Phil's Forecast:

Battle for the Wagon Wheel. The home team is 9-3 in this cross-town rivalry (just 12 miles apart). Last year featured 7 lead changes. KSU after a 97/16pl TD drive led 27-24 w/1:02 left, but UA answered w/a GW 57/4pl drive (3 yd td run w/:20). LTH Akron got revenge for missing a bowl in '14. The Golden Flashes were shutout for the 1st time in this series s/'85. They had ssn lows in FD's (7) & yds (135) including just 10 net rush yds (0.5). Kent is probably playing their final game for coach Haynes and is a rivalry dog. Their offense came to life last week with 494 yards vs CMich and it usually takes George Bollas 3 games to hit 300 yards passing, but he was 15-28-310-2-1. Akron is off a huge win vs Ohio which has given them control of the East and if they win this game they play in the MAC Title game next week. QB Thomas Woodson was suspended two weeks ago and frosh Kato Nelson looked good in his 2nd start and first one with a full week of prep as he hit 22-38-322-4-0 and rushed for 45. They are 3-0 in their MAC home games and the Flashes are -268 ypg on the road and lose 35 ppg. This is not much of a road trip and Kent is actually -81 ypg in MAC play with Akron -100! I will take the rivalry dog to make a game of this.

Akron 27 Kent St 17

Phil's Forecast:

Falcons are 11-2 s/'90 with the only losses by 3 pts each, avg win by 19 ppg. EMichigan is much better than their record this year and are on a 17-3-1 run vs the Vegas number. BG was looking to turn to the run game this year, much like they did at the end of last year when they won their last 3 with 328 ypg rush. They did have a 4 game stretch this year where they went 2-2 where they rushed for 231 ypg, but the last two weeks have just 100 (3.3) and 80 (2.5). They are -91 ypg in MAC play with their defense allowing foes 111 ypg above their season average. E Mich has six losses this year by 7, 4, 5, 1, 3 and 3 and are a few plays away from being back in a bowl. Instead they are 4-7, but are plus 22 ypg in MAC play with their defense holding foes to 32 ypg below their season average. Jarret Doege has taken over at QB for BG ad has a solid 10-2 ratio with BG scoring 36.3 ppg in his 3 starts and just 20.5 ppg prior. EM QB Brogan Roback had an 18-7 ratio last year and it is 18-14 this year and EM's rush attack was at 4.3 ypc rush last year and just 3.5 this year. Look for the Eagles to finish off their season with a solid win. It will be a chilly night with temps dipping into the 20's.

Phil's Forecast:

The visitor is 10-3 since 1995. Last year BSU led 20-14 into the 4Q. MU scored the gm deciding TD on a 27 yd pass w/5:44 left. On the ensuing KO BSU ret'd it 90 yds for a TD but was called for holding. BSU punted down 1 w/2:42 (MU ran clock out). Ball St got off to a great 2-1 start with a 3 point loss to Illinois and then lost their QB Riley Neal and star RB James Gilbert. They put up 398 ypg and 30 ppg in the first 4, but just 291 ypg and 12 pgg without them in MAC play. The offense is gaining 97 ypg less than what their opponents normally allow and the D is allowing 75 ypg more than teams avg with Ball St having a startling -186 ypg in MAC play and losing by 39 ppg. Miami has beaten the Vegas number in 10 of 15 MAC road games. They got QB Gus Ragland back two weeks ago and he was 6-1 as the starter last year and is 3-5 as a starter this year. Last week Miami blew their shot at a bowl game with a home loss to E Mich. Miami is just 3-4 in MAC games, but is +47 ypg and are +19 ypg in road games for the season and I don't think the crowd will be too intimidating. Miami did beat CMich by 17 on the road earlier this year.

Miami, Oh 41 Ball St 20

Phil's Forecast:

Last year Miss St eliminated Ole Miss from bowl eligibility going on the road and winning 55-20. The home team had been 14-2 even though the teams are just 95 miles apart, but the visitor has won the last 2 with Ole Miss winning here 38-27 in '15. The Rebels have a self-imposed bowl ban so this is their bowl game. Miss St was in a letdown spot last week and trailed almost the entire game vs Arkansas, but won by 7 holding the Hogs to a season low 221 yards. They are at their best when they can run the ball and Ole Miss allows 268 ypg and 5.6 ypc rush in SEC play. Ole Miss does have QB Jordan Ta'amu who has thrown for 339 ypg in his 4 starts. Miss St is +200 ypg in home games winning by 24 ppg and Ole Miss is -114 ypg in road games losing by an average of 23 ppg.

Phil's Forecast:

Baylor is on their 3rd road game in 4 weeks and playing on a short week the Friday after Thanksgiving. Last year at home BU did lead 7-0 after an 81 yd TD pass, but TCU had a 48 14 advantage into 4Q and won 62-22. TCU needs to win by 1 point or more to get to the Big 12 Title game next week. QB Kenny Hill sat out vs TCU and while the Frogs rolled 27-3 they were outgained 327-289 and Shawn Robinson hit just 6-17-85. If Hill plays it may not be for the full game once it is secured. Baylor played a solid game last week vs Iowa St as in the 4Q they were down 7 and had a 1st and goal at the ISU 2, but fumbled and ended up losing by 10. Charlie Brewer is their 3rd starting QB this year and is hitting 69% with a 9-3 ratio. TCU has the best defense in the Big 12 holding foes to 140 ypg below their season average and has not allowed a point in the 2nd half of five straight games. Hill is probable, but with that title game next week they may not win by as much as my computer has forecasted.

TCU 34 Baylor 13

Phil Steele	Toledo by 11

Phil's Forecast:

Toledo had won 5 in a row in the series, but WM has now won the last 2 upsetting the Rockets here in '15, 35-30 and winning at home last year 55-35. Toledo is 8-3 in Glass Bowl finales. Toledo needs to win to wrap up the MAC West. Coming, into the year I called them the best team in the MAC and they have lived up to that billing. Their only losses are on the road vs undefeated Miami Florida and a 38-10 clunker to Ohio U on the road. They are +198 ypg at home. Western lost QB Jon Wassink (64% 14-4) a few weeks back and their offense has struggled with Reece Goddard hitting 46% with a 2-1. Toledo rates the edges all around and is priced that way as almost a two TD favorite. WM has lost 5 games, but the largest losses were by 18 at USC and 14 at Michigan St and their Mac losses have been by 1, 7 and 4.

Toledo 40 Western Michigan 29

Phil Steele	Virginia Tech by 1

Phil's Forecast:

Virginia is just 1-9 in final home games and VT has owned the Commonwealth Cup for 4,744 straight days having won the last 13 in a row in the series. Last year VT led 52-3 into the 4Q in a 52-10 win. LTH VT came in 5-6 needing a win to send Beamer to his L/bowl. Down 7 w/10:04, VT got a TD & GW 41 yd FG w/1:38 (UVA int'd w/:59). VT QB Josh Jackson is hitting just 53% with a 7-6 ratio in ACC play and now faces the #28 pass D led by S Quin Blanding. VT is 5-14 vs the Vegas number when favored on the road. Last week Virginia had a 439-358 yard edge vs powerful Miami on the road. VT is +34 ypg in ACC play and Virginia is -34. VT's D is allowing 238 ypg at home, but 411 on the road. VT was lucky to beat Pitt at home last week as Pitt had 4 cracks with a 1st and goal at the 1 in the final minute, but came up short. My computer shows VT with only a 10 yard edge and the Cavs will be fired up to try and end that 13 game losing streak.

