Phil Steele	Toledo by 34

Phil's Forecast:

Toledo is 10-2 on the MAC road and LTH Toledo led 24-0 in a 24-10 win. LY UT jumped out to a 17-0 lead :49 sec into the 2Q and led 37-13 4Q in the 37-19 win. Ball St has been a different team without QB Riley Neal. With him they were 2-1 with a 3 point loss to Big Ten member Illinois. Without him they have lost 4 in a row by 35 ppg and their offense has gone from 406 ypg to 299 ypg. Last week off a bye and at home they were hammered by Central Michigan 56-9. Toledo was not handling their role as MAC favorites well at the start of the year going 1-4 ATS, but beat that same Central Michigan team 30-20 two weeks ago on the road and crushed Akron by 27 last week. They do have a huge Thursday night showdown vs Northern Illinois on deck and while price inflated due to last week's results, I can only look the Rockets way with Ball St scoring just 15 points the last 3 games combined!

Toledo 47 Ball St 13

Phil Steele	S Alabama by 6

Phil's Forecast:

The home team is 5-1 in the series. LY the Panthers led or were tied for 59:58. GSU led 10-3 into the 4Q, but allowed a 92/14pl USA TD drive w/6:11. GSU shanked a punt (18 yds) that set USA up at the GSU31 w/:44, 6pl later USA nailed the GW 30 yd fg w/:02! They have two common opponents as they both beat ULM by 10 (GS +239 yds A , ULM +63 H), but USA beat Troy 19-8 and GSt lost by 24. SAla has faced the tougher schedule (#94 vs #108) and has the edge on defense and in the rush attack. Xaiver Johnson has 448 (6.0) and GSt's top RB Glenn Smith has 184 (2.8). My computer has South Alabama by 6 and I agree.

South Alabama 23 Georgia St 17

Phil's Forecast:

Northern Illinois has now won 9 in a row in the series and even last year in a non-bowl season with EMichigan in a rare bowl year and EM at home, NIII got the win 31-24 and the LTH they won 49-21. EM is on their 4th road game in 5 weeks and while they have lost 5 in a row the losses have been by 7, 3, 5, 1 & 3 and they have been to 3 of the MAC's top teams, Kentucky and Army. Northern Illinois made my Most Improved list and is 5-2 with their lone losses by BC and SDSt and they outgained those two by 97 ypg. Their defense is #12 in the FBS allowing just 4.12 yards per play. Marcus Childers has taken over at QB due to injuries, but had a shot at starting before the season and may be their most dynamic QB. They have put up 509 ypg the last two weeks. With this being N Illinois' only home game in a 4 week span, EM being road weary, NIII having the series domination and the stronger team, I will call for EM's first loss by more than 7 all year.

Northern Illinois 23 Eastern Michigan 13

Phil's Forecast:

Stanford has won 7 in a row in the series, but last year only won 26-15 at home. Both teams are off a bye. David Shaw is 27-11 on the road with 6 of those losses to ranked teams. Last year Stanford had a 20-8 FD edge and led 23-7 after 3Q, but were stopped at the inch line or would have won by more with OSU getting a 75 yd TD pass. OSU is 0-6 vs FBS teams this year losing by an average of 46-19. Darell Garrettson has taken over as the starting QB and they beat the Vegas number in the last two. HC Gary Andersen resigned prior to their 3 point loss at home vs Colorado in which they had a 569-385 yard edge. Stanford opened 1-2, but has won 4 straight and while they are +16 ppg they are only +37 ypg. Stanford does have a big game vs Wash St on deck. Bryce Love already has 1,387 yards and 10.3 ypc and takes on a OSU defense allowing 200 (4.8) ypg rush. Oregon St already has home losses by 34 and 35 and my computer is calling for 31.

Phil's Forecast:

Florida St has won 7 in a row in the series and BC has just 7 points the last 2 meetings. FSU is off their big revenge game vs Louisville where they came up short and have now dropped 4 games this year and making a bowl is a question. FSU has taken on the nations toughest schedule and BC is at #2. FSU is +6 ypg and BC at -46. FSU's defense is holding foes to 132 ypg below their season average while BC is just 20 below. The BC offense has actually been more potent with BC allowing just 6 sacks and FSU at 20. With AJ Dillon emerging as the feature back BC has rushed for 301 ypg and 5.6 ypc the last two weeks. Anthony Brown is back at QB for BC and they are off B2B upsets and were tied with Clemson 7-7 in the 4Q. This should be a tight game.

Phil's Forecast:

Memphis has won 10 in a row in the series and just faced the option two weeks ago vs Navy and had one extra day to prep for this. LY UM trailed 7-6, before a 46 yd TD pass 1:01 before HT put them up for good. UM led 24-7 before a TU gbg TD w/:47 left. Last week Memphis trailed Houston 17-0 at half and then 38-28 with 5:30 left, but got the win. Tulane has taken on a slightly tougher schedule and is holding foes to 16 yards below their season average and Mem is allowing 32 above. Tulane has taken on mostly run teams (3 option) so their 52% completions allowed is a little misleading. Vegas has put their number right where my computer has it so not a lot of value here.

Memphis 40 Tulane 30

Phil's Forecast:

Tulsa is travelling for the 3rd time in 4 wks on a short week. Tulsa has won all 3 AAC meetings, but it keeps getting closer with wins by 10, 9 and last year they needed OT to win by 3. Tulsa has gone to Luke Skipper at QB (better passer) and beat Houston two weeks ago 45-17, but last week lost to a poor Connecticut team on the road 20-14 ending the game at the 9 yard line throwing into EZ. They actually had 37 yards more vs UC than they did vs Houston. Their defense is allowing foes 108 ypg above their season average, but have actually been 18 ypg below the last two games now that they are done defending the option. Tulsa has played the tougher schedule (#61 vs #99). Tulsa is at its best when it can run the ball and they are averaging 262 (5.3) and SMU has allowed 257 ypg rush (6.3) the last two weeks. Tulsa is 10-4 as an away underdog and SMU is just 12-19 as a home favorite.

