

SAN DIEGO STATE AZTECS

LB CALVIN MUNSON

POSITION OUTLOOK FOR 2016

QUARTERBACKS - In 2014 the Aztecs threw for just 2,319 (52%, 10-15) and had to replace both QB's heading into 2015. Kentucky transfer Maxwell Smith (11 st '11-'13) battled rFr Christian Chapman for the starting job. Smith had trouble connecting on mid-range passes and the Aztecs dropped 3 straight non-conf games. In MW action, Smith was a game manager, going 8 games without an interception (school rec) but never attempted more than 19 passes in a game. Smith tore his ACL during that span, prior to the MW Title game and Chapman led the Aztecs to the victory and then to the Hawai'i Bowl win. Smith passed for 1,529 (55%, 13-2). Chapman threw for 436 (59.2%, 2-1, 72 rush). This year they lose Smith (12 st, denied 6th yr) but Chapman is a more dangerous runner and proved he can manage this offense as well.

RUNNING BACKS - Adam Muema topped 1,000 yds in both '12 & '13 while Donnel Pumphrey had 3 consecutive 100 yd games and was #2 (752, 6.0, #5 rec) in '13. HC Rocky Long did not think Pumphrey had the size (5'9" 180) to be the feature back but he proved otherwise. Pumphrey had 21-261 vs SJSt (sat out final 21 min). Pumphrey topped George Jones' '95 single season record w/1,867 (6.8) although I was surprised that Marshall Faulk didn't hold that record (1630, '92). Chase Price was #2 w/674 (4.8). Last year Pumphrey got off to a slow start (3 sub 100 in F/4) then rattled off 8 straight 100 yard games (1653, 5.4) and was also #1 in rec's (28-46, 14.9). Price went over 100 on 3 occasions (1008, 5.3, 118 rec) and they became the first Aztec duo to both top 1,000. Rashaad Penny was #3 (368, 6.0). Pumphrey returns and said he wants to be known as the best RB to ever come out of SDSt & break every record. They lose Price and versatile FB Dakota Gordon (14 st, 187, 5.1). Rashaad Penny (PS#81), Marcus Stamps (PS#81), Juwan Washington (PS#129, 111 in SG) and true frosh Chase Jasmin (PS#85) will battle to be the #2 guy and the Aztecs won't lose a step as long as Pumphrey stays healthy.

RECEIVERS - In '14 Eric Judge (218, 16.8, '13) led w/471 (16.8). Last year they returned 4 of their top 6. Soph Mikah Holder finished #1 w/just 439 (18.3). Judge was #3 w/296 (19.7) while Jemond Hazely (only Sr in unit) added 263 (12.5). This year the group only loses Hazely (3 st) and I would expect the top 3 to surpass their totals (998, 16.6) of a year ago.

OFFENSIVE LINE - In 2014 the Aztecs had 3 returning starters (57 car sts ret) but made changes to the lineup and went with their 5 most physical OL's and improved to 216 ypg (5.4, 23 sk). Last year they lost a 2nd Tm MW 2Y LT and 2 C's (13 st). They had 55 car sts back. RG Darrell Greene (most physical

OL) was susp the first 6 & they avg just 180.3 rush ypg (4.0) but with him back they had 282 (5.5) over the next 7 (susp bowl, 233). TY they lose 1st Tm MW RT Pearce Slater (14/27), RG Greene (7/32), and RG Robert Craighead (7/10). They return 56 car sts which includes 1st Tm MW LG Nico Siragusa. This unit is quite comparable to '15's top notch group.

DEFENSIVE LINE - HC Rocky Long usually fielded undersized, inexp'd D-lines at New Mexico (HC there '98-'08) yet every year had a solid rush D. It looks like he's recaptured that magic here (see '14 mag). Long values speed over size but puts his biggest players at NT. Last year they had to replace just 1 starter and I called for it to be Long's best D-line here. They held 9 of their opp's to 80 rush yards or less. The Aztecs allowed just 109 ypg (3.2, 37 sk), easily the best of Long's tenure. The group was led by 1st Tm MW DE Alex Barrett. This year they must replace 3rd Tm MW DT Christian Heyward (9 st, 31 tkl, 5.5 tfl) and 3rd Tm MW DE Jon Sanchez (14 st, 38 tkl, 5.5 sk, 2.5 tfl). They do get Barrett back and Kyle Kelley had 3.5 sks in their bowl. Despite the losses this is still a strong unit.

