Phil Steele	Akron by 2

Phil's Forecast:

Akron is being outgained by 120 ypg in MAC play, but is 4-1 and at the top of the MAC East Standings. Miami is 2-3 in MAC play, but +49 ypg and normally that would make for an automatic call on the home team here. Miami is a different team with Gus Ragland at QB and he may return here, but after missing 3 games he figures to be rusty. Miami's only win the last 3 weeks was vs a Buffalo team that was down to their 3rd string QB and they even lost to BG and Kent who have a combined one win vs other MAC foes. Akron has 4 losses this year and they have all been to top notch teams in Penn St, Iowa St, Troy and Toledo. When Akron faced Buffalo they took on Buffalo's #1 QB and still won and I think the Zips are the stronger team and they have won the last 4 in the series by 12 ppg and are almost a TD underdog. They already won at Western Michigan and can pull the upset here.

Akron 23 Miami Oh 21

Phil's Forecast:

Bowling Green has won six in a row in this series and find themselves a double-digit dog. BG is 2-3 in MAC play, but -41 ypg and Buffalo is 1-4, but -16 ypg. Both like to run the football, but BG is allowing 247 (5.8) in MAC play on the ground and Buffalo is allowing 210 (4.5). Buffalo got Tyree Jackson back last week and he threw for 313 yards in the loss to Akron. When they lost to Miami they were down to their #3 QB. BG came into the year wanting to run the ball like they did last year in their 3 game win streak to end the year. This year in non-conference play they were 0-4 and were only rushing for 81 ypg and 2.8 ypc (did face Mich St and NWstern's tough D's). They are back to what they wanted to do as they are averaging 221 ypg rush and 5.0 ypc in MAC play with Buffalo at just 115 (3.5). Buffalo is allowing MAC foes 104 ypg more than their season average which is equal to BG's D. BG has the better run game and offense and a large special teams edge (#22 vs #104). My computer has Buffalo by 11 right around where Vegas has them, but I lean with the underdog Falcons here.

Buffalo 31 Bowling Green 28

Phil's Forecast:

Last year WM trailed 14-0 1Q (one KS td was 47 yd FR). Eight seconds into the 4Q it was tied 21-21. WM pinned KS at the 1 & got a SAF, 75 yd TD drive, stopped KS at KS36 & put gm away 5pl later w/a TD w/4:00 and WM won 37-21. Kent actually won their last trip here in 2013, 32-14 and +142 ypg. WM was without their starting QB Joe Wassink vs CMich, but led by 2 TD's a good portion of the game losing late. Reece Goddard in his first start hit 6-18-42, but was plagued by dropped passes in the rain. Jarvion Franklin has five 100 yard efforts the last 6 games and their top 3 RB's have combined for 1,853 rush (5.6). WM's D is allowing MAC foes 32 ypg above their season average and surprisingly Kent's D is holding foes to 34 below their season average. Kent's offense averages 159 ypg less than their opponents normally allow. In their MAC opener, they had 444 yards and 24 FD's vs Buffalo. Since then they avg'd just 227 ypg their last 4 with just 12 FD's per game. My computer calls for 38-9, but with Wassink out again I will call for a TD less by the WM offense.

Western Michigan 31 Kent St 9

Phil Steele	Toledo by 1

Phil's Forecast:

Toledo had won 12 in a row until their first loss since 1988 in the series last year. Ohio never trailed, but Toledo after a 10 yd TD pass cut it to 5 w/3:28 left, forced a punt & took over at their 25 w/:55, but only got to the OU 44. Toledo has not visited Athens since 2010. Toledo has done well as an away favorite beating the Vegas number 8 of the last 9. Toledo got off to a slow start in MAC play with just 409 ypg vs EM and CM, but in their last 3 have averaged 585 ypg and are gaining 144 ypg more than their MAC foes usually allow. Toledo QB Logan Woodside is having his usual great year with a 19-2 ratio and their top 3 RB's have combined for 1,777 yards rush (5.6). Ohio is known for their defense and is allowing just 340 ypg vs MAC foes and 298 ypg at home and held MAC foes to 22 ypg below their season average. While OU averages 100 ypg less in MAC play than Toledo they are actually scoring 38 ppg to UT's 37 ppg in MAC play. Nathan Rourke has a 13-3 ratio and OU rushing numbers are equal to the Rockets. This could be a preview of the MAC title game and should go down to the wire.

Toledo 38 Ohio 37

Phil's Forecast:

Last year CMich led 21-20 with 2:34 left, but EM got a GW 24 yard TD pass with :21 left. CMich was 6-1 in the series prior so is playing with revenge. EM has been like gold in Las Vegas as they are on a current 17-3-1 run versus the Vegas number. EM opened MAC play taking perhaps the MAC's toughest 4 teams and losing all 4, but by just 4.5 ppg. They buried Ball St last week. CMich appeared headed to a loss on the road trialing a WMich team down to its backup QB by 14, but rallied in the rain for the win. Central can be very good as they beat Big 12 member Kansas 45-27 and upset both Western Michigan and Ohio on the road. They also have 4 losses this year by 20.2 ppg. CM is +12 ypg in MAC play and WM is +20. The biggest edge for CM is their defense which is holding MAC foes to 84 ypg below their season average. These are two evenly matched teams so I will give the home dog the edge here.

Central Michigan 21 Easter Michigan 20

Phil's Forecast:

NIU has won 8 in a row in the series and by 15 ppg. LY saw 5 lead changes/4 ties. 24-24 NIU went 60/6pl getting the gm deciding 22 yd TD pass w/11:14 left. Northern has WMich on deck in 6 days. Ball St lost QB Riley Neal and RB James Gilbert both to injury week 3 and have been non-competitive since. Ball St has lost six in a row and their last five by an average score of 51-9! Frosh Drew Plitt took over as starter two weeks ago at QB and they did put up a respectable 15.5 ppg and 317 ypg vs Toledo and Emich, two bowl teams from last year. Their D does allow 5.8 ypc rush. Northern lost their top 2 QB's to injury, but Marcus Childers who was the star QB over the summer and early August has taken over and in his 4 starts they are averaging 460 ypg, over 100 ypg more than they were averaging. The Husky defense is allowing just 332 ypg on the year and 4.6 total yards per play.