SMU 40 Tulsa 34

Phil Steele	Nebraska by 1

Phil's Forecast:

LTH an injury-riddled Nebraska tm turned the ball over 5x's. QB Ryker Fyfe made his 1st career start taking the loss despite 407 yds & 4 TD's, but he also had a fmbl & 4 int's that resulted in 28 PU pts. LY Purdue connected on a 88 yd TD pass & led 14-10 at HT. In the 2H the Boilermakers were shutout running just 31pl (87 ttl yds) punting twice, int'd & SOD 3x's on their six 2H poss in the Huskers 27-14 win as a 3+ TD favorite. Nebraska is fresh off a bye and their defense had been making major strides under Diaco until they ran into the percolating Ohio State offense and even allowing 633 yards that was only 65 above the Buckeyes average. Even with that over the last 5 games they have held foes to 81 ypg below their season average. They were tied with Wisconsin 17-17 late 3Q. Purdue is off 3 straight misleading finals as they got a 76 yd IR TD vs Minny with :10 left to win by 14, were dominated by Wisconsin (221-494 yds), but only lost by 8 they dominated Rutgers (474-217), but lost by 2. Their last 4 games their D was just 5 ypg below their season average. Versus similar Big Ten schedules Nebraska is 0 net yards per game, Purdue is -35. In their 4 recent meetings Nebraska has been favored by 17 ppg and is now almost a TD dog. Tanner Lee is hitting 60% with a 6-1 ratio the last 3 games despite facing Ohio St and Wisconsin's D's in that stretch. I like the Huskers to pull the upset here.

Nebraska 24 Purdue 23

Phil's Forecast:

LY UT led 49-22 with UK getting 2 late td's (3:14, 2:17) in the 13 point win. Tenn won their last trip here 52-21. Kentucky was just manhandled at the line of scrimmage against Miss St showing their rush defense ratings (#10 FBS) coming in were inflated by taking on weak foes. UT has faced the much tougher schedule (#16 vs #54) with their four losses coming to foes that are a combined 23-5 on the year. Tennessee is an amazing 31-1 straight up vs Kentucky and their one loss has been by 3 points. This week Kentucky is a 6 point home favorite. Kentucky has not beat Tennessee by more than 3 points since 1981, which is 36 years and they have played every year. Tennessee has won the last 5 meetings by 23 ppg! Kentucky has been outgained by every FBS foe they have faced this year (-86 ypg). Yes, Tennessee has not scored an offensive TD in the last 14 Q's but did just face Georgia (#2 D), Alabama (#1) and South Carolina (#19) and now take on my #47 defense. Butch Jones' job and a bowl season are on the line for Tennessee and they pull the upset here.

Best Bet: ★ Tennessee 24 (+) Kentucky 23

Phil Steele	S Carolina by 17

Phil's Forecast:

South Carolina has won 8 in a row in the series by 9 ppg. LY was the tale of two halves. VU led 10-0 at HT w/a 106-63 yard edge while SC pulled the 2H shutout 13-0 outgaining VU 215-123 (SC GW 55 yd fg w/:35 left). On the season, these two have played similar schedules (#26 vs #28). While Vandy has taken on the tougher SEC schedule they are -328 ypg. In SEC play South Carolina is just -37 ypg! Vandy is allowing 347 (6.6) on the ground in SEC play and 159 ypg above opponent averages while SC is holding SEC foes to 25 ypg below. SC is missing 3 OL, RB Rico Dowdle and WR Deebo Samuel, but the offenses are close and SC has a large edge on defense (#24 vs #55) and special teams (#65 vs #120) and are at home.

Best Bet: ★ South Carolina 29 Vanderbilt 12

Phil's Forecast:

The home team is 8-1 winning 6 straight in the series. LY UB RB Jordan Johnson ran for a school rec 282 yds and Buffalo won at home 41-20 despite being almost a 3 TD home dog. LTH Akron rolled 42-21. Akron has taken on a slightly tougher schedule. Buffalo was 6-0-1 vs the Vegas number this year, but last week was without their top 2 QB's and 3rd stringer Kyle Vantrease hit just 41% and they lost by 10 to a Miami team also without its top QB. Akron is -128 ypg in MAC play and Buffalo is -41 ypg. Akron has designs on winning the MAC East this year and I consider them the stronger team and they are at home. This forecast is figuring that one of the top two QB's for Buffalo (Tyree Jackson or Drew Anderson) returns to the lineup and you could take away a TD from Buffalo if Vantrease gets the start again.

Akron 27 Buffalo 20

Phil's Forecast:

The last time here L'ville trailed 19-10, but got a TD with :22 left in the half and pulled out a 20-19 win. Last year WF led 12-10 with 11:00 to play, but somehow lost 44-12 on the road. WF had a bye two weeks ago, but did just face the cut blocking of GT's offense with L'Ville playing a 9th straight week. In my average game grades, Wake is playing at a 91.9 level and L'ville at a 98.0 mark so the Cards should be a 3 point favorite and that is what they are. My computer is conflicted as it shows Louisville with a 521-435 yard edge, but Wake winning 35-33. I lean with the dog here.

Louisville 34 Wake Forest 33

Phil's Forecast:

The home team is 12-5 and NC has won the last two winning 59-21 the LTH (led 45-0) and upsetting Miami on the road LY 20-13 (led 20-3). North Carolina is a banged up team that is -177 ypg in ACC play. Their offense has gone downhill as in the first 3 games they averaged 39.3 ppg, but in the last 5 are at just 11 ppg! Miami had two unscheduled byes early in the season then had back to back big games with Florida St and Georgia Tech and they in a down week bat Syracuse by 8. Versus a similar ACC schedule they are +68 ypg and Travis Homer has filled in nicely for Mark Walton who is OFY. Homer has 265 yds in his two starts. Miami's defense has not been as dominant as I thought it would be, but they are #18 in the country holding foes to 69 yards below their season average. North Carolina is 0-6 as a home underdog and Miami does well on the ACC road (8-2 ATS). Miami already beat Duke on the road by 25 this year. Mark Richt is tired of the 3 straight close games and is looking for a complete performance and gets it here.

