

POSITION OUTLOOK FOR 2010

OUARTERBACKS - Utah produced the #1 overall pick in the '05 NFL draft in Alex Smith (68%, 32-4 ratio, 631 rush '04). Brian Johnson and Brett Ratliff held down the spot the next 4 years with Johnson missing '06 and not being 100% in '07. In '08 Johnson led Utah to an undefeated year throwing for 2,972 (68%) with a 27-9 ratio (1 of 5 finalists for Unitas Award). Corbin Louks was brought in as the running QB (27 rush att) and att just 7 passes. Louks was the frontrunner out of the spring in '09 but had to hold off Terrance Cain, who led the NJCAA in passing yards (3138, 68%) in '08 and hit 72% in '07 and true frosh Jordan Wynn (PS#52), who was IFS. It was a 3-way tussle into Aug but then Whittingham announced that Wynn was #1, Cain #2 and Louks #3 (Louks transferred to Nevada). Cain overtook Wynn at the end of Aug. After 5 games his stats were very similar to Johnson's except he brought more running ability. Cain's arm strength limited the offense but he still threw for 1,624 (63.7%, 11-5) and was the #3 rusher (318). Wynn appeared headed for a RS season. In the 2H vs Wyo (gm 8) they took the RS off of Wynn and he sparked the team to a win. Wynn then started the final 5 and the offense avg 34.2 ppg in those games (27.1 ppg prior). This year both QB's return. Added to the mix is Griff Robles (6'4' 226 rFr, PS#39) who knocked a LB out for 12 wks with a tough hit last Aug and this year's true frosh. This unit is vastly more exp'd

and Wynn should be one of the top QB's in the MWC. **RUNNING BACKS** - In '07 Matt Asiata (PS#17JC) won the starting job but broke his leg in the opener. They were planning to RS Darrell Mack but he started in Wk 3 and rushed for 1.204 (4.8). In 2008, Mack and Asiata ret'd but were banged up in Aug and Mack's numbers dropped to 541 (4.4). Asiata also lined up in the Wildcat package and led but with just 707 (4.8, 12 TD). Whittingham had said he wanted to use the elusive Eddie Wide more but he had just 183 (6.1). Last year they had to replace Mack (11 st). In the first 3 Asiata rushed for 304 but was lost for the year in Wk 4. While Asiata is a power back (229 lb), Wide (4.47 spd) brought a different skill set. Surprisingly Wide set a school record with 6 consec 100 yard gms becoming just the 11th RB in school history to top 1,000 with 1,069 (5.3). Depth at RB was limited by injuries. Sausan Shakerin (6'2" 222 So, PS#48) rushed for 100 vs NM but was banged up (198, 5.5). They used Shaky Smithson (who is moving to WR) in the Wildcat package and he rushed for 99 (3.7). Adding depth is Beau Burton (5'9" 204 rFr, PS#189), Mychal Robinson (5'8" 192 Jr), Tauni Vakapuna (5'10" 229 Jr) and Jake Cook (5'10" 171 rFr, PS#107). This season Asiata has been granted a 6th year and he and Wide make up the best RB combo in the MWC

RECEIVERS - In '08 Utah had to replace 3 of their top 4 rec's. They generally travelled with 8 WR's but in '08 mainly used just 5. Last year had to replace their top 3. The top returnees in '09 were David Reed, who had 427 (17.1) and Jereme Brooks, who had 331 (11.0). Reed was by far the top guy LY setting school records for rec (81) and yds (1188, 14.7). Brooks got off to a slow start but was one of Wynn's favorite targets and finished with 696 (12.4). Aiona Key (PS#57JC, 1 rec '08) finished #3 with 227 (8.7). John Peel (PS#82) was the only other WR to top 200 (209, 13.1). This year they lose Peel (4 st), Reed (13 st, #5DC BAL), Key (11 st) and TE Chris Joppru (2 st, 0 rec). Not listed below are Sean Fitzgerald (6'3" 205 rFr, PS#248), Griffin McNabb (5'8" 168 rFr) and Jake Orchard (6'2" 194 So). While they have to replace 3 of their top 4, they have equal exp to '09