Phil's Forecast:

Teams have played every season s/'93 (former FCS SoCon foes). LY ASU started slow trailing 10-0 after 1Q (GS td on 90 yd FR), but completely dominated the L3Q's w/34 unanswered (GS just 60 yds ttl until L/2 drives), 34-10 on the road. The home team is 3-1 in the series and App St is on a 9-3 run and won here 31-13 in '15. This is the third game for GS's interim head coach and after opening up the season winless vs the Vegas number in their first 6 they have beaten it the last 2. Last year they made the mistake of trying to pass the ball too much and this year were going to fully commit to the option. Well, they threw the ball 28 times last week with Shai Werts hitting 22 of those and they almost upset Georgia State. That will have them wanting to throw more this week and App St will eat that up. GS has taken on the tougher schedule (#77 vs #115). App St has not played up to their potential, but are off two losses and at home. QB Taylor Lamb has a 19-4 ratio. Georgia Southern is being outscored 47-15 on the road and their closest loss was by 22. I like the angry more talented home team here over the newly pass happy visitor.

Appalachian St 38 Georgia Southern 13

Phil's Forecast:

The last 6 meetings between these two have all been decided by a TD or less (4 ppg). LY Pitt led 36-23 w/11:03 left. NC went 45/8pl & 63/17pl for TD's (GW td w/:02) in L/7:34. NC has won 6 straight regular season meetings between the two, but could set a record this year for starts lost to injury and already have 18 players out for the season. They have used 4 different QB's the last 2 games alone! While both teams are fresh off a bye, NC already has 8 losses and may not have had the proper focus. Pitt is off two wins prior to the bye and still have bowl hopes and would have used it properly. Pitt is -78 ypg in ACC play, but +61 the last two games while NC is -145 ypg in ACC play. NC has been a road dog twice this year, but has lost by 26 and 52 pts in those. Pitt won both their games as an FBS home favorite this year beating the Vegas number by double-digits.

Pittsburgh 34 North Carolina 17

Phil Steele	Cincinnati by 3

Phil's Forecast:

Temple's win LTH was the 1st s'/'85 snapping a 5 game skid. Last year the Owls led 10-0 into the 2Q, but the Bearcats after a 76/10pl TD drive cut it to 17-13 w/8:21 2Q. UC was handcuffed offensively in the 2H gaining just 1 yard on 12 total plays (5 poss just 5:01 TOP) and Temple won 34-13. Temple started out the season slow but in their last 4 games have been +136 ypg and that would be even higher as Navy got a couple of late scores in the 4Q with Temple up 34-13. They did lose vs both Connecticut and Army despite being +229 and +117 yds in those. QB Frank Nutile is hitting 66% with a 5-2 ratio in his two starts. Cincy has played the tougher schedule (#58 vs #76) and have played to the about the same average game grade as Temple. They are also playing their best ball losing to SMU in OT and beating Tulane on the road. Gerrid Doaks has rushed for 240 yds the last 2 games and QB Hayden Moore has regained some confidence hitting 65% in those with Cincy avg 447 ypg. I will side with the home dog here.

Cincinnati 27 Temple 24

Phil's Forecast:

Stanford is 9-3 in the series, but last year Washington was in a great situation catching Stanford off a last second win at UCLA and traveling again without its top 2 CB's and then #10 Washington won 44-6 over #7 Stanford. Stanford has not been a home dog in 4 years. UW's offense is averaging 39 ypg below what their Pac 12 foes normally allow and in their last road trip had just 230 yards vs Ariz St. Stanford is holding foes to 15 ypg below their season average, but it is not your typical Stanford D as they are giving up 5.0 ypc rush and 430 ypg in Pac 12 play. They need this to be a slug fest as their offense has just 210 ypg the last two weeks with 10.5 FD's per game. UW's defense does not figure to give up much here as they are #1 in the country this year holding conference foes to 196 ypg less than their season average. Stanford's biggest edge is they have faced the much tougher schedule (#26 vs #78) and are the home dog. My computer has factored that in and only has UW winning this by 4.

Washington 20 Stanford 17

Phil's Forecast:

BYU is a perfect 8-0 vs UNLV in Vegas and their fans always travel well here. They last met in '14 and BYU has won 7 in a row with 6 of those by 19+ pts. BYU's offense and team performance were feeble the first 8 games as they lost to the Vegas number each time and their offense was 105 ypg below what their opp's normally allowed. The last two weeks they have beaten the Vegas number and their offense has been 62 yards above what their opp's normally allow with 598 vs San Jose and 336 vs a solid Fresno D (had 336-310 yd edge). UNLV had just 328 yards vs that same Fresno D. BYU has taken on the tougher schedule (#74 vs #108). BYU has the defensive edge (#71 vs #125). BYU did lose QB Tanner Mangum to injury last week, but he was benched a couple of games earlier in the year. I give BYU a shot at the upset here.

Phil's Forecast:

Maryland HC Durkin was the Michigan DC in '15 and Maryland has not scored a TD in the last 2 games between the two. Michigan led 45-0 into the 4Q last year, 59-3 and in '15 here, got revenge for a '14 upset by winning 28-0. Maryland 3rd string QB Max Bortenschlager got injured last week and 5'9" Air Force transfer Ryan Brand took over and could be the starter here. Even if Max is able to play MD is averaging just 303 ypg in conference play and that is 42 ypg below what their opp's normally allow. Michigan's D is allowing just 216 ypg in Big Ten play when not facing Penn St in white out conditions and that is 157 ypg below what they normally allow. In Brandon Peters first start Michigan put up 427 yards vs a Minny team that was allowing just 317 ypg and MD's defense is allowing 449 ypg in Big Ten play and 59 yds above what their opponents usually allow. Versus Ohio St and Wisconsin MD lost by an average of 50-13.5 being outgained by 345 ypg.

Michigan 38 Maryland 10

Phil's Forecast:

Will Muschamp gets a 2nd chance to beat his former school and last year on the road lost 20-7 with the Gamecocks trailing 20-0 4Q (just 120 yds). SC totaled 151 yards last 2 drives. This the 3rd straight week the Gators have to travel, but they only have UAB on deck. They are also a team with an interim head coach and the team failed to show up for their trip to Missouri losing 45-16. Shannon opted to start Malik Zaire last week, but I think that Feleipe Franks is the better option and he did lead a late scoring drive. Florida is just -4 ypg in SEC play despite being 3-4, but are 0-4 vs the Vegas number on the road. South Carolina has played as a dog most of the year, but as a favorite they lost outright to Kentucky and have 1 and 7 point wins vs WKU and Vandy a pair of weaker squads. Florida only lost by 1 to LSU and by 2 to A&M blowing leads and does own wins over Vandy, Kentucky and Tennessee. South Carolina is -43 ypg in SEC play and while they look like the stronger team right now I do not know if they can get much margin as my computer has them with just a 24 yard edge. Florida has taken on the #12 schedule and SC #32.