Miami, Fl 38 North Carolina 13

Phil's Forecast:

Believe it or not, Michigan actually lost to Rutgers in their first Big Ten meeting in 2014, 26-24 on the road. LY it was complete domination with Rutgers punting 16 times, Michigan having a 600-39 yard edge and 23-2 FD edge in their 76-0 win at Rutgers. Michigan won their home games by an avg of 43-10 in '16, but only 25-14 this year. Rutgers avg road loss was by 32 ppg in '16, but this year they have a 52-51 point edge in their two road games. Michigan's proud defense came into last week ranked #1, but allowed 506 yards. They are still holding foes to 148 ypg below their average (3rd best). Rutgers offense is #92 gaining 85 ypg less than their opp's normally allow. These two both come in 2-2 in Big Ten play, but Michigan is +24 ypg and Rutgers is -202 ypg. Last year Rutgers lost to the Big 3 of the Big Ten East by a combined score of 205-0 and this year lost to Ohio St at home 56-0 making it an average of 65-0. They are off a misleading win over Purdue where they were actually outgained 474-214, but somehow won.

Best Bet: ★ Michigan 35 Rutgers 0

Phil Steele	Marshall by 27

Phil's Forecast:

Marshall won all 4 in the series (all by more than Vegas expected), but last year were upset on the road 31-14. In '15 Marshall won here 52-0. Marshall keeps delivering for me almost every week and whipped MT St on the road last week by 28. They will be out for revenge and in CUSA play are +153 ypg as their defense has allowed just 227 ypg. FIU has taken on a light CUSA schedule, but is still -42 ypg and they gained 67 ypg less than their opponents normally allow. In CUSA game Marshall holds foes to 119 ypg below their season average and FIU gives up 75 ypg more than teams average. While Marshall has taken on a light schedule it is actually #106 and FIU has faced the #123 schedule. Marshall's only loss is to powerful NCST and in that game, they were only outgained by 34 yards. Marshall has the edge on offense, defense, special teams and are home playing with legitimate revenge.

Phil's Forecast:

Last met in 2006 1-AA Championship game. UMass is just 1-7 in home finales (won LY). App St has the edge on defense (#60 vs #101). UMass is 1-6, but their biggest loss has been by 10 and they are amazingly +57 ypg vs my #114 rated schedule. App St is 5-2, but has only beaten one FBS foe by more than 8 points and are only +77 ypg vs my #121 schedule. Mass just had a school record 670 yards vs Georgia Southern last week and Andrew Ford is hitting 63% with a 12-2 ratio. The yards call for an upset with the computer calling for UMass to have a 447-415 yard edge, but the points side with App St. I will split the difference.

Appalachian St 28 UMass 27

Phil Steele	Pittsburgh by 6

Phil's Forecast:

The home team is 5-1, but last year Pitt got that one winning 45-31 on the road. LTH Pitt got a 26-19 win at home. Pitt has taken on the far tougher schedule this year (#9 vs #86) having faced Penn St, Oklahoma St, NCSt and Georgia Tech while Virginia's toughest foe may have been Boise St. Pitt RB Darrin Hall had a pair of long runs and had 254 (10.6) rush vs Duke. Pitt has a large edge on special teams (#44 vs #79). Despite the much tougher schedule Pitt is actually +24/+10 vs opp avgs and Virginia is just -11/+16.

Pittsburgh 27 Virginia 21

Phil's Forecast:

The home team is 8-1, but LY Clemson on the road led 23-0 with a 327-30 edge at half only winning 26-7. Clemson had a bye last week to prep for the option and has a great defensive front 7 that held GT to a season low in yards last year. Georgia Tech is 4-2 and they have a pair of 1 point road losses losing 1 in OT and the other on a FG with :04 left. Clemson has taken on the tougher schedule (#5 vs #29) and this is in Death Valley and they are off a loss. Clemson beat a stronger VTech team on the road by 14 and led by 21 allowing a TD with 1:32 left. While Miami needed a late FG to beat Tech, Miami had a 481-281 yard edge. QB Kelly Bryant is probable and my computer shows Clemson with a 463-269 yard edge and that is before factoring in how well Clemson does defensing the GT option holding them to just 230 and 124 yards the last 2 years.

Clemson 31 Georgia Tech 6

Phil's Forecast:

Their only prior meeting was in 2015. UC lost just 9-6 (led 6-2 at HT) at #22 Mizzou. THis is not an SEC sandwich for Mizzou as they are off Idaho, but it is their 3rd road game in 4 weeks and a rare trip East. Mizzou has a potent offense when facing non-Power 5 teams. They have taken on 5 non-Power 5 teams the last two years and have averaged 689 ypg and 65 ppg in those!!! Versus the Power 5 teams on the schedule they are averaging just 20.2 ppg which is .5 ppg less!!! Drew Lock vs non-Power 5 424 ypg, 63% 25-2 ratio. VS power five 228.7 ypg 51.2% with a 20 18 ratio!!!!! UConn allows opponents 148 ypg above their season average which is #128 in the FBS and is 1-6 both straight up and vs the Vegas number vs Power 5 teams. Even on the road, I will continue to take Missouri vs a non-Power 5 team.

Missouri 52 Connecticut 32

Phil Steele	Oklahoma St by 12

Phil's Forecast:

WV was 6-0 and #10 AP last year, but lost on the road 37-20 as a small favorite. OSU did win their last trip here in `15 in OT as a TD dog. Oklahoma St has played the much tougher schedule (#13 vs #76) and yet they are +225 ypg and WV is just +54 ypg vs FBS foes. Both teams are potent offensively, but OSU has the edge at +179 above what opp's avg and WV at +127. The huge edge is on defense where OSU is allowing foes 79 ypg below their season average which is #19 while WV yields 63 ypg above what opp's come in averaging which is #112. They have 34 common opponents in TCU, Baylor and Texas Tech and OSU is +202 ypg in those and WV is -3 ypg.

