

GEORGIA BULLDOGS

Dawg but also was #2 (379, 10.8). TY they lose Mitchell (#3 all time here in rec's, 13 st, #4DC NE) and TE Jay Rome (1 st, 8 rec, UFA PIT). They add in PS#10JC Javon Wims. Despite the loss of their top guy, I look for increased production.

OFFENSIVE LINE - The Bulldogs have gone against the grain of my exp rankings each of the last 5 yrs with 3 veteran units having weaker numbers and the 2 inexp'd units improving. In '14 they had to replace 3 st's (car st drop to 54) but improved (258, 6.0, 17 sk). LY they lost their 3Y C and 2 bkps. They had 4 st's back (78 car st) but dropped to 192 (5.1, 15 sk). Losing RB Chubb was a huge factor (747, 8.1 F/5 gm). TY they lose both solid OT's in 1st Tm SEC John Theus (13/45, #5DC SF) and Kolton Houston (13/32 st) plus C Hunter Long (2 st). They drop to 3 ret st's but add in Rhode Island grad transfer Tyler Catalina (33 car st, 2X All Conf). I expect the rush yards to improve (98 car st) with the unit's history and the return of Chubb.

DEFENSIVE LINE - LY the Bulldogs lost a DE & two DT's who were the units top 3 tkl's (25 st, 96 tkl, 3 sk). They added in 4 VHT frosh incl PS#1 Trenton Thompson (6'4" 307) and had 3 of the top 6 back. They allowed 149 ypg rush (4.0) with just 21 sks. Thompson was the #1 DL tkl'r but was banged up mid-ssn (6 st, 28 tkl, 2.5 tfl). TY they lose 323 lb NG Chris Mayes (11 st, 41 tkl, 1 tfl), DE Sterling Bailey (10 st, 46 tkl, 2.5 tfl, UFA IND), DT Josh Dawson (8 tkl, UFA ATL) and DT James DeLoach (4 st, 25 tkl, 3.5 tfl, UFA DET). They lose 4 of the top 9 and since '15's rush D numbers were not great (did face two option teams), I expect them to be tougher vs the run.

LINEBACKERS - LY they lost a 1st and 2nd Tm SEC (#6 & #4 DC's). They ret'd their #3 tkl'r Jordan Jenkins, #5 Leonard Floyd, #7 Lorenzo Carter (PS#4, 41 tkl, 4.5 sk true) along with their #11 & #13 tkl's. They also brought in 2nd Tm CUSA Jake Ganus (#1 tkl'r UAB '13 & '14). My computer called for them to allow 312 ypg and they gave up 306. TY they lose Ganus (13 st, 1 tkl'r, 5 tfl, UFA MIN), Floyd (13 st, #2 tkl'r, 4.5 sk, #1DC CHI) and Jenkins (10 st, #4 tkl'r, 4 sk, #3DC NYJ). Those are some large shoes to fill but they did have 3 VHT true frosh (PS#5, #12, #18) get their feet wet while Tim Kimbrough (PS#22) was the #3 tkl'r. Lorenzo Carter (PS#4) and Reggie Carter (PS#47, inj '15) should shine with more playing time (13 VHT's in unit).

DEFENSIVE BACKS - UGA was #12 in my PDR (53.8%, 13-16) in '14. The longest pass UGA all'd all season was 38 yds (in '13 they all'd 6 td passes of 39+ yds). LY they lost a 2nd Tm SEC DB (#4 tkl'r, #5DC) and SS Corey Moore (6 st, 26 tkl). They ret'd their #6, #8 & #10 tkl's and allowed just 156 ypg (51.7%, 11-12 ratio). My PDR rankings take into account strength of opp faced and the only QB in the Top 75 they faced for a full game was Jake Coker so they were just #40. TY the only loss is CB Johnathan Abram (4 st, 25 tkl) allowing them to be one of the top secondaries in the SEC.