South Caolina 17 Florida 16

Phil's Forecast:

The home team has been favored in each of the last 4 years and the visitor has pulled off 4 straight outright upsets. Last year North Carolina lost on Thursday so VT had a 1.5 game cushion in the division and seemed to relax as GT led 30-7 in Blacksburg as a 2 TD dog. The visitor has done better than Vegas's expectations in 10 of the last 11 meetings with 7 outright upsets. GT had 309 (5.3) rush last year after Bud Fosters' defense had held them to 195 ypg rush the previous 5 years. VT is allowing just 124 ypg rush and 3.4 ypc and their defense is holding foes to 105 ypg below their season average which is 11th best in the FBS. GT has taken on the tougher schedule (#19 vs #61), but they have played 3 common opp's and VT is +30 ypg in those and GTech is -63 ypg. Bud Fosters' D will revert to their old form vs the option and Fuente is 5-0 off a loss at VT going 4-1 vs the Vegas line and their lone non-cover vs BC when they led 23-3 and allowed a backdoor TD. VT is the stronger team and matches up well here.

Best Bet: ★ Virginia Tech 24 Georgia Tech 17

Phil's Forecast:

Scottie Montgomery has faced the option once here at EC and they allowed Navy 66 points and 480 (7.1) rush. This should be a high scoring game with neither teams scout offense capable of operating near the efficiency of what they will face. A concern would be that Tulane's option is averaging 453 ypg at home in Yulman Stadium, but just 279 ypg on the road with Tulane overall +59 ypg at home and -209 ypg on the road. A positive for them is that ECarolina has one of the worst defenses in the FBS allowing foes 135 ypg above their season average and 240 ypg on the ground and 5.7 ypc. Tulane's road foes so far have been Navy, Oklahoma, FIU and Memphis who are a combined 27-7 and EC is just 2-7. EC is -208 ypg at home and -93 ypg on the road. Tulane has to win out to get to a bowl and are -49 ypg in AAC play and EC is -124. Tulane does have our #95 rated pass defense and EC QB Gardner Minshew threw for 468 yards against Houston with a AAC record 54 completions (74 att).

Phil's Forecast:

Boston College is 8-4 in the series and last year upset the Wolfpack on the road as a 2 TD underdog 21-14 and the visitor has now won 3 in a row. This is a great situation for BC as they are fresh off a bye while NCSt just had huge games vs Notre Dame and Clemson which were tough losses and now have to travel as they were thinking playoffs and ACC title prior to the two games. BC has a slight schedule edge (#3 vs #15). Both teams have dynamic pass rushers and the team's sacks are close. NCSt did have a 481-415 yard edge at home vs Clemson last week. Both team's own upsets of Louisville and Florida St and losses to ND and Clemson. BC had averaged just 322 ypg their first 6 games, but 465 ypg their last 3. BC actually has our #1 rated pass defense and held their last two foes to season lows in yards. BC has beaten the Vegas number by 19.8 ppg the last 5 games. I will call for the upset here.

Upset POW: ★ Boston College 28 NC State 23

Phil Steele	UCF by 36

Phil's Forecast:

While UCF is tough at Bright House in their winless year of 2015, Connecticut led here 40-3 in the 4Q (40-13). LY UCF trailed 16-7, but went on a 75/9pl TD drive (19 yd pass) w/:01 before HT. UCF got the 2H shutout & gm deciding TD on a 39 yd 3Q TD pass, 24-16 on the road. This UCF squad is steamrolling teams, but the Vegas linesmaker are catching up to them as they did not beat the spread the last two weeks. UCF QB McKenzie Milton threw for a career high 412 yards last week and takes on my #124 rated pass defense. UConn QB Bryant Shirreffs was injured last week. UConn did only lose to USF by 17, beat Temple and Tulsa, but is -142 ypg in AAC play and UCF is +155 ypg. UCF is playing with unbeaten pressure, but can name the score here.

UCF 49 Connecticut 13

Phil Steele	Syracuse by 7

Phil's Forecast:

Syracuse had won 4 in a row in the series, but the home team is 5-1 and last year WF in a steady downpour beat the pass happy Orangemen 28-9 at home. WF is off a misleading final, as last week I had a top play on Notre Dame had that game digested as a win. ND had leads of 34-10 and 48-23, but Wake got TWO late TD's on drives of 70 and 90 yards with the last TD with just :51 left to only lose by 11. WF is -9 ypc in ACC play and Syracuse is +57 ypg in ACC play despite facing 4 of the league's top teams in Miami, Clemson, Florida St and NCSt. Syracuse is +165 ypg at home in the Carrier Dome including their upset of Clemson and Wake is -104 ypg on the road (+190 home).

Best Bet: ★ Syracuse 37 Wake Forest 30

Phil's Forecast:

PSU is off a brutal 3 week stretch having played Michigan, OSU & MSU with NU on deck. RU is away from home for the 3rd straight week. Penn St is 25-2 vs Rutgers with their last series loss in '88. LY PSU just cracked the Top 10 & held RU to 87 yards in the shutout, fewest yards all'd in a B10 gm in program history, 39-0. Rutgers did stay within 16 of Washington, 14 of Nebraska and 21 of Michigan. They did lose by 56 to Ohio State. Penn St is off two straight losses Saquon Barkley has been held under 100 yards rush in 4 of the last 5 games, but takes on a Rutgers rush D allowing 225 (5.6) vs Big Ten foes. Rutgers may be 3-3 in Big Ten play, but is -187 ypg in those and Penn St is +71 ypg despite being just 4-2 in B10 play. Penn St has faced the much tougher schedule (#16 vs #47) and has a massive edge on offense (#18 vs #98) defense (#12 vs #76) and ST's (#10 vs #44). They beat Michigan at home by 29 and Michigan beat Rutgers by 21 in New Jersey.

Penn St 45 Rutgers 10

Phil's Forecast:

Cutcliffe does a great job vs option teams holding the last 7 to 41 ypg below their season average. Duke has the added edge of being off a bye and with Georgia Tech on deck will be fully focused. They won their last trip here 44-3 in 2015 holding Army to a season low 168 yards and last year just 214 yards once again a season low. Duke is allowing just 340 ypg which is 30 ypg below what their opponents usually average. Their QB Daniel Jones opened hitting 67% with a 5-2 ratio in their 4-0 start, but just 45.4% with a 3-5 ratio in their 5 game losing streak. That streak has been vs 5 ACC teams including Miami, Florida St and Virg Tech pass D's (avg pass D #9) and they now take on my #106 rated pass D. Army is just 1-9 vs the Vegas number vs FBS foes at home and are off a huge upset win over their rival while Duke is fresh off a bye. Duke has taken on my #45 toughest schedule and Army just #101.