Phil's Forecast:

Indiana has won the last 2, winning 47-28 here in '15 and 42-36 at home last year. Indy is on their 2nd straight road game and this is MD's HC game. MD is 3-8 in Big Ten HG's. Indiana is 0-4 in Big Ten play, but has lost to all the big boys in Ohio State, Michigan, Penn St and Mich St, and were only outgained by 62 ypg. Maryland has taken on two top Big Ten teams and were -345 ypg. Indiana's defense allows 100 ypg less and just 3.8 ypc rush despite taking on two option teams. Their offense got better with the switch to Patrick Ramsey at QB and they average 34 ypg above what their opp's normally allow. Since Max Bortenschlager took over at QB (not good fit for offense), Maryland has gained 75 ypg below what opp's normally allow. Indy already won at Virginia 34-17 and get another solid road win here.

Indiana 31 Maryland 20

Phil Steele	Virginia Tech by 11

Phil's Forecast:

VT is 14-2, but has lost 2 of the last 4 by 2 & 3 pts. All of the last 4 games have been decided by a FG or less with VT winning 24-21 (-11') LY. The dog is 4-0 with 3 outright upsets. Duke is 18-10-1 as a dog. Duke has a bye on deck and VT has a huge game vs Miami Florida. VT has been struggling on the ground the last 3 games with just 3.1 ypc and Duke has a decent rush D. Duke has just one loss by more than 7 this year and that was vs Miami in a game they were only outgained by 60 yards. My computer has VT winning by 19, but I will go against them here with the series history, Duke defense (#31) and situation all say the Devils can make a game of this.

Virginia Tech 28 Duke 17

Phil's Forecast:

TXST is 3-16 in conference road games including 0-9 L3Y in the Sun Belt (avg loss by 23 ppg). Texas St is off a bye, but in the midst of a 1-6 season you wonder if the coaches kept the players focused over that stretch. This is just the 3rd time that Coastal is favored this year and they lost the first two outright including a 52-10 loss to an FCS school. They did just take on the top two teams in the SBC (Ark St, App St) and were only outgained by 81 ypg. Texas St went to Willie Jones last week vs Louisiana in the 2H and he looked good. Texas St has looked like last years' Bobcat squad at times, but were at the App St 1 at the end of a 7 point loss outgaining App by 100 yds, were only -71 yds at Wyoming and last week were only 42 yards vs Louisiana.

Coastal Carolina 27 Texas St 20

Phil Steele	Wisconsin by 35

Phil's Forecast:

Wisconsin has won 7 in a row in the series all by 10+ points and after LY's 48-3 win the 7 were by 18.3 ppg. Wisconsin is in the midst of playing 4 Big Ten foes that had losing records last year so they're not using up any "A" games. Wisconsin RB Jonathan Taylor became just the 5th frosh RB to hit 1,000 yards in his first 7 games and should top 200 again here vs a freshman laden Illinois defense that is yielding 231 (5.2) in Big Ten play. The Illinois top RB Mike Epstein was lost vs Iowa and their top RB is RaVon Bonner who is averaging just 3.0 ypc. Jeff George is hitting 56.3 with a 4-7 ratio. Wisconsin is playing to an average game grade of 103.8 while Illinois is at just 70.6 so Wisky should win by 30+ and is 6-0 vs the Vegas Line as an away favorite. Illinois has averaged just 16 ppg vs below average Big Ten 10 tms and now take on one of the best. Last week Minnesota had a 339-207 yard edge before Illinois drove 75/11 for a "meaningless" TD with :23 left.

Wisconsin 41 Illinois 6

Phil Steele	Kansas St by 39

Phil's Forecast:

Kansas St is 8-0 SU and 7 times have won by more than the Las Vegas spread although last year KSt led 34-9 before giving up two late TD's. Kansas St has been without Jesse Ertz the last two games, but Alex Delton (PS#48) is getting more comfortable in the offense and last week rushed for 142 yards and hit 86% almost leading an upset of powerful Oklahoma. Kansas St has a solid defense and is holding foes to 25 ypg below their season average and Kansas has been shutout the last two weeks and gained 127 total yards (63.5 ypg) in those! KSt limps in at 3-4 in need of a feel good win and Bill Snyder is 20-1 vs his rival winning 18 of the last 20 by more than the spread! Kansas St could have more fans here for this one.

Phil's Forecast:

They play for The Floyd of Rosedale and Iowa is 12-5 in the series with all 5 losses in Minnesota so Iowa has won 7 straight here with Minnesota's last win in 1999. Iowa has been doing it with smoke and mirrors all season long with just a 30 yard edge vs WY in a 21 pt win, trailing Iowa St the entire game but, escaping with an OT win, trailing NTexas 14-10 late 3Q in a 17 pt win, being outgained by Penn St by 306 yards in a 2 point loss, outgained by Illinois and only leading by 8 in the 4Q of a 29 point win. They only gain 3.5 ypc rush and allow 4.3 and are -102 ypg in Big Ten play. Minny was down 7 vs Purdue and driving for the tying score when they were int'd and ret'd 76 yds for a TD with :10 left in a 14 point loss and last week up 14 allowed Illinois to drive 75/11 (incl 3&22 conv) for a TD with :23 left. Minny did get some late scores, but stayed within 3 of Michigan St (which beat Iowa by 7) and are -59 ypg in Big Ten play. Gophers keep this closer than expected. Minny's D is allowing just 317 ypg.

Iowa 20 Minnesota 17

Phil Steele	Wyoming by 6

Phil's Forecast:

LY the Pokes all'd a school record 568 rush yards (most since all'g 548 in '73 vs Wisconsin in a 56-35 loss), but it was a meaningless game for Wyoming which had just beat SDSt to lock up the West and had the MW title game on deck. NMex has won the last 3 in the series. New Mexico is just 6-33 in MW road games and lost at Fresno 38-0 in their last one. NFL caliber QB Josh Allen is hitting just 55.7% with an 8-6 ratio and is just #92 in the FBS in pass efficiency. Top RB Trey Woods (325, 4.2) is a far cry from 2016's RB Brian Hill (1860, 5.3). Wyoming is 9-2 vs the Vegas number the last two years at home. Wyoming led Boise by 4 in the 4Q last week.

