What the experts are saying about...

PHIL STEELE

John Fricke
Fox Radio Sports

"As a sports talk show host the only publication I keep handy is Phil Steele's. When it comes to needing instant, consistent and quality information on the fly, Steele's the only source I would turn to and trust."

Gil Brandt
Cowboys VP of Players Personnel '60-'89

"Without question your College Football Preview is the best ever. I read my first college preview in 1941 (Street & Smith) and have not missed a year of reading the various publications since."

Pat Forde
Yahoo Sports

"Phil Steele owns the genre. How valuable is his book? I left mine on a plane and nearly had a seizure when I discovered it was missing... If you want to know every meaningful stat from last year--individual and team, including game-by-game team breakdowns--Steele has 'em. If you want six-year statistical trends by team, every coach's career record, a three-deep at every position and the top 20-25 newcomers for every team...yes, Steele has 'em."