Virginia Tech 24 Virginia 23

Phil's Forecast:

CMichigan is 7-3 in this series and despite Northerns' dominance in the MAC this decade, CMich had 3 straight wins by 11 ppg, but did need OT for a 6 point road win last year. Marcus Childers took over at QB for Northern Illinois and since his 3rd start they are averaging 38.6 ppg after just 24.1 ppg the first 6 games. Northern is +68 ypg in MAC play and have the MAC's best defense allowing just 323 ypg including a 2.7 ypc rush while CM is allowing 4.5 ypc rush. CM QB Stephen Morris opened the year with a 12-11 ratio, but over the last 4 games it is 11-1. Toledo did come in here and won 30-10 and speaking of Toledo if they lose (kicks off half hour earlier) then Northern wins the West with a win. NIU is +68 ypg in MAC play and CM is just +3.

Northern Illinois 31 Central Michigan 24

Ohio Bobcats

OVERALL: 8-3 vs. MAC 5-2

Phil Steele	Ohio by 9

Phil's Forecast:

The home team is 9-2 including 7 straight wins. Last year Ohio won 34-10 at home, but Buffalo won as a home dog here in '15 by a score of 41-17 so the home team has won the last 4 by 24.5 ppg. Ohio was eliminated from the MAC East Title chance with Akron's win on Tuesday. Ohio has a large defensive edge as they are holding MAC foes to 34 ypg below their season average and Buffalo is yielding 73 yards above opp's averages. Buffalo has put up 38 and 40 points since Tyree Jackson returned to the lineup and he has a 7-1 ratio the last two games, but vs two of the MAC's weakest defenses in BG and Ball St. They lost to Akron on the road in his first game back. Ohio averages 5.8 ypc while Buffalo is just 4.1 and on defense OU allows 3.5 and Buffalo gives up 4.4.

Ohio 33 Buffalo 24

Phil's Forecast:

Last year MO LB Eric Beisel said it would be "a huge mistake" for Arkansas to even show up for their game, and referred to them as Ar-Kansas then Ark blew a 24-7 HT lead (318-137). Beisel returns and Ark will be out for some serious revenge. The home team is a perfect 3-0 in their SEC meetings. This could be the last game for Bret Bielema and the Hogs figure to play inspired ball. Drew Lock has a 33-7 ratio the last 7 games. Missouri is allowing SEC foes 75 ypg above their season average and Arkansas is only slightly better at 51 above. Austin Allen has returned for Arkansas at QB and looked rusty vs the tough defenses of LSU and Miss St and should have a better game here.

Missouri 42 Arkansas 38

Phil Steele	San Diego St by 25

Phil's Forecast:

Rocky Long was the head coach at New Mexico from 1998-2008. SDSt has won the last 5 in this series by 11 ppg and SDSt is 11-3 in Qualcomm Stadium regular season finales. Long does well preparing for the option. Since their back to back losses mid-year the Aztecs have got back to their usual dominating MW teams and have won the last 3 by 31 ppg and plus 239 ypg. New Mexico is a respectable -17 ypg in MW play despite their 1-6 record. Unlike last year when they wrapped up the MW West early and had the title game on deck, this year this is their season finale. New Mexico has lost their last 3 road games by 38, 39 and 41. Rashaad Penny had over 400 all-purpose yards last week and should have success vs a Lobo defense allowing 4.8 ypc in MW play

San Diego St 35 New Mexico 10

Phil Steele	Houston by 7

Phil's Forecast:

Last year Houston was #6 and unbeaten when they were upset on the road at Navy on a rainy day with the Hurricane off shore. Houston is playing with revenge and had a bye two weeks' ago and just faced the option of Tulane last week so they are in a great situation in their home finale. Navy just faced Notre Dame on the road and travels again on a short week. Navy does have the edge on D, holding foes to 53 ypg below their average and Houston allows 7 above. Navy has some QB injury questions and Houston facing the option a 3rd straight week is nice and they grab the win in their home finale. Look for DT Ed Oliver to have a big game for the Cougars.

Houston 27 Navy 20

Phil's Forecast:

Miami is 18-2 in the series and Miami has not lost at Pitt since 1997. Miami won here on a cold day in 2015, 29-24 and won at home last year 51-28. This is a tough spot for Miami as they have played down to the level of their competition all year and last week trailed Virginia 24-0 and 28-14 at home. Miami has the ACC Title game on deck and is playing with unbeaten pressure. Pitt has gone to true frosh Kenny Pickett at QB and he hit 15-23-242 vs VTech last week and Pitt had a 1st and G at the 2 and 4 cracks at the end zone in a one point loss. Pitt is playing their best ball of the season, as in the first 7 weeks they played to an average game grade of 79.7, but the last 4 weeks they have played at a 93.3 level.

Miami, Fl 31 Pittsburgh 17

Phil's Forecast:

These rivals play for the Heroes Trophy ever since NU joined the B10 in 2011 and they close the season for the 7th straight year. The visitor is 4-1 the last 5 with 2 outright upsets and last year Iowa got that lone home win by a commanding 40-10 margin. While the teams are 3-3 in their 6 meetings, Iowa has won their 3 by 20 ppg and Nebraska's wins are by 8 ppg. This figures to be the final home game for coach Mike Riley as they clinched a losing season and have a new AD. Nebraska did trail Penn St 56-23 last week before getting 3 garbage TD's. Their defense is giving up 5.4 ypc rush and 64% completions and 430 ypg. Nebraska has taken on the 8th toughest schedule in the country, but Iowa has taken on the #12 schedule. Iowa averages just 298 ypg in total offense in Big 10 play (how did they get 487 yds and 55 pts vs Ohio St?). While Nebraska is -39 ypg in Big Ten play, Iowa is -76 ypg! Tanner Lee has a 16-4 ratio the last 7 games. I will back the home dog here.

Nebraska 30 Iowa 27

Phil's Forecast:

Troy is fresh off a bye while Texas St is playing a 5th straight week. LY the Trojans led 37-0 w/9:44 3Q. TXST's F/8 poss ttl'd 84/39pl (2.2 ypp) in a 40-7 win. Miss St transfer QB Damian Williams had his 3 best passing games of the year with 301 ypg, but had just 103 yds pass vs Ark St in their last game. Troy has been a home favorite 5 times this year and lost to the Vegas number in each one. In Brandon Silvers 1st three seasons the Troy QB averaged an 18-7 ratio and this year is just 7-6. Texas St is just 2-9, but are -41 ypg in SBC play. Troy is +89 ypg vs SBC foes.Troy has a big game on deck at Ark St where the winner gains a share of the SBC Title.