Wyoming 23 New Mexico 17

Phil's Forecast:

The Aggies are 3-10 in Sun Belt home games since their return in '14 (wins over UI, LA & TXST), but have beaten the Vegas number 4 of the last 5 including a 3 point home loss to Troy as a TD dog this year. Ark St has won 4 in a row in the series by margins of 19, 24 & 33 the last 3 years. NMSt star RB Larry Rose missed the Georgia Southern win, but should return here (knee) after a week off. Tyler Rogers has 6 int's vs App St, but is averaging 357 ypg passing and NMSt's defense is vastly improved. Last year they allowed 497 ypg and 107 yds above what opp's normally averaged and this year the numbers are 387 and 30 above.

Phil's Forecast:

The Cougars won the last meeting ('15) 17-16. With :45 sec left SJSt got a 6 yd TD run & elected to go for the win, the 2pt was ng (inc HB pass). The Spartans have dropped their last 5 trips to Provo (lost 19-16 LTH in '11). The last 4 years BYU is 8-0 in their final two home games and have won those by an avg of 39 ppg. This year they probably will be happy with any type of win as it has been an amazingly bad season. BYU's projected win total in Vegas prior to the year was either 9.5 or 10 wins. They struggled to get past Portland St in the opener and not only have lost their last 7, but they were favored in 2 of them and they have lost vs the Vegas number is all EIGHT games this year (0-8). BYU is gaining 124 yards below what their opp's normally allow with Tanner Mangum hitting 56% with a 3-7 ratio and their top rusher with 241 yards. Montel Aaron took the majority of the snaps the first 3 weeks (2-1 ATS) and returned from injury last week and they stayed within 11 of Hawaii as he hit 17-27-322 yards. BYU has taken on the tougher schedule and their D is allowing foes just 14 yds above their season average. San Joes is -95 on offense and -91 on defense vs opp avg's.

Phil's Forecast:

While these two are both in the same state, they are 550 miles apart so it is surprising that the visitor is a perfect 4-0. LY with UTEP in a losing season and UTSA getting to a bowl and at home, UTEP prevailed in 5 OT's. UTSA won their last trip here in '15 25-6. UTEP is fresh off a bye while UTSA is playing a 4th straight week. Ryan Metz returned to the lineup at QB last week and should be good to go off a bye. Since Mike Price took over they have given two solid efforts vs WKU and Southern Miss. Their offense is still dead last averaging 187 ypg below what their opponents usually allow. UTEP has taken on my #49 rated schedule and UTSA is #127 so it is not as bad as the numbers make it with UTEP -240 ypg and UTSA +155. UTSA QB Dalton Strum does have a 12-1 ratio.

UTSA 30 UTEP 14

Phil's Forecast:

LY Idaho led 16-0 into the 2Q & looked as if the rout was on, but ULM tied the gm 24-24 & 31-31 w/2:28 left after a 30 yd TD pass. UI answered w/a 67/6pl drive hitting a GW 27 yd FG as time exp'd wining 34-31 on the road. ULM made the long trip to Idaho to play in the Kibbie Dome and lost here in '15, 27-13 and this is ULM's 6th road game in 9 weeks. These teams have played similar schedules (#118 vs #119) and have similar stats (-31 ypg vs -34). Idaho has not had much of a home edge in the Kibbie Dome as they have lost to UNLV, Louisiana and App St and have played to an average game grade of 66.0 at home with ULM at a 77.2 level on the road. ULM has won at Louisiana and Texas St and my computer is calling for them to bag another road win.

ULM 35 Idaho 31

Phil's Forecast:

Air Force is 9-2 the last 11 meetings. LY both teams had a double-digit lead with AF pulling out a 49-46 home win (CSt 559-534 yds). Colo St just faced the option of New Mexico last week and won here at home 38-23 and AF is on their 4th road game in 5 weeks and have rival Army on deck. Colo St QB Nick Stevens opened the year with an 8-6 ratio, but it is 12-0 the last 5 games and they have talented RB's Dalyn Dawkins (755, 6.40 and Izzy Matthews (535, 5.0). The home team is 5-0 in the series. Air Force has allowed 243 ypg rush (6.9) on defense this year and are +1 ypg in MW play while Colo St is +100 ypg.

Phil's Forecast:

UAB has won their last 3 trips to Hattiesburg and had a 547-360 yard edge in 2014. Since SMiss got their program turned around in `15 they are 8-2 at home in CUSA games winning by 22 ppg (+178 in 8 wins). Keon Howard reclaimed his starting QB spot vs UTSA and is 3-0 since with road upsets of UTSA and LTech. The SMiss defense is holding foes to 54 ypg below what opp's normally gain. SMiss has faced the #116 schedule and UAB is #129. UAB blew a 17-0 lead last week which hurts their bowl chances. They are -29 and -16 vs opp averages. RB Spencer Brown has topped 150 rush 3 times and is at 697 (5.4) for the year with QB AJ Erdely hitting 58% with an 8-2 ratio. UAB already owns upset wins of Louis Tech and Middle Tenn, but both were at home. SMiss trailed LTech by 11 with 1:23 left, but rallied to win.

Phil's Forecast:

Last met in 2014. Colorado was in the Pac 12 Title game last year, but has its back to the wall as they opened 3-0, but are on a 1-4 run and probably won't make a bowl with a loss here as they still have road games to Arizona St and Utah and host USC. Cal has done the same thing opening 3-0 and stands 4-4, but they are exceeding expectations and a win here with Oregon St on deck and they could land a surprise bowl bid. Ross Bowers is hitting just 56% with a 12-10 ratio, but Patrick Laird had 530 (5.7) rush despite basically missing 2 games. Cal has faced my 12th toughest schedule and Colorado #67. Against similar Pac 12 foes Colorado is -114 ypg and Cal is -86. Cal is off a double OT loss, playing their 9th game in 9 weeks and playing in altitude. Cal has lost 9 straight Pac 12 road games vs the Vegas number.

