153 - Last year Southern had to replace '08 OPOY and '09 1st tm SWAC Bryant Lee and came into the ssn with inexp Jeremiah McGinty (5 att, 8 rushes '09). McGinty threw for 1,266 (44.5%, 9-7) and rushed for 229 (4.4). He was spelled by true Dray Joseph (1117, 49.4%, 5-4). Both are back and while McGinty is again the clear cut leader into the season he was injured this spring giving Joseph the majority of snaps and valuable experience. This unit is clearly well ahead of where it was LY

ຣ - Last year they had to replace their #1 Brian Threat (537, 3.5) and had just 1 of their top 3 back. The top returner was Gary Hollimon who rushed for 329 (3.4). They also ret'd #4 Byron Williams (114, 4.4), who missed the 2nd half of the '09 season with a broken ankle. They must replace Hollimon TY but return Sylvester Nzekwe who had 248 (3.8) and 68 rec (4.5). Byron Williams DNP LY but returns as the backup as well as PS#132 Brandon Rice (139, 3.6). The FB duties will be handled by Lee Mitchell who had 7 st as a true LY.

Fig. - LY SU lost their top 2 rec's in 3x 1st tm SWAC Juamorris Stewart and 1st tm SWAC TE Warren Matthews forcing them to find a new go to threat. This year they again lose their top rec in Curry Allen (534, 13.4) but have multiple options. Back is #2 LaQuinton Evans (329, 19.4) as well as #3 Corderious Gregory (324, 18.0). Charles Hawkins (195, 12.2) and Kesean Peterson (100, 14.3) will also battle for time. At TE it will be either Javon Jordan (148, 21.1) or Rashaun Allen (87, 29.0). The rec corp is well ahead of last season.

- The OL lost 1 st'r LY but dropped from a SWAC best 13 sacks allowed to giving up 27. They also struggled in the ground game avg 90 ypg (3.1). TY they lose 2 st'rs incl a 1st tm SWAC C. They do return some exp with the anchor being 2nd tm SWAC LT Chris Browne (11st). He will lead a group that features RT Lee Almanza (11st), LG Taylon Jones (5st) and C Aaron Hall (7st at OG). Charles Barkins (PS#204) returns as does Clinton Boyd (ÁS LY) who was praised by the staff and is ready to battle for time

Ling - In 2009 the Jaguars allowed 138 ypg and 3.5 ypc. They ret'd 2 of their 4 st'rs LY and slipped to 150 ypg (3.9). TY they lose DT Jordan Miller (32 tkl, 9 sk, 6 tfl) and DE Steven who missed about 1.5 seasons with inj's after being 2nd tm this unit more ret'g exp than they had LY.

SWAC in '08. There's a 3-man battle for the 2 DT spots in Kedy Enabulele (6st, 25 tkl, 5 sk, 4.5 tfl), Casey Narcisse (5st, 15 tkl) and Ariz St tran PS#76 John English. While they return only 2 st'rs, this is a quality unit.

😸 - This unit ret'd a pair of st'rs in both '09 and '10 but after allowing 23.4 ppg in '09 they gave up 33.8 ppg LY. TY they again lose 1 str but 3 players return that comb for 17 starts They do return SLB John White (9st, #2 tklr, 3 sk) and WLB Anthony Balancier (6st, #3 tklr, 2 sk, 9.5 tfl). The unit will be rounded out by MLB Corey Ray (2st, 33 tkl, 3 sk). The coaches are thrilled to have the productive Lambuth tran Jamie Payton on the squad after he totaled 226 tkl's in 3Y.

3 - In 2009 the secondary allowed 203 ypg and 53.9% comp. They were to return 3 st'rs LY but their AAS Jason House only made 2 starts before being injured. The unit still produced 11/12 at Alabama St

(25 tkl, 3`sk, 2.5 tfl) and he'll be joined by Dexter James also pleased to welcome back Kevin King (inèlig LY) giving the 2nd year of the new HC and while potential scholarship