Duke 20 Army 13

Phil's Forecast:

Amazingly the visitor has won 6 in a row in this series with 5 outright upsets in that span. Last year Ohio St was a 3 TD favorite, but down 7 MSU drove 56/8pl for a TD w/4:41 left. MSU went for 2pt (int). MSU's L/drive was int'd as well (MSU33), in a 21-20 home loss. There is a lot of vaule on Ohio St here. Last week when I looked at my computers forecast on this game it was Ohio St 39-11, but with OSU losing as a large favorite and Mich St winning a large dog, the computer dropped it to 35-17 which is still enough. Ohio St is beating foes by 20 ppg at home and is +244 ypg and that includes the misleading 1 point win over Penn St when OSU had a 246 yard edge. Despite being 5-1 in the Big Ten, Mich St is only +39 ypg and OSU is +244 ypg. Mich St lost to Notre Dame at home by 20 and OSU is just as good as the Irish and OSU is at home and off a loss. One negative is that there was nothing flukey abour last week results as OSU was -116 yds vs Iowa and Mich St +8 vs Penn St.

Ohio St 37 Michigan St 14

Phil's Forecast:

Last met in '13 and Indiana is traveling for a 3rd time in 4 weeks. Indiana is a hard luck team this year as despite taking on the 25th toughest schedule they are +21 ypg and gave Ohio St, Penn St, Michigan, Mich St and Wisconsin all much tougher games than the score would indicate. They also traveled to Maryland this year, but despite a 35-18 FD edge, they lost. Indy is holding foes to 31 ypg below their season average and gaining 22 ypg more than their opp's usually allow. Indy needs to win out to get to a bowl and has 3 winnable games left. Indy did beat a stronger Virginia team on the road by 17. Illinois is -97 ypg despite only facing the #53 schedule and their QB's have combined to hit 51% with a 6-15 ratio. Top RB Mike Epstein was OFY back in week 5 and is still the leading rusher with 346 yards. Indy also has the edge on defense (#45 vs #85). Illinois is leading the nation in freshmen starters and they have allowed 28 sacks this year.

Indiana 31 Illinois 16

Phil's Forecast:

1st meeting. Troy is 7-3 on the SBC road winning by 22.4 ppg with one loss in 3OT and another by 4 pts. What an amazing performance last week for Coastal as they had lost 7 in a row and just lost to lowly Texas St at home by 20 being outgained by 324 yards, but LED Arkansas on the road by two TD's in the 4Q. What? QB Tyler Keane was injured in the game. Both teams have taken on tough schedules and Troy is +85 ypg and CC is -82. I have to believe that CC is spent after that effort and Troy is still alive in the chase for the Sun Belt Title. I am still surprised that Troy QB Brandon Silvers has a 6-5 ratio this year.

Troy 34 Coastal Carolina 14

Phil's Forecast:

In `15 MT broke a then school rec with 659 yds & the 73 pts scored is #3 all-time, 73-14. Last year after 75 & 76 yard TD passes MT led 14-0 & 31-13 after a 78/7pl TD drive (14 yd pass) w/4:12 3Q. UC scored 17 straight & tied the game 31-31 with 4:53 left, but allowed a 61 yard TD run w/1:12 (L/drive SOD at UC49).QB Brent Stockstill finally returned to the lineup for Middle Tenn last week and was definitely rusty hitting 13-30-190 in their 30-3 win over UTEP. Charlotte had just 8 FD's and 231 yards in their shutout loss to ODU. Middle's D held UTEP to a season low in yards and Charlotte's offense is gaining 96 ypg below what their opponents normally allow. In Charlotte's last home game, they did beat a solid UAB team with a 376-344 yard edge.

Middle Tennessee 28 Charlotte 13

Phil's Forecast:

Last year AF trailed 28-6 w/3:33 3Q. After a 75 & 49 yd TD passes w/3:31 left AF cut it to 28-26. Electing to go for 2 their rush failed & Wyoming 5 plays later tacked on a TD, 35-26. Craig Bohl's defenses have held Air Force to 83 ypg below their season avg in their 3 meetings and they have 8 starters back on D and just faced New Mexico two weeks ago. Last week Air Force was held scoreless for the first time in 306 games. AF is +37 ypg this year facing my #82 rated schedule and Wyoming is -46 ypg vs the #104 schedule. Wyoming beat Colorado St in the snow last week, but were -51 ypg. AF beat that same CSt team on the road 45-28 two weeks ago. AF has a large offensive edge as the Josh Allen led Wyoming offense is averaging 132 ypg less than what their foes normally allow. The key here is Wyoming has a large defensive edge (#64 vs #128) and two weeks ago held the New Mexico option to 184 yards and 3 points.

Wyoming 27 Air Force 23

UN lost a heart-breaker last year. In an offensive struggle the Wolf Pack after a 46 yd TD pass w/6:52 left led 10-7. Next drive SJSt went 84/12pl for a gm deciding TD w/:50. UN's L/pl a Hail Mary from the UN47 fell inc. Both have 1st year HC's. While these two teams have each recorded just 1 win, Nevada has been the much more competitive team. San Jose is being outgained by 210 ypg in MW play with an average loss by 31. Nevada is -98 ypg and they are only being outscored by 7 ppg. Ty Gangi has 11 TD passes the last 4 games since retaking his job. Tough to back a three TD favorite that has just one win all year, but San Jose is the opponent here.

Phil's Forecast:

This is the 9th straight season this game is being played on a neutral field & 7th straight in Arlington at AT&T Stadium, home of the Dallas Cowboys. BU is in revenge mode after having their 5 game series win streak snapped last year. The last 7 seasons each has scored 34+ pts, avg a comb 95 ppg. Baylor turned to frosh Charlie Brewer at QB and in his first start they beat Kansas 38-9 with 455 yards offense. Nick Shimonek is hitting 70% with a 22-6 ratio and takes on my #111 pass defense with Baylor allowing a 18-2 ratio. TT is +62 ypg and Baylor is -78 ypg and TT has 4 wins so it still harbors bowl hopes. Baylor does have the ST edge (#52 vs #112), but TT has a large offensive edge.

Texas Tech 42 Baylor 29

Phil Steele	Kansas St by 6

Phil's Forecast:

Kansas St is 4-1 in the series and playing with revenge as last year K-St led 16-3 into 4Q, but allowed the game deciding TD with 6:11 left. K-St (down 1) missed a 43 yd FG w/2:03 (last drive). Bill Snyder has held the WV offense to just 17 ppg in those 5 matchups. Skyler Thompson came in for an injured Alex Delton late and threw the game winning TD pass in OT. QB Jesse Ertz is still doubtful and Delton is questionable. Kansas St is -138 ypg in B12 play and WV is +19. That has been the case most years and still Bill Snyder's team ends up with the win. Here they are at home and in need of a 6th win for bowl eligibility. WV has struggled on the Big 12 road this year losing at TCU, only leading Kansas by 7 in the 4Q and escaping Baylor with a 2 point win.