Colorado 27 California 21

Phil Steele	Arizona St by 3

Phil's Forecast:

While USC is 14-3 in this series, it is 3-3 the last 6 meetings. USC has won the last 2 by 42-14 and 41-20. LY, the Sun Devils trailed 41-6 after 3Q's & gained almost 50% of its yds in the 4Q. Last year Arizona St was a banged-up team with 20+ players on the injury report weekly, missing 10 or 11 starters in some games. This year they have 2 players on the injury report. USC is the banged-up team with 20+ players on it. Last week Notre Dame ran the ball down their throat with 377 yards rush and 8.0 ypc. Arizona St has both star RB's Kalen Ballage and Demario Richard healthy and rushed for 205 yards (4.5) vs a stout Utah defensive front. Sam Darnold got banged-up last week, but will start here. While USC has taken on the 6th toughest schedule in the country, ASt is not far behind at #8. Arizona St has delivered for me 4 straight weeks as an Underdog and they find themselves the home dog here and are a much more confident team.

Best Bet: ★ Arizona St (+) 31 USC 28

Phil Steele	LA Tech by 15

Phil's Forecast:

LT is on a 5-1 run in the series and the winner of the last 7 meetings has scored 42+ each time. The home team is 7-3 and LY the HT (LT) led 41-0 at half (446-118). LT won here 42-17 in '15 and at home 76-31 in '14. Rice has averaged just 7.8 ppg vs LT the last 5 meetings and only once has topped 12 points all season. LT had an 11 point lead vs SMiss with 1:30 left, but lost in OT. Rice has played the much tougher schedule (#51 vs #102) and last week stayed within 13 of a strong UTSA squad on the road. LT did lose to UAB in its last road game, but are the stronger team and grab the road win.

Louisiana Tech 31 Rice 16

Phil's Forecast:

LY saw 6 lead changes incl 5 in the 4Q alone. UO all'd Utah to go 75/9pl getting a 30 yd TD pass w/2:18 left. Down 4, OU responded w/a 75/10pl drive getting a GW 17 yd TD pass w/:02 and Oregon is 7-2 in the series. LTH the Utes put up 62 points, their most ever in a Pac-12 gm. It was 6-6 into the 2Q, but Utah pulled the upset 62-20. Oregon has scored just 10.3 ppg in Braxton Burmeisters 3 starts as he is hitting 53% with a 1-5 ratio and Justin Herbert hit 68% with a 9-2 ratio. Utah was missing their top LB and S last week then had 2 more defensive players ejected for targeting in the 2H. Those two will miss the 1H here and the LB and S are questionable. Tyler Huntley did return at QB for the Utes last week and should be less rusty here.

Utah 30 Oregon 27

Phil's Forecast:

LY's gm was held in nearly unplayable conditions directly in the path of Hurricane Matthew (10 fmbl's & only 311 yds). Tied 3-3 NC State won it after a blk'd 16 yd PR w/12:43 left (no tm got inside 10 yd line). For some strange reason ND was focused on throwing the ball with 26 passes for 54 yards while NCSt ran a lot of Wildcat and had a 198-113 yard edge. ND is off a big game vs USC while Dave Doeren is 9-3 off a bye. NCSt QB Ryan Finley is hitting 69% with a 11-0 ratio. In the opener NCSt had a 29-12 FD edge vs South Carolina, but somehow lost or would be unbeaten right now. I won with NCSt over Louisville as one of my top plays back on Oct 5th and last week my marquee play was Notre Dame over USC. The Irish come in averaging 318 ypg rush (7.1), but have only played two top 25 rush defenses and were held to 55 (1.5) rush by Georgia and 182 (4.6) by Mich St. NCSt has my #3 Dline in the country and is allowing just 91 ypg rush and 3.0 ypc. ND has faced the tougher schedule (#17 vs #35), but NCSt already won on the road at Florida St.

Notre Dame 31 NC State 24

Phil's Forecast:

UCLA is 13-3 in the series and won the last time here in 2014, 44-30 in a game they led 31-10. UCLA has played the much tougher schedule (#23 vs #85) in fact their 4 wins have been over teams with 16 wins this year and Washington's 6 wins have been vs teams with just 17 wins (see my blog Strength of Wins and Pain of Losses). One of UCLA's strengths heading into the year was supposed to be the defensive line, but they are allowing 303 ypg rush and 6.1 ypc. UW is only averaging 403 ypg on offense which is 24 below (#89) what their opponents normally allow. The UW defense is allowing just 237 ypg, but has yet to face a passing QB like Josh Rosen.

Washington 40 UCLA 23

Phil's Forecast:

GSthrn is 6-1 in this series and LY trailing by 4, TU w/6:20 left took over at its 14. TU converted on two 3D's & a 4D, but its last play an EZ pass from the GS9 was inc. Troy lost their last home game to GSthrn 45-10 in `15. I thought Georgia Southern was in a rebuilding year this year and they have not beaten an opponent or the Vegas line in any game. GS has taken on my #68 schedule while Troy has faced the #113 slate. GS is -167 ypg on the season and Troy is +96. GS just lost to a previous winless UMass by 35. Troy just beat a much stronger Georgia St team on the road by 24, but QB Brandon Silvers only has a 4-4 ratio this year. Georgia Southern fired HC Tyson Summers and many times teams get a bounce up in the first game under an interim.

Troy 38 Georgia Southern 10

Phil's Forecast:

The visitor has gone 9-1 in this series with 5 straight wins and Mich St won the LTH ('13) 30-6. Mich St is 23-8 in Big Ten road games. LY's 54 pts by NU was the most in a gm s/'00 (61 vs Illinois). Each tm led by DD's, but after MSU cut it to 2 w/2:08 3Q NU ret'd the ensuing KO 95 yds for a TD, NU kept a 2 score lead the rest of the way. Mich St is on their 3rd road trip in 4 weeks. Northwestern gained a lot of confidence with their upset of Iowa last week. Mich St is off a misleading final as they took the lead late 10-9, then Indy let them score in the final minute when Mich St could have taken a knee and the Spartans won by 8. NW has a tough rush defense allowing just 95 (2.7) and they shut down Saquon Barkley and held a powerful Wisconsin run game to just 109 (2.9). Mich St was held to 210 total yards until their final drive vs Indy last week. I like the home team here.