OFFENSIVE LINE-In '08 Utah had 9 of the top 10 OL's back. While the Utes had their highest ever finish in the AP poll, the OL stats were only avg with 156 ypg (4.1) with 25 sks (6.0%). Last year they had to replace 2 st'rs but their top OL, 1st Tm MWC LT Zane Beadles was back. Despite some minor injuries that forced a rotation that included inexp'd players, the Utes improved to 160 ypg rush (4.3) and trimmed the sks to 20 (4.9%). This yr they lose their star 1st Tm AA Beadles (4Y st'r, #2DC DEN) and 2nd

stringers RT Viliamu Nau (4 gm) and C Tyler Williams (3 gm). Four st'rs return incl 1st Tm MWC LG Caleb Schlauderaff, 2nd Tm MWC C Zane Taylor plus they add in PS#18JC John Cullen. Not listed below are Mike Steckling (6'6" 240 rFr) and Nick Binks (6'5" 260 So, PS#180) who moved from DE

DEFENSIVE LINE - This is Utah's primary recruiting emphasis annually and they have sent many DL's to the NFL. In 2008's magical season they had to replace 1st and 2nd Tm MWC players for the 2nd straight year but led by DE Koa Misi and Paul Kruger, allowed just 99 ypg rush (3.1) with 29 sks. Last year they had to replace 2 st'rs (#2DC) but 4 returned with starting exp. They expected to add PS#2JC James Aiono but he did not enroll until Jan '10. The unit was also hit hard by injuries with no player starting all 13 and only 1 starting 10+. As you would expect, the numbers slipped (138 ypg, 3.7). This year they lose 1st Tm MWC DE Misi (12 st, 71 tkl, 5 sk, #2DC MIA) and NT Kenape Eliapo (7 st, 16 tkl). DE Derrick Shelby tore his ACL (Wk 10) and hopefully will return 100%. They have 5 back who started LY. Unlike the last 2 years when they lost their top 2 DL's, this year they only lose one star and get a big addition in Aiono.

LINEBACKERS - Last year the Utes had all 3 st'rs back and it was regarded as the deepest, best unit on the team heading into '09. Nai Fotu (9 st '08) moved to DE. The team's top LB Stevenson Sylvester (#1 tkl'r) earned 1stTm MWC. This year they lose Sylvester (13 st, 5 tfl, #5DC PIT), MLB Mike Wright (13 st #2 tkl'r, 5.5 tfl), Kepa Gaison (10 st, #11 tkl'r, 4 sk) and Fotu (1 st, 23 tkl) who tore his ACL early spg. Chad Manis (PS#52JC) moved from QB last year (4 tkl) and JJ Williams (7 sts '06) is now 2 yrs removed from his mission. They also add in a VHT true frosh. Adding depth are Kalen Adams (6'0" 220 Fr) and Dave Fagergren (6'0" 204 So) and naturally this unit is my biggest concern on the D. This unit much less experienced.

DEFENSIVE BACKS - After a young Utah secondary finished #4 in my PDR in '07, they had 9 of their top 10 back in '08 and finished #22. Last year they had to replace 2 st'rs (#2 and #6 DC's) but had plenty of speed at CB with RJ Stanford and Brandon Burton both sub-4.4's. The Utes finished #10. This year they lose 1st Tm MWC FS Robert Johnson (13 st, 70 tkl, 6 int, 6 pbu, #5DC TEN), 3rd Tm MWC Stanford (13 st. 46 tkl, 8 pd. #7DC CAR), SS Joe Dale (11 st, 48 tkl, 5 pd) and CB Justin Jones (12 tkl). Not listed in the PSL are Chris Sciarretta (5'10" 220 rFr), Lolo Tenifa (5'11" 197 Jr) and Tyler Whittingham (5'10" 190 Jr). Burton is solid at one CB slot and they usually produce a solid secondary, but this unit still looks to be down a few notches.

PECIAL TEAMS - In '06 Louie Sakoda led the nation in net punting (41.4) and hit 16 of 20 FG's. Utah moved up to #16 in my ST rankings. In '07 Whittingham noted that the new KO rule actually helped them as Ben Vroman (28 TB in '06) had a strong enough leg. Vroman had 17 TB. Sakoda was the best ST player in the country as he avg 44.3 on punts (36.6 net) and hit 19 of 22 FG's (long 51). Derrek Richards was #9 in the FBS in PR's (14.7) and they finished #23. Sakoda was back in '08. After blocking just 2 punts in Whittingham's first 3 years, he brought

in Aiona Key (5 blk punt JC). Key was not eligible until Wk 4 but blk'd 3 punts (1 ret for TD). Sakoda hit an amazing 22-24 FG's (long 53) and avg 42.1 punting (35.7 net) while Vroman had 44 TB giving the Utes an FBS leading 3 year total of 93. JC David Reed avg 25.4 on KR and the unit finished #20. Last year they had to replace Sakoda. Vroman hit just 1-4 FG's. Joe Phillips took over and hit his first 7 FG's but just 2 from over 44 as Whittingham passed up some FG opportunities. Phillips was a semifinalist for the Lou Groza Award (20-22 FG's, L/48). Vroman had 32 TB's on 75 KO's. Sean Sellwood took over at P and the South African native avg 42.9 (net 37.0). This year they only lose Vroman and should improve upon last year's #38 finish.