SPECIAL TEAMS - Marshall Morgan (3YK) hit 18-25 (long 47) in '15 (17 TB, 59 KO). True frosh Isaiah McKenzie had 3 TD's on returns in '14 (PR 12.1, KR 28.1). Georgia was #12 in '14 and slipped to #53 LY despite 2 more PRTD's by McKenzie (12.8). QB Brice Ramsey took over the punting duties late (41.9, tm net 35.7). TY they lose K Morgan (#3 all time scorer SEC, UFA BUF) and P Collin Barber but could return to the Top 25 if a K emerges.

COACHES - Kirby Smart was hired following his dominant run leading Alabama's defense to 7 Top 10 national rankings during his tenure ('08-'15) and NEVER allowing more than 18.4 ppg! Smart previously was on staffs at Fla St ('02-'03), LSU ('04) here ('05) then the NFL w/MIA ('06). Smart also played here ('95-'98, all SEC DB). The new OC is SEC vet Jim Chaney who ran offenses at Tenn ('09-'12), Ark ('13-'14), Pitt ('15) and also served as an asst cch in the NFL w/STL ('06-'08). The new DC is long time NFL coor Mel Tucker, who ran defenses in CLE

('08), JAX ('09-'12) and CHI ('13-'14) and was with Smart as asst HC/DB's at Bama '15. Shane Beamer, son of legendary former VT HC Frank Beamer, joins Smart as his ST coor/TE cch. For the past 5 ssns he was on his Dad's staff (also HC/RB's '11-'15).

THIS DECADE 56-24 (70.0%) #18 - In Mark Richt's 2nd ssn ('02) he led Georgia to its first SEC Title in 20 yrs and set a sch record with 13 wins (#3 AP). Only UGA and USC finished in the Top 10 each year from '02-'05. UGA's D finished in the Top 20 for 7 str yrs ('01-'07). Richt became the then-5th SEC HC to win 10+ in 4 straight yrs (Bryant, Dooley, Fulmer, Spurrier and now also Saban). Georgia was 98-31 from '00-'09. In '12 UGA finished #5 and entered the '13 Preseason Poll in the same spot. RB's Gurley & Marshall were both inj'd, they lost to Clemson, which had a great situational edge, gave up the "Immaculate Deflection" vs Aub and finished just 8-5 (NR). In 2014 UGA was #12 Preseason. They were 9-2 and fumbled twice inside the 1 of GT, failing to put them away. GT got a 53 yd fg on the final play and Georgia lost in OT. They dominated Louisville 37-14 to finish 10-3 and #9. LY they were 10-3 (unranked this time) again putting them at 56-24 70% this decade.

2015 ANALYSIS 10-3 - The Bulldogs had just 3 SEC AG's in '15. UGA, led by RB Chubb opened 4-0 and were the first team to be favored over Bama in 72 games. They trailed 24-3 at half, in the rain and lost by 28. They jumped out to a 24-3 lead over Tenn but RB Chubb was OFY on the first play of the game and Georgia allowed 2 TD's in the last 1:04 of the half. Tenn got a TD with 5:48 left to pull out the win. Georgia had a 19-6 FD edge vs Missouri but only won 9-6. Richt then let Baton Bauta start and play the whole game vs Florida in a 27-3 loss (4 int). Georgia was 5-3 but won their last 5, although their last 4 wins were by 7, 6, 6, and 7. Richt was let go after the regular season and they had an interim cch for the bowl. They were 10-3 again but this time finished unranked.

PHIL'S FORECAST

OFFENSE - The Bulldogs took a drastic drop on offense last year going from 41.3 ppg in 2014 to just 26.3. They averaged 37.1 ppg in games RB Nick Chubb started and just 17 ppg in those he did not. Chubb is back and with 8 starters returning on offense they should get back above the 400 ypg they dropped below in 2015 (377 ypg).

DEFENSE - Kirby Smart was at Alabama for 8 years and not once did they allow over 18.4 ppg. They do have some big losses in the defensive front 7 but also have plenty of VHT's to plug in there. With 6 starters back they should be at least as good as last year.

