

POSITION OUTLOOK FOR 201

THE PROPERTY OF THE PROPERTY O first Fr Duck QB to start the opener s/91 (Danny O'Neil). As a Jr, Mariota threw for 4,454 (68.3%) with an amazing 42-4 ratio (#2 rusher, 770, 5.7) and won the Heisman (#2 overall pick). Jeff Lockie (6'2" 205, PS#70) hit 11-12-113 vs S Dak but had just 16 more passes while Taylor Alie (6'0" 185 Jr) was the #3 QB and holder, LY Vernon Adams (EWash transfer) did not join the tm until August. He threw for 10,438 yds (110-31 ratio) in 3 yrs including B2B runner-up finishes for the Walter Payton Awd (FCS version of Heisman). Adams lived up to the hype. He broke a finger early (miss most of 4 gm) with the Ducks losing to Utah & Wash St. Alie had a 87 yd TD run vs GSt (longest QB run here s/1938). UO's offense got back on track with Adams' return and his 407 yds passing (313 in 1H) were the most ever all'd by a USC defense. Adams threw for 2,643 (64.9%, 26-6, 147 rush). When he went out at half vs TCU, so did the Duck offense. Travis Jonsen (PS#11, rFr) was impressive in the SG and he will battle for the bkp spot. Montana St (5-6 LY) transfer Dakota Prukop (3025, 62.8%, 28-10, 797 rush) was IFS. While TY's st'r won't match Adams' (CFL) production, he was only 100% half the year and joined the team late.

BACKS - UO now has a streak of 9 str vrs with a 1,000 yd rusher including Jonathan Stewart (#1DC) and LaMichael James (schl rec, 1,805, 7.3, in '11, #2DC). In '12 Kenjon Barner led w/1,767 (6.4, #6DC) while Byron Marshall (PS#12) led (1038, 6.2) in '13. In '14 Royce Freeman (PS#11) did not top 100 rush until Wk 6 but still finished #1 (1365, 5.4 18 td). Thomas Tyner (PS#3) meanwhile had 186 in the 2 playoff gamés (573, 5.1). Marshall was the #1 rec (out of the TASER pos), but also got 52 carries (392, 7.5). LY Freeman reset the schl record with 1,836 (6.5, #4 rec, 348, 13.4). Taj Griffin had 110 vs Colo and was #2 (570, 7.4). Kani Benoit had 364 (7.0) & Tony Brooks-James (PS#26) had 288 (9.0). Everyone returns

giving them my #3 RB unit in the country!

114 UO had to replace their #1 (#3DC) and #3 guys, then their #2 (Bralon Addison, PS#26) tore his ACL. Without their top 3 (comb 2377, 16.3) they moved #1 rusher Byron Marshall (1038, 6.2), to the "Taser" and he led with 1,003 (13.6, 169 Nat'l Title gm). Dwayne Stanford (PS#25) was #2 in rec (#4 yds, 639, 14.9). Darren Carrington had 291 in the Rose & Pac-12 Title gms (#2, 704, 19.0) but was susp for the first 6 of '15. Devon Allen was #3 (684, 16.7). TE Evan Baylis (PS#6) had just 4 rec's before 11 in the playoffs. LY the top 5 were back but Marshall was OFY (4 gm). Addison ret'd and was #1 (804, 12.8). Carrington in just 7 gmś was #2 (609, 19.0) and Stanford #3 (463, 15.4). TY they lose Marshall (121, 13.4, UFA PHI) and #1 Addison (UFA DEN). PS#5 RB Taj Griffin slides in at Taser and TE Pharaoh Brown (PS#11) returns after a horrific inj in '14 (RS LY) that almost cost him his leg (8 st '14). They should be close to '15's production.