Kansas St 33 West Virginia 27

Phil's Forecast:

The last 2 years Oklahoma has led big and held on. In '15 here, OU led 30-13, but TCU down 1 went for 2 and was stopped with :51 left in a 30-29 loss. Last year Oklahoma led 49-24 in the 4Q and escaped 52-46 on the road. The Sooners have played the tougher schedule (#11 vs #56) and are playing to an average game grade of 108.8 while TCU is at 102.2. Factor in a 5 point home edge and that power rating has Oklahoma by 11.4. A surprising stat is that the Oklahoma defense is holding foes to 10 ypg below their season average. TCU has the best defense in the B12 and holds foes to 161 ypg below their season average. TCU also holds the edge on special teams (#28 vs #93) and Gary Patterson rates the big game coaching edge and being a dog. Lincoln Riley is 2-0 in the biggest games this year, but both were as a dog. Oklahoma is 104-10 the last 19 years at home and +273 ypg in home games while TCU is +213 at home, but just +73 on the road. Oklahoma also has the best offense in the country and avg's 223 ypg more than what their opponents normally allow in Big 12 play while TCU's offense gains 15 ypg less than what their Big 12 foes normally allow.

Oklahoma 37 TCU 27

Phil's Forecast:

Oklahoma St is off of Bedlam with a big home game vs Kansas St on deck and Iowa St is playing their final home game. OSU is 7-1 (avg win by 21 ppg, lost by 6). LTH after the win OSU was 10-0 (#4). OSU trailed 24-7 2Q & 31-21 into the 4Q, but went 84/11pl for the gm deciding TD w/3:06 left (ISU SOD & int'd L/2 poss) and the home team is 8-3. LY the Cyclones led #12 OSU 31-14 w/5:55 3Q. OSU scored the L/24 pts incl the gm deciding td w/3:40. ISU's L/2 drives ended at ISU 20 & 21 and this year's Iowa St team is much stronger than those two editions. Iowa St has the edge on defense as they allow 138 ypg less than their B12 foes normally gain even after allowing 785 yards last week Oklahoma St holds their foes to 43 ypg less. OSU has a massive edge on offense. They gain 179 ypg more than their Big 12 foes normally allow and Iowa St is 79 ypg below what their opp's usually allow. Overall OSU is +124 ypg in Big 12 play and Iowa St is -12 and OSU rolled over that same WV team on the road that Iowa St trailed 20-0 last week.

Phil's Forecast:

All 3 meetings between these two have been decided by a TD or less. Last year Virginia led 25-24 when L'ville got a game winning TD pass with just :13 left to win 32-25. Louisville is fresh off a late season bye while Virginia is playing a 6th straight week and just faced the cut blocking of the Georgia Tech option and now must switch gears. This one is offense versus defense. Virginia is holding ACC foes to 30 yards below their season average and Louisville is allowing 137 ypg above. On the flip side Lamar Jackson and company average 167 ypg above what their ACC foes normally allow and Virginia is gaining 69 yards BELOW what their ACC foes normally allow. I have had a real good pulse on the Cavs the last 3 weeks and I had BC over them and BC rolled 41-10, then at Pitt I had Pitt and they won 31-14. Last week VA was my upset play because of the way Mendenhall stops the option. That gave them 6 wins and now they head to the road vs a Card team off a bye and off a loss and in need of that sixth win.

Louisville 43 Virginia 27

Phil's Forecast:

This is the most hyped game between the two since the 1988 "Catholics vs Convicts" series resumed last year and Notre Dame won the 4th straight in the series 30-27 at home. UM trailed 20-0, but led 27-20 after a FR TD (off ND punt) w/6:49 left. ND tied it 4pl later, forced a punt & got the GW 23 yd FG w/:30 (34/10pl). ND has dropped 5 straight trips to Miami, but the last trip was 1989. Last week Notre Dame led 48-23, but gave up two garbage TD's including one with :51 left. ND is averaging 325 ypg rush and 7.0 ypc, but RB Josh Adams and QB Brandon Wimbush were each injured last week. They were slowed down by both Georgia and Mich St's defenses. I have said all year that Miami has a potentially great defensive front 7, but I had expected them to be allowing about 2.5 ypc and they came into last week giving up 4.1. I called for that D to play up to expectations and they held VT to 2.4 ypc.

Notre Dame 30 Miami, FL 27

Phil's Forecast:

Last year SMU was playing for a chance to become bowl eligible and Navy had clinched the AAC Title game which they had on deck, but SMU allowed season highs in pts (75) & ttl yds (600) in a 75-31 loss. Navy won here 55-14 vs SMU in '15 and Navy's offense picks up steam the 2H of the year. SMU has struggled vs the run the last 4 games allowing 241 ypg rush and 5.6 ypc. Navy rates the edge on defense (#38 vs #108) as they are allowing 34 ypg less than their foes normally gain and SMU gives up 51 yards above what their foes average. SMU has the edge on offense with 94 ypg above what their foes normally allow. This should be a high scoring game and the last team with the ball wins it.

Phil's Forecast:

Wash St has won the last 2 meetings, but last met in '14. Wash St opened with 5 home games, but now plays their 4th road game in 6 weeks and they lost their last two road games 37-3 and 58-27. Utah was without QB Tyler Huntley vs Stanford and USC, but dropped the next two when he returned. He guided them to 506 yards and 48 points last week. They did just pound a UCLA team that was without QB Josh Rosen, but they are now in their second straight home game increasing their altitude advantage. Utah is at 5 wins and needs one more for a bowl. Wash St does have the better defense holding foes to 111 ypg below their season average and Utah's held foes to 62 ypg less. Wash St did have a 430-198 yard edge at home vs Stanford last week, but are +224 ypg at home and just +4 on the road.

Best Bet: ★ Utah 27 Washington St 23

Phil's Forecast:

The Wildcats had a season high in yards last year vs Purdue (606). Purdue has had its moments in every game this year as they led L'Ville in the 4Q and Michigan in the 3Q. They were outgained 494-221 vs Wisky but only lost by 8 then had a 474-217 yard edge in their loss to Rutgers. Nebraska got a TD with :14 left to beat them. They are +22 ypg vs a similar schedule at NW which is +24 ypg. NW is always better as a dog than a favorite and has won an amazing 3 in a row as a dog and all were wins in OT! Normally that would have me all over the dog, but they have faced two common foes this year in Nebraska and Wisconsin and NW is +38 ypg and Purdue is -191 ypg. Purdue is without QB David Blough and while he has just 8 more pass att's than Sindelar he is hitting 65% with a 9-5 ratio and Elijah Sindelar is at 53% with a 7-5 ratio.

