Chicago had a	oudy, Low 70's. These teams are fairly even coming in as Carolina is sitting at 5- per game, while Atlanta comes in at 4-3 and plius 54 yards per game. I have de with Carolina's wins, however, as they have perhaps the best defense in the first and goal on Atlanta and failed on four shots at the end zone in the six-point a game-winning touchdown overturned versus Atlanta. The Falcons also trailed

I was originally thinking Washington here as leattle has yet to play a four-quarter game. They have two blowout wins, but trailed both dianapolis and the New York Giants at the half. While Washington lost to Philadelphia by 6, Kansas City by nine and Dallas by 14, all three saw their opponents score late in the me. Washington is plus 35 yards per game this year while Seattle is just plus 37 yards per me. Two key factors have me leaning to Seattle. Washington is off two physical divisional mes versus Philadelphia and Dallas and now travels across the country to the home of the 2th Man'. The main reason for my lean with the Seahawks however, is due to the experienced offensive line that Washington will have to put on the field due to a plethora of