LINEBACKERS - At New Mexico, Rocky's LOBO was technically a S but basically a LB (remember Brian Urlacher?), so I list the AZTEC position in the LB write-up. In '14, the Aztecs looked to rebound from an injury plagued '13 (31.7 ppg, highest in 5Y). They had to replace their #1, #3 and #6 tkl's. They ret'd 3 who had been full time st's but Jake Fely RS. They improved to allowing 19.8 ppg. Last year they lost their #1, #8, and #10 tkl's. Fely finally stayed relatively healthy. Calvin Munson finished #1 in tkl's (98) and sks (9.5, 7 qbh), earning 3rd Tm AA & 1st Tm MW. This year's only loss is Fely (12 st, 2nd Tm MW, #3 tkl'r, 8.5 tfl). They get the #1, #2, & #9 tkl's back so are more exp'd and the MW's best.

DEFENSIVE BACKS - In Long's schemes, the S positions are called Warriors. In '14 the Aztecs had just 1 starter back but by the end of the year, Long felt he had the top 2 CB's (both 2nd Tm MW) in JJ Whittaker (#3 tkl'r, 8 pD) and Demontae Kazez (14 pD). SDSt moved up to #36 in my PDR (55.8%, 10-14). Last year I called for this to be the top secondary in the MW. Kazez tied SDSt's schl rec w/8 int's (MW DPOY, 4th Tm AA). The new Warrior's finished #3 and #7 tkl's. Despite starter Trey Lomax being OFY after 1 gm (9 tkl), they moved up to #14 (53.5%, 14-23). This year they lose Whittaker (2x 2nd Tm MW, 3Y str, #8 tkl'r) and Pierre Romain (18 tkl). Kazez originally announced he was leaving for the NFL but decided to return. They are the best in the MW again but may not match that #14 finish unless another super CB emerges.

SPECIAL TEAMS - Last year the unit had to replace their P & KO guy. P Tanner Blain avg'd 40.3 (37.0 net). KR Rashaad Penny was the MW ST's POY after he scored 3 td and had an exceptional 33.5 avg. PR Lloyd Mills avg'd 9.5 and Damontae Kazez had a td (14.0). They continued to climb finishing #16 in my STR. This year they lose K Donald Hageman (17-22, L54, 24 TB/86 KO). They also have a huge loss in LS Jeff Overbaugh (UFA LA) who was a perfect 510/510 on his career snaps. Long has had trouble finding trustworthy K's in the past but the rest of the unit is among the best in the country.

COACHES - Some national prominence, please! It's now overdue. From 1921-2010 (90Y) San Diego St only went to 9 bowls (only once B2B). In Rocky Long's 5 seasons as HC (DC here prev 3) he has taken them to 5 straight and was LY's MW COY leading the Aztecs to their first 11 win season since 1969 when Don Coryell was HC. He previously was HC at New Mexico ('98-'08) where he took the Lobos to bowls in 5 of his L7Y. Long called his own defensive plays at New Mexico and has done the same here. Jeff Horton is in his 6th season

here (RB cch) and 2nd as OC. He was also a HC at UNLV from '94-'98 and at Nevada in '93. ST cch Bobby Hauck was formerly HC at UNLV ('10-'14) as well as Montana ('03-'09, playoffs all 7 years, 3 Title games).

THIS DECADE - 2015-2016 - Amazingly San Diego St did not have a winning season from '99-'09 (38-80) and was just 27-48 in MW play from '00-'09. In '10 despite being 6-18 (-130) ypg in the MW ('07-'09), the Aztecs made my Most Improved List (#6) and had their first winning ssn s/'98 (12 yrs!). Now they have had 6 straight winning seasons (36-12 in MW play). In 2014 with just 10 ret st's their record dropped to 7 wins (9 in '12, 8 in '13). Last year they were my pick to be in the MW Title game and they went 11-3. Their 52-27 record this decade is Top 25 but they were never ranked in that span.

2015 ANALYSIS 11-3 - In 2015, I said they were capable of their first double digit win season s/1971 and the Aztecs delivered. Things did not look great early as they lost to Cal by 28, were upset at home by South Alabama in OT and then lost at Penn St by 16. They were -175 ypg vs those 3 FBS foes. Rocky Long must use the non-conf as preseason games as they were dominant in the MW (+176 ypg, +22.5 ppg) and delivered for me week after week in my Inside the Pressbox newsletter. It was the first time in their 93 year history they went 8-0 in league play (closest gm 14 pts). In the MW Title game they were down to #3 QB Chapman and needed a FG with 5:10 left to beat Air Force. Chapman benefitted from bowl practices and in his 2nd start they destroyed Cincy (led 42-0, Cincy TD 3:21 left) to finish 11-3.

PHIL'S FORECAST

OFFENSE - RB Donnel Pumphrey opted to return for his senior season and that is huge for this RB driven team. They do lose their outstanding FB Dakota Gordon and #2 rusher Chase Price. The Aztecs actually went from 394 ypg to 375 in '15 but three ppg increased by over a TD (25.0 to 32.1). With 7 starters back they will improve on the ypg and possibly the ppg.