Northwestern 17 Michigan St 14

Phil's Forecast:

First meeting. ODU has now lost 5 in a row, but did get RB Ray Lawry back last week and he rushed for 166 (6.1) which should boost the offense. ODU's 17 year old frosh QB Steven Williams is hitting just 47% with a 4-9 ratio. North Texas was ambushed by Florida Atlantic last week and gave up 804 yards. North Texas had upset SMiss and UTSA the previous two games. North Texas is the stronger team and should get the home win by a couple of TD's. ODU was off 4 blowouts prior to last week, but two were vs ACC teams, one to a powerful Marshall and the other to the same FAU team that annihilated NT last week.

Phil Steele	Texas by 3

Phil's Forecast:

LY featured 5 lead changes & 2 ties. BU led 34-26 w/8:54 left, but all'd a 79/6pl TD drive and after a punt all'd a 58/7pl drive (UT GW 39 yd fg w/:46). The Bears L/poss was SOD at the BU43 (L/pl of gm) and Texas got the home upset 35-34. LTH Texas jumped out to a 20-0 halftime lead and won 23-17 as a 3 TD dog. Tom Herman moved to 8-0 as an underdog but is just 2-7-1 as a conference favorite last 2 years. Texas has taken on my #4 schedule and Baylor #15. Texas is the stronger team with a huge edge on defense (#16 vs #93), but Baylor is the technical and situational play especially with Texas off Oklahoma and then an OT loss.

Texas 27 Baylor 24

Phil Steele	TCU by 11

Phil's Forecast:

LY TCU led 41-17 giving up a couple of late scores at home 41-20 and LTH TCU won 45-21. Iowa St is in the rankings for the first time since 2005. They have taken on the tougher schedule (#37 vs #72), TCU has beaten Arkansas by 21, Kansas St by 20 and Oklahoma St by 13 on the road this year. Iowa St is holding foes to 89 ypg below their season average (#16 FBS), but TCU almost doubles that holding foes to 142 ypg below their season average. Kenny Hill is hitting 70% with a 15-3 ratio and has been in more big games than Kyle Kempt who is hitting 70% with a 7-1 ratio. TCU rates the edge on offense, defense and special teams and I will give them the big game coaching nod as well with Gary Patterson.

TCU 27 Iowa St 16

Phil's Forecast:

Both teams are fresh off a bye and while it no longer goes by the name "World's Largest Outdoor Cocktail Party" it is a split crowd. LY saw 4 lead changes in the 1st 4 scores as UGA trailed 14-10 at HT. UGA in the 2H totaled just 49 yards (23pl), longest drive 19/4pl never crossing midfield. Florida has won the last 3 in the series by 18.6 ppg. Georgia has been playing at a much higher level this season. Florida has taken on the tougher schedule (#27 vs #50), but Florida is being outgained by 4 ypg and Georgia is plus 253 ypg. Georgia's D is holding foes to 169 ypg below their season average and while the Gators D is solid it is allowing foes 7 ypg above their season average. The Gators last two losses were to 2 of the top teams in the West in LSU and Texas A&M and they were by just 1 and 2 points. Georgia has crushed 4 SEC foes, but none are in my top 6 of the SEC. Florida has not recovered from the 10+ players suspended at the start of the year or the recent spate of injuries.

Georgia 27 Florida 13

Phil's Forecast:

In HC Kiffin's 1st gm as Tenn HC in '09, his Vols beat WKU 63-7. The Toppers are 3-5 SU in the series, but LY dismantled the Owls, leading 24-0 2Q and winning 52-3. FAU is 3-0 in CUSA play winning by an average of 55-26 and are +169 ypg. Jason Driskel took over the QB job week 4 and is coming off his best game hitting 24-35-357-2-0. RB Derek Singletary has 5 straight, 100 yard games. Their defense is allowing foes 65 ypg above what they normally allow. WKU has been a shadow of last years' team which was led by Jeff Brohm. They are 3-1 in CUSA, but are only +8 ppg and +58 ypg in league play. Their offense has gone from 523 ypg to 383. Mike White threw for 4,352 yards last year with a 37-7 ratio, but opened this year with a 2-3 ratio the first 5 games. The last two games he has thrown for 351 ypg with a 10-1 ratio. FAU had a CUSA record 804 yds last week vs North Texas, but now find themselves a TD road favorite over a WKU team that won the league title last year. It is circle the wagons time for the proud home dog and I go against my computer on this one.

WKU 31 FAU 30

Phil Steele	Wash St by 2

Phil's Forecast:

LY the Wildcats trailed 38-7 at HT as the Cougars scored on their 1st 6 poss. UA used 3 QB's and in the 2H punted 4x's & tossed an int on 5 poss (just 96/20pl). Wash St has a small speedy defense and that matches up well vs an Arizona offense that has relied on the running of QB Khalil Tate the last 3 weeks as he has rushed for 327, 230 and 137 with the Cats putting up 46 ppg. Tate is hitting 71% of his passes. The Arizona defense is allowing opp's 5 yds more than their season average and Wash St is holding foes to 116 ypg below their season average. I rate this game a tossup, but the above factors have me calling for Wash St to win a close one.

Washington St 31 Arizona 29

Phil's Forecast:

LY's gm featured 1,708 combined total yards, an NCAA record OU led by DD's 7 different times & TT's only lead of the gm came w/:37 sec before HT 24-23 and OU took the lead back before half. OU has won the last 5 by 17 ppg. Lincoln Riley and Ruffin McNeill were both at Texas Tech as assistants. OU is off Texas and Kansas St with Bedlam on deck. Texas Tech has played well every week until last weeks' 18 point home loss to Iowa St, but they were only -64 yards in that. Oklahoma gains 206 ypg above what their opponents usually allow which is best in the country and the defense which has slipped the last 3 weeks is still holding foes to 32 ypg below their averages. The Sooners have taken on the 14th toughest schedule in the country (TT #30). TT's numbers are +95 and +5 vs their opp's averages. I do not see this as an "A" game for Oklahoma so lean with Tech to keep it closer than expected.

