

QUARTERBACKS-Not since 2005 has Cincinnati made it through a season without its backup QB's getting significant playing time. In '13 the starter was OFY Wk 2. In '14 they brought in Notre Dame transfer Gunner Kiel (PS#1). After 3 gms Kiel had topped 1,000 yds with a 14-2 ratio (17-11 after that). He inj'd his ribs vs Memphis (hit 11-27) and Munchie Legaux QB'd the 2H. Kiel threw for 3.254 (60%, 31-13, 142 rush) and his 2 bkps comb'd for 652. HC Tommy Tuberville said Hayden Moore is going to be a star here (RS '14). LY Kiel was regarded as a high NFL prospect. Against Temple, he threw for 427 but had 4 2H int's in the loss. Kiel was inj'd vs Miami, Oh. Moore had 4 TO in the 4Q but UC still held on. Kiel was injured again vs Memphis and Moore set an AAC/schl rec w/557 pass yds (Greg Cook '68). Tuberville stuck w/Moore vs Miami, Fl and BYU but he struggled (50%) against the Cougars and Kiel started the next 6. Against UCF, Kiel became the 1st QB in the L/20Y to have 15 comp's w/o a single incompletion (15-15). Kiel threw for a career high 523 vs Houston but cont'd to throw key int's (pick 6 vs Houston, 1Q vs USF). Moore played 2Q of the blowout loss (249 yds) to USF. Kiel missed the Bowl and Moore st'd. Kiel threw for 2,777 (65.2%, 19-11) while Moore added 1,885 (59.4%, 9-11). Kiel returns but with their top 5 rec's gone, this unit's numbers may go down (also more pro style than spread TY) despite 2 proven starters. Kiel missed the SG and rFr Ross Trail (PS#45) did enough in spring to be in the mix this fall.

RUNNING BACKS - In 2014 UC brought back their #1 rusher Hosey Williams (655, 5.7 '13) and #3 Tion Green (412, 4.5). Williams was OFY after 4 (140, 5.4). Green played in 3 but then was also OFY (118, 4.2). True Frosh Mike Boone (8-32) F/6) had 212 (19 att) vs USF and led w/650 (6.4). Moore was #2 w/618 (4.3). Last year they used a committee approach. Williams had 140 vs ÚConn (13 att, 84 yd run, 2nd long schl hist) and led w/775 (5.6). Boone was #2 w/749 (7.2, missed 2 w/inj) with the most 100 yard efforts (3) incl 118 vs Miami, Oh on just 4 att's. Green led w/127 in the opener and was #3 w/729 (4.8). Chad Banschbach added 72 (3.8) while Taylor Boose (6'0" 200, PS#107) and Joshuwa Hollomon (5'11" 188, PS#146) used their RS as true's. TY they lose Williams but with Green and Boone (explosive, great work ethic) back they have 67% of the RB rush yards returning.

RECEIVERS - In '14 the Bearcats retuned 4 of their top 5 and Tuberville said it was the deepest receiving corps he had in his 18Y as a HC. Last year UC got their top 6 back. Shaq Washington led w/982 (2nd Tm AAC, 10.9) while setting UC rec's for rec's in a season (90) and career rec's (240). Chris Moore (#4DC BAL) was #2 w/870 (21.8) and broke Mardy Gilyard's school career td record w/26. Max Morrison was #3 (617, 11.9). Mekale McKay (UFA IND) put up 507 (18.8) while Alex Chisum added 475 (12.5). Johnny Holton (UFA OÁK) had 461 (27.1!) in just 8 gms. This year the Bearcats lose all 6 WR's. The top returnees are Nate Cole (262, 13.8) and TE DJ Dowdy (104, 8.7). They add two VHT transfers in Jámil Kamara (PS#19) from Virginia and Avery Peterson (PS#20) from LSU. The transfers will ease the pain but this group is depleted.

