

QUARTERBACKS - In '10 Tommy Rees (PS#49) hit 33-54 vs Tulsa and became the first ND frosh to have 4 td's in a game. Rees was 4-0 as the starting QB (1106, 61%, 12-8). In '11 they added the more athletic Kelly recruits, rFr Andrew Hendrix (PS#12) and true frosh Everett Golson (PS#20). Rees threw for 2,871 (66%, 20-14) while Hendrix played in 5 (249, 49%, 1-2). In '12 Rees was susp for the opener and Golson won his first 10 sts (2nd best ND history). Hendrix had just 7 att's. Kelly played the QB position perfectly using the vet Rees during crunch time. Golson improved weekly and threw for 2,405 (59%, 12-6, 298 rush) while Rees threw for 436 (58%, 2-2). LY in late-May (after the mag was published) Golson was susp (Acad) for the year. Rees' 969 pass yds in the 1st 3 wks were the most by any QB vs FBS tms. In the 9 wins, Rees had a 19-4 ratio while in the 4 losses he had an 8-9 ratio. Hendrix struggled (2-14-56) particularly in the 2H of the USC gm (Rees inj'd). Malik Zaire (PS#15) RS. While he won't be remembered as one of the most talented ND QB's, Rees (3257) 54.1%, 27-13) leaves as the #3 career passer. TY Golson battled rFr Zaire in the spring and they also add in VHTTrue DeShone Kizer (PS#13). With the return of a heavier (+20 lbs) and more mature Golson who spent much of LY with QB guru George Whitfield, I look for ND's numbers to be the best in the Kelly era

RUNNING BACKS-In'11 Cierre Wood (1102, 5.1) became the 10th Irish 1,000 yd rusher and the first s/'06, (Darius Walker). In '12 Theo Riddick who had played both RB and WR in his career led with 917 (4.8, 370 rec) while Wood was #2 (742, 6.5). George Atkinson III (fastest tm) had 915 KR yds (26.1) but just 27 rush yd as a true. In 12 he improved to 361 (7.1). LY they lost both Riddick and Wood and I expected them to be down a few notches. Atkinson and USC trans Amir Carlisle (PS#13) topped the '13 depth chart. Atkinson led the 1st 2 w/132 (6.9). The only non-VHT was Cam McDaniel (PS#63) who Kelly compared to Danny Woodhead. He finished #1 w/705 (4.6). True frosh Greg Bryant (PS#6) played in iust 3 (ini) and RS while the other VHT true frosh Tarean Folston came on strong late (291 last 3) and finished #3 w/470 (5.3). TY they lose Atkinson (#2, 4 st, 555, 6.0) while Carlisle moves to WR. With 2 of the top 3 back this is an improved unit.

RECEIVERS - The Irish have had some elite receivers in recent yrs led by '09 Biletnikoff winner Golden Tate and their all-time leading rec Michael Floyd (#1 DC). The Irish have become "TE U" as they have had 5 str starting TE's selected in the 1st or 2nd Rnd. In '12 TE Tyler Eifert led with 685 (13.7) and became ND's first ever John Mackey Award winner. TJ Jones (PS#20) was #2 with 649 (13.0) while DaVaris Daniels (PS#15) was #3 (490, 15.8) despite just 3 sts. LY they lost Eifert (#1DC) but added in 4 true frosh incl 6'5" Corey Robinson (son of NBÁ HOF David). Jones led w/1,108 (15.8) and had a streak of 7 str

gms w/a td (2nd all-time ND, Jeff Samardzija '05). Daniels was #2 w/745 (15.2) while Troy Niklas was #3 (498, 15.6). TY Jones (7 st, #6DC DET) and Niklas (13 st, #2DC ARZ) depart. Torii Hunter (PS#36, father is 5-time MLB All-Star) broke his leg as a SR in HS and RS LY. He is a player to watch TY. They also add in Carlisle from RB. Despite losing over 50% of the units yds (lost #1, #3) they remain a solid group.