Troy 34 Texas St 13

Phil's Forecast:

These two are 2-2 in AAC meetings with USF 6-2 the last 8. LTH USF won 44-3 in Bright House during UCF's 0-12 season, but this time UCF is unbeaten. Last year USF scored 17 pts off TO's and won 38-21 at home. Last week UCF benefitted from +5 in TO's to win at Temple 45-19. UCF had scoring "drives" of 21, -5 and 5 yards in the 1H after TO's. UCF has not been as dominant as they were at the start of the year and in their last 5 games vs FBS foes are allowing 210 (4.9) ypc rush. UCF is +124 ypg in conference play, but USF is an even stronger +159 and USF's only loss was to Houston where they never trailed until a TD with :11 left after an improbable 4th down conversion. USF is holding AAC foes to 87 ypg below their season average and UCF's D just 29 ypg less. USF was the clear-cut favorite into the year and while UCF has McKenzie Melton at QB, USF counters with Quinton Flowers. The winner of this game is the favorite to grab the New Years' Day Six Group of Five bid and USF is capable of the upset even on the road and getting double digits here.

Best Bet: ★ USF 31 (+) UCF 34

Phil's Forecast:

FIU has lost their last 5 final home games and WKU has won 4 in a row in the series allowing a combined 43 points, 54 FD's and just 250 ypg. FIU QB Alex McGough is hitting 64% with a 13-7 ratio and FIU has already got to the 6 win mark. WKU wrapped a bowl bid up last week and after having just a 2-3 ratio the first 5 games he has a 20-4 ratio the last 6. WKU has gone from 523 ypg and 46 ppg to 401 ypg and 27 ppg this year because their rush attack has gone from 186 (5.4) to 69 (2.2) ypg rush. These two have played 5 common opp's and WKU is +3 ppg and +87 ypg while FIU is -9 ppg and -95 ypg in those games. Last week WKU led 10-3 in the 4Q, but the teams combined for 34 4Q and 35 OT points. WKU is +54 ypg in league play and FIU is just -57 ypg despite their 4-3 record.

Phil's Forecast:

After TT got a 100 yd FR TD UT found themselves down 23-14 mid 2Q LY. UT then scored 31 of the next 38 pts. Up 8 w/:09 left UT int'd TT in the EZ (from the UT20) and Texas won 45-37. Texas is 18-6 in home finales, but those 6 losses have been in the last 7 years. Last week Tech had just 327 yards and 3 points vs the #1 defense in the Big 12 and now take on the #2 unit that leads the nation in pick sixes. Texas got back QB Sam Ehlinger and LT Connor Williams and rushed for 233 (5.5) their best mark since week 2. Texas got to 6 wins last week and TT needs to pull the upset to get there. Texas is holding Big 12 foes to 101 ypg below their season average and have a large edge on defense with edges on special teams (#40 vs #94) and the home edge and have faced the #9 schedule in the country. TT has the edge on offense and Herman is great as a dog, but is just 4-11-1 as a home favorite.

Texas 31 Texas Tech 21

Phil Steele	UCLA by 11

Phil's Forecast:

The home team is 15-2 in this series and won the last 2 meetings by 21 ppg. UCLA is playing with legitimate revenge as getting smoked 36-10 on the road without QB Josh Rosen one week after being eliminated from bowl eligibility with a loss to physical rival USC. These two teams have both been much better at home than on the road. UCLA is a perfect 5-0 at home this year and +35 ypg while 0-6 on the road and -77 ypg. Last week UCLA actually outgained powerful USC 501-417 and this is Josh Rosen's final home game. Cal caught Stanford in a sandwich situation off the Cardinal's upset of Washington with ND on deck and I thought Cal would give them a tough game. Cal is now 0-4 on the Pac 12 road with losses by 21, 31 and 16 and they are -160 ypg in those 4 games. I think UCLA should dedicate this game to Jim Mora Jr who got axed this week and give a solid effort.

UCLA 38 California 27

Phil's Forecast:

Cincy was on a 5-0 SU/ATS run in this series prior to losing last year as they were held to their lowest rush ttl s/'06 vs Ohio St & will be ply'g with revenge. CT is on the road for the 3rd straight week and has lost their last 4 games by 37, 17, 25 and 23. All of those were vs bowl teams and they step down in class here with both teams coming in with just 3 wins on the season. Cincy is a poor -87 ypg in AAC play, but UConn is even worse at -137 ypg. Cincy has a large edge on defense allowing 429 ypg on the year and UConn is at 536 ypg. Conn is down to backup QB David Pindell who is hitting just 53% with a 3-5 ratio and Hayden Moore is hitting 56% with a 18-8 ratio.

Cincinnati 30 Connecticut 23

Phil's Forecast:

Syracuse has won 3 of the 4 ACC meetings including the L/2 when hosting on Sr day. LY Cuse was coming off their upset of VT and avoided a letdown by upsetting the Eagles as well, 28-20 (+4). BC got their 6th win last week in Fenway Park whipping UConn 39-16. BC lost starting QB Anthony Brown and in the last two games Darius Wade has thrown for just 82 & 55 yds. AJ Dillon has been the key to BC's resurgence as he has rushed for 272, 89, 149, 196 and 200 yards the last 5 games and then takes on an Orange defense that is allowing 232 (6.2!) rush in ACC games. Syracuse was competitive vs everyone until Eric Dungey went out with injury. Zack Mahoney started vs Wake and had a great 1H, but a poor 2H in a game he threw for 384 yards. Last week he and Rex Culpepper both struggled combining for 137 yards pass with 38% completions and an 0-4 ratio vs a weak Louisville defense. I lost a high scoring play on that game despite Louisville putting up 727 yards and 56 points! Syracuse has scored just 15 points the last 6 quarters since leading Wake 38-24 at the half. The Orange defense wore down at the end of last week with their fast pace offense having them face a lot of plays and the last two weeks they have allowed 734 and 727 yards allowing over 300 yards rush and 300 pass in both. BC's D is allowing just 310 ypg the last 4 weeks.

Best Bet: ★ Boston College 34 Syracuse 23

Phil's Forecast:

Last time here after a 91/16pl RU TD drive the score was 24-24 w/4:21 left. The Spartans on the ensuing drive went 76/10pl getting a 3 yd TD run w/:43 and stopped Rutgers 7pl later at midfield. Last year Mich St was 1-9 their last 10 games, but that one win was vs Rutgers by a score of 49-0 at home. Mich St has faced the tougher schedule (#3 vs #28). Michigan St is known for their defense, but allowed 474 ypg in a 3 game stretch vs NW, Penn St and Ohio St and 37 ppg. They took on a weaker offense last week and bounced back holding MD to 204 total yards. Rutgers offense has just 230 ypg total offense the last 5 weeks. Despite being 6-2 in the Big 10 Mich St is actually -1 ypg. Despite being 3-5 in the Big 10 Rutgers is -192 ypg. Rutgers bench Giovanni Rescigno last week and the Knights average just 95 ypg pass in B10 play.

Michigan St 23 Rutgers 10

Phil Steele	Indiana by 3

Phil's Forecast:

Last year PU led 22-17 into the 4Q, but allowed a FG & a 61/11pl gm deciding TD drive w/4:59. PU's last drive was int'd in the EZ from the IU27 w/1:06, 26-24. Indy had won the previous 3 by 15 ppg. Both teams come in needing a win to get to a bowl. Indiana plays in the stronger East division and drew Wisconsin out of the West, but are still +24 ypg in Big Ten play while Purdue is just +3 ypg despite avoiding Ohio St, Penn St and Mich St. Indy could easily have beaten both Michigan and Michigan St. Indy does have the special teams edge at #50 vs #80 and I feel edges on both offense and defense. Indy is a team that is better than its record and they pull the upset here.