Phil Steele	Mississippi by 14

Phil's Forecast:

Ole Miss is 4-0 in this series and in the two recent meetings won 56-15 in '14 and 43-21 in '10. This is a SEC sandwich game as Ole Miss has 8 SEC games the other 9 weeks to close the season. Ole Miss backup QB Jordan Ta'amu who is now the starter engineered a late drive for a TD to beat Kentucky last week. Both teams figure to score here as Ole Miss is allowing foes 102 ypg above their season average and Louisiana is allowing 71 ypg above their season average. Ole Miss is gaining 97 ypg above what their foes allow and have a great WR corps and their top RB Jordan Wilkens is averaging 5.8 ypc. UL went with a frosh QB last week in Levi Lewis who led them to the win over South Alabama. Teams have not fared well in these SEC sandwich games especially late in the year and Louisiana led Texas A&M in College Station this year 21-14 at the half with a 227-127 yard edge.

Mississippi 41 Louisiana 27

Phil's Forecast:

Last year no tm had more than a TD lead at any pt. Tied at 17 UM all'd a 91/13pl TD drive w/7:17 left & after a FD at the N17 tossed an int at the N2 w/1:29 left. Nebraska did win their last trip here 48-25 in '15. Nebraska QB Tanner Lee had an 8-1 ratio the 4 games prior to last week, but tossed 3 int's vs NW and Nebraska was outgained 475-337 in their OT loss. Lee still rates the edge at QB vs Demry Croft who is hitting 42.5% with a 4-4 ratio and throwing for just 86 ypg in his 3 starts. In Big Ten play Minny is -89 ypg and Nebraska just -5 with Nebraska having taken on the #21 schedule and Minny #56. Nebraska is the stronger team and usually travels well here and grabs the road win.

Phil's Forecast:

Not only has Bama won 9 in a row in the series, they have held Miss St to 7 total TD's in those 9 meetings allowing 10 or less in all but 1, with the Tide winning 31-6 and 51-3 the last 2 years. Bama was off LSU in each of those and has only has Mercer on deck. The Tide held Nick Fitzgerald to 15 yards rush last year and 145 pass yds with Miss St gaining 166 of their 274 yards after trailing 30-0 at half. Alabama gets more motivated on the SEC road and have beaten the Vegas number 9 of the last 11 times. Alabama is +294 ypg in SEC play and Miss St is +35 ypg. Miss St allows 4.7 ypc rush in SEC play and Alabama must 24. With the Tide also having the stronger rush offense and the Tide QB's avg 62% with a 15-2 ratio and Miss St is 55% with a 14-10 ratio.

Best Bet: ★ Alabama 34 Mississippi St 10

Computer Points	Fau 38-29
Phil Steele	FAU by 6

Phil's Forecast:

1st meeting. LT is 11-3 in CUSA home games and FAU is 7-11 in CUSA AG's. RB Devin Singletary has rushed for 1,256 yards and 6.7 ypc and takes on an LT rush D allowing 4.8 ypc rush. Of concern is that FAU was +4 in TO's last week and only won by 5 vs Marshall. LT's D is allowing 15 ypg more than their opp's avg, but FAU allows 44 ypg more. FAU's pass defense has 18 interceptions. LT is in a must win at home, but FAU has been very impressive.

Phil's Forecast:

Rice is 4-3 in the series, but has taken B2B losses in this series by 36 ppg. LTH SM led 58-0 :06 into the 4Q and 66% of Rice's yds came after that. SMiss is on their 4th road game in 6 weeks and this is HC for Rice. Rice is winless in CUSA, but is actually +16 yards per game. Last week they took the RS off Niko Smalls who hit 14-22-227. SM has 5 wins and needs one more to clinch a bowl.

Southern Miss 30 Rice 18

Phil Steele	USC by 14

Phil's Forecast:

USC is 6-0 in P12 mtgs (+130 ypg) and 11-0 in the series with an avg score of 35-13. Colorado has an altitude edge and perhaps a cold weather edge vs the Southern California boys. This is Colorado's FHG and they have a bye on deck while USC has rival UCLA. Last week Colorado led 10-0 and dropped a couple of TD passes or could have beaten Arizona St. USC has taken on the #6 schedule and Colorado the #66 schedule. USC is +127 ypg in Pac 12 play and Colorado is -83 ypg and allowing 241 ypg rush with 6.1 ypc. There could be some points here as Colorado has Phillip Lindsay who has rushed for 1,334 (5.1), QB Steven Montez 62%, 16-7 and a top notch WR corps (except for drops last week) but their D is allowing 76 ypg above what their Pac 12 foes normally gain.

USC 41 Colorado 27

Phil Steele	Wisconsin by 18

Phil's Forecast:

Iowa was averaging 20.2 ppg the 5 games prior to last week, but put up 55 on Ohio St in their dominating upset win. To get that result Iowa needed an A++ effort and now have to go on the road. Ohio State had needed a big effort to get past Penn St the previous week and they came up flat. Wisconsin returns home from a two game road trip and continues to take care of business. Wisconsin's D is holding foes to 116 ypg below their season average. They are +125 ypg in Big Ten play and Iowa is -43 ypg. Wisconsin is allowing just 88 ypg rush. Iowa has not lost a game by more than 7 all year. Wisconsin is without their top WR Quintez Cephus and playing with playoff pressure, but are the stronger team in a good situation and at home.

Wisconsin 31 Iowa 13

Phil's Forecast:

This is the 121st mtg of the Deep South's oldest rivalry. Georgia is 9-2 in the series and has pulled off B2B upsets the last 2 years. The home team is 6-2. Georgia is playing with unbeaten pressure and has the No. 1 target on their back. Auburn has solid numbers like +146 ypg in SEC play with their defense holding foes to 111 ypg below their season average. Georgia has even better numbers at +228 ypg in SEC play and their D holds foes to 152 ypg below their season average. Both have excellent defensive fronts. With Kamryn Pettway out Georgia has a deeper corps of RB's. Auburns defensive numbers are not as strong as they have given up yards when up big, like 20 2H points to Ole Miss up 35-3, and they allowed late TD's in each of the last two games. Home teams have done well in big games this year and these teams are very close talent wise and I give a slight edge at QB to Auburn, so I am going with the home team to pull the upset here.

Best Bet: ★ Auburn 23 Georgia 20

Phil's Forecast:

Tennessee is 6-21 on the SEC road, but did win their last trip here 19-8. Last year Missouri allowed a school record 41 FD's and 740 yards and lost 63-37 on the road with both teams having banged up defenses. Tennessee is starting 3 frosh OL and in their last 5 games have had offensive totals of 142, 253, 108 and 210 yards in 4 of them. They are winless in the SEC and -133 ypg in those games. Jarrett Guarantano sat out the 2H last week and Will McBride hit just 1-8-13 after taking off his RS. Missouri has numbers much like last year as versus non power 5 teams they are avg 685 ypg and vs P5 teams it is 383 ypg and are 1-5 in those games, but they did put up 455 yards vs Florida last week. Tennessee has faced the much tougher schedule (#38 vs #69), they are -159 ypg vs P5 teams and Missouri is -91 ypg.

