Howard	76	235	19	3
FAMU	194	200	40	2

FAMU QB Curtis Pulley has been hot all year and the performance of PR Leroy Vann last week was another one for the ages. This could be a blowout as Howard as shown little of-fense thus far and probably can't match FAMU's firepower.

DAYTON AT ROBERT MORRIS

	Rush	Pass	Points	TOs
Dayton	-24	160	10	4
Robert Morris	74	255	17	3

	Rush	Pass	Points	TOs
Bucknell	176	200	29	0
Cornell	134	315	28	3

This could be a fairly high scoring and close game. Both teams have the ability to put up points. Cornell must protect the ball though and if they can this could be a bigger marginal of victory than expected. I agree with the computers though.

MSU	159	140	20	3

WSSU did not show much last week against FAMU. Their defense is struggling but does have a bright spot in potential NFL prospect DE Akeem Ward. This game should be close with little scoring although MSU does have a solid group of receivers that should expose WSSU.  
JOSH'S PICK: MSU 21 WSSU 7