Indiana 27 Purdue 23

Phil's Forecast:

OSU sent LY's gm into OT after hitting a FG w/:01 left & won in 2OT as UM HC Harbaugh was furious at the officials over a questionable FD spot. Ohio St is 12-1 in the series and last year Michigan had the much more veteran team and now Ohio St does. LTH in a much anticipated ranked mtg (Harbaugh/Meyer), OSU never trailed & led by DD's for much of the 2H. The 29 pt MOV was the largest for OSU in Ann Arbor s/'61 (won 50-20). Defensive home dogs are usually a solid play especially in a rivalry game. Michigan has the reputation on D but Buckeyes are holding B10 foes to 88 ypg below their season average and Michigan is just 95 below so they are close. Michigan's D has acatully allowed 180 (5.6) and 182 (4.6) the last two weeks so look for a good dose of Dobbins/Weber running the ball.

Phil's Forecast:

There have been 13 outright upsets the last 19 years and NCSt is 7-3 in the series but lost the last two at home so the visitor has won 4 in a row. LY on a Friday night the Wolfpack came in 5-6 & needing a win to become bowl eligible. NC St jumped out to a 21-0 lead incl a 59 yd td pass. NCSt led 28-7 into 4Q but NC trimmed it to 7 w/7:52. NC's L/drive was SOD at NC49 w/3:10. I wonder about the phyche of the Wolfpack here as they were thinking Nation and ACC titles but have lost 3 of the last 4. Last week was bad as the NCSt WR was headed to the endzone for the GW TD, he fumbled at the foot line and WF recovered in the EZ snanching victory from the mouth of defeat. True frosh Nathan Elliot was inserted in the lineup vs Miami and NC which was 1-7 vs the Vegas number has covered in all 3 of his starts. NCSt is the stronger team at +62 ypg in ACC play while NC is a poor -130 ypg but the situation favors the dog to keep it closer than expected.

NC State 34 North Carolina 20

Phil's Forecast:

WF has lost 7 of their L/8 on Senior day (1-6-1 ATS) by an avg of 16.7 ppg. WF has won 12 straight from '00-'11 then Duke won the next 4. Last year it was 14-14 3Q but WF (+6') scored the final 10 pts. The visitor is 5-1 SU in this series. Duke snapped a 6 game losing streak as my upset play last week when they beat GTech 43-20 and kept their bowl hopes alive. Duke David Cutcliffe is a dangerous dog and Duke needs a win to get to a bowl. Last week Wake was outgained 502-334 and needed the NCST WR to fumble diving into the EZ for the GW score. Duke has the defensive edge allowing 335 ypg while Wake yields 444. Wake has the large offensive edge especially at QB with a red hot John Wolford hitting 65% with a 23-4 ratio and Dukes Daniel Jones has a 6-7 ratio the last 9 games. Wake just set a school record with 381 points and they are #7 in the FBS gaining 97 ypg above what their opp's usually allow.

Wake Forest 33 Duke 23

Phil's Forecast:

Last year ASU led 10-0 :05 sec into the 4Q. After GSU cut it to 7, ASU went 85/14pl sealing it w/a 12 yd td pass w/3:16 in a 17-3 home win as a 3 td favorite. App St won in the Georgia dome 37-3 in '15 but this is at Turner Field. These two teams are tied for first in the SBC with GS +38 ypg in SBC play and App St +23. Both teams have avoided the big boys in conf play with only 1 combined win between the two ove a team that currently has a winning record in the SBC. App St has been disappointing this year only faring better than what Vegas forecast in 3 of their 10 games. App St has played to an average game grade of 81.8 and GS to 71.0 so factoring in the home edge, you get App St by 7.8.

Appalachian St 27 Georgia St 18

Phil's Forecast:

Vanderbilt has actually won 3 of the last 5 meetings, but Tennessee is good at getting revenge in the series as since 1936 they are 10-1 vs Vandy after losing to them the prior year and the avg win has been by 14 ppg. Last year UT led 34-24, but lost 45-34 and the Vols banged-up defense allowed 608 yards (that number should be plastered around the locker room). Tenn won here in `15 by 53-28. Last year when these two played Vandy allowed 377 ypg in SEC play and Tenn allowed 536 ypg. This year while the Vols defense has been beat up and bad they are giving up over 100 ypg less than last year at 428 ypg. Vandy is giving up almost 150 ypg more at 519 ypg this year. This is the home finale for Tennessee, they are playing with revenge and are playing at a 77.5 avg game grade in SEC games while Vandy is at 69.8. My computer has Tennessee winning by a TD and they are just a 1 point favorite.

Tennessee 28 Vanderbilt 20

Phil's Forecast:

Iowa St is -5 ypg in Big 12 play and KSt is -135 ypg Kansas St has won 9 in a row in the series, but have only won the last 3 by 4, 3 & 5 points. Iowa St is playing their 6th straight tough game, 4th road game in those six weeks. Last week the game with Baylor was even the Bears down two had a 1st and goal at the 2, but fumbled and ISt won by 10. They are down to 3rd string QB Zeb Nolarnd who hit 14-28-180-2-0 in his first start. KSt is also down to their #3 QB in Skylar Thompson who hit 10-13-204-3-0 guiding the upset in Stillwater last week. This is the final home game for KSt so they have the situational edge and will be excited after that big upset.

Phil's Forecast:

Louisville had won 5 in a row in the series and last year were a 4 td favorite at home, but Kentucky upset them 41-38 with 7 lead changes and no team leading by more than 7 during the game. Tied 38-38 UK forced a fumble at the UK10 (UL 1st&G w/1:45 left) & 7pl later nailed a 47 yd GW FG w/:12. In '15 here, it was tied 24-24 4Q, but UL won 38-24. Kentucky has been outgained in every FBS game this year with the exception of Vanderbilt and are -61 ypg despite being 7-4. Louisville is +169 ypg with the same 7-4 record. When Louisville wins, they tend to win big as Petrino likes to press when he has an advantage. In the Cards 16 wins the last two years, 13 are by double-digits.

Louisville 44 Kentucky 27

Phil's Forecast:

Georgia is on their 3rd road game in 4 weeks and does not lose to GT often, but are 3-0 the next season after losing their rival since 2001. Last year was a tough loss for the Bulldogs as Georgia led 27-14 with 9:51 left, but gave up a TD with :30 left and lost 28-27. The last 4 meetings in this rivalry have been decided by 1, 6, and twice in OT so at the end of regulation the difference has been 2 ppg. The visitor is 16-2-1 ATS vs the Vegas line. Georgia has a huge SEC Title game on deck, but still hold playoff hopes as well, but might not get to the playoffs if they lose a second game. Duke just ran the ball for 319 yards and 6.3 ypc vs Georgia Tech and Georgia has a deep backfield that averages 267 ypg rush and 5.8 ypc. GT has taken on two playoff contenders this year and while they only lost to Miami Florida by 1 they were outgained by 200 yds and Clemson dominated leading 24-3 and pulling their QB and GT got a garbage TD at the end to only lose by 14. This is "Good Old Fashioned Hate" this week and Georgia is playing with legitimate revenge. That Clemson game was at home for GT and they had a banged-up QB so Georgia is capable of coming in here and getting a solid road win as they are just as good as Clemson.