Missouri 34 Tennessee 23

Phil Steele	Texas A&M by 17

Phil's Forecast:

The Aggies are 3-0 vs the Lobos (by 35 ppg) including a 41-6 win in the L/mtg (2009 ssn opener). In Sumlin's 5 years he has had 5 late season SEC sandwich games and been favored by an average of 37 and yet only won by an average of 22 ppg. They have faced the option for the first time this year, but this is their home finale with road games vs Ole Miss and LSU on deck. Sumlin is under fire, but just needs a win. New Mexico has lost their last two road games by a combined 80-3. A&M has played the much tougher schedule (#35 vs #110). The option of New Mexico is tough to prepare for and figure they get about a TD more than they should with A&M not playing their A game.

Texas A&M 34 New Mexico 17

Phil's Forecast:

The visitor is 4-1 in the series and Ariz St has won the last 2. Both teams are off misleading finals. UCLA did not have Josh Rosen and were destroyed by Utah 48-17. Arizona St trailed Colorado 10-0 early and it could have been worse as Colorado dropped a couple of potential TD passes. The Buffs led by 3 mid 4Q with Ariz St getting a 19 yard TD run to take the lead with 5:33 left and then running the clock, got a 63 yard run and tacked on a TD with :46 left. Rosen is back and both teams are much better at home. Arizona St is 1-5 the L2Y on the Pac 12 road losing by an avg of 13.3 ppg. UCLA is 4-0 in the Rose Bowl this year winning by 14 ppg and 0-5 on the road losing by 19 ppg. Now you know why UCLA is favored here.

UCLA 34 Arizona St 31

Phil Steele	Kentucky by 4

Phil's Forecast:

Vandy is 4-2 in the series and the home team has now won 4 in a row. LY UK led 17-3 at half with a 170-61 yd edge. VU's only TD of the gm came on a 3Q 22 yd FR. Down 7, VU went 59/12pl and on 4th&G from the UK13 tossed a EZ pass inc w/:02 left. Vandy had a closer game than their 31-17 win over WKU would indicate as they got a TD before the half on a tipped pass and were out FD'd 22-19. Vandy has taken on the tougher schedule (#41 vs #63) as they faced both Alabama and Georgia and Kentucky has played neither. Kentucky has been outgained by every FBS team they have faced, but has still played to the higher average game grade (80.9 vs 77.8). Vandy's D is allowing foes 141 ypg above their season average in SEC play and the offense is 68 ypg below what their opponents normally allow. Kentucky has the stronger run game at 186 (4.9) in SEC play vs Vandy's 77 (3.3) and the last two weeks they have had 289 (8.0) vs Tenn and 219 (4.9) vs Ole Miss. Kentucky's biggest edge is in special teams where they are #25 and Vandy just #119. I will take the stronger team as a dog.

Kentucky 31 Vanderbilt 27

Phil's Forecast:

Ark St is 5-0 in the series winning the last 3 by 21 ppg. Ark St is fresh off a bye and USA is playing a 5th straight week and Ark St won their last trip here 49-31. USA RB Xaiver Johnson (445, 5.4) has been suspended for the season. Ark St is allowing just 4.9 yards per play in SBC play. Ark St is 14-7 vs the Vegas number as an away favorite and USA is just 5-10 vs the Vegas number as a home dog. ASU is 4-0 in SBC play winning by 28 ppg. USA just lost to Georgia St and Louisiana at home as a favorite and ASt beat that same ULL team 47-3 this year. Ark St is on a 20-1 run in SBC play and beaten the Vegas number in 17 of those. USA has been using both Dallas Davis and Cole Garvin at QB and they have combined for 55% with a 12-10 ratio and ASU QB Justice Hansen is hitting 64% with a 21-6 ratio.

Phil Steele	Georgia St by 3

Phil's Forecast:

Last year the Bobcats led 14-0 just 8:48 in, but from that point until 8:35 3Q all'd 34 unanswered. No scoring from 4:46 3Q on, 41-21. This is Texas St's home finale and they are in the 2nd year of coach Withers while Georgia St is in their first under Elliott. Texas St is just 2-7, but is actually +24 ypg in SBC play and Georgia St is 5-3, but only +118 ypg in SBC play. Since Damian Williams got benched vs Louisiana he has hit 58-85-590-4-2 in his last 2 games.

Georgia St 21 Texas St 18

Phil's Forecast:

UTEP has won the last 4 meetings including '16 when NT made a bowl and UTEP has a miserable season. NT led 7-3, but a 83 yd TD run w/2:36 1Q sparked 28 str by UTEP, after a blocked punt TD they led 31-7 w/9:25 2Q. NT never got within 14 pts the rest of the gm (all'd a 58 yd run & 72 yd pass for 2H tds). UTEP is led by interim head coach Mike Price and is 0-9 and -232 ypg. They are using 3 different QB's this year and they have combined for just 45.5% with a 4-9 ratio. While the offense is dead last in the FBS gaining 185 yards below what their opponents normally allow their defense has actually allowed 387 ypg in CUSA play which is exactly what their opp's have averaged.

Phil's Forecast:

Kansas has never won in Austin losing their last trip here 59-20. Texas is playing with legitimate revenge as they were over a 3 TD favorite last year in Lawrence and had a 403-332 yard edge and 22-15 FD edge but Kansas got a TD with :07 left to force OT and pulled the upset 24-21 which clinched Charlie Strong's firing. This is the Horns only home game in a 4 week stretch and while Herman is not great as a favorite they did beat Baylor 38-7 on the road two weeks ago. That same Baylor squad went into Lawrence Kansas last week and beat KU 39-9. Kansas has played two Big 12 games on the road this year and gained 106 and 21 total yards in shutout losses to Iowa St and TCU 0-45 and 0-43. While Texas is 4-5 they have taken on the 4th toughest schedule in the country and are +46 ypg while Kansas has only faced the #59 schedule yet is -105 ypg.

