They went 3 starters including 3rd tm CAA DT Brandon Collier from #5 to #6 in scoring but remained #5 in total offense. (#6 tklr). They allowed 79 ypg more rushing and fell thrown for 3,091 (64.4%) with a 30-14 ratio in '07. Coen to 18). They return 3 starters including 3rd tm CAA lagain earned 2nd tm CAA but with just 2,749 (61.7%) NT Kyle Harrington (#5 tklr, 2.5 sk) and DT Collier (#8 with a 24-15 ratio and departs. They return backup QB tklr, 2.5 tfl). The LB unit had to replace an AA LB and Scott Woodward who hit just 9 of 19 for 97 yds LY and a 1st tm CAA LB, who were the top 2 tklr. They again add QB Kyle Havens (PS#381JC), who was in for the lose 2 starters (#3 and #7 tklr) but return 1st tm CAA spring. They has to replace a 2nd tm CAA RB LY, who MLB Josh Jennings (#2 tklr). The secondary ret'd all 4 had led the team with 1,585 (5.0, 16 td). They ret'd their st in '08. They improved from #5 to #2 in pass defense #2 and #3 rushers in RB Tony Nelson (486, 5.3, 1 td) but allowed a 16-8 ratio. The return 2 starters including and FB Chris Zardas (53, 17.7). They return their top 7 rushers this year led by 1st tm CAA TB Nelson (1325, Courtney Robinson (11pbu). 5.5, 12 td), TB Korrey Davis (191, 3.8, 2 td) and FB SPECIAL TEAMS - The ST only ret'd P Brett Arnold and Zardas (138, 6.0, 4 td). They had to replace their top 3rd tm CAA KR Courtney Robinson. Robinson was 3 rec who comb for 2,637 yds and 16 TD's including 2 again the top KR and Arnold won AA honors avg 45.2 all-CAAWR's who each had over 1,000 yds. The top ret rec was WR Jeremy Horne with just 146 (12.2). They COACHES - Five year HC Don Brown, who had led return their top 6 rec led by 1st tm CAA WR Victor Cruz the rush ypg declined slightly the ypc increased from kept his position and enters his 6th season. 4.2 to 4.4 but the sacks allowed increased from 17 to FORECAST - After allowing season high 35 pts in the AA LT Vladimir McCracken.

return 6 starters but lose 4 of their top 7.6 tklr. The could still be a factor TY.

They return 7 starters incl three 1st tm CAA players. As from #2 to #11 in rush D as the ypc increased from mentioned they return 2nd tm CAAQB Coen LY, who had 2.9 to 4.6 and the sack total dropped by over half (44

22. The OL loses 2 starters including 3rd tm CAA C clicchio but return 5 who comb for 39 starts including of 52+ LY. The offense is poised for success if they can find a QB to lead it. However if the Minutemen want **DEFENSE** - The D ret'd 8 starters and 10 of their top to return to the playoffs the defense will have to put 13 tklr but lost 3 of their top 5. The defense allowed last year behind them and return to their dominating over 7 ppg and almost 50 ypg more and plummeted ways. The disruption of the HC leaving in Jan was from #1 to #8 in both scoring and total defense. They probably minimized by promoting from within, but