Phil's Forecast:

Penn St is 37-2-1 in the series with their only losses in 1961 and 2014. Last year Penn St only led 17-14, but got a TD with :15 left in the half and won at home 38-14. This is Penn State's first trip to College Park since 1993 as they had a neutral site game in `15. Penn St is just a few points away from contending for the playoffs as they lost by 1 to Ohio St and by 3 to Mich St both times blowing late leads. Penn St is +84 ypg in B10 play and Maryland is -84 ypg. Maryalnd's offense is geared to a mobile running QB as both Tyrrell Pigrome and Kasim Hill were before being OFY. The Terps averaged 508 ypg and 57 ppg in the first two including a trip to Texas. Since both were lost they have averaged just 284 ypg and 19.1 ppg! Their defense is not bad allowing foes 27 ypg above their season average, but has allowed six teams 200 or more on the ground and in B10 play allow 195 (4.6) rush. With no Big Ten Title game on deck look for Saquon Barkley to try and impress Heisman voters and for that Penn St defense not to allow 21 garbage points at the end of the game like they did vs Nebraska. I also expect a decent amount of Penn St fans to make the trip here.

Penn St 48 Maryland 17

Phil's Forecast:

Northwestern is 4-1 the last 5 meetings in this rivalry and their 4 wins have been by an average of 17.5 ppg. LY Illinois trailed 21-0 early 2Q, but w/4:33 in the 3Q cut the deficit to 28-21. The Illini's L/5 poss ended in 2 TO's, 2 punts & downs at the NU8 w/2:38 left and NW won at home 42-21. Illinois has struggled on rush D allowing B10 foes 220 ypg rush (4.8) and NW is at its best when it can get Justin Jackson going at RB (1010, 4.3) giving Clayton Thorson a more effective play action pass. Illinois has rushed for 67.3 ypg their last 3 B10 games and 2.1 ypc with 15 sacks allowed and complete 50% of their passes with an 8-17 ratio. Illinois has scored 11 TD's in 8 B10 games and 5 of those were in the 4Q with 3 in the last 1:11 of a game. They run into a NW rush D that yields just 96 (2.9) rush in B10 play and the Wildcats are on quite a roll beating the Vegas number in 6 straight games. The Wildcats should grab a New Year's Day bowl while the true frosh laden Illinois team is the worst in the Big Ten.

Northwestern 30 Illinois 9

Phil's Forecast:

It's Sr day in Houston. HC Bailiff has led the Owls to 9 straight wins by 13 ppg in home finales with the only loss coming in his 1st ssn and they are 4-2 vs North Texas. North Texas won here in OT last year as a td dog. This is most likely Bailiff's final game at Rice so they should try to win yet another home finale. It is a solid situation as North Texas just playede Army to the wire taking on the option and cut blocks and has a huge game against Florida Atlantic on deck in the CUSA Title game. NT does have massive edges on offense (#51 vs #116) and special teams (#12 vs #110). Rice has played closer than most scores indicate and last week gave up the game winning TD with :37 left in their 3 pt loss at ODU. North Texas was outgained by Army 561-489, but a clock error forced a re-punt and Army fumbled the punt and NT got a cheap TD. NT has 7 FBS wins with 5 of those by 7 points or less and have the CUSA Title game on deck. Rice has taken on the tougher schedule (#80 vs #113) and I will go out on a limb and call for the upset.

Best Bet: ★ Rice 34 North Texas 31

Phil's Forecast:

It's Sr day in Charlotte. LY Charlotte recorded their 1st ever CUSA win, beating FAU 28-28 (+13) on the road in a gm that was moved due to Hurricane Matthew. There are a lot of job openings out there and Lane Kiffin is trending up as a solid replacement. SMiss just ran for 363 yards and 8.6 ypc on this Charlotte defense and FAU is averaging 319 (6.5) rush in CUSA play. Charlotte is -68 ypg at home, but FAU is -66 ypg away. FAU hosts the CUSA Title game next week which is big. FAU has won their CUSA road games by 31, 14, and 25 points. Charlotte has done well in CUSA play at home losing by 11 to Marshall, 14 to MT and upsetting UAB. Hasaan Klugh does have just a 9-13 ratio and Charlotte is allowing opp's 85 ypg above their season average. In CUSA play Charlotte is -142 ypg and FAU is +92. FAU is 8-2-1 vs the Vegas number this year. The numbers say FAU 48-15, but the situation calls for a closer game.

FAU 48 Charlotte 24

Phil Steele	Utah St by 8

Phil's Forecast:

5th straight season they are meeting, AF won last year 27-20, but was outgained 414-326. AF was a 10 win team last year and Utah St was 3-9. The Aggies are much stronger this year and have already clinched bowl eligibility. Their only losses this year are to Wisconsin, Wake Forest, Colo St, Boise St and they gave away the Wyoming game late. In their 3 MW road games, they have won by 51, 24 and 14. Air Force was averaging 38.2 ppg, but their offense has only scored a combined 33 points the last 3 games (11.0) and their QB Arion Worthman was injured last week. Utah St just faced the option two weeks ago in their 24-10 win over New Mexico. Utah St inserted Jordan Love as the starter at QB 4 weeks ago and average 32 ppg with him and they have the edge on defense and special teams.

Upset POW: ★ Utah St 35 (+) Air Force 27

Phil Steele	Marshall by 7

Phil's Forecast:

The Herd are 16-4 in home finale's., but will be looking for redemption after being embarrassed on Senior day last year 60-6 vs WKU. Marshall is 5-1 in the series with the lone loss being last year so they have revenge. Marshall has won their last 3 at home vs SMiss by 25 ppg. Last week Marshall gave up a FG with :02 left and lost to UTSA on the road. In their last home game, they led WKU 30-10, but gave up a couple of late scores and only won by 7. Marshall is 8-3 against the Vegas number. Marshall has played the tougher schedule (#91 vs #125) and their defense holds foes to 82 ypg below their season average in CUSA play and SMiss is allowing foes exactly what they average. Marshall has a solid home (Holiday is 36-12 in HG's) and ST advantage.

Marshall 27 Southern Miss 20

Phil's Forecast:

The visitor has now won 5 in a row in the battle for the Fremont Cannon. Last year RB James Butler ran for a career high 196 yds. The Wolf Pack led 17-0 & 27-7 late 2Q in Nevada's 45-10 road win. The teams are close statistically with UNLV -35 ypg in MW play and Nevada is -57 ypg. UNLV got the return of QB Armani Rogers from injury and got a late rally and win at New Mexico. Nevada has covered all 3 MW home games by 18 ppg. Nevada is +12 ypg at home and -172 ypg on the road. While UNLV has stronger numbers in most areas, they have faced just my #110 rated schedule and Nevada has faced my #84 rated sked. I will call for the home team to grab the win here.