DEFENSE - Rocky Long's 3-3-5 is a tough D to prepare for and does not need huge DL's. It relies on speed and camouflage as the blitzes come from everywhere. Last year with 8 starters back they had his best D here allowing just 16.4 ppg (#10 FBS) and 287 ypg (#5). This year they have 7 starters (6 of top 7 tkl's) back including all three 1st Team MW players. They could be even stronger but it will be tough to top last year's numbers.

2016 - Last year the Aztecs were picked by the media to win their division for the first time since they joined the MW 17 years ago. They had accumulated 22 first place votes over the first 16 years but had 27 last year. They enter 2016 with a 10 game win streak which ties for the longest in school history. Their 11 wins in '15 tied a school record (1966 & 1969 both 11-0) but they only finished #29 AP. In 8 of the L10 years they have finished higher than picked in the MW media poll and did not last year due to being picked first. They were +22 in my Turnovers=Turnaround (pg 30) and also have other signs that point down. Pointing up is their talent level with most of the key players back from the MW's #1 team (+175.8 ypg). They avoid Air Force & Boise Stout of the Mountain. Four of my 9 sets of power ratings (including 1 of my main 2) call for an unbeaten season and they could be favored in every regular season game this year.

First mtg. SDSit is 7-2 in home openers but lost to FCS foe Cal Poly in '08 & Eastern Illinois in '13. Wildcats went 7-5 LY incl a 43-13 loss at SJSU. UNLV holds the longest FCS active playoff streak, 12 str sns.

Aztecs have dropped 2 str in this series (L/win in '95). LY SDSit opened w/a 71/8pl td drive & led 7-0 into the 2Q. Cal tied it w/12:22 2Q scoring the L/35 pts. SDSit is 1-10 s/98 hosting BCS/Power 5 schools.

SDSit is 4-0 incl a 35-3 win the LTH but that was in '70. Aztecs are 2-21 in road openers (wins vs non-Power 5 conf tms). LAY SDSit has gone 6-11 in Aug/Sept but has reached a bowl & had a winning ssn.

Bonus: SDSit is 12-4 hosting non-conf foes s/09 (losses in '12 vs SJSU, in '13 vs EIU & OSU and LY vs SA).

LY was the first mtg. SDSit is 13-5-1 vs current Sun Belt tms (4-3 s/09). Long is the only HC in SDSit history to guide the Aztecs to a bowl in multiple sns. Into '16, SDSit is 2-8 in non-conf AG's under Long.

Aztecs are 11-3 s/02. LY SDSit led 31-0 at HT. UNLV had 4 TO's that resulted in 21 Aztec pts, SDSit also had a 66 yd PR td. Into '16, SDSit is 16-1 in MW HG's incl 11 str wins (loss was in OT vs #15 FSU in '13).

Visitor is 2-8 s/their WAC days in '95. LTH SDSit had 3 TO's that resulted in 14 FSU pts. Down just 17-13 4Q, SDSit scored B2B int's at FS28 & SDSit12 while allowing the gm decided score on a 73pl "drive".

5th str ssn plyg, 4th as MW foes. LY SDSit led 14-0 but SJSU cut it to 7 after a 75/15pl td drive w/4:27 before HT. Outside of that drive SDSit held SJSU to just 120/45pl, Aztecs led 30-7 after 3Q's (no 4Q scoring).

Aztecs are 11-1 in this series incl 9 str wins by 20 ppg (only loss was in 1967). LTH ('75) San Diego St won 19-10 (3-0 in Logan). Into '16, SDSit is 14-5 in MW away gms under HC Long (4-0 LY, all by 14+).

SDSit has won all 4 MW mtgs. LY they only led 21-14 into the 4Q but UH tossed int's at the SDSit12 & 47 ending its L2 drives. RB Pumphrey was ? during the wk (ankle) but acct'd for 49% of SDSit's offense (197 yds).

Aztecs are 5-1 s/95 but lost LTH. SDSit led 14-10 at HT but in 2H had just 66 tly yds. Six 2H poss ended in a fmb, 4 punts & SOD.

Aztecs have won L/2 in Laramie incl the LTH ('12) 42-28. SDSit trailed 28-21 at HT but shutout WY in the 2H (112 yds).

LY the Aztecs trailed 10-7 w/8-48 2Q but after a 55 yd IR td led 27-10 into the 4Q with 10 pts off 4 CSU TO's.

Rams did cut it to 10 but :41 sec later SDSit sealed it w/a 64 yd td run & then added a 81/7pl td drive w/7:55.