OFFENSIVE UNE - In '14 LT Tyler Johnstone was OFY in Aug and AA C Hroniss Grasu missed 3 (LT missed 2). The Ducks dropped to 235 ypg rush while their 5.5 ypc was the lowest s/'09 (31 sk most s/'04). LY they lost their 1st Tm AA LT (#2DC), 2nd Tm AA C (#3DC) and their 2Y LG. They got the late addition of Notre Dame transfer C Matt Hegarty (PS#4, 13 car st) but even with the return of Johnstone (like 4 st'rs ret), the car sts dropped from 108 to 79 (lost 2 AA's). They topped '14's low numbers (280, 5.9, 39 sk). TY they lose 1st Tm P12 LT Tyler Johnstone (13/39, UFA SD), Hegarty (13/26) and LG Matt Pierson (12/19, UFA HOU). The career starts drop to 60 and they do not have 2 full time st'rs being added to the mix like they did in '15.

and all'd 165 ypg rush (4.2, 37 sk). LY they had to replace a #1DC DE and a bkp. DeForest Buckner turned down the NFL (81 tkl, 4 sk, 9 tfl) so they went from 1 ret st'r to 2. True frosh Canton Kaumatule (PS#10, IFS) was added (just 2 tkl, 8 gm inj). Even with returnee Buckner, the rushing numbers surprisingly got weaker (179, 4.7, 38 sk). Buckner had 10.5 sks with #2 Henry Mondeaux (TE in HS) having 4. TY they lose 2nd Tm AA Buckner (13 st, #2 tkl'r, #1DC SF), NG Alex Balducci (13 st, 40 tkl, 3.5 sk, UFA SF) and DE Tui Talia (6 st, 34 tkl, 2 sk). Just 2 of the top 4 are back but they add in pass rushing LB Torrodney Prevot (PS#17) and will be close to LY's standards.

LY the Ducks had to replace their #2 and #9 tkl'rs but ret'd their #5, #6 and #11 who all st'd 10 plus games in '14. Oregon had their worst numbers allowing a schl record 37.5 ppg (4th worst mark among P5 schls) and the 485 ypg rush all'd was the lowest in school history! TY they lose 4 of their top 5 LB's. Gone are Christian French (8 st, #12 tkl'r, 5 tfl), Rodney Hardrick (13 st, #3 tkl'r, 6 tfl), Joe Walker (12 st, #1 tkl'r, 2 sk, #7DC PHI) and Tyson Coleman (13 st, #5 tkl'r, 4.5 sk, 7.5 tfl, UFA TB). While the def numbers can only improve, this unit is much less exp'd (5 VHT's in the top 6).

my PDR in 9 of the L12Y incl #7 in '13. The unit placed 3 ply'rs on the All-P12 Tm in '14 but still dropped to #37 (60.4%, 21-13). LY the losses were heavy, losing a 1st Tm AA CB (#7DC), and a 2nd Tm Pac-12 CB & FS (#1 tkl r). All 4 proj d st rs were VHT s and they added in WR Charles Nelson. The Ducks finished #125 in the NCAA at 306.5 ypg but were #93 in my PDR (62.7%, 35-13). TY they only lose CB Glen Ihenacho (3 st. 17 tkl) and Nelson

(back to WR) and should make a large jump in my PDR. my ST rankings 7 of the last 8 yrs. LY all of the key players ret'd. K Aidan Schneider was 1st Tm Pac-12 (22-24 FG, long of 47). Ian Wheeler avg 39.8 but the tm net was 31.9 as Matt Wogan's 1 punt was ret'd 78 yds for a TD vs OSU. Wogan had 63.3% TB on KO's. PR Addison and KR Charles Nelson each had a TD and they finished #62. This year almost all the top players are back so they should get back to their Top 30 finish

FOR THE STATE OF THE PROPERTY like" 33 gms in his first 3 ssns as HC in Eugene. After leading the Ducks to a schl record 13 wins in '14 (fell short in Title game), Helfrich saw a post Marcus Mariota dip to 9-4. Helfrich was the OC here for 4Y w/HC Chip Kelly ('09-'12) and the OC/QB cch at Colo ('06-'08). Former OC Scott Frost is now HC at UCF. Matt Lubick (WR cch L3Y) takes over. The new DC is Brady Hoke who was HC at Michigan ('11-'14), SDSt ('09-'10) and Ball St "03-'08). This is his first stint as a DC at the collegiate level.