Nevada 41 UNLV 34

Phil Steele	Washington by 12

Phil's Forecast:

Last year the Apple Cup was the battle for first place in the Pac 12 North and a berth in the title game, but Washington went on the road and led 35-10 at half and won 45-17. UW is 7-1 in home finales and won 4 straight Apple Cup's by 23 ppg. This year Wash St wins the Pac 12 North with a win, but if Washington wins, Stanford wins the North. Washington has the stronger team and their defense is holding foes to 125 ypg below their season average which is 7th best in the country. The offense has benefitted from a lot of defensive and special teams TD's, but QB Jake Browning hit 26-35 for 354 yards last week in their narrow win vs Utah, his best effort of the season. Wash St also has solid defensive numbers holding foes to 109 ypg below their season average (#9 FBS) and DC Alex Grinch's group has 35 sacks. The Huskies have a large edge on ST's (#42 vs #83). My computer is calling for a 12 point win and I will agree.

Washington 30 Washington St 18

Phil's Forecast:

These two last met in '14 and SJSt is 2-0 in their MW meetings. Wyoming had actually beaten the Las Vegas number 7 straight weeks, but without QB Josh Allen (NFL prospect) they lost last week to Fresno 13-7, but were only -25 yards. Despite their 5-2 mark in MW play Wyoming is actually -64 ypg with their offense avg 119 ypg less than their opponents usually allow. The Cowboy D is holding foes to 74 ypg below their season avg. San Jose is at the bottom in most numbers being outgained by 208 ypg in conference play and losing those games by 33 ppg. Don't discount Wyoming if Allen is unable to play as backup Nick Smith hit 20-31 for 231 yards last week which was the 3rd best passing game for the Pokes this year and they gained 2 yards less than Fresno normally allows and that was their best mark of the year in that category! My computer calls it 37-9 and I will agree with that.

Wyoming 37 San Jose St 9

Phil Steele	Utah by 10

Phil's Forecast:

The Utes are 6-2 vs the Buffaloes. Last year Utah's only lead was 7-0 w/9:17 1Q. The gm was tied 13-13 w/2:58 3Q. After a 4Q FG w/13:53 cut the deficit to 4, Utah all'd a huge 10 yd FR TD and Utah's last TD was w/1:34, last poss. Colorado is fresh off a late season bye while Utah is playing an 8th straight week. Utah does rate the defensive edge as their defense holds foes to 56 ypg below their season average and Colorado's D allows foes 67 ypg above. Phillip Lindsay is the best skill player on the field with 1,402 (5.0) and they have a dynamic WR corps. Both are solid on ST's.

Utah 34 Colorado 24

Phil's Forecast:

Last time here it was tied 21-21 w/3:44 2Q. From that point, the A-St def took over all'g just 7 yds on ULM's L/12 drives, A-St scored L/38. Ark St has now won 7 in a row in the series by 23 ppg. Ark St is +135 ypg in Sun Belt games while ULM is -10 ypg. Ark St has a huge edge on defense allowing just 331 ypg in SBC play and holding foes to 40 ypg below their season average, while ULM is 514 ypg and allow SBC foes 159 yards above their season average. Ark St is 5-1 in SBC play with their closest win being by 16 points. ULM delivered for me last week as they caught Auburn in one of the biggest sandwiches ever off a big win vs a #1 team with a #1 team on deck and in the playoff mix. While ULM was fresh off a bye and they delivered only trailing 14-7 at the half in the 28 point loss as a 37 point dog. They have a reschedule game vs Florida St on deck, but are playing their FHG. The offenses are close, but ASt has a huge edge on defense and the ST edge (#9 vs #43) and ULM is actually -93 ypg in home games and -1 ypg on the road.

Arkansas St 42 ULM 30

Phil's Forecast:

It's Sr day in Murfreesboro and MT has won their last 5 home finales by 18 ppg. MT won the only prior mtg in '14, 41-28. Since returning from injury Brent Stockstill has a 7-1 ratio for the Blue Raiders. Versus 5 common opp's MT is -3 ppg and +7 ypg with ODU -11 ppg and -72 ypg and most of those for MT were without QB Stockstill. ODU was without RB Ray Lawry for basically 6 games and he has topped 100 yds in 3 of the last 5 with ODU's 17 year old QB Steven Williams getting better by the week and he has hit 70% the last 2 games and he had a 4-11 ratio his first 6 games, but 2-0 the last 3. MT is +37 ypg in CUSA play and ODU is -40 ypg.

Phil's Forecast:

The Badgers have now won Paul Bunyan's Axe 13 years in a row and have won each of the last 7 by double-digits (17.1 ppg). Last year UM led 17-7 at HT, but in the 2H were shutout & outgained 229-100. UM tossed three 2H int's including a key interception on their opening half poss in the EZ up by a TD and UW won 31-17 at home. Minny has a common denominator in their 5 wins as they outrushed their foes by an average of 269-73 and those were the only games that they held their opp's to under 125 yards rush. The last two times they faced a physical team at the line of scrimmage they lost to Michigan by 23 and Northwestern by 39. Wisconsin is more physical on both sides of the ball and held NW and Michigan to 41 ypg and 1.2 ypc. Wisconsin is averaging 239 rush (5.1) and allows just 79 ypg rush 2.7. Minnesota QB's are hitting 47.8% with a 9-11 ratio. The situation favors Minny as this is their FHG and Wisconsin is off big games vs Iowa and Michigan and have Ohio State on deck, but there is too much of a talent edge here.

Wisconsin 35 Minnesota 13

Phil's Forecast:

Stanford is 6-2 the last 8 years and the home team is 7-2. Last year was the tale of 2 halves as Notre Dame led 10-0 at HT. The Cardinal went up 17-10 with 10:38 4Q (ND just 100 2H yds). Notre Dame just faced the option and cut blocking of Navy, but Stanford is off the "Big Game". Last year's game was tight and while Stanford now has the home field edge, they are a weaker team especially on defense where they are allowing an unStanfordlike 5.0 ypc rush in Pac 12 play. Their biggest area of improvement is the offensive line which allowed 34 sacks LY and just 12 this year. Notre Dame is improved everywhere! The defense is stronger vs the run gets more pressure on the QB and their pass D went from #79 last year to #34. They averaged 163 (4.5) rush last year and now are at 290 (6.6). ND has taken on the tougher schedule #5 vs #18 yet are +88 ypg and Stanford is +10 ypg. While ND is playing their season finale Stanford can win the Pac 12 if Washington defeats Wash St and the Apple Cup is going on at the same time. RB Bryce Love is not 100% healthy and the Cardinal are averaging 141 ypg rush (4.1) the last 4 games after averaging 258 (7.7) the first 7 games.

Best Bet: ★ Notre Dame 31 Stanford 23

Phil's Forecast:

South Carolina had won 5 in a row in the series, but Clemson has won the last 3 and last year rolled to a 56-7 win despite having the ACC Title game on deck. LTH in '15 CU got off to a slow start (ACC Title on deck), but still led 14-3 at HT. CU all'd a 26/4pl TD after a fumble & only led 28-25 w/12:19 left. CU put the gm away with a TD, SOD at SC10 & a FG (SC's L/td w/:01) in a 37-32 win. Clemson was avg 471 ypg vs FBS foes prior to QB Bryant's injury and 384 since, but the D has not been as dominant as of late either allowing 279 ypg their first 6 vs FBS and 347 ypg the last 4 and Clemson is just +37 ypg in those 4 despite being +167 ypg on the season. South Carolina is actually -14 ypg, but have been a dog 6 times this year and beat the Vegas spread in all 6 with 4 outright wins and their biggest loss by 14 at Georgia. In Clemson's last road game, they were -76 yds at NCST and are -7 ypg in their 4 road games. South Carolina is +64 ypg at home and -107 on the road. SC had a banged-up Oline mid-year, but have returned to health. This is a rivalry game and Clemson has a huge game vs Miami Florida on deck in the ACC Title game so SC keeps it closer than expected and has covered 7 in a row as an underdog and the home team has covered 4 in a row in the series.