OFFENSIVE LINE - ND has not had a 1st Tm AA OL in 11 yrs (C Jeff Faine). The Irish OL had shown improvement in their rush ypc 5 str yrs heading into LY going from a low of 2.1 in '07 to 3.3, 3.8, 4.0, 4.8 and 4.9. In '12 they had 65 car sts back and their 189 ypg rush was the best s/'00 (18 sk, 4.6%). LY they lost a 3rd Tm ÁA Č (3Y st'r) and RG (13 st) but did return 2nd Tm ÁA LT Zack Martin and 2Y st'g LG Chris Watt. While their car sts rose to 78, their streak ended avg just 151 ypg (4.5) but all'd just 8 sks (1.9%, #3). Golson & Hendrix had rushed for 339 net in 12 and Rees & Hendrix comb for -30 which accounts for the drop. The Martin's (Zack and Nick) became the first brothers to start on the OL for ND s/the Huffman's in '78 (Dave and Tim). The unit did suffer some inj as Nick Martin was OFY after 11 sts LY and RG Christian Lombard (13 st RT '12) was OFY after 7 sts. Martin broke Sam Young's ('06-09) schl rec of 50 car sts w/52. TY they lose 4th Tm AA LT Martin (bowl MVP, #1DC DAL) and 2x 1st Tm Ind LG Watt (11 st, 3Y st'r, #3DC SD). TY they have 3 st'rs back (car sts drop to 54) but with Golson back they could improve their rush numbers.

DEFENSIVÉ LINE - ND's rush D bottomed out in '09 allowing 170 ypg (4.8, 19 sk). The Irish showed improvement in each of the next 3 yrs. In '12 they had to replace 2 DL (comb 15 sts) and allowed 106 ypg (3.5 rush, best s/04) with their 34 sks the best s/03. 2nd Tm AA Stephon Tuitt had 12 sks while 3rd Tm AA Louis Nix led with 50 tkls. LY they appeared to have 5 of the top 6 back but their top bkp, Tony Springmann (PS#55) was OFY (knee) in August. Nix (8 st, no sks) and Tuitt (13 st, 7.5 sk) were banged up most of the year. The rush numbers slipped to 168 ypg (4.2, just 21 sks). TY Tuitt (#6 tkl'r, #2DC PIT) & Nix (27 tkl, 2 tfl, #3DC HOU) both left early for the NFL while Kona Schwenke (7 st, 23 tkl) also departs. In the 2 deep LY was soph Sheldon Day (PS#23), rFr Jarron Jones (PS#20) and true frosh Isaac Rochéll (PS#23). While LY's numbers weré disappointing, TY's D-line loses it's top 2 players (both '12 AA's).

INEBACKERS - In '12 they had 5 of the top 6 back (#1, #6, #10, #13 tkl'rs). Manti Te'o finished 2nd in the Heisman voting. LY Te'o moved on (#2DC) and OLB Danny Spond (PS#32) had his career end (migraines). MLB Jarrett Grace became the vocal leader of the front 7 but then broke his leg and was OFY (41 tkl, 7 gm). ND's D went from allowing 12.8 ppg to 22.4 despite the addition of PS#1 true frosh Jaylon Smith (#3 tkl'r, 6.5 tfl). TY they lose OLB Prince Shembo (13 st, #8 tkl'r, 5.5 sk, #4DC ATL), Carlo Calabrese (13 st, #2 tkl'r, 5.5 tfl) and Dan Fox (10 st, #1 tkl'r, 5 tfl). Smith is now a soph and Grace returns. Despite being less

exp'd, they should improve upon '13's numbers.

PETENSIVE BACKS - In '11, ND had 7 of their top 8 back and surprisingly only finished #73 in my PDR (60%, 23-8). In '12 they had to replace 3 st'rs (#1 and #5 DC). They then lost '11's #7 tkl'r to injury. KeiVarae Russell (PS#18) became the first ever ND true frosh CB to start an opener. They moved in a pair of WR's in Bennett Jackson to CB in '11 and Matthias Farley to S. Having a great front 7 helped, but it was still surprising to see ND finish #18 (60%, 11-16). LY they had to replace #6 and #7DC's and 2 bkps. The Irish's sack total dropped to 21 and despite 3 st'rs back, they dropped to #58 (58.8%, 19-13). Eilar Hardy (PS#34) had just 1 tkl in the first 6 but got 2 sts at S (24 tkl L/5 gm). TY they lose CB Jackson (#4 tkl'r, 2 int, 3 pbu, #6DC NYG) and Lo Wood (10 tkl) transferred. Seven of the top 8 are back, they add in Florida transfer Cody Riggs (11 st '13) and I look for a good sized climb in my PDR