Tom Osborne is in his 9th consec yr as ST coor. in 1936 and ran thru 2008 (72 yrs) and the Ducks were ranked in the preseason Top 20 a total of 3 times: '54 (#18) and then under Mike Bellotti in '01 (#7) and in '02 (#15). Since '08 the Ducks have become a fixture. Chip Kelly's 4 tms were ranked #16, #11, #3 & #5 and finished even better at #11, #3, #4 & #2 (except '11 went from #3 to #4). In '10 they were ranked #1 for 6 str wks before losing to Aub in the Nat'l Champ gm by 3. In '12 (Kelly's last yr) they were #1 w/2 wks left when they were upset by Stanford at home in OT (-20'). After knocking off K-St in the Fiesta Bowl they finished #2. Mark Helfrich inherited 15 ret st'rs incl QB Mariota. They were #2 most of the year but finished #9. In '14 the Ducks were preseason #3. They beat Fla St in the playoffs 59-20. UO was then a 6 pt favorite in the Nat'l Champ gm vs the Buckeyes but lost 42-20. LY at

midseason there was talk of not even becoming bowl eligible

but they rebounded to finish 9-4 (#19).

2015 ANALYSIS 9-4 - LY there were a lot of signs pointing down especially with Mariota now in the NFL. Oregon was the consensus pick to win the North but I had Stanford in the Pac-12 Title game. UO allowed 549 yds to EWash (61-42 win). UO had a 26-21 FD edge but came up 3 pts short on the road at #5 Mich St. Georgia St had 431 yds and UO only led 47-28 4Q. Utah came in and throttled UO in Autzen Stadium, 62-20 (led 62-13). Oregon fell from the AP rankings for the first time s/Sept '09. They were tied 17-17 with Colorado and won by 17. Wash St got a TD with :01 left to force OT and won in 2OT in Autzen to put UO 3-3. The Ducks were a dog in 3 of the final 6. They were my upset pick of the week on ESPN when they beat Washington on the road 26-20. They were outgained 742-499 by Ariz St but got a TD w/:12 left to force OT and won it in 3OT. Playing better with Vernon Adams back and healthy they beat Cal 44-28. A couple of late fmbls and a stopped 2 pt conv got them past Stanford (outFD'd 32-18) on the road. Their best game was a 48-28 home win over USC. They led Oregon St 31-7 at half but were up just 45-42 with 5:00 left. TCU was without QB Trevone Boykin and UO led 31-0 at half. Adams went out and TCU rallied for a 47-41 win in the 3OT Alamo Bowl loss.

HIL'S FORECAS

UFFENSE - The Ducks did not have Marcus Mariota at QB and Vernon Adams was only healthy for half the year but they still avg 43.0 ppg, just a 2.4 drop from their Nat'l Title gm tm. TY they are loaded at RB but look weaker at QB and on the O-line and may take another step back in '16.

DEFENSE - The Ducks' D went from allowing 20.5 ppg in '13 to 23.6 in '14. LY they allowed two TD's more, at 37.5 ppg which was the 2nd largest increase in the FBS (UCF +18.5 ppg more). Brady Hoke brings in his 4-3 defense and has a veteran secondary but loses 6 st'rs from the front 7 including their star DE DeForest Buckner. Hoke will still orchestrate an improved defense

2016 - Helfrich was 24-4 with Mariota at QB and is now 9-4 without him. They should be more stable at QB and have perhaps the best combo of skill players in the Pac-12. Their defense will be improved. Oregon does rate a Stock Market Indicator of +3.0 and they get the two biggest Pac-12 North games (Stanford and Washington) at home. While they have 5 Pac-12 road games, three of them are against teams that had a winning record in conf play LY (one at 0-9 OSU). Oregon was #99 in my experience rankings in '15 and slip to #102 in '16. When a team has 6 straight years where they average 12 wins per season and then slip to 9, I would usually be calling for a bounce back to the higher level, but I am not here. They are a clear-cut contender in the North if they take care of business in Autzen where they are 44-5 over the last 7 years.