Clemson 27 South Carolina 18

Phil Steele	LSU by 9

Phil's Forecast:

LSU has won 6 in a row in the series and last year Darius Guice ran for a school record 285 yds (7.7). LSU never trailed and after taking a 34-10 lead w/7:45 3Q traded scores w/A&M the rest of the way. LSU is 6-2 in home finale, but don't play up to the level of expectations as they are 4-17 vs the Vegas number in Death Valley home finales. LSU started out the year slow and their average game grade was just 86.9 the first 5 games, but they have played to a 99.3 level the last 6 and have beaten the Vegas number in all 6 since that loss to Troy. A&M held Bama to just 355 total yards, but in the first 5 games allowed just 95.8 ypg rush and in the last 6 have given up 208.5 ypg.

LSU 26 Texas A&M 17

Phil Steele	Boise St by 4

Phil's Forecast:

Boise St is 13-2 s/'01, but the L/3 losses have come in Fresno including a 41-40 defeat LTH ('13). The last meeting was the '14 MW Title gm, the Bulldogs lost 28-14. Fresno St trailed 28-0. This is Boise's 6th road game in the last 9 weeks, but they have done well going a perfect 5-0 vs the Vegas number on the road and they are +13 ppg on the road and only +12 ppg at home. Fresno looked like the best team in the MW after they knocked off San Diego St 27-3 on the road at that point their average game grade was 90.5, but over the last 4 games their AGG is just 75.9. Boise has been the opposite as in the first 7 games they played to an AGG of 86.1, but over the last 4 games it is 95.3. Boise is use to big games and a win here means they host the MW title game next week. Fresno is +111 in MW play and Boise is just +101. While Boise has played a lot better the last 4 weeks I will still take the points with a solid team that is a TD home dog.

Boise St 27 Fresno St 23

Phil's Forecast:

SMU just faced the option of Navy 2 weeks ago and this game features two polar opposite offenses so these types of games are usually high scoring as it is tough for each teams' scout team to prepare for the other. LY SMU led 21-10 at HT w/a 253-80 yd & 13-5 FD edge. Tulane opened the 2H w/21 unanswered incl B2B 24 yd 3Q TD passes, SMU trailed 31-21 w/10:37 left. SMU went 73 & 78 yds for TDs, last w/1:16 int'g TU at their 2 on the final play. Tulane upset Houston last week to get to 5 wins and a win here gets them to a bowl. SMU opened the year at 6-2 and were +68 ypg, but since clinching the bowl they are 0-3 being outgained by 149 ypg. SMU allows 264 ypg rush and 5.7 ypc in AAC play. Tulane is just as bad at 223 ypg and 5.9 ypc. SMU is -21 ypg in AAC play and Tulane is -31. This should be a high scoring game.

Phil's Forecast:

Oklahoma St is 12-1 and has won the last 7 in a row and the Cowboys have won the last 3 in Stillwater by 42 ppg. LTH the Jayhawks trailed 28-0 w/10:31 2Q and the closest they got the rest of the way was 25 pts.LY w/4:27 in the 2Q the Cowboys actually trailed 13-10 & only led 24-20 w/6:24 3Q after KU went 75/10pl (td). From that pt OSU scored 20 unanswered as KU was int'd twice, SOD twice & punted to end its L/5 drives. Oklahoma St was upset by crafty Bill Snyder last week and has no shot at the Big 12 Title game so this is just a FHG in Stillwater for Mason Rudolph and James Washington. OSU is +108 ypg in Big 12 play and naturally Kansas is -165 ypg. OSU surprisingly is beating foes on the road by 17 ppg, but only outscoring foes at home by 10 ppg while KU is -29 ppg on the road. Kansas was shutout in B2B road trips by Iowa St 45-0 and TCU 43-0 mid-season and last week lost their home finale to Oklahoma 41-3. My computer likes the Over 70 in this one.

Oklahoma St 60 Kansas 20

Phil's Forecast:

LY Arizona St came in needing a win for bowl eligibility and gave up big play after big play in front of an enthused Arizona home crowd (surprising since they were 2-9 coming in) and lost 56-35. The home team has now won 4 straight Territorial Cups and have done so by 20 ppg. Khalil Tate has been a sensation since taking over the starting job, but after his 327 yards rush vs Colorado his weekly rush numbers have been 230, 137, 146, 161, 206 (vs Ore St) and just 32 last week vs Oregon. Arizona is +2 ypg in Pac 12 play and Ariz St is +12. The Sun Devils D allows 426 ypg in Pac 12 play and Arizona is 501. Arizona St is on a nice 6-2 ATS run delivering my selections a 5-1 record during that stretch. Arizona was outgained 591-326 at Oregon LW while Ariz St led 30-0 in their win. Ariz St has taken on the tougher schedule (#21 vs #57) This game is pick'em and Arizona St is the stronger team and at home and should win a shootout.

Best Bet: ★ Arizona St 43 Arizona 38

Phil Steele	Oklahoma by 31

Phil's Forecast:

Oklahoma is 5-0 as B12 rivals winning the last 3 meetings by 20 ppg. LY OU led 34-0 w/2:26 2Q outgaining WV 406-179 in a snow storm in WV. OU is 17-2 in home finales s/'98 (both losses vs Okla St). WV will be without QB Will Grier this week and soph Chris Chugunov will get his first start and QB Baker Mayfield will not start for OU after his gesture last week. Oklahoma is +240 ypg at home and +149 in Big 12 play while WV is just +18 ypg in Big 12 play and that was with QB Grier. Oklahoma's defense is holding foes to 25 ypg below their season average and their much-maligned defense has allowed just 11.5 ppg the last 2 weeks and now take on a backup QB.

Oklahoma 48 West Virginia 17

Phil's Forecast:

The Ducks are 8-1, but lost last year and the home team is 15-5. Last year the Ducks led 24-14 mid 3Q but the Beavers scored the final 20 pts eventually putting their rivalry away after a 68/9pl TD drive w/1:56 left. The Ducks are off a bye and a home game vs Arizona while Ore St is on a 3rd road game in 4 weeks. With Justin Herbert at QB the Ducks are averaging 49 ppg with him and just 15 ppg without him!! Oregon is +156 ypg at home and OSU is -163 ypg on the road. Oregon St was +113 ypg in the first two games for interim HC Cory Hall, but are just -165 ypg the last 3. Oregon St trailed Ariz St 30-0 last week. The Beavers are a large rivalry dog, but I will side with the Herbert led Ducks here.

Oregon 49 Oregon St 20

Phil's Forecast:

The home team has won 7 straight in the series by an avg of 13 ppg and the home team has won by at least 7 each time. New Mexico St still has bowl hopes, but did lose QB Tyler Rogers to injury last week and he is ? here. Rogers has a 24-15 ratio. Nick Jeanty replaced him and hit 15-20, but also tossed 3 ints. Idaho is in their last year of FBS and after winning a bowl game last year they thought they could contend for the SBC crown. They just had their FHG this year in the Kibbie Dome and got upset which was loss number 7 so there will be no bowl. Idaho just gave Coastal Carolina their 2nd win of the season last week and their QB Matt Linehan DNP. This is only the 4th home game of the year for an Aggie squad that is playing at an average game grade of 77.4 and should be fired up at home so the AGG is calling for a double-digit win.

