WKU Postgame Quotes

Head Coach Tyson Helton

Opening statement ...

"Congratulations to UTSA. An excellent job by them. They are a very good football team. I am proud of our football team. They fought hard. They battled hard. We made a lot of mistakes and things that cost us the game. I love those guys to death in that locker room right now, how much they put on the line and what they try to do to win again."

On how mistakes led to a loss against UTSA ...

"I felt like in the first half, everything that we called was working. We just stopped ourselves. It wasn't really anything they did. Snaps over the head, some dropped balls and they got after us defensively early. The first half was the first half. I am very proud of our defense in the second half because we spotted them 14 points. We muffed a punt and threw a pick down there. We spotted them 14. I thought the defense kept battling and gave us an opportunity to try to go win the game. That is why I was proud of them. Way too many things went wrong, and you are not going to win when that happens."

On what makes UTSA's offense so good ...

"They are just a really good football team. They are a well-coached football team. They have big, physical offensive lineman up front, a running back, who is one of the better backs in the country. I thought their quarterback played extremely well and took care of the football. Their receivers made plays when they needed to make them. It was two good football teams playing, and for the most part, they played a pretty clean game. That is why they won the game."

On the run game ...

"We came in with that they gave us. They were going to allow us to throw it all over the park with the way they were lining up defensively, and that is obviously our strength. We weren't going to be running the football a lot based on what they were giving us. I feel like Bailey (Zappe) was doing a nice job all night. The receivers were making explosive plays. At the end of the day, you are behind and you have to catch up. The run game may help you here and there, but it is not going to get the points on the board to go win the game."

On Bailey Zappe's performance ...

"I am really proud of him. He is a tremendous player. He had a heck of a year, one for the record books, and he had one more to go. I am going to enjoy watching him play in this last one, I really am. He is a very special player. I think he is the best quarterback in college football. I say that over and over again. He is an outstanding player, and he did all that he could do tonight along with the rest of the football team. Those guys really battled hard to try to go make it happen."

On the positives to take away heading into the bowl game ...

"Our guys, they battled back and never think they are out of it. We were down by 30-something points at one time in the game, and they never blinked. They kept battling and thinking they were going to go win the game. That is why I love those guys. We got one more to go play. We are very blessed to have one more to go play and try to get a win in a big bowl game."

Defensive Back Antwon Kindcade, Wide Receiver Mitchell Tinsley and Quarterback Bailey Zappe

On the game and self-inflicted wounds ...

Zappe: "Speaking offensive-wise, we had some back snaps here and there on crucial drives. We came back and our first pick was on our own 30. We tried to play the way we play every game, but that didn't happen. It boils down to execution. A lot of that comes down to me. I have to be better. We have one game left together. We will go all out that game."

On the shift in play from the first and second half, battling back ...

Kincade: "It had been all year. We have been down in a whole lot of games. We just found a way to come back. From spring ball, we were always competitive in practice. When we got in the locker room, we were brothers. We are a family. It all comes down to coming together like we have been doing all year. It wasn't the first time we were down. We are very resilient. We are a big force on the field. It is family coming together that made it all happen."

On what the offense saw to have nearly 570 yards ...

Zappe: "It was taking what the defense gave us. Toward the end, they started dropping eight. That is what most people do to us because we throw so effectively. There are holes and they dropped eight. We tried to take advantage of that stuff. It comes down to execution."

Tinsley: "We had to execute. Sometimes we did, sometimes we didn't."

UTSA Postgame Quotes

Head Coach Jeff Traylor

Opening statement...

"First of all it's just, it's so wonderful for our city. All of us up here have dreamed If we could get this thing going and get the city to show up ... from the mayor, to the city manager, I mean you name it ... businesses, booster, the city being orange, stadium being packed tonight ... it's just been such a tribute to the city. I was reminded by all of my coaches today before the game that could tell I was, I was stressing, right? I know I'm supposed to have fun and enjoy it but, we feel a tremendous obligation to the city and we didn't want to disappoint. My fellas never disappoint and they didn't disappoint tonight. We're the champions man ... it's freaking awesome."

On what he's feeling right now in the moment...

"You know, it's corny, but your dreams should always be so large that prayer life has to match it. So when your dreams come true, no human can get credit for it. This is special ... I mean, we've been here for two years together now with these kids. I told them this week, I said men when I walked in here on December eighth, if I would have told you all that just be a man of integrity, and have some passion, and be mentally and physically tough, and be selfless, give perfect effort, pound the fist, trust the process, win the day and I guarantee you're going to win a conference championship and the Alamodome is going to be packed in two years. All 68 of em would have gotten in the portal when they got home. It's these guys man. They're the ones that believed in me and our staff. They're the ones that get it done. They're amazing, amazing humans. They really are."

CUSA Championship MVP RB Sincere McCormick

On what the support of the city means to him ...

"You know, just going to Judson, being surrounded by the community and having everybody come here and support UTSA ... You know, first coming here I knew this was something special about this team ... something special about all these players here, and the coaches. From day one when we started getting into the season, the work we were putting in was a tremendous amount of work. Day in and day out. I knew it was going to be something special. And just to have the community behind us ... it goes a long way."

UTSA QB Frank Harris

On his initial thoughts on Jeff Traylor...

"He's a great guy. Especially in the college world, there aren't too many guys that actually care about you. He truly cares about us, as a person, not just as a football player. That goes a long way. It's easy to play for a guy like that. He's a player coach. You know, he listens to what we have to say. Like I said, it's easy to play for somebody like that. So, it wasn't really strange for us to have the season that we're having. Just because it's easy to play for him and everyone bought into the culture. He's just a man of integrity."

UTSA DB Antonio Parks

On the defense's performance today ...

"Yeah, I mean that's a tough guy back there at quarterback. That's an NFL talent back there. That guy can sling the ball around. We knew all week we would have to get our offense on the field as much as possible. We knew they would get some, it's just, we knew we had to get our offense on the field as much as possible. I really like the way our guys played. We kept fighting, we fought til the end."
