. Baylor had been 3-1 in this series, but Oklahoma has won the last 2 by 10 and 21. Baylor has a first year HC and is just #101 on my Exp Chart and going through scheme changes on both sides. Oklahoma is #29 on the Exp Chart. Last year Oklahoma in Big 12 games away from home had wins of 6, 5, 7, 10 and one by 28. Oklahoma has been the most impressive team in the country this year playing at an average game grade of 112.1 (#1). Baylor which lost their last 6 regular season games last year is the most disappointing team so far, going 0-3 with losses as double digit favorites to Liberty and UTSA and is playing to an average game grade of 68.6.

Phil Steele	USC by 23

Phil's Forecast:

LY Cal trailed 21-0 w/12:07 2Q incl 88 & 95 yd TD drives. Cal never got closer than 11 pts the rest of the gm. Wilcox was the DC at USC from 2014-'15, USC has won 13 str by 18 ppg. This is USC's 1st road trip and they are off big games vs Stanford and Texas with a Friday night showdown with Wash St on deck. USC is just the much better team on offense, defense and special teams and have won their last 6 trips to Berkeley by more than Las Vegas expected. I will call for the USC team that destroyed Stanford to show up today in this battle of undefeated teams. Cal is -43 yards per game vs my #51 rated schedule and USC is +182 ypg vs my #7 rated schedule.

USC 41 California 18

Phil Steele	Wash St by 18

Phil's Forecast:

These two last met in 2014 and Nevada pulled a 24-13 upset at home. Wash St plays their 4th straight home game, but does have a Friday night game vs USC on deck. Last year Wash St's 5 home wins were by 34.2 ppg. Both teams are using the Air Raid offense but Wash St has been running it a lot longer. I love to play teams off a loss to an FCS foe as everyone over reacts. Nevada lost to Idaho St last week, but did play Toledo tougher than the final and led at Northwestern in the 4Q before giving up two late TD's. Even with last weeks results (Oregon St was down top 2 CB's last week) my computer says Nevada keeps it under 4 TD's and I think it will be closer than that.

Washington St 38 Nevada 20

Phil's Forecast:

Last year a banged up Arizona St missing about 8 starters played a pretty even game at Oregon. They were within 40-35 4Q, but OU went 75/3 and 30/3 (after int) and won 54-35 with QB Herbert throwing for 489 yards at home. Oregon has now won 10 straight in this series including a 3 OT comeback win the last time here 61-55. Oregon has lived up to being my #3 Most Improved team and I even had them on my Surprise Team list at #13 (darkhorse national title contender). Arizona St has just lost to San Diego St and Texas Tech, but are putting up a fight. Manny Wilkins is hitting 68% with a 7-0 ratio and they got back Demario Richard (was injured) to the team with Kalen Ballage at RB. I like the Ducks to win this, but the Sun Devils to keep it closer than expected especially with Arizona St being a desperate home dog.

Best Bet: Arizona St 34 (+) Oregon 44

Phil's Forecast:

Last years game was very misleading as UCLA led the entire game and were up 13-9 when Stanford got a TD with :24 left to take the lead. Stanford got a 42 yd FR Td with :00 left for a 22-13 win. Stanford has now beaten UCLA 9 straight times and this is very late for a home opener, but Stanford has won 9 of those in a row winning by 25 ppg. Stanford gave up a TD with :54 left in their loss to San Diego St. UCLA QB Rosen suffered a couple of poor interceptions one returned for a TD. UCLA has the edge on offense while Stanford has them on defense, special teams and are at home. Should be a tight game between two teams who are better than most think.

Stanford 37 UCLA 30

Phil's Forecast:

Aggies have won 6 straight in the series including each of its L/3. The LTH ('13) 40-12. USU took the opening drive 75/10pl for a TD & never looked back, led 30-6 late 3Q. USt is 7-10 on the MW road (6 losses by 7 pts or less). Utah St is looking for a bounce back year, but this is their 3rd road game in 4 weeks. San Jose has a veteran team with 15 ret starters, but a first year HC. Both teams are banged up at QB and both have lost their matchups vs Power 5 foes by 20 ppg. I still believe that Matt Wells will get Utah St turned around this year and now that they are back in their own class and grab the road win.

Utah St 33 San Jose St 27

Phil's Forecast:

This game was supposed to be played on November 4th, but got moved to accommodate some Hurricane scheduling changes. The home team is 3-0 in their AAC meetings winning by 22 ppg. East Carolina is known for throwing the football, but is hitting just 48% with a 4-6 ratio. They have faced WV and VT this year and QB Sirk missed last week with a concussion. The matchup I like best is a UConn rush attack that had 207 rush (5.0) vs a Bronco Mendenall defense last week vs an East Carolina rush defense that is allowing 308 ypg and 6.0 ypc.

Connecticut 38 East Carolina 29