Texas 42 Kansas 0

Phil's Forecast:

WKU has won the last 3 in this series including embarrassing the Herd 60-6 in their home finale last year. WKU is on a 2nd straight road game after traveling to Vandy last week. Marshall is off a pair of tough losses where they had a 50-38 FD edge, but came up short on the scoreboard. Their defense is holding CUSA foes to 91 ypg below their season average. The Marshall offensive line has allowed just 4 sacks all year and WKU has recorded just 7 sacks so Chase Litton should have plenty of time to throw. Marshall has a good rush attack at 175 (4.4) in CUSA play, while WKU is at just 38 ypg rush (1.3) and Marshall is holding foes to 3.4 ypc rush while WKU is allowing 5.8 in conference play. Since that 60-6 embarrassing loss to end last year, Marshall is 7-2 versus the Vegas number with most of those game on these pages. WKU's offense has gone from 108 ypg above what their opp's allowed last year to 29 below this year and QB Mike White who is questionable here has gone from a 37-7 ratio to 14-6.

Best Bet: ★ Marshall 30 WKU 10

Phil's Forecast:

The home team is a perfect 3-0 in this series winning by 15.3 ppg. Last year the Panthers all'd 28 straight after taking a 21-14 lead :45 into the 2H (one Monarchs TD was a 45 yd IR). FIU got a garbage td w/1:23, 42-28. FIU is 4-1 in CUSA play this year, but -35 ypg. ODU is 1-4, but only -52 ypg. FIU wrapped up win #6 last week and have a showdown with rival FAU next week. ODU's bowl hopes (went to one last year) are hanging by a thread as they need to win out. FIU has lost versus the Vegas spread each of the last 5 times they were favored. I think ODU has a shot at pulling a surprise here as the teams are close talent wise and the situation favors them here.

Phil Steele	UTSA by 8

Phil's Forecast:

Last met in 2013. UTSA was #2 on my Experience Chart at the start of the year and UAB was #130. UTSA is 9-2 in the Alamodome in November. Bill Clark deserves mention for national coach of the year as his team was away from football for two years, but is an amazing 6-3. UTSA was thinking CUSA title game at the start of the year and opened up 3-0 including an upset of Baylor. They are just 2-3 since with their only wins vs Rice and UTEP and all 3 losses as a favorite and all by a TD or less. UAB is -16 ypg in CUSA play and UTSA is +41 ypg. AJ Erdely for UAB has a 12-2 ratio and Dalton Sturm for UTSA has a 14-2 ratio. Spencer Brown has 1,046 (5.8) for UAB. UTSA does have the defensive edge holding foes to 56 ypg below their season average and UAB is allowing 28 ypg more. UTSA has the special teams edge (#39 vs #129) and the situation edge as they are still searching for win #6 and UAB has to be happy after getting an unexpected 6th win last week.

Phil's Forecast:

This game has decided the ACC winner for 6 straight years. Clemson has won the last 2 and last year CU trailed 34-29 w/3:23 left, but went 75/5pl getting a 34 yd TD pass w/2:06. Down 3, FSU was SOD at the FSU33 w/:18 (4th&32). Florida St has taken on the nations toughest schedule without its QB and failed miserably and are just 3-4. Clemson has taken on the #2 toughest schedule and passed with flying colors with their only loss in the game their QB who was banged up. Florida St just rescheduled ULM so even a loss here does not kill their bowl hopes. Florida St has yet to beat the Vegas number this year, but as a dog almost upset Miami at home giving up a late TD pass. A win here could give them back some of that lost pride. Since Clemson's great start they have not beaten the Vegas spread in any of the last 4 games and last week were outgained by NCSt. Clemson has a great defense and is holding foes to 97 ypg below their season average in ACC play but FSU is not far behind with their D holding teams to 77 ypg below. Clemson is playing with playoff pressure while FSU can play loose like the large underdog they are. This is the largest dog role for Florida St this decade.

Clemson 24 Florida St 13

Phil Steele	LSU by 9

Phil's Forecast:

Arkansas catches LSU off of Alabama and always play the Tigers tough as the last 10 meetings Arkansas has played it closer than Vegas thought they would 8 times including 4 outright upsets like in both '14 & '15. Last year LSU was a TD favorite on the road and reclaimed "The Boot". They led 21-0 before UA cut it to 11 mid 3Q. LSU scored L/17 incl 96 yd TD run (Guice). Arkansas can afford one more loss and no one will want to back them here, but they catch LSU off that big effort and LSU is not good versus the Vegas number as a home favorite, especially during the day and this one kicks off at 11 am ET. They have not covered any of their last 3 that kicked off this early in the day and last year lost outright to Florida. I will call for Arkansas to play one of their best games of the year and take this to the wire.

LSU 33 Arkansas 24

Phil's Forecast:

With different climate's you would expect the home team to do well, but from 2004-'12 the visitor had been 7-2 with 6 outright upsets. The last 2 have been blowout wins for the home team with Arizona winning 44-7 at home in '15 and Ore St winning 42-17 last year. This is Arizona's final home game and teams playing with revenge the year following one of Ore St's rare Pac 12 wins are 5-0 and won all five by more than Las Vegas expected. Oregon St is playing with more emotion for their interim head coach, but last week were whipped by Cal on the road 37-23 being outgained 475-299. Arizona is averaging 130 yards more than their opp's normally allow in Pac 12 play Ore St is allowing 501 ypg, 4.6 ypc rush and 71% completions on the road.

Phil's Forecast:

LY CSU trailed 28-3 4Q, but in L/5:00 scored 20 while recovering 2 onside kicks. CSU ended the game at its 45 (last play lateral passes) losing 28-23 on the blue turf. Boise has won all 6 meetings and won here 41-10 in '15. Last week Colo St led Wyoming almost the entire game in the snow, but lost on a late TD for their 2nd straight MW loss. They have the best offense in the MW averaging 87 ypg above what their foes usually allow while Boise's offense is just plus 9 ypg. Boise got off to a very slow start this year at 2-2, but has won 5 in a row and are allowing just 285 ypg in MW play and Colo St is giving up 4.9 ypc. Four weeks ago CSU would have been favored, but after 4 ATS losses they find themselves almost a TD dog. I think the Rams have a shot at the upset.

Boise St 24 Colorado St 23

Phil's Forecast:

Last year Fresno led 13-7 w/3:41 left. UH's GW TD drive covered 76/12pl (td w/:59). UH blk'd a 43 yd FG att on the L/pl to seal the win. Fresno has won their last 2 trips here by 5 & 28. Fresno has faced the tougher schedule (#96 vs #126). In MW play Fresno is plus 124 ypg and Hawaii is -49 ypg with the defenses being the biggest difference. Fresno is allowing just 285 ypg which is 107 ypg below what their opp's normally average. Hawaii is giving up 463 ypg which is 91 above what their foes usually gain. UH is being outgained by 101 yards at home while they are +36 ypg on the road. Fresno was outstanding their first 7 games playing to an average game grade of 92.0, but have cooled the last two weeks with an AGG of 70.1. If that first 7 game Fresno team shows up they win by over 2 TD's, but I'm scratching my head as to what happened to them the last two weeks.

Fresno St 31 Hawaii 16