2016 - Mark Richt is now back at Miami and Kirby Smart inherits a talented team with 14 ret st's. Georgia has won 10+ games 4 of the last 5 years. Georgia does have just 3 SEC home games this year (Florida at neutral site) but Alabama drops off the regular season schedule. Three of their SEC road games are vs teams that were 4-20 in the conf LY. Georgia did benefit from 4 net close wins in '15 (pg 24) and is going thru the coaching change. Three of my 9 sets of power ratings call for a double digit win season. The Bulldogs do get Tennessee at home and are a legitimate contender in the SEC East.

UGA is 9-1 but w/Lmtg was in the '71 Gator Bowl, UGA won 7-3. Bulldogs last opened in the Georgia Dome in '11 ranked #19, losing to #5 Boise St 35-21. Smart was a AA at UGA in '99 & co-CD RB's here in '05.

First mtg. Bulldogs are 9-0 vs FCS programs, avg win by 39 ppg. The Colonels went 3-8 LY incl losses at ULM & Colorado by a combined 95-0. Smart served on the Alabama staff L9Y (DC from '08-LY).

LTH UGA forced 5 TO's (4 ints). Mizzou ran just 4 plays in UGA territory (UGA39 was deepest drive). It marked the Bulldogs 1st road shutout over a ranked school s/82 (44-0 vs Florida in Jacksonville).

Bulldogs have won 10 str overall incl a 27-13 win the LTH ('11), 5th str win in Oxford. Georgia is 9-2 in regular ssn gms vs the SEC West (loss in '13 vs AU & LY vs Bama) but are 0-2 in SEC Title gms.

LY UGA led 24-3 but from late 2Q until 1:26 3Q UT scored 28 str & led 31-24 into the 4Q. Tied 31-31 UGA a/d'd a 78/8pl gm deciding td w/5:48 left. UGA's EZ pass fell inc on the gms L/pl (from UT27).

LTH UGA's only lead of the gm was 10-7 mid 1Q. After a 75/11pl td drive UGA cut SC's lead to 3 w/7:10 left. SC then was int'd & UGA was set up 1&gl at SC4 but their 28 yd fg missed (SC ran out L/4:24).

LY the Bulldogs got on the board in the 1Q w/a 77 yd PR td & took a 24-6 lead into the 4Q, VU's only td came w/4:33 left. Into '16, Georgia is 15-2 in SEC home gms (losses vs Mizzou in '13 & Bama LY).

Bonus: UGA is 18-1 s/'97 in Sanford Stadium openers (only loss vs #12 South Carolina in '11).

"World's Largest Outdoor Cocktail Party". In '14 #9 UGA led 7-0 into the 2Q but UF got a 21 yd td run off a fake fg that sparked 31 unanswered until a Georgia td w/11:06 left. Bulldogs last td was w/0:3.

Bulldogs are 22-3 incl 6 str wins by 21 ppg. LTH UGA led 21-0 into the 2Q & the closest UK got the rest of the gm was 11 pts. Into '16, the Bulldogs are 12-5 LSY in SEC away gms (L/4 losses by 7 pts or less).

This is the 120th meeting, the Deep South's oldest rivalry (UGA has a slight series edge 56-55-8). LY was tied 10-10 in the 4Q until Bulldogs got a 53 yd PR td & then a fg off an Auburn fumble. (Aub fg w/1:14).

Bulldogs won 55-7 in '10's ssn opener (only prior mtg). UGA had a 377-128 yd edge (UL just 5 FD's). Georgia has won 5 str by 27 ppg prior to playing instate rival GT.

LY UGA was seeking revenge from a 2OT loss in '14 (both came in ranked). UGA led 13-0 as GT's only score came

w/3:24 left. Up 6 UGA ran out all but :17 of the L/3:24 after a GT deep KO. These schools play for the Governor's Cup.