COACHES - Kyle Whittingham was fought over by BYU and Utah for the HC job but he opted to stay. Whittingham started as the DC here in '95 and is a BYU grad. He made some great initial hires in OC Andy Ludwig and DC Gary Andersen but LY Ludwig left for Cal and Andersen became the HC at Utah St. Whittingham elevated RB coach Dave Schramm to OC and LB coach Kalani Sitake to DC. Whitt promoted Aaron Roderick (WR's) to co-OC. He also hired record setting QB Brian Johnson (QB cch).

PHIL'S FORECAST

In '04 I mentioned that 4 of my then-7 sets of power ratings called for the Utes to have an unbeaten season and they achieved that AND became the first BCS buster. They dominated #19 Pitt 35-7 in the Fiesta Bowl while outscoring opp by an avg of 45.2-19.5 (+132 ypg). Their closest gm was a 14 pt win. Their #4 finish in the AP poll was their highest ever at that time. In '05 they lost HC Urban Meyer as well as QB Smith. They moved the ball well in '05 avg 474 ypg but scored just 30 ppg. They had a 4-4 record in MWC play but were -86.5 ypg (league best). With backup QB Brett Ratliff, they knocked off BYU then upset #24 GT 38-10 in the Emerald Bowl. The Utes had 12 ret st'rs in '06 and finished 3rd at 5-3 with 2 tough losses as they led NM 24-3 and BYU 24-10 (BYUTD last play). In '07 they had to face BYU and TCU on the road and injuries greatly affected them with top OL Boone, QB Johnson, RB Asiata, WR Casteel and other key players being lost for part or all of the ssn. They knocked off Navy in the Poinsettia Bowl but for the 3rd straight year, finished unranked (9-4). While they were +11 in TO's, they had 51 sts lost due to injury. In '08 BYU was pretty much the consensus pick to win the MWC and of all the sources documented by football.stassen.com. my mag was the only one to pick Utah to win the MWC Title outright and some had the Utes picked as low as 3rd. I mentioned that 4 of my then-8 sets of power ratings called for Utah to go unbeaten and picked the Utes as my top non-BCS team (pg 22). I never really knew how many football fans there were in Utah until my mag hit the newsstands and my website was bombarded by BYU fans wondering about my overall football IQ (to put it nicely). Utah had some close calls but when they beat #16 BYU they were unbeaten and advanced to the Sugar Bowl. They thoroughly dominated Bama 31-17 (349-208 yd) and received 16 first place votes in the AP poll finishing #2 and were the nation's only undefeated FBS team. Utah did benefit from -13 in TO's and 5 net close wins (pg 299). The Utes only had 12 starts lost to injury and just 11 ret strs in '09. They once again had to play both TCU and BYU on the road and as expected, the record dropped some to 10-3. They had the nation's longest winning streak (16) end in Autzen Stadium which is one of the toughest venues to play (only outgained by 15 yds). They trailed Colo St 17-3 but got two 4Q TD's to pull out the win. They were outgained by 51 yds vs AF but pulled out a 23-16 OT win. They trailed Wyoming 10-3 at the half but rallied for the win. They were pumped up for the road matchup at TCU but were thrashed 55-28 even with scoring a TD with 2:29 left. In a TCU/BYU sandwich they wiped out SDSt 38-7. They trailed BYU 20-6 heading into the 4Q but ended up losing in OT by 3. In the bowl Cal jumped out to a 14-0 lead but Utah dominated after that and finished 10-3 and #18. This yr the Utes get both BYU and TCU at home. They have 12 ret starters but are much more exp'd at QB. Once Jordan Wynn took over at QB, Utah went from avg'ing 27.1 ppg to 34.2 ppg. Despite their 6-2 MWC record, they did only outgain MWC foes by 44.1 ypg. Their 9 straight bowl win streak is the longest in the NCAA and they had 6 players drafted. The MWC Title probably rides on the outcome of the Nov 6th gm