New Mexico St 37 Idaho 24

Phil's Forecast:

Last year was the schools' first meeting. Louisiana led 31-13 4Q and won 33-25 holding Georgia Southern to a season low in rush yards at 52 (1.9). GS just played their home finale and beat South Alabama 52-0 for their first win of the year. They were -92 ypg in SBC prior to their 583-195 yard edge vs the Jaguars. Louisiana still needs one win to get to a bowl and this is their home finale with App St on deck so this one is important. ULL has got its ground game going the last 3 weeks with 257 ypg rush and 5.6 ypc. GS has allowed 5 teams to rush for 240 plus this year and is allowing 5.2 ypc rush overall. Jordan Davis retook the QB job for ULL and RB Trey Ragas who sat out vs Ole Miss returned last week with 132 vs NMSt. GS is 0-5 on the road this year (1-4 ATS) and has been outgained by 246 ypg (+56 at home) losing by an average of 30 ppg.

Best Bet: ★ Louisiana 37 Georgia Southern 23

Phil's Forecast:

This is just the 4th meeting & 1st s/'14. Tulsa is 3-6 ATS in home finales. Temple has been favored on the road twice this year and won both vs the Vegas number. Tulsa averaged 35 ppg when Chad President took the majority of the QB snaps the first 5 games. They went to Luke Skipper at QB and after 28 and 45 his first two games they have averaged just 23 ppg since. Skipper is questionable for this. Temple has a huge edge on defense as they allow just 358 ypg and hold foes to 93 ypg below their season average. Tulsa gives up 505 ypg and opp's gain 52 ypg above their season average. While the offenses are close Temple turned to Frank Nutile the last 4 games and have averaged 499 ypg after avg just 311 ypg the first 7 games. They are off a misleading final as Temple had a 397-384 yard edge vs undefeated UCG, but were done in by -5 TO's. They actually held UCF to a season low. Temple needs a win to become bowl eligible and I will call for them to get it.

Temple 35 Tulsa 27

Phil Steele	La Tech by 3

Phil's Forecast:

It's Senior day in Ruston and LT hosts UTSA in the finale for the 2nd straight season. UTSA is 0-5 in this series losing all 3 trips here by 20 ppg. LT got win number 5 last week making this game even more important. UTSA has been overpriced in Vegas since their 3-0 start and have covered just 1 of the last 7 games. UTSA is +52 ypg in CUSA play and LT is just +2 ypg. LT has the offensive edge gaining 22 ypg above CUSA opp's avg's and UTSA is -20, but UTSA has a large edge on defense. UTSA also has a large ST edge (#31 vs #103). I will call for LT to grab the home win and be bowl eligible.

Louisiana Tech 24 UTSA 21

Phil's Forecast:

Memphis is trying to complete their first ever unbeaten season at home in the Liberty Bowl and they have been playing there since 1965! Memphis has a very important AAC Title game on deck and a win there would likely give them the Group of 5 New Year's Day bowl bid. East Carolina is a perfect 11-0 vs the Vegas number in this series and figures to be in a good spot here getting 4 TD's. EC has been much more competitive in conference play as they were -198 ypg vs non conf, but only -60 ypg vs AAC foes and Memphis is +97 ypg. In the first 7 games EC was -205 ypg and over the last 4 games they are +55 ypg. The situation, series history and recent results all say there is value on EC this week.

Memphis 49 East Carolina 30

Phil Steele	UAB by 18

Phil's Forecast:

UAB is just 2-8 in home finales and these two last met in 2010. UTEP is on its 3rd road game in 4 weeks. Bill Clark should be up for coach of the year as many opined that UAB should start back in FCS that the jump from two years off would be too hard. Clark has got them to 7-4 and a bowl game! UAB has taken on the tougher schedule (#73 vs #124). UAB is actually -19 ypg in CUSA play with UETP at -179 ypg. UTEP actually showed some signs of life last week with their offense putting up a season high 424 yards with true frosh RB Joshua Fields rushing for 137. The defenses are close and UTEP has a slight edge on ST's.

UAB 31 UTEP 13

Phil's Forecast:

Bama is now 5-1 the last 6 vs their rival with the only loss being the famed "Kick 6" game and their 5 wins have been by 24 ppg (not what you would expect in this type of rivalry). Last week Auburn was in one of the largest sandwich games ever facing a Sun Belt team between two home underdog games versus No. 1 teams. They only led 14-7 at half, but won by 28. RB Kerryon Johnson is making a push for the Heisman. He missed two games, but still has 1,172 (5.3). Alabama is allowing just 87 ypg on the ground (2.7), but now down 4 LB's they allowed LSU 151 (3.6) and Miss St 172 (3.5). Auburn is one of the few teams that can stand toe to toe with Bama at the line of scrimmage and rates the edge at LB. Alabama's biggest edges are with QB mobility, depth at RB and the receiving corps. Bama is +268 ypg in SEC play and Auburn just +162, but the Tigers are the healthier team and are 12-6 as a HD.

Alabama 26 Auburn 23

Phil's Forecast:

The Gators have lost their last 3 when hosting the 'Noles and are 1-6 in the series being held to 1 TD or less in 5 of the last 7 mtgs. Last year a banged-up Florida limped into Tallahassee with the SEC Title game on deck and off a road upset of LSU and lost 31-13. Florida St has won 4 in a row by 20.5 ppg. The Gators were down 25 of their 85 scholarship players two weeks ago and got destroyed by both Georgia and Missouri by 35 and 29. They were impressive at home last week vs a bowl bound UAB team winning 36-7. With Malik Davis OFY at RB, Mark Thompson had his biggest game of the year (13-78) and true frosh Adarius Lemons (PS#20) did as well (11-89). Florida St has taken on the toughest schedule in the country (UF #25 sked). Their defense is holding foes to 95 ypg below their season average (#12) and they can still get to a bowl as they added ULM next week. This is the Gators season finale with the only question being will Chip Kelly take the coaching job. UF's defense is holding foes to 17 ypg below their season average which is decent, but far below last year (120 below).

Phil Steele	BYU by 6

Phil's Forecast:

BYU is 9-1 in this series, but they last met in '12. Hawaii has won 5 straight regular season home finales with the last 4 by 7 or less. BYU has really struggled on offense this year as they gain 73 ypg below what their opponents usually allow. BYU does have large edges on defense (#62 vs #126). BYU is using their #3 QB and Joe Critchlow has a good debut in the win at UNLV, but was just 21-45-257-1-4 with those 4 int's very costly in the home finale loss to UMass. Hawaii clearly has the QB with Dru Brown hitting 60% with a 16-8 ratio and at RB with Diocemy St Juste having 1,471 (5.4) rush. BYU has taken on the much tougher schedule (#77 vs #123). Tough to back either of these two, but BYU has beaten the Vegas number 3 of the last 4 weeks and my computer has them by 6.

BYU 24 Hawaii 18