Oklahoma 46 Texas Tech 30

Phil's Forecast:

UM has suffered B2B heart breaking defeats at the hands of the Razorbacks. LTH Ark pulled out a 53-52 (+10) win in OT thanks to the "Henry Heave." LY Ark got the gm deciding TD w/2:20 left and won 34-30 (+7'). Ark is playing their 3rd road game in 4 weeks while UM is playing their 3rd straight home gm. Both teams are down to backup QB's here with Jordan Ta'amu looking very capable, but starting his first game for Ole Miss. If Austin Allen cannot return for Arkansas than Cole Kelley would get his third start and they averaged 32.6 ppg in Allen's starts and just 14.5 ppg in Kelley's. Kelley did face Alabama and Auburn's defenses so could have his best game. Both teams have struggled vs the rush this year with Ole Miss allowing 318 (6.6) in SEC play and Arkansas yielding 274 (6.5). This is a must win team for both squads and they are very similar.

Mississippi 38 Arkansas 34

Phil's Forecast:

Last year OSU was in control of the game, but a blocked FG ret'd 60 yds for a TD was the deciding score in a game that cost OSU a shot at the Big Ten Title. OSU is 10-0 s/'10 seeking revenge from a previous loss, winning by 13 ppg. The higher ranked team is 23-3 in the series and LTH OSU won 38-10. Penn St just gashed what was the top defense in the country for 224 yards rushing and 6.4 ypc, but had just 39 & 95 yards rush the previous two weeks. Urban Meyer is 29-4 in his career off a bye. OSU was in the 2nd game of Kevin Wilson's offense when they lost to Oklahoma at home 31-16 and while they have played a soft schedule since, their offense is a much more confident group. Neb was tied with Wisconsin late 3Q at 17 and OSU scored TD's on their first eight poss vs that same Neb defense last week. Mich had only played one solid game and had to play in white out conditions at Penn St. OSU is averaging 204 ypg above their opponent averages which is #2 in the country and the defense is holding foes to 109 ypg below. They average 6.0 ypc and allow just 2.9 and QB JT Barrett is hitting 67% with a 21-1 ratio. These two have faced similar schedules and OSU is +272 ypg and Penn St is +180. Tough to lay this many points to a quality team like Penn St, but the Buckeyes have a great situational edge.

Best Bet: ★ Ohio St 34 Penn St 23

Phil's Forecast:

Texas A&M is playing with legitimate revenge as they were #4 in the 1st CFB Playoff ranking, but MSU got the home upset 35-28. Sumlin is just 8-8 in Octoberm, but is fresh off a bye. The home team has won 2 in a row with A&M knocking off #21 Miss St 30-17 in '15 here in College Station. Miss St dominated BYU and a less physical Kentucky at home the last two weeks. After that opening 75 yard TD by Bama, A&M held them to 157 yds rush (3.7) and they are allowing just 3.9 ypc rush on the year and with 28 sacks. When Miss St can control the line of scrimmage they are successful, but I think A&M with the 12th man crowd noise will contain the run like Georgia and Auburn did and force Nick Fitzgerald to throw to beat them. In those two games he threw for 130 ypg hitting 40% and they had just 6.5 ppg. Kellen Mond is improving weekly and since that 3-17 start vs UCLA he is hitting 57.4% and is a dangerous runner. A&M is holding foes to 320 ypg at home (461 road) while Miss St allows 410 ypg on the road (185 at home). A&M has the talent, situation and solid home edges here. The wrong teams is favored here.

Upset POW: ★ Texas A&M 30 (+) Mississippi St 23

Phil's Forecast:

LTH the Broncos had a series high 12 gm winning streak snapped. A big reason was that BSU had 8 TO's resulting in 35 Aggie pts (USU went just 93/10pl ttl). Boise trailed 45-10 at HT (-1 yd/+5 FD for gm). LY the Aggies only trailed 7-3 at HT and only lost 21-10 as a 3 TD road underdog. Jordan Love took over at QB last week and hit 19-27-316-2-0 vs UNLV. Utah St is still an underrated team and getting over a TD at home. Boise St's offense is only averaging 306 ypg in league play so it will be tough to get margin here and I like the home dog in a possible upset.

Boise St 27 Utah St 24

Phil's Forecast:

LY after a scoreless 1Q, UNLV took a 21-7 HT lead thanks to a 61 yd TD pass. FSU never got closer than 11 pts in the 2H. The prior 2 meetings had been decided by 3 or less. This is a much different Fresno St team this year under Jeff Tedford. Fresno stood toe to toe with Alabama and Washington playing each closer than expected. That toughened them up for league play where they have dominated holding foes to just 274 ypg and 117 ypg below what they normally average. They not only beat perhaps the best team in the league San Diego St on the road, they dominated 27-3. UNLV is -87 ypg in league play and allowing MW foes 127 yards above their season average with a very young defense. QB Armani Rogers was injured last week and is doubtful so Kurt Palandech who has completed under 50% of his career passes takes over. If you take away the Alabama game Fresno is allowing just 528 ypg rush and just 2.8 ypc. This is a mismatch and I will continue to back the red hot Bulldogs.

Fresno St 42 UNLV 13

Phil Steele	San Diego St by 17

Phil's Forecast:

SD St has won all 5 MW meetings by 25 ppg. LY SDSt won 55-0. The Aztecs were playing with unbeaten pressure and fell behind Boise 14-0 on FR and PR TD's and last week their bubble burst with any New Years' Bowl game thoughts crushed and lost to a red hot Fresno. Both teams have top notch defenses, but that is not the case for Hawaii. While San Diego St's Oline is banged-up they will have success vs a Hawaii defensive front that is allowing 5.9 ypc in MW play. The Aztecs will be angry off a pair of losses and in their last road game manhandled UNLV 41-10. In Hawaii's last home game versus one of the top MW teams they lost by 30 at home to Colorado St and the Aztecs are at least as good as the Rams and won at Arizona St by 10 earlier in the year.

Best Bet: ★ San Diego St 34 Hawaii 17

Houston Cougars

OVERALL: 4-3 vs. AAC 2-2

Phil's Forecast:

Houston has led at the half each of the last two weeks and blew a late double digit lead last week at home vs Memphis. USF led Tulane 34-7 late 3Q, but Tulane snuck in the backdoor with a TD with 2:45 left. USF is 11-1-1 versus the Vegas number as a home favorite. Houston has taken on the much tougher schedule (#66 vs #120). USF has scored 30 plus points in 17 straight games.

USF 31 Houston 19