OFFENSIVE LINE - In '15 UC had to replace LT Eric Lefeld who was UC's first 3x 1st Tm All-Conf ply'r s/Jason Fabini ('95-'97). The car sts ret still climbed to 76 allowing UC to show marked improvement (178 ypg, 4.5, 26 sk). TY they must replace 2x 1st Tm AAC LT Parker Ehinger (13/51, #4DC KC), RT Justin Murray (13/25, UFA DEN) and OG Chad West (3 st). The car sts ret drop to 62 but they do get back two 2nd Tm AAC OL's in C Deyshawn Bond (3Y st'r) and G Ryan Leahy. JB Grimes is the new OL coach after being at Auburn '13-'15. This is still a veteran group and the key guys are all upperclassmen.

SIVE LINE - In 2014 the Bearcats had to replace their top 3 DT's but ret'd their top 4 DE's including Silverberry Mouhon (9.5 sk). With the weaker interior UC allowed 184 ypg rush (most s/'01, 4.8, 35 sk). LY they lost 3 starters (5 of top 6 tkl'rs) including a 1st Tm AAC DE (9 sk). Mouhon was the lone returning starter. Tuberville started some frosh, not because of injuries but due to performance. The inexperience was evident as they allowed 192 rush ypg (4.9) with a paltry 13 sks (#124 in FBS). This year they lose 1st Tm AAC Mouhon (11 st, 42 tkl, 4.5 sk) and DE Mason Antoun (1 st, 3 tkl). They get back 7 of their top 8 making the unit vastly more experienced.

LINEBACKERS - Last year UC had to replace their 1st Tm AAC (#1 tkl'r, 6.5 sk) and 2nd Tm AAC (#3 tkl'r) LB's. Former NW transfer Eric Wilson led in tkls (106) and was 2nd Tm AAC True Frosh Bryce Jenkinson took over at MLB after 3 games and tied for #3 (59 tkl). The Bearcats fell to allowing 31.2 ppg after 27.2 the season prior. This year they must replace #3 tkl'r Kevin Brown (4 st) and #6 tkl'r Léviticus Payne (12 st). They go from one returning starter to two making them stronger.

DEFENSIVE BACKS - UC's secondary was much less exp'd in '13 but still finished #35 (58%, 16-13) in my PDR. They lost 2 starters but had 6 of the top 8 back in '14 but still fell down to #91 (60.8%, 22-8). LY they lost 1 st'r, then CB Adrian Witty was OFY after 3. Ten different DB's started incl 3 rFr and 1 true. Despite the inconsistent lineup, they moved up to #76 (57.8%). 24-9). This year they lose Witty and S Andre Jones (4 st, 20 tkl). They ret their #2 tkl'r Zach Edwards (2nd Tm AAC) and get 7 of their top 8 back. Tuberville said it is the first year in his ŬC tenure (4Y) that he has a secondary with experience

SPECIAL TEAMS - Last year everyone ret'd for UC (#46 '14). K Andrew Gantz went 21-27 (L51) and had the GW FG vs EC for the 2nd yr in a row (2x 2nd Tm AAC). P Sam Geraci improved to 46.3 (39.8 tm net). They still fell to a disappointing #72. The team KR's were #90 in the FBS (20.0). This year they lose PR Shaq Washington (10.3) but the rest of the pieces return and they should at least improve to '14's level

COACHES - Cincinnati has gone from Mark Dantonio to Brian Kelly to Butch Jones to Tommy Tuberville. What a job of reloading! Tuberville is in his 4th season. Tuberville was HC at Ole Miss ('95-'98), Auburn ('99-'08) and TT ('10-'12). Zac Taylor is the new OC (Miami NFL QB cch '13-'15/OC Nov '15), DC Robert

Prunty has been with Tuberville the last 7 seasons (co-DC '15). Ty Linder is in his 2Y as the ST coor 8 was ST coor at Oklahoma St & TCU prior.
THIS DECADE 49-28 (63.6%) #37