SPECIAL TEAMS - Brian Kelly's ST units at Cincy were #21, #1 and #8, In '12 his ND squad was #74. LY st'g WR TJ Jones volunteered to be the PR to improve the woeful unit and avg 7.6 while KR George Atkinson improved his avg to 25.2 (20.0 in '12). PS#1 Kyle Brindza handled all 3 K's duties as he had 35 TB on 75 KO, hit 20-26 fg (incl ND rec 53 yd'r vs ASU) and avg'd 41.1 on punts (tm net 34.7). ND was #70. Jones and Atkinson depart but Brindza (ND record 4 car FG of 50+) is one of the best in the country.

COACHES - Brian Kelly's 37 wins in his first 4Y here ties Lou Holtz and Dan Devine for the most ever. Kelly led Cincinnati ('07-'09) to B2B BCS bowls, C Mich ('04-'06) to their 1st bowl in 12Y and Grand Valley St ('91-'03) to a pair of DII Nat'l Champ. He must replace both coor that now are HC's at UMass & Miami, Oh. The new OC is Mike Denbrock who was a TE cch here under Ty Willingham and ret'd in '10. New DC Brian VanGorder spent LY as the Jets LB cch. In '12 he was Aub's DC and the previous 5Y was a ATL Falcons cch (DC L4). VanGorder was also a HC at GSthrn ('06) and Wayne St ('92-'94) and DC at UGA ('01-'04)

(/O (37.2) #10

In Charlie Weis' first year, he inherited 10 ret st'rs on offense and led the Irish to a BCS bowl (Fiesta). In '06 the Irish opened at #2 and got to 10-1 but then lost to #3 USC by 20 and to #4 LSU by 27 in the bowl. In Weis' final 3 seasons, ND was just 16-21 incl their disastrous 3-9 year ('07) when they set many records for futility. Brian Kelly had exceeded my expectations all 3 yrs at CM and all 3 yrs at Cincy and I thought he stepped into a good situation in '10, but ND was not ranked all yr and finished 8-5. In '11 they opened the season #16 but after a bowl loss to Fla St, finished NR a 5th str yr (32-31 5Y span). In '12, I called for the most wins here s/'06. ND. of course, overachieved everyone's expectations getting to the National Champ game where they were throttled by Alabama. I pointed out LY that they had benefitted from 5 net close wins, had a def ypp of 23.9, were +8 in TO's and the Stock Market Indicator also pointed down. After my magazine went to press, they lost QB Golson and had just 12 ret st'rs. They only won 28-6 vs Temple. At night vs Mich in the Big House they were down 27-13 at half and lost 41-30. They trailed Purdue but got a td w/12:40 left and an IR td to go up 14 and after a PU td, ND ran off the final 7:22 ending at the PU10. ND dealt Mich St (finished #3) their only loss of the season. The previous year ND gave Okla a tough home loss. LY OU got a 24 yd IR td on the 3rd play then another int set up a 32 yd td drive putting ND in a 14-0 hole they never got out of. They took on Ariz St in Arlington and after the loss to OU, they were an underdog. Tied at 27, ND got a 25 yd fg w/3:03 left then an IR td w/1:08 left. ASt made the yds close with a 75/7 drive for a gbg td w/:11 left. USC missed a pair of fg's and ND won at home by 4. AF was down to a 4th string QB and ND won 45-10. They had a tough time getting Navy's offense off the field. Navy was SOD at the ND31 with 1:08 left and the Irish escaped to move to 7-2. DE Tuitt was wrongfully ejected which hurt the already banged up D and they lost 28-21 to Pitt. ND moved to 13-1-1 when it snows at home and beat BYU 23-13. Surprisingly the win over BYU was the first game ND did not trail since the opener. The Irish were within 24-20 after 3Q on the road vs #8 Stanford but lost by 7. In the bowl, the Irish went into Rutgers' backyard and came out with a 13 pt win. ND did benefit from 3 net close wins LY but get back QB Golson. They are stronger on both sides of the ball and will be improved, but face the toughest schedule in the country (pg 27)