'09 season was remarkable (502 pts!) as UC had just 1 ret st'r on D but they still went 12-0 in the reg ssn and were ranked as high as #4. They slumped to 4-8 in '10. In '11 UC made my Most Improved List and went 10-3 and were 10-3 again in '12 winning bowls over Vandy & Duke. Tommy Tuberville inherited just 12 ret st'rs in '13. They got back to the Belk Bowl but lost to NC 39-17 finishing 9-4. They finished #9 in the NCAA in total defense (316 ypg) In '14 the Bearcats played their HG's at Paul Brown

Stadium. They got to the Military Bowl vs VT but lost 33-17 (Kiel miss 2H) for another 9-4 record (just 1 of 7 FBS programs w/9+ wins in each year from '11-'14). The Conf Title tie was Tuberville's first in 10 yrs ('04 Auburn). LY Cincy slipped to 7-6. They are still in the top 40 for the decade (49-28, 64%).

#22

.#94

#53

015 ANALYSIS 7-6 - Cincinnati benefitted from 3 net close wins and despite going 7-1 in conf play, were only +72.4 ypg (5th best) in '14. LY UC drew both Houston & Memphis out of the West (both on road). In the AAC media poll they received 29 of 30 votes for #1 in the East and 22 votes to win the AAC overall. They caught Temple off their big win over Penn St and had a 557-296 yd edge but lost 34-26 (trailed 34-12). UC needed a 4Q comeback to beat rival Miami Oh again (10 str). They had a 752-570 yd edge at Memphis but lost by 7. Cincy upset Miami Fl 34-23. After a bye and w/o QB Kiel (och decision) they lost at BYU by 14 (led 17-3). UC crushed UConn and UCF but trailed Houston 30-14 in a 3 pt road loss (589-427 yd edge). UC led Tulsa 49-31 before allowing a TD w/:15 left. The next week was a head scratcher. Greased by TO's Cincy trailed USF 51-3 at half on a Friday night. They needed a FG on the final play to get past EC on the road, keeping the Pirates from a bowl. QB Kiel missed the Hawaii Bowl and SDSt led 42-0 with UC getting a TD w/3:21 left to avoid the shutout to finish 7-6 (4-4 tied 6th best AAC record).

ALSO ON ROSTER: 9

OFFENSE - UC is loaded with 2 capable starters at QB and RB and 3 ret starters on the OL. They do lose 6 long time veteran WR's but bring in a couple of VHT's to help replace them. Cincy has avg'd 33.1 ppg over the L5Y and should at least stay in that range this year. UC did put up the most yds in school history LY (6,990) but OC Eddie Gran left for Kentucky and they are shifting to more of a pro-style attack.

DEFENSE-The Bearcats were #9 in the FBS in total defense in '13 (316 ypg) but with 6 st'rs back in '14 they allowed 573.6 ypg over the first 5 (355 ypg L8) and 439 on the year. With 6 st'rs back LY they improved a little to 409 ypg but the ppg went up from 27.2 to 31.2. This year they have 8 st'rs back on defense and should resemble that 2013 edition.

016 - Cincinnati has now won or shared 5 of the last 8 Big East/AAC Titles. Last year they ret'd to their on campus stadium after an \$86 mil renovation and went 5-1 at home and are now 26-5 at home the L5Y (28 str wins vs non-conf @Nippert). They were -19 in my Turnovers=Turnaround (pg 30) and have a Stock Market Indicator of +2.0. Cincy was just 7-6 in '15 but their +167.4 ypg in AAC play was best in the American. They only face one team on the road that had a winning record LY (Temple) and get 7 games at home. Six of my 9 sets of power ratings call for Cincy to have a double digit win year. Cincy was expected to win the AAC LY and went just 4-4 and that has them flying under the radar this year. This team will be a contender for the Group of 5 spot in the New Year's Day 6 bowls.
